## REGULATION (EEC) No 80/74 OF THE COMMISSION

of 10 January 1974

altering the monetary compensatory amounts

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 974/71 <sup>(1)</sup> of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States, as last amended by Regulation (EEC) No 3450/73 <sup>(2)</sup>, and in particular Article 3 thereof;

Whereas the monetary compensatory amounts introduced by Regulation (EEC) No 974/71 were fixed by Commission Regulation (EEC) No 2102/73 <sup>(3)</sup> of 31 July 1973, as last amended by Regulation (EEC) No 38/74 <sup>(4)</sup>;

Whereas pursuant to Article 3 of Regulation (EEC) No 974/71, monetary compensatory amounts must be altered if the difference referred to in Article 2 <sup>(1)</sup> of that Regulation changes by at least 1 point from the percentage taken as a basis for the preceding determination; whereas the compensatory amounts must be altered in line with the change in this difference;

Whereas detailed rules for the application of Regulation (EEC) No 974/71 were laid down by Regulation (EEC) No 1463/73 <sup>(5)</sup> of 30 May 1973, as last amended by Regulation (EEC) No 3482/73 <sup>(6)</sup>; whereas the spot market rates recorded for the pound sterling pursuant to Regulation (EEC) No 1463/73 during the period from 2 to 8 January 1974 mean that the difference has changed by more than 1 point

from the percentage taken as a basis when the monetary compensatory amounts were last fixed;

Whereas Council Regulation (EEC) No 2958/73 <sup>(7)</sup> of 31 October 1973, as amended by Regulation (EEC) No 2996/73 <sup>(8)</sup>, fixed a representative conversion rate for the Italian lira to be applied in agriculture with effect from 1 January 1974; whereas, however, the new Article 4b of Regulation (EEC) No 974/71 stipulates that for products for which a marketing year is fixed the economic effects of this measure must, as a general rule, be deferred to the beginning of the 1974/75 marketing year; whereas to this end, under the terms of that Article, the intervention and buying-in prices valid in Italy are, until the end of the 1973/74 marketing year, fixed at the level, expressed in lira, resulting from the application of provisions in force on 31 December 1973 and 31 October 1973 for sugar; whereas for products to which monetary compensatory amounts apply, the incidence of this measure must be taken into account when such amounts are being fixed,

HAS ADOPTED THIS REGULATION:

*Article 2*
