**REGULATION (EEC) No 2219/74 OF THE COMMISSION****of 26 August 1974****opening an invitation to tender for the mobilization of common wheat as aid  
for the People's Republic of Bangladesh**

THE COMMISSION OF THE EUROPEAN  
COMMUNITIES,

Having regard to the Treaty establishing the European  
Economic Community;

Having regard to Council Regulation No 120/  
67/EEC <sup>(1)</sup> of 13 June 1967 on the common organiza-  
tion of the market in cereals, as last amended by Regu-  
lation (EEC) No 1996/74 <sup>(2)</sup>;

Having regard to Council Regulation (EEC) No  
1693/72 <sup>(3)</sup> of 3 August 1972 laying down the condi-  
tions for the mobilization of cereals as food aid, and  
in particular Article 6 thereof;

Whereas on 21 March 1974 the Council of the Euro-  
pean Communities declared that by way of Commu-  
nity action it proposed to grant the People's Republic  
of Bangladesh 60 000 metric tons of common wheat  
under the 1973/74 food-aid programme;

Whereas an analysis of the state of the cereals market  
in the Community indicates that the criteria of Article  
3 (1) of Council Regulation (EEC) No 1693/72 should  
be applied, and that the product should be bought on  
the Community market;

Whereas tenders should be invited for the supply of  
the product to the port of shipment in the vicinity of  
the vessel, the goods to be set down at the place nomi-  
nated by the recipient or its agent;

Whereas the contract should be awarded to the  
tenderer offering the best terms;

Whereas in case it should be impossible for reasons of  
*force majeure* to complete the operation in question  
within the set time limits, it must be made clear who  
is to bear any costs resulting therefrom;

Whereas provision should be made for security to be  
given to guarantee fulfilment of the obligations arising  
by virtue of participation in the invitation to tender  
for the supply of wheat to the People's Republic of  
Bangladesh;

Whereas the French intervention agency should be  
made responsible for the tendering procedure in ques-  
tion;

Whereas the Commission must be informed quickly  
of the tenders submitted in response to the invitation  
and of those accepted by the intervention agency;

Whereas the measures provided for in this Regulation  
are in accordance with the Opinion of the Manage-  
ment Committee for Cereals,

HAS ADOPTED THIS REGULATION:

*Article 1*

1. Tenders are hereby invited for the supply, by  
way of Community food aid action, to the People's

*Article 4*

If the tenderer is unable to deliver the goods in compliance with Article 1 (5) on the date given in the notice of invitation to tender as a result of the late availability of the vessels to be used for sea transportation, the resulting costs shall be borne by the intervention agency.

*Article 5*

1. The successful tenderer shall give security of a value of 5 units of account per metric ton of the product; the security is intended to guarantee that the operations specified in Article 1 are duly completed. 3. On the other hand, if the successful tenderer is established in a Member State other than the one collecting the tenders, and if the product is dispatched through a frontier post of the Member State where the successful tenderer is established, the intervention agency of the latter Member State shall be responsible for the operations relating to the tendering.

In this case, the intervention agency choosing the successful tenderer shall immediately inform the intervention agency of the Member State concerned and shall supply it with all the information which it may require.
