REGULATION (EEC) No 710/74 OF THE COMMISSION
of 29 March 1974
fixing accession compensatory amounts for milk and milk products during the
1974/75 dairy year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty ⁽¹⁾ concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972;

Having regard to Council Regulation (EEC) No 233/73 ⁽²⁾ of 31 January 1973 laying down general rules for the system of compensatory amounts for milk and milk products, and in particular Articles 2 (3) and 6 thereof;

Whereas, in so far as according to Article 52 of the Act of Accession ⁽³⁾, the prices of butter valid for the 1974/75 dairy year in the new Member States have been fixed at different levels to that of the common intervention price and these differences must be compensated, in accordance with Article 55 (2) of the Act by the application of compensatory amounts;

Whereas, with regard to the fixing of compensatory amounts applicable to other dairy products for the second alignment, account is taken, in accordance with Article 86 (1) second line of the Act, of the amounts applicable before this second alignment, as well as the rules established by Article 52 of the Act for the alignment of prices; whereas, however, for products relevant to the Common Customs Tariff heading No 04.01 for which the relevant compensatory amount for the second alignment has been fixed in accordance with Article 87 (1) first subparagraph, this compensatory amount must be reduced by a further sixth of the original amount, in accordance with the second line of the aforesaid provision;

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 29 March 1974.

Whereas the terms of Article 55 (4) of the Act provide for no compensatory amount to be fixed if the application of the rules envisaged above leads to a very small amount;

Whereas for the application of the new compensatory amounts, the general rules established by Regulation (EEC) No 233/73 and the methods of application provided for by Commission Regulation (EEC) No 480/73 ⁽⁴⁾ of 31 January 1973 concerning the methods of applying the compensatory amounts applicable for milk and milk products as last amended by Regulation (EEC) No 2889/73 ⁽⁵⁾, remain in force;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

The compensatory amounts applicable during the 1974/75 dairy year, for trade between the original Community and the new Member States, for trade between the latter and third countries, for the products envisaged in Article 1 of Regulation (EEC) No 804/68 are shown in the Annex.

Article 2

This Regulation shall enter into force on 1 April 1974.

For the Commission

The President

François-Xavier ORTOLI

REGULATION (EEC) No 711/74 OF THE COMMISSION**of 29 March 1974****authorizing the United Kingdom to grant a national supplementary consumer subsidy for butter**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty ⁽¹⁾ concerning the Accession of the new Member States to the Economic Community and the European Atomic Energy Community, and in particular Article 63 of the adjoining Act;

Whereas Council Regulation (EEC) No 1191/73 ⁽²⁾ of 8 May 1973 authorizes Member States to grant a consumer subsidy for butter; whereas the second stage in the alignment of the butter price in the United Kingdom conforming to the conditions laid down in the Act of Accession leads, in the light of the economic situation existing in that Member State, to considerable difficulties, given that the subsidy is insufficient to allow an adequate reduction in the retail price of butter; whereas it is acceptable therefore to authorize the Member State concerned to grant, as a transitional measure, a national supplementary subsidy of an amount covering the increase in the intervention price;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

The United Kingdom is authorized to grant to private ultimate consumers, in addition to the subsidy laid down in Regulation (EEC) No 1191/73, a national subsidy for butter not exceeding 17 units of account per 100 kilogrammes.

Article 2

The United Kingdom shall take the measures appropriate to ensure that the aid is granted only for butter bought for private consumption and that the aid benefits the ultimate consumer through a reduction of the final sales price.

Article 3

This Regulation shall enter into force on 1 April 1974.

This Regulation shall be applicable up to 31 January 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 712/74 OF THE COMMISSION

of 29 March 1974

setting out the methods of application of the corrective amount for skimmed-milk powder during the 1974/75 dairy year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68 ⁽¹⁾ of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 662/74 ⁽²⁾;

Having regard to Council Regulation (EEC) No 663/74 ⁽³⁾ of 28 March 1974, fixing for the 1974/75 dairy year the target price for milk and the intervention prices of butter, skimmed-milk powder and Grana Padano and Parmigiano Reggiano cheese, and in particular Article 3 (1) thereof;

Whereas during the 1974/75 dairy year the levies charged for the import of skimmed-milk powder in Belgium, Germany, Luxembourg and the Netherlands, as well as the amounts granted for exports from these Member States in the framework of the Common Agricultural Policy should be reduced by a corrective amount of 2 units of account per 100 kilogrammes;

Whereas it is necessary to this end that this reduction should continue to be applied to the monetary compensatory amounts fixed by virtue of Council Regulation (EEC) No 974/71 ⁽⁴⁾ of 12 May 1971, concerning certain measures of conjunctural policy to be taken in the agricultural sector following the temporary enlargement of the margins of fluctuation of the currency of certain Member States, as last amended by Regulation (EEC) No 3450/73 ⁽⁵⁾;

Whereas it is necessary to fix again the products for which the corrective amount is applied taking account of the possibilities of distortion of trade which may result with regard to competitive products;

Whereas Commission Regulation (EEC) No 1267/73 ⁽⁶⁾ of 14 May 1973 setting out the methods of application of the corrective amount for skimmed-milk powder, dealt only with the 1973/74 dairy year and should be repealed;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amounts for skimmed-milk powder applicable in the trade of Belgium, Germany, Luxembourg and the Netherlands by virtue of Article 3 (1) of Regulation (EEC) No 663/74 are fixed in the Annex for the products concerned.

Article 2

The monetary compensatory amounts fixed in accordance with Regulation (EEC) No 974/71 are reduced by the amounts fixed in the Annex.

If the corrective amount is greater than the monetary compensatory amount, no monetary compensatory amount shall be levied or granted.

Article 3

Regulation (EEC) No 1267/73 is repealed.

Article 4

This Regulation shall enter into force on 1 April 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 713/74 OF THE COMMISSION
of 29 March 1974

**fixing the special levies applicable to New Zealand butter and cheese imported
into the United Kingdom under Protocol No 18**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty ⁽¹⁾ concerning the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and Protocol No 18 ⁽²⁾, hereinafter called the 'Protocol', to the Act annexed thereto;

Having regard to Council Regulation (EEC) No 226/73 ⁽³⁾ of 31 January 1973 laying down general rules for imports of New Zealand butter and cheese into the United Kingdom, and in particular Article 8 thereof;

Whereas, pursuant to Article 2 (1) of the Protocol, special levies are applied to New Zealand butter and cheese imported into the United Kingdom under that Protocol;

Whereas, pursuant to Article 2 (2) of the Protocol and Article 4 (1) of Regulation (EEC) No 226/73, these special levies are fixed on the basis of the difference between

- the market price at which the annual quantities specified in Article 1 (2) of the Protocol can actually be sold; and
- the cif price fixed in Article 3 of Regulation (EEC) No 226/73, plus costs incurred between the cif and first sale stages;

Whereas Article 4 (2) of Regulation (EEC) No 226/73 provides that the special levies should be fixed at a level such that the butter and cheese in question can be sold at a consistent rate and should as far as

possible be kept at a uniform level to ensure the stability of the market; whereas, these levies may nevertheless be altered and adjusted, and in particular where this is necessary to permit steady sales of the annual quantities specified in Article 1 (2) of the Protocol;

Whereas, in order not to endanger the sale of butter and cheese of the Community, the special levies must not be lower than the level necessary to permit the annual quantities specified in Article 1 (2) of the Protocol to be sold;

Whereas it follows applying these rules to the situation on the British market that the special levies should be fixed at the levels indicated below;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

The special levies referred to in Article 2 of Protocol No 18 are hereby fixed as follows:

- 23.37 u.a./100 kg for butter,
- 55.53 u.a./100 kg for cheese.

Article 2

This Regulation shall enter into force on 1 April 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 714/74 OF THE COMMISSION**of 29 March 1974****amending Regulation (EEC) No 1107/68 in respect of private storage aid for
Grana Padano and Parmigiano Reggiano cheeses**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community;

Having regard to Council Regulation (EEC) No
804/68 ⁽¹⁾ of 27 June 1968 on the common organiza-
tion of the market in milk and milk products, as last
amended by Regulation (EEC) No 662/74 ⁽²⁾, and in
particular Article 8 (5) thereof;

Whereas Article 17 (1) of Commission Regulation
(EEC) No 1107/68 ⁽³⁾ of 27 July 1968 on detailed
rules of application for intervention on the market in
Grana Padano and Parmigiano Reggiano cheeses, as
last amended by Regulation (EEC) No 2165/73 ⁽⁴⁾,
fixed the amount of private storage aid for Grana
Padano and Parmigiano Reggiano cheeses; whereas
that amount should be altered in view of the increased
intervention prices of these cheeses which have been
fixed for the 1974/75 milk year; and of the increased
costs of storage, it is acceptable to modify the above

amount for these quantities of cheese for which
storage contracts have been concluded after the begin-
ning of the new milk year;

Whereas the measures provided for in this Regulation
are in accordance with the Opinion of the Manage-
ment Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

In the first subparagraph of Article 17 (1) of Regula-
tion (EEC) No 1107/68, '2.31 units of account' shall
be substituted for '3.14 units of account'.

Article 2

This Regulation shall enter into force on 1 April
1974.

However, it shall not affect storage contracts
concluded before that date.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

REGULATION (EEC) No 715/74 OF THE COMMISSION
of 29 March 1974

modifying the Annex to Regulation (EEC) No 757/71 concerning the special rules for granting aid for exports of skimmed-milk powder for use as feed and skimmed milk processed into compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68⁽¹⁾ of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 662/74⁽²⁾ and in particular Article 10 (3) thereof;

Whereas the second subparagraph of Article 2 (1) of Council Regulation (EEC) No 986/68⁽³⁾ of 15 July 1968, laying down general rules for granting aid for skimmed milk and skimmed-milk powder for use as animal feed, as last amended by Regulation (EEC) No 666/74⁽⁴⁾, provides that when skimmed milk or skimmed-milk powder are exported in the form of denatured skimmed-milk powder or compound feedingstuffs, an amount equal to the aid is levied;

Whereas the amounts charged were fixed in the Annex to Commission Regulation (EEC) No 757/71⁽⁵⁾ of 7 April 1971, concerning the special rules for granting aid for exports of skimmed-milk powder for use as feed and skimmed milk processed into compound feedingstuffs, as last amended by Regulation (EEC) No 1278/73⁽⁶⁾;

Whereas the amounts charged are varied to take account of the aid valid with effect from 1 April 1974; whereas, however, it is necessary to ensure that the new amounts will not be levied on products only having benefited from the lower amount of aid valid before;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

1. With effect from 1 April 1974, the Annex to Regulation (EEC) No 757/71 is replaced by the Annex to this Regulation.
2. However, the valid levies up to that date will remain in force for skimmed milk and skimmed-milk powder for which proof is available that they have only benefited from aid valid before 1 April 1974.

Article 2

This Regulation shall enter into force on 1 April 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 716/74 OF THE COMMISSION**of 29 March 1974****fixing the aid for skimmed milk and skimmed-milk powder for use as animal feed**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68⁽¹⁾ of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 662/74⁽²⁾, and in particular Article 10 (3) thereof;

Whereas Article 2 a (1) of Council Regulation (EEC) No 986/68⁽³⁾, of 15 July 1968 laying down the general rules for the granting of aid for skimmed milk and skimmed-milk powder for use as animal feed, as last amended by Regulation (EEC) No 666/74⁽⁴⁾, defines the criteria governing the fixing of these aids; whereas paragraph 3 of the above Article deals with a margin which must be adhered to when the level of aid is fixed for the 1974/75 milk year;

Whereas the application of these rules in the present market situation means that the aids are fixed at the level stated below;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk products,

HAS ADOPTED THIS REGULATION:

Article 1

The aids referred to in Article 10 of Regulation (EEC) No 804/68 shall be fixed as follows:

- 3.11 u.a./100 kg for skimmed milk,
- 33.50 u.a./100 kg for skimmed-milk powder.

Article 2

This Regulation shall enter into force on 1 April 1974.

REGULATION (EEC) No 717/74 OF THE COMMISSION

of 29 March 1974

derogating from Regulation (EEC) No 2500/73 as regards the exportation of skimmed-milk powder to Mexico

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68⁽¹⁾ of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 662/74⁽²⁾, and in particular Articles 13 (3) and 17 (4) thereof;

Whereas under Commission Regulation (EEC) No 2500/73⁽³⁾ of 13 September 1973 on the advance fixing of refunds and the period of validity of export licences for milk and milk products, as last amended by Regulation (EEC) No 3547/73⁽⁴⁾, the advance fixing of refunds is excluded in respect of skimmed-milk powder falling within subheading No 04.02 A II b) 1 of the Common Customs Tariff exported to Zone E, Canada, Mexico and Puerto Rico; whereas a person who obtains an export licence for the product in question must therefore export to a destination other than those as aforesaid;

Whereas that provision was made on account of the situation on the United States' market and to avoid deflection of trade via adjacent countries; whereas if it is possible to ensure that skimmed-milk powder exported to an adjacent country is actually used for human consumption in that country and will not be re-exported, it is in the Community interest to enable exports to be made to such destinations on normal terms; whereas in the case of imports into Mexico for which a certificate is issued by the Mexican government agency, 'Compañía Nacional de Subsistencias Populares' (CONASUPO), that condition is satisfied;

Whereas at present, however, no refund is fixed for the skimmed-milk powder in question; whereas, to avoid altering this situation, provision should be made for export licences which have already been issued for the product in question in connection with the advance fixing of refunds to be used, in derogation from Regulation (EEC) No 2500/73, for exportation to Mexico; whereas payment of the refund must in such cases be subject to special conditions;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

By way of derogation from Regulation (EEC) No 2500/73, export licences issued within the meaning of Article 8 (1) of Regulation (EEC) No 1373/70 before 8 March 1974 in respect of products falling within subheading No 04.02 A II b) 1 of the Common Customs Tariff may be used for the exportation of such products to Mexico.

Article 2

1. If an export licence is used as provided in Article 1, payment of the refund shall be subject to production of:

- (a) Proof that the products in question have been unloaded and put into free circulation in Mexico;
- (b) a certificate issued by the 'Compañía Nacional de Subsistencias Populares' (CONASUPO) stating that the products are intended for human consumption in Mexico and that they will not be re-exported.

2. The proof required under paragraph 1 (a) shall be furnished:

- (a) as regards unloading, by production of a document issued in Mexico by the authorities or services as referred to in Article 8 (1) of Regulation No 1041/67/EEC;
- (b) as regards the putting into free circulation, by production of the relevant customs document made out in Mexico, or of a copy or photocopy of such document certified by the competent authorities.

Article 3

This Regulation shall enter into force on 1 April 1974.

REGULATION (EEC) No 718/74 OF THE COMMISSION
of 29 March 1974
on the payment of an additional amount to certain intervention sellers of beef
and veal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 ⁽¹⁾ of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 187/73 ⁽²⁾;

Having regard to Council Regulation (EEC) No 667/74 ⁽³⁾ of 28 March 1974 fixing, for the 1974/75 marketing year, the guide prices for calves and adult bovine animals and in particular the last subparagraph of Article 1 (2) thereof;

Whereas under Article 1 (2) of Regulation (EEC) No 667/74 the intervention agencies are to pay sellers, in respect of buying-in operations carried out between 4 and 31 March 1974, in addition to the buying-in price for the 1973/74 marketing year, an amount equal to the difference between this buying-in price and that applicable from 1 April 1974;

Whereas, in order to simplify the administrative procedures, provision should be made for this amount to be paid only where the party concerned applies therefor;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

The amount referred to in Article 1 (2) of Regulation (EEC) No 667/74 shall be paid only where the party concerned applies therefor.

Applications must be submitted before 1 August 1974.

Article 2

This Regulation shall enter into force on 1 April 1974.

REGULATION (EEC) No 719/74 OF THE COMMISSION

of 29 March 1974

fixing the guide prices, applicable from 1 April 1974, for calves and adult bovine animals in the United Kingdom

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty ⁽¹⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, and in particular Article 63 of the Act ⁽²⁾ annexed thereto;

Whereas, by reason of the situation on the market in beef and veal in the United Kingdom, the operation of the common organization of the market in the manner provided for in the Act of Accession is meeting with appreciable difficulties as regards the level of the guide price; whereas it is therefore necessary to make provision in respect of this Member State, on the basis of Article 63 of the Act, for guide prices for calves and adult bovine animals which differ from those resulting from the application of the provisions of Article 52 of the Act of Accession in that they reflect only part of the rise in the Community price;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

By way of derogation from Council Regulation (EEC) No 667/74 ⁽³⁾ of 28 March 1974 the guide prices for calves and adult bovine animals applicable in the United Kingdom from the beginning of the 1974/75 marketing year shall be:

- Calves 90.00 u.a./100 kg live weight;
- Adult bovine animals 74.50 u.a./100 kg live weight.

Article 2

The guide price for calves laid down in Article 1 may be discontinued in the event of new import arrangements for this product being introduced.

Article 3

This Regulation shall enter into force on 1 April 1974.

It shall apply until 31 January 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 720/74 OF THE COMMISSION**of 29 March 1974****amending Regulation (EEC) No 1896/73 on detailed rules for the application of intervention measures on the market in beef and veal**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 ⁽¹⁾ of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 187/73 ⁽²⁾, and in particular Article 6 (5) thereof;

Whereas detailed rules for the application of intervention measures on the market in beef and veal were laid down in Commission Regulation (EEC) No 1896/73 ⁽³⁾ of 13 July 1973, as last amended by Regulation (EEC) No 404/74 ⁽⁴⁾; whereas the coefficients referred to in Article 6 of Regulation (EEC) No 805/68 must be examined annually by reference to prices recorded during the period most representative of normal price conditions; whereas the reference period should be the twelve months following the date of the accession of the new Member States;

Whereas there is no point in fixing coefficients for regions where there is unlikely to be any buying-in;

Whereas the application of the intervention measures provided for in Article 6 (1) of Regulation (EEC) No 805/68 may cause problems for the intervention agencies in connection with taking over and storage, in that the quantities of meat delivered may occasionally exceed their technical capacity; whereas intervention agencies faced with such problems should therefore be allowed to limit their buying-in;

Whereas the Management Committee for Beef and Veal has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:

Article 1

Annexes I and II to Regulation (EEC) No 1896/73 are replaced by Annexes I and II to this Regulation.

Article 2

The following Article 8a is inserted in Regulation (EEC) No 1896/73:

'Article 8a

Where under the measures provided for in Article 6 (1) of Regulation (EEC) No 805/68 the intervention agencies in Member States are offered meat in quantities greater than they are able to take over forthwith, such intervention agencies may limit buying-in to the quantities they can freeze and store in accordance with the provisions of Article 4.

Member States shall ensure that equality of access to intervention on the part of sellers is affected as little as possible by such limitations.'

Article 3

This Regulation shall enter into force on 1 April 1974.

REGULATION (EEC) No 721/74 OF THE COMMISSION

of 29 March 1974

fixing the buying-in prices for permanent intervention on the market in beef and veal applicable from 1 April 1974

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 ⁽¹⁾ of 27 June 1968, on the common organization of the market in beef and veal as last amended by Regulation (EEC) No 187/73 ⁽²⁾, and in particular Article 6 (5) (c) thereof;

Whereas, in accordance with the provisions of Council Regulation (EEC) No 1302/73 ⁽³⁾ of 15 May 1973 laying down general rules for intervention on the market in beef and veal, the qualities and cuts of products to be bought in by intervention agencies shall be determined with a view, on the one hand, to the need to give effective support to the market, and to ensure the necessary balance between the market in question and that in other livestock production, and on the other hand, to the Community's financial responsibilities in the matter; whereas it is therefore desirable to limit buying-in to certain cuts of meat and to meat of above-average quality in order to attain the desired objectives by making permanent provision for the sale of beef and veal to intervention agencies;

Whereas the upper and lower limits for buying-in prices must be fixed in such a way as to allow intervention agencies to take account of the differences of value in meat arising out of the age, weight, conformation, and degree of fattening of the animals concerned;

Whereas it is desirable to fix the upper limits at a level closely approaching or equal to the maximum buying-in price as determined by the application of Article 6 (1) of Regulation (EEC) No 805/68, and of the coefficients fixed in Commission Regulation (EEC) No 1896/73 ⁽⁴⁾ of 14 July 1973 on detailed

rules for the implementation of intervention measures on the market in beef and veal, as last amended by Regulation (EEC) No 720/74 ⁽⁵⁾; whereas the latter Regulation fixed new coefficients to be used from 1 April 1974; whereas, moreover, on that date the new guide prices enter into force; whereas these two factors entail an alteration of the buying-in prices, thus making it necessary to replace Commission Regulation (EEC) No 2096/73 ⁽⁶⁾ of 27 July 1973 fixing the buying-in prices for permanent intervention on the market in beef and veal, as last amended by Regulation (EEC) No 213/74 ⁽⁷⁾;

Whereas the Management Committee for Beef and Veal has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The buying-in prices, free at entry into intervention centre cold store, for the products referred to in Article 6 (1) of Regulation (EEC) No 805/68, bought in accordance with the conditions laid down in Regulation (EEC) No 1896/73, shall be fixed by intervention agencies, within the limits laid down for each product in the Annex to this Regulation, having regard to the age, weight, genealogical history, and degree of fattening of the animals from which the said products are obtained.

Article 2

Regulation (EEC) No 2096/73 is hereby repealed.

Article 3

This Regulation shall enter into force on 1 April 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 722/74 OF THE COMMISSION**of 29 March 1974****authorizing the United Kingdom to grant a decreasing national subsidy to pig producers**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty⁽¹⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, and in particular Article 63 of the Act⁽²⁾ annexed thereto;

Whereas in the United Kingdom there is a particular problem for pork; whereas before Accession there existed a national system of guaranteed prices based on a national formula for a feeding ration; whereas by the provisions of the Act of Accession this formula could be maintained; whereas the price for cereals in the United Kingdom is at the same level as in the other Member States; and the price of cereal feeding-stuffs is at present higher on the world market than on the Community markets;

Whereas resulting from the factors given above there is an appreciable rise in the price of cereal feeding-stuffs in proportion to those registered on the national market before Accession;

Whereas it is necessary in these conditions, given the request of the United Kingdom in this matter, to authorize this Member State to grant a temporary and transitory decreasing subsidy to pig producers;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

From 25 March 1974 the United Kingdom is authorized to grant the following decreasing national subsidy to pig producers licensed under the 'Fatstock guarantee scheme':

Units of account per 100 kilogrammes of pork weight

from 25 March to 2 June 1974	11.90
from 3 June to 30 June 1974	8.35
from 1 July to 28 July 1974	3.58

Article 2

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 723/74 OF THE COMMISSION
of 29 March 1974
concerning aid to Irish pig producers

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty ⁽¹⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, and in particular Article 63 of the Act ⁽²⁾ annexed thereto;

Whereas under Commission Regulation (EEC) No 722/74 ⁽³⁾ of 29 March 1974 the United Kingdom was authorized to grant a degressive national aid to pig producers;

Whereas the economic position of pig producers in Ireland is very much the same as that of their counterparts in the United Kingdom; whereas, in order to prevent distortion of competition between those two Member States, it is therefore necessary to provide for a like aid to be granted to Irish pig producers;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

Whenever the United Kingdom grants aid to pig producers under Regulation (EEC) No 722/74, Ireland shall grant a like aid of a like amount.

Article 2

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

REGULATION (EEC) No 724/74 OF THE COMMISSION
of 29 March 1974
fixing compensatory amounts in the beef and veal sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty ⁽¹⁾ on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972;

Having regard to Council Regulation (EEC) No 181/73 ⁽²⁾ of 23 January 1973 laying down the general rules for compensatory amounts in the beef and veal sector, and in particular Article 14 ⁽³⁾ thereof;
