REGULATION (EEC) No 922/73 OF THE COMMISSION

of 5 April 1973

fixing the corrective amount applicable to the refund on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 120/67/EEC ⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by the Act ⁽²⁾ annexed to the Treaty ⁽³⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular the third sentence of the first subparagraph of Article 16 ⁽⁴⁾ thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas Article 16 ⁽⁴⁾ of Regulation No 120/67/EEC provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation must be applied on request to exports to be effected during the period of validity of the export licence ; whereas, in this case, a corrective amount must be applied to the refund ;

Whereas Regulation No 633/67/EEC ⁽⁴⁾, as last amended by Regulation (EEC) No 1461/72 ⁽⁵⁾, lays down detailed rules for the advance fixing of the export refund on cereals ;

Whereas that Regulation provides that the refund applicable on the day on which application for a export licence is made must when the refund is fixed in advance, be reduced by not more than the difference between the cif forward delivery price and the cif price where the former exceeds the latter by more than one unit of account per metric ton ; whereas, on the other hand, the refund must be increased by not more than the difference between the cif price and the cif forward delivery price where the former exceeds the latter by more than one unit of account per metric ton ;

Whereas the cif price is that determined in accordance with Article 13 of Regulation No 120/67/EEC ; whereas the cif forward delivery price is that determined in accordance with Article 3 ⁽²⁾ of Regulation No 140/67/EEC ⁽⁶⁾, as amended by Regulation (EEC) No 2435/70 ⁽⁷⁾, based, in respect of each month for which the export licence is valid, on the cif price calculated on the basis of offers for shipment during the month of exportation ;

Whereas the corrective amount so fixed will be altered if application of the calculation procedure described above entails a change in that amount of more than 0.125 unit of account ;

Whereas however Article 2 of Regulation No 633/67/EEC provides that the corrective amount applicable to the amount of the refund fixed in advance on exports to be effected after the third month following that during which the licence was issued should be fixed on the basis of foreseeable market trends ; whereas to this end account should be taken of availabilities and foreseeable trends on the Community market and of forward trends on the world market, in particular on those markets whose specific requirements have made it necessary to vary the refund ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the basis of an exchange rate which is based, in the case of currencies which are floating or whose central rate differs from the official parity, on the effective rate or the central rate of these currencies and, in the case of the US dollar, on the change in parity announced on 13 February 1973 ;

Whereas it follows from applying all these provisions that the corrective amount must be fixed as shown in the Table annexed to this Regulation ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals ;

REGULATION (EEC) No 923/73 OF THE COMMISSION

of 5 April 1973

fixing the refunds applicable to cereals and wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 120/67/EEC ⁽¹⁾ of 13 June 1967 on the common organization of the market in cereals, as last amended by the Act ⁽²⁾ annexed to the Treaty ⁽³⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular the first sentence of the fourth subparagraph of Article 16 ⁽²⁾ thereof;

Having regard to the Opinion of the Monetary Committee ;

Whereas Article 16 of Regulation No 120/67/EEC provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products in the Community may be covered by an export refund ;

Whereas Article 2 of Council Regulation No 139/67/EEC ⁽⁴⁾ of 21 June 1967 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds provides that when refunds are being fixed account must be taken of the existing situation and the future trend within regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other ; whereas the same article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market ;

Whereas Article 3 of Regulation No 139/67/EEC defines the specific criteria to be taken into account when the refund on cereals is being calculated ;

Whereas these specific criteria are defined, as far as wheat and rye flour, groats and meal are concerned,

in Article 4 of Regulation No 139/67/EEC ; whereas, furthermore, when the refund on these products is being calculated, account must be taken of the quantities of cereals required for their manufacture ; whereas these quantities were fixed in Regulation No 162/67/EEC ⁽⁵⁾, as amended by Regulation (EEC) No 1607/71 ⁽⁶⁾ ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas the refund must be fixed once a week ; whereas it may be altered in the intervening period ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the basis of an exchange rate which is based, in the case of currencies which are floating or whose central rate differs from the official parity, on the effective rate or the central rate of these currencies and, in the case of the US dollar, on the change in parity announced on 13 February 1973 ;

Whereas it follows from applying these rules and criteria to the present situation on the market in cereals and in particular to quotations or prices for these products within the Community and on the world market that the refund should be fixed at the amounts shown in the Annex to this Regulation ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals ;

HAS ADOPTED THIS REGULATION :

Article 1

The refunds on the products listed in Article 1 (a), (b) and (c) of Regulation No 120/67/EEC, exported in the natural state, are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 6 April 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 925/73 OF THE COMMISSION

of 5 April 1973

fixing the premiums to be added to the levies on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 359/67/EEC ⁽¹⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by the Act ⁽²⁾ annexed to the Treaty ⁽³⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular Article 13 (6) thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas the premiums to be added to the import levies fixed in advance for rice and broken rice must include a premium for the current month and a premium for each of the following months until the expiry of the period of validity of the import licence; whereas this period of validity was laid down in Article 20 (2) of Commission Regulation (EEC) No 2637/70 ⁽⁴⁾ of 23 December 1970, as last amended by Regulation (EEC) No 128/73 ⁽⁵⁾ ;

Whereas Council Regulation No 365/67/EEC ⁽⁶⁾ of 25 July 1967, as last amended by Regulation (EEC) No 2435/70 ⁽⁷⁾, lays down rules for the advance fixing of levies on rice and broken rice ;

Whereas under the terms of Regulation No 365/67/EEC, where the cif price for husked rice, for milled rice or for broken rice determined on the day on which the premiums are fixed is higher than the cif forward delivery price for the same product, the premium should as a general rule be equal to the difference between these two prices ; whereas the cif price is that determined in accordance with Article 16 of Regulation No 359/67/EEC on the day

on which the premiums are fixed ; whereas the detailed rules for determining cif prices were laid down in Regulation (EEC) No 1613/71 ⁽⁸⁾, as last amended by Regulation (EEC) No 363/72 ⁽⁹⁾ ; whereas the cif forward delivery price must also be determined in accordance with Article 16 of Regulation No 359/67/EEC but on the basis of offers at North Sea ports ; whereas this price must be the cif price for shipment during the month in which the import licence is issued in the case of imports to be effected during that month ; whereas this price must be the cif price for shipment during the month in which importation is expected to take place in the case of imports to be effected during the month following the month in which the import licence is issued ; whereas this price must be the cif price for shipment during the month preceding the month in which importation is expected to take place in the case of imports to be effected during the remaining months for which the import licence is valid ; whereas, if no offer for forward delivery is made for shipment during a given month, this price should be the price ruling for shipment during the last month in which an offer for forward delivery was made ;

Whereas the premium is equal to 0 units of account if the cif price determined on the day on which the scale of the premiums is fixed is equal to the cif forward delivery price or exceeds that price by not more than 0.025 unit of account per 100 kilograms ;

Whereas the premium may, however, be fixed at a higher level in exceptional circumstances and within certain specified limits ;

Whereas, if the levy system is to operate normally, levies should be calculated on the basis of an exchange rate which is based, in the case of currencies which are floating or whose central rate differs from the official parity, on the effective rate or the central rate of these currencies and, in the case of the US dollar, on the change in parity announced on 13 February 1973 ;

Whereas it follows from applying all these provisions that the premiums should be fixed as shown in the Table annexed to this Regulation ; whereas the amount of the premiums should be altered only if application of the abovementioned provisions entails a change of more than 0.025 unit of account ;

REGULATION (EEC) No 926/73 OF THE COMMISSION

of 5 April 1973

fixing the export refunds on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 359/67/EEC ⁽¹⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by the Act ⁽²⁾ annexed to the Treaty ⁽³⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas Article 17 of Regulation No 359/67/EEC provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund ;

Whereas Article 2 of Council Regulation No 366/67/EEC ⁽⁴⁾ of 25 July 1967 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds, as amended by Regulation No 1019/67/EEC ⁽⁵⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other ; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbance of the Community market ;

Whereas Regulation No 669/67/EEC ⁽⁶⁾, as amended by Regulation (EEC) No 1057/68 ⁽⁷⁾, lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the

percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum ;

Whereas Article 3 of Regulation No 366/67/EEC defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas the refund must be fixed once a week ; whereas it may be altered in the intervening period ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the basis of an exchange rate which is based, in the case of currencies which are floating or whose central rate differs from the official parity, on the effective rate or the central rate of these currencies and, in the case of the US dollar, on the change in parity announced on 13 February 1973 ;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market that the refund should be fixed at the amounts shown in the Annex to this Regulation ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals ;

HAS ADOPTED THIS REGULATION :

Article 1

The refunds on the products listed in Article 1 of Regulation No 359/67/EEC with the exception of those listed in paragraph 1 (c) of that Article, exported in the natural state, are hereby fixed as shown in the Annex to this Regulation.

REGULATION (EEC) No 927/73 OF THE COMMISSION

of 5 April 1973

fixing the corrective amount applicable to the refund on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 359/67/EEC ⁽¹⁾ of 25 July 1967 on the common organization of the market in rice, as last amended by the Act ⁽²⁾ annexed to the Treaty ⁽³⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular the first subparagraph of Article 17 ⁽⁴⁾ thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas the first subparagraph of Article 17 ⁽⁴⁾ of Regulation No 359/67/EEC provides that the export refund applicable to rice and broken rice on the day on which application for an export licence is made, adjusted for the threshold price which will be in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the licence ;

Whereas Regulation No 474/67/EEC ⁽⁴⁾, as amended by Regulation (EEC) No 1397/68 ⁽⁵⁾, lays down detailed rules for the advance fixing of the export refund on rice and broken rice ;

Whereas that Regulation provides that the refund applicable on the day on which application for an export licence is made must, when it is fixed in advance, be reduced by an amount no greater than the difference between the cif forward delivery price and the cif price, where the former exceeds the latter by more than 0.025 unit of account per 100 kilogrammes ; whereas, on the other hand, the refund must be increased by an amount no greater than the difference between the cif price and the cif forward delivery price, where the former exceeds the

latter by more than 0.025 unit of account per 100 kilogrammes ;

Whereas the cif price is that determined in accordance with Article 16 of Regulation No 359/67/EEC ; whereas the cif forward delivery price is that determined in accordance with Article 3 ⁽²⁾ of Regulation No 365/67/EEC ⁽⁶⁾, as last amended by Regulation (EEC) No 2435/70 ⁽⁷⁾, based, in respect of each month for which the export licence is valid, on the cif price calculated on the basis of offers for shipment during the month of exportation ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the basis of an exchange rate which is based, in the case of currencies which are floating or whose central rate differs from the official parity, on the effective rate or the central rate of these currencies and, in the case of the US dollar, on the change in parity announced on 13 February 1973 ;

Whereas it follows from applying all these provisions that the corrective amount applicable on 6 April 1973 must be fixed as shown in the Table annexed to this Regulation ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals ;

HAS ADOPTED THIS REGULATION :

Article 1

The corrective amount referred to in Article 17 ⁽⁴⁾ of Regulation No 359/67/EEC which is applicable to the export refunds fixed in advance in respect of rice and broken rice is hereby fixed as shown in the Table annexed to this Regulation.

(¹) Regulation (EEC) No 521/70 provides that the levies are not applied to imports into the French overseas departments of products originating in the AASM and OCT.

(a) Entry under this subheading is subject to conditions to be determined by the competent authorities and to the special conditions at present applicable to cows imported under the bilateral agreement on cattle for the food processing industry between the European Communities and Austria.

(b) Where these products are imported under the conditions set out in Article 11 of Council Regulation (EEC) No 805/68 of 27 June 1968 and in the provisions adopted for its application, the levy is either refunded or not collected in accordance with those provisions.

(c) Entry under this subheading is subject to the production of the certificate referred to in paragraph 2 (c) of Protocol No 1 annexed to the trade agreement between the EEC and the Socialist Federal Republic of Yugoslavia.

REGULATION (EEC) No 930/73 OF THE COMMISSION**of 3 April 1973****temporarily suspending the application in the new Member States of certain provisions of Regulation (EEC) No 1769/72 on accompanying documents and records for products in the wine sector**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to the Treaty ⁽¹⁾ concerning the Accession of new Member States to the European Economic Community and to the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular to Article 63 of the Act ⁽²⁾ annexed thereto ;

Whereas, since the delayed publication of the English and Danish texts of Commission Regulation (EEC) No 1769/72 ⁽³⁾ of 26 July 1972 drawing up accompanying documents and determining the obligations of wine producers and traders other than retailers, as last amended by Regulation (EEC) No 198/73 ⁽⁴⁾, and the time necessary for the printing and distribution of the accompanying documents in the new Member States make it impossible for the latter to introduce the system provided for in Regulation (EEC) No 1769/72 on the date envisaged, the implementation by the new Member States of certain provisions of that Regulation should be postponed until 1 September 1973 ;

Whereas it is nevertheless necessary that, until that date, wine products dispatched by a new Member State to another Member State be covered by a document giving the same information as that given by accompanying documents ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Wine ;

HAS ADOPTED THIS REGULATION :

Article 1

The system of accompanying documents provided for in Regulation (EEC) No 1769/72 shall, in respect of consignments dispatched from the territory of a new Member State, apply with effect from 1 September 1973 only.

The system of records provided for in Regulation (EEC) No 1769/72 shall in the new Member States apply with effect from 1 September 1973 only.

Article 2

Until 31 August 1973 the new Member States shall draw up, in respect of wine products dispatched from a new Member State to another Member State, a document in addition to the customs documents and giving the same information as that given by VA1, VA2, VA3 and VA4 documents.

Article 3

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

It shall apply from 1 April 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 933/73 OF THE COMMISSION

of 5 April 1973

fixing the basic amount of the import levy on syrups and certain other sugar products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to Council Regulation No 1009/67/EEC ⁽¹⁾ of 18 December 1967 on the common organization of the market in sugar, as last amended by Regulation (EEC) No 174/73 ⁽²⁾, and in particular Article 14 (7) thereof ;

Having regard to the Opinion of the Monetary Committee ;

Whereas Article 14 (1) of Regulation No 1009/67/EEC provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation ;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation No 1009/67/EEC must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar ; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT ;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 ⁽³⁾ of 28 June 1968 on detailed rules for the application of levies on sugar, as amended by Regulation (EEC) No 878/69 ⁽⁴⁾, provides that the basic amount of the levy for 100 kilogrammes of product must be fixed per percentage of sucrose content ;

Whereas the basic amount of the levy must be equal to one hundredth of the average of the levies applicable to 100 kilogrammes of white sugar during the first twenty days of the month preceding the month for which the basic amount of the levy is fixed ; whereas, however, the levy applicable to white sugar on the day preceding the fixing of the basic amount must be substituted for the average of the levies,

where that levy differs by at least 0.40 unit of account from that average ;

Whereas the basic amount must be fixed every month ; whereas it must, however, be altered during the period between the day on which it is fixed and the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least 0.40 unit of account from the average referred to above or from the levy on white sugar used to fix the basic amount ; whereas, in this case, the basic amount must be equal to one hundredth of the levy on white sugar used to calculate the alteration ;

Whereas, if the levy system is to operate normally, levies should be calculated on the basis of an exchange rate which is based, in the case of currencies which are floating or whose central rate differs from the official parity, on the effective rate or the central rate of these currencies and, in the case of the US dollar, on the change in parity announced on 13 February 1973 ;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application ; whereas this adjustment, equal to one hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68 ;

HAS ADOPTED THIS REGULATION :

Article 1

The basic amount of the import levy on the products listed in Article 1 (1) (d) of Regulation No 1009/67/EEC is hereby fixed, per 100 kilogrammes of product, at 0.0583 unit of account per percentage point of sucrose content.

Article 2

This Regulation shall enter into force on 6 April 1973.
