THE COUNCIL OF THE EUROPEAN COMMUNITIES,

and

THE GOVERNMENT OF THE REPUBLIC OF TURKEY,
of the other part,

Whereas the adjustments to the Agreement establishing an Association between the European Economic Community and Turkey, hereinafter called the 'Association Agreement', including those to the Additional Protocol and the Financial Protocol, which are necessary consequent on the Accession to the Community of the Kingdom of Denmark, Ireland and the United Kingdom of Great Britain and Northern Ireland, hereinafter called the 'new Member States', were laid down in a Supplementary Protocol signed at Ankara on 30 June 1973;

Whereas, pending the entry into force of this latter Protocol, certain of its provisions relating to trade should be put into force as soon as possible by means of an interim agreement;

HAVE DECIDED to conclude this Agreement and to this end have designed as their Plenipotentiaries:

THE COUNCIL OF THE EUROPEAN COMMUNITIES

Mr Renaat VAN ELSLANDE, President of the Council of the European Communities;

Sir Christopher SOAMES, Vice-President of the Commission of the European Communities;

THE GOVERNMENT OF THE REPUBLIC OF TURKEY

Mr Ümit Halûk BAYÜLKEN, Minister for Foreign Affairs;

WHO, having exchanged their Full Powers, found in good and due form,

HAVE AGREED AS FOLLOWS:

Article 1

The provisions of the Association Agreement as well as those of Title I, of Chapter I, Chapter II Article 50 (2), and Chapter III of Title III, of Articles 58, 59 and 60 of Title IV and Annexes 1 to 6 of the Additional Protocol, together with the declarations, annexed to the Final Act signed on 23 November 1970, relating to the said provisions of the Additional Protocol, shall, in so far as they relate to trade, apply to the new Member States and Turkey, save as otherwise provided in Articles 2 to 10 of this Agreement.

Article 2

1. The reductions in customs duties and charges having equivalent effect which are provided for pursuant to the Association Agreement shall be applicable in the new Member States, in accordance with the percentages and timetable laid down, upon the entry into force of this Agreement. The rates resulting from application of these reductions as regards Annex 2 and Annex 6 of the Additional Protocol may, however, in no case, be lower than those applied by the new Member States to the Community as originally constituted.

2. Notwithstanding paragraph 1, customs duties equal to the duties applied to Member States other than the United Kingdom may be applied by Ireland in respect of the products listed in Annex I in relation to Turkey until 31 December 1975.

3. The rates of the reductions which the new Member States shall, in accordance with paragraph 1, apply to Turkey, shall be those which they apply at any given moment to non-Member States.

4. Notwithstanding the preceding paragraphs, should the application of these provisions temporarily result in tariff movements away from alignment on the final duty, the new Member States may maintain their duties until the level of those duties has been reached within the framework of alignment on a final duty, or they may apply the duty resulting from a subsequent alignment as soon as this alignment reaches or passes the said level.

Article 3

The new Member States shall align their customs duties of a fiscal nature or the fiscal element of these duties, relating to the products listed in Annex II, on the duties provided for pursuant to the Association Agreement by applying to Turkey the same treatment as that applied to other Member States.

Article 2 shall apply to the protective element of these duties.

Article 4

1. Turkey shall, as regards the new Member States, reduce the difference between the customs duties and charges having equivalent effect which it applies to third countries and those which it applies under the Association Agreement to the Community as originally constituted by instalments of 20%.

The first two alignments shall be carried out at the time of the entry into force of this Agreement, and on 1 January 1974, respectively.

Should this Agreement be extended pursuant to Article 13 thereof, in that event subsequent alignments shall take effect on 1 January 1975, 1 January 1976 and 1 July 1977.

2. In the event of any change in the timetable or in the rate of reduction laid down for the abolition of the customs duties and charges having equivalent

effect applied by the new Member States to the Community as originally constituted, the Association Council shall take the measures necessary to take account of such a change.

3. The Association Council may adopt suitable measures to ensure that the reductions to be applied by Turkey to the new Member States coincide with the deadlines provided for pursuant to the Additional Protocol.

Article 5

The preferential treatment provided for in the Additional Protocol shall also apply to goods obtained in Turkey using products from one of the original Member States or from a new Member State that were not in free circulation in Turkey.

The application of such preferential treatment to the said goods in a new Member State or in one of the original Member States may, however, be subject to the imposition in Turkey of a compensatory levy as long as the duties and charges having equivalent effect applied in respect of trade between the Member States and Turkey are different from those applied in respect of trade between the original Member States and the new Member States.

Article 3 of the Additional Protocol shall be applicable.

Article 6

The annual tariff quotas laid down in the Sole Article (1) of Annex I and in Article 1 (2) of Annex II of the Additional Protocol shall be increased to:

1. The import arrangements applied by Ireland in respect of products listed in Annex III shall be eliminated with regard to Turkey in accordance with procedures to be determined by the Association Council.

2. Until 31 December 1974 imports into the United Kingdom from Turkey of the products listed in Annex IV may be limited to the following annual quotas:

- 1973 quota: 306 metric tons,
- 1974 quota: 368 metric tons.

Article 8

For the purposes of Article 12, Article 22 (5) and Article 25 of the Additional Protocol, the level of imports to be taken into consideration from the Community shall, when being calculated, include, among imports from the Community in its original composition, Turkish imports from the new Member States during the period under consideration.

Article 9

1. The minimum price referred to in Article 4 (3) of Annex 6 to the Additional Protocol shall, in the new Member States, be calculated by reference to the incidence of the duties Member States apply at any given moment with regard to third countries.

However, in 1973 Article 4 of the said Annex shall not apply to trade between the new Member States and Turkey.

2. The levies and variable and fixed components referred to in Annex 6 to the Additional Protocol shall, in the new Member States, be calculated by reference to the rates Member States apply at any given moment with regard to third countries.

Article 10

2. This Agreement shall also apply to the French Overseas Departments in so far as concerns those of the fields covered by it which correspond to those listed in the first subparagraph of Article 227 (2) of the Treaty establishing the European Economic Community.

The conditions for applying to those territories the provisions of this Agreement relating to other fields shall be decided at a later date by agreement between the Contracting Parties.

Article 12

Annexes I to IV shall form an integral part of this Agreement.

Article 13

This Agreement shall enter into force on the first day of the month following the day on which the Contracting Parties notify each other that the procedures necessary to this end have been completed.

It shall be applicable until the entry into force of the Supplementary Protocol or until 31 December 1974, whichever is the earlier.

From that date it shall be tacitly extended for periods of one year, unless one of the Contracting Parties expresses its disagreement one month before its expiry date, provided however that it shall cease to be applicable from the time of entry into force of the Supplementary Protocol.
