Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2771/75 of 29 October 1975 on the common organization of the market in eggs⁽¹⁾, as amended by Regulation (EEC) No 368/76⁽²⁾, and in particular the first sentence of the fifth subparagraph of Article 9 (2) thereof,

Whereas Article 9 (1) of Regulation (EEC) No 2771/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽³⁾, as amended by Regulation (EEC) No 3058/75⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in the Annex to Regulation (EEC) No 2771/75;

Whereas, in accordance with the second subparagraph of Article 4 (1) of Regulation (EEC) No 2682/72, the rate of the refund per 100 kg for each of the basic products in question must be fixed for a period of the same duration as that for which refunds are fixed for the same products exported unprocessed;

Whereas, in accordance with paragraph 2 of that Article, when that rate is being determined particular account should be taken of:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world market;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions; and
- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Whereas Article 17 (1) of Regulation (EEC) No 804/68 provides that the difference between prices in international trade for the products listed in Article 1 (a), (b), (c) and (e) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and criteria for fixing the amount of such refunds⁽³⁾, as amended by Regulation (EEC) No 3058/75⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in the Annex to Regulation (EEC) No 804/68;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 2682/72, the rate of the refund per 100 kg for each of the basic products in question must be fixed for each month;

fixing the rates of the refunds applicable from 1 November 1976 to sugar and molasses exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1487/76⁽²⁾, and in particular the first sentence of the sixth subparagraph of Article 19 (2) thereof,

Whereas Article 19 (1) of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (a), (c) and (d) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽³⁾, as amended by Regulation (EEC) No 3058/75⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex I to Regulation (EEC) No 3330/74;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 2682/72, the rate of the refund per 100 kilogrammes for each of the basic products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world market;

- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;

- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 2682/72 provides that, when the rate of the refund is being fixed, account should be taken, where appropriate, of refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products; whereas at present no production refunds are granted; whereas it is therefore unnecessary to fix differentiated export refunds for the goods in question;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1143/76⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof;

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, and in particular the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 and Article 17 of Regulation (EEC) No 1418/76 provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975⁽⁴⁾, and Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976⁽⁵⁾ laying down general rules for granting export refunds on cereals and rice respectively and criteria for fixing the amount of such refunds, provide that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice and broken rice on the world market on the other; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁶⁾, as amended by Regulation (EEC) No

832/76⁽⁷⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas, on the basis of the criteria laid down in Regulation (EEC) No 2744/75, particular account should be taken of the prices and quantities of basic products used to calculate the variable component of the levy; whereas, therefore, as is laid down for the determination of the variable component, account should be taken of the average of the levies on the basic products concerned during a representative period, namely the first 25 days of the month preceding the month of exportation; whereas this average should be adjusted for the threshold price for these basic products which will be in force during the month of exportation; whereas Article 8 of Regulation (EEC) No 2744/75 and Article 1 of Regulation (EEC) No 1077/68⁽⁸⁾, as amended by Regulation (EEC) No 2764/71⁽⁹⁾, provide that the amount of the export refund should, for certain products, be reduced by an amount equal to the production refund granted in respect of the basic product;

Whereas it follows from applying these rules and criteria to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas when the refund is being calculated account should be taken of the quantities of raw materials used to determine the variable component of the levy; whereas the quantities of raw materials used for certain processed products may vary according to the end use of the product; whereas, depending on the manufacturing process used, products other than the main product are obtained, the quantity and value of which may vary with the nature and quality of the main products being manufactured; whereas cumulation of the refunds on the various products manufactured by a single process from the same basic product may make it possible, in certain cases, to export to third countries at prices which are lower than world market prices; whereas the refund on certain products should therefore be limited to an amount which, while allowing access to the world market, will ensure that the aims of the common organization of the markets are respected;

(1) OJ No L 281, 1. 11. 1975, p. 1.

(2) OJ No L 130, 19. 5. 1976, p. 1.

(3) OJ No L 166, 25. 6. 1976, p. 1.

(4) OJ No L 281, 1. 11. 1975, p. 78.

(5) OJ No L 166, 25. 6. 1976, p. 36.

(6) OJ No L 281, 1. 11. 1975, p. 65.

(7) OJ No L 100, 14. 4. 1976, p. 1.

(8) OJ No L 181, 27. 7. 1968, p. 1.

(9) OJ No L 283, 24. 12. 1971, p. 30.

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product ;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products ; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas Regulation (EEC) No 2806/71 ⁽¹⁾ lays down additional rules for granting export refunds for certain products processed from cereals and rice ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other, at any given moment,

within a band of 2.25 %, a rate of exchange based on their effective parity ;

- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas the refund must be fixed once a month ; whereas it may be altered in the intervening period ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

COMMISSION REGULATION (EEC) No 2647/76

of 29 October 1976

fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1143/76⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the cereal markets;

Whereas it follows from applying rules and criteria to the present situation on the market in cereal-based compound feedingstuffs that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs⁽⁴⁾, provides that, when export refunds on cereal-based compound feedingstuffs are being fixed, only the products normally used in the manufacture of

compound feedingstuffs for which a refund may be fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69 of 29 September 1969 on the granting and the advance fixing of the export refund on cereal-based compound feedingstuffs⁽⁵⁾, as amended by Regulation (EEC) No 3116/75⁽⁶⁾, provides that calculation of the export refund must be based on the levy applicable to maize; whereas this calculation must also take account of the cereal products content; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of a quantity of maize which is representative of the usual cereal products content for the category concerned; whereas, furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for compound feedingstuffs according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

COMMISSION REGULATION (EEC) No 2648/76

of 29 October 1976

fixing the amounts applicable as compensatory amounts for cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Treaty of Accession ⁽¹⁾,

Having regard to Council Regulation (EEC) No 2757/75 of 29 October 1975 laying down general rules for the system of accession compensatory amounts for cereals ⁽²⁾, as amended by Regulation (EEC) No 1620/76 ⁽³⁾, and in particular Article 7 thereof,

Having regard to Council Regulation (EEC) No 1435/76 of 21 June 1976 laying down general rules for the system of accession compensatory amounts for rice and fixing these amounts for certain products ⁽⁴⁾, and in particular Article 5 thereof,

Whereas compensatory amounts for cereals and rice were fixed by Council Regulations (EEC) No 2757/75, (EEC) No 1435/76 and by Commission Regulation (EEC) No 1895/76 of 30 July 1976 fixing, for the 1976/77 marketing year, the accession compensatory amounts for certain categories of cereals, for rice and for processed products derived from cereals or rice ⁽⁵⁾; whereas, however, where the situation envisaged in Article 7 (1) of Regulation (EEC) No 2757/75 and in Article 5 (1) of Regulation (EEC) No 1435/76 occurs, it is for the Commission to decide, in accordance with these Articles and in respect of the products concerned, the amounts applicable as compensatory amounts in trade between the Community as originally constituted and the new Member States and

between the latter and third countries; whereas it should be recalled that the amounts applicable in trade between each new Member State and third countries and which are deducted from levies and refunds are the same as those applicable in trade between the Community as originally constituted and each of the new Member States,

HAS ADOPTED THIS REGULATION:

Article 1

The amounts applicable as compensatory amounts in trade between the Community as originally constituted and the new Member States and between the latter and third countries are:

COMMISSION REGULATION (EEC) No 2649/76

of 29 October 1976

fixing the basic amount of the import levy on syrups and certain other sugar products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1487/76⁽²⁾, and in particular Article 15 (7) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 15 (1) of Regulation (EEC) No 3330/74 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 of 28 June 1968 on detailed rules for the application of levies on sugar⁽³⁾, as amended by Regulation (EEC) No 1491/70⁽⁴⁾, provides that the basic amount of the levy for 100 kilogrammes of product must be fixed per percentage of sucrose content;

Whereas the basic amount of the levy must be equal to one hundredth of the average of the levies applicable to 100 kilogrammes of white sugar during the first twenty days of the month preceding the month for which the basic amount of the levy is fixed; whereas, however, the levy applicable to white sugar on the day of the fixing of the basic amount must be substituted for the average of the levies, where that levy differs by at least 0.40 unit of account from that average;

Whereas the basic amount must be fixed every month; whereas it must, however, be altered during

the period between the day on which it is fixed and the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least 0.40 unit of account from the average referred to above or from the levy on white sugar used to fix the basic amount; whereas, in this case, the basic amount must be equal to one hundredth of the levy on white sugar used to calculate the alteration;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application; whereas this adjustment, equal to one hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68,

HAS ADOPTED THIS REGULATION:

Article 1

The basic amount of the import levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 is hereby fixed, per 100 kilogrammes of product, at 0.1868 unit of account per percentage point of sucrose content.

Article 2

This Regulation shall enter into force on 1 November 1976.

COMMISSION REGULATION (EEC) No 2650/76

of 29 October 1976

fixing the export refunds on syrups and certain other sugar products exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar ⁽¹⁾, as last amended by Regulation (EEC) No 1487/76 ⁽²⁾, and in particular the first sentence of the last subparagraph of Article 19 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (d) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 8 of Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar ⁽³⁾, as last amended by Regulation (EEC) No 1489/76 ⁽⁴⁾, provides that the export refund on 100 kilogrammes of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; whereas the sucrose content of the product in question is determined in accordance with the provisions of Article 13 of Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar ⁽⁵⁾, as amended by Regulation (EEC) No 1499/76 ⁽⁶⁾;

Whereas Article 7 of Regulation (EEC) No 766/68 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one hundredth of the production refund applicable pursuant to Council Regulation (EEC) No 765/68 of 18 June 1968 laying down general rules for the production refund on sugar used in the chemical industry ⁽⁷⁾, as last amended by Regulation (EEC) No 3058/75 ⁽⁸⁾, to the products listed in Annex I to the last mentioned Regulation;

Whereas the basic amount of the refund on the other products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74 exported in the natural state must be equal to one hundredth of an amount which takes account, on the one hand, of the difference between the intervention price for white sugar for the Community area with the largest surplus for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward processing arrangements;

Whereas the application of the basic amount may be limited to some of the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The refund to be granted on the products listed in Article 1 (1) (d) of Regulation (EEC) No 3330/74, exported in the natural state, is hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 2651/76
of 29 October 1976
fixing the export refund on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1707/73⁽²⁾,

Having regard to Council Regulation No 162/66/EEC of 27 October 1966 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation No 171/67/EEC of 27 June 1967 on export refunds and levies on olive oil⁽⁴⁾, as last amended by Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the first sentence of Article 7 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 18 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas Article 8 of Regulation No 162/66/EEC provides that Article 18 of Regulation No 136/66/EEC and the measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas the rules and other provisions for fixing and granting export refunds on olive oil are contained in Regulation No 171/67/EEC and (EEC) No 616/72⁽⁶⁾, as amended by Regulation (EEC) No 503/76⁽⁷⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

— the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market;

— the aims of the common organization of the market in olive oil which are to ensure equilibrium and the natural development of prices and trade on this market;

— the need to avoid disturbances on the Community market; and

— the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

— olive oil prices in the main producing areas of the Community;

— the most favourable quotations recorded on the various markets of importing third countries and Greece; and

— marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these rules and other provisions to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries and Greece that the refund should be fixed at the amounts shown in the Annex to this Regulation;

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity ;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The refunds on the products listed in Article 1 (2) (c) of Regulation No 136/66/EEC, exported to third countries and Greece, are hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 2652/76

of 29 October 1976

fixing the export refund on oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1707/73⁽²⁾,

Having regard to Council Regulation No 162/66/EEC of 27 October 1966 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation No 142/67/EEC of 21 June 1967 on export refunds on colza, rape and sunflower seeds⁽⁴⁾, as last amended by Regulation (EEC) No 2429/72⁽⁵⁾, and in particular the first sentence of Article 2(3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 28 of Regulation No 136/66/EEC provides that a refund may be granted on exports to third countries of oil seeds harvested within the Community; whereas the amount of this refund may not exceed the difference between prices within the Community and prices on the world market where the former are higher than the latter; whereas Article 21 of Regulation No 136/66/EEC provides that, at present, Article 28 of that Regulation applies only to colza, rape and sunflower seeds;

Whereas Article 8 of Regulation No 162/66/EEC provides that Article 28 of Regulation No 136/66/EEC and measures taken in application thereof apply, subject to the provisions of the Agreement establishing an Association between the European Economic Community and Greece, to trade between the Community and Greece;

Whereas Article 3 of Regulation No 142/67/EEC provides that when the refund is being calculated account must be taken of prices ruling on the various Community markets which are representative from the point of view of processing and exportation; the most favourable quotations recorded on the various markets of importing third countries and Greece, and costs incurred in placing the goods on the world market; whereas, when the amount of the refund is being fixed, account must also be taken of the level of market prices within the Community for the oil seeds referred to in Article 21 of Regulation No 136/66/EEC and the future trend of these prices; whereas, furthermore, account should be taken of the economic aspect of the proposed exports and the situation in the Community regarding the supply of and demand for these seeds;

Whereas Article 1 of Commission Regulation (EEC) No 651/71 of 29 March 1971 on certain detailed rules for the application of export refunds on oil seeds⁽⁶⁾, provides that the amount of the refund must be calculated on the basis of the weight of exported seeds; whereas this weight must be adjusted to take account of any differences between the percentages of moisture and impurities found to exist and those used to define the standard quality for which the target price is fixed; whereas, when this adjustment is being made, the weight of the exported seeds must be increased by the amount of the difference between the actual moisture and impurities content and that used to define the standard quality if the former is lower than the latter; whereas, if the opposite applies, the weight of the exported seeds must be reduced by the same amount;

Whereas the standard quality referred to above is defined in Annex III of Council Regulation (EEC) No 833/76 of 6 April 1976 fixing certain prices and other amounts applicable in agriculture for the 1976/77 marketing year⁽⁷⁾;

Whereas Article 2 of Regulation No 142/67/EEC provides that the refund may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

⁽¹⁾ OJ No 172, 30. 9. 1966, p. 3025/66.

⁽²⁾ OJ No L 175, 29. 6. 1973, p. 5.

⁽⁵⁾ OJ No L 264, 23. 11. 1972, p. 1.

⁽⁶⁾ OJ No L 75, 30. 3. 1971, p. 16.

⁽⁷⁾ OJ No L 100, 14. 4. 1976, p. 12.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying these rules and criteria to the present situation on the market in oil seeds, and in particular to quotations or prices for these products within the Community and on the markets of third countries and Greece, that the refund should be fixed at the amounts shown in the Annex to this Regulation for those products for which the marketing year has already begun;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products referred to in Article 21 of Regulation No 136/66/EEC, exported to third countries and Greece, are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 November 1976.

COMMISSION REGULATION (EEC) No 2654/76

of 29 October 1976

determining the world market price for colza and rape seed

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/
66/EEC of 22 September 1966 on the establishment
of a common organization of the markets in oils and
fats⁽¹⁾, as last amended by Regulation (EEC) No
1707/73⁽²⁾,

1569/72 of 20 July 1972 laying down special
measures for colza and rape seed⁽³⁾, as last amended
by Regulation (EEC) No 3477/73⁽⁴⁾,

Having regard to Commission Regulation (EEC) No
2300/73 of 23 August 1973 laying down detailed
rules for applying differential amounts for colza and

1464/73⁽⁵⁾, as last amended by Regulation (EEC) No
632/75⁽⁶⁾, and in particular Article 9 (4) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas, pursuant to Article 9 (4) of Regulation (EEC)
No 2300/73, the Commission must determine the
world market price for colza and rape seed ;

Whereas the world market price should be deter-
mined in accordance with the rules and the criteria
set out in Commission Regulation (EEC) No 1713/76

COMMISSION REGULATION (EEC) No 2655/76

of 29 October 1976

altering components used to calculate the differential amounts for colza and rape seed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats ⁽¹⁾, as last amended by Regulation (EEC) No 1707/73 ⁽²⁾,

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza and rape seed ⁽³⁾, as last amended by Regulation (EEC) No 3477/73 ⁽⁴⁾, and in particular Article 3,

Whereas Commission Regulation (EEC) No 2300/73 of 23 August 1973 ⁽⁵⁾, as last amended by Regulation (EEC) No 632/75 ⁽⁶⁾, laid down detailed rules of application for Regulation (EEC) No 1569/72; whereas the components used to calculate the differential amounts were fixed by Regulation (EEC) No 1580/76 ⁽⁷⁾, as last amended by Regulation (EEC) No 2611/76 ⁽⁸⁾;

Whereas in the case of the pound sterling, the Irish pound, the Italian lira and the French franc the difference referred to in Article 2 (1) of Regulation (EEC) No 1569/72 for the period 20 to 26 October 1976 has changed, by reference to the representative rate valid from 1 November 1976, by at least one point from the percentage used for the previous fixing; whereas this fact should be taken into account when fixing the components used to calculate the differential amounts for colza and rape seed,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to amended Regulation (EEC) No 1580/76 is hereby replaced by the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 2661/76

of 29 October 1976

providing for special conditions for tendering procedures for fixing the levy on olive oil during November 1976

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1707/73⁽²⁾,

Having regard to Council Regulation No 162/66/EEC of 27 October 1966 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation (EEC) No 2600/76 of 26 October 1976 extending Regulations (EEC) No 601/76 and (EEC) No 602/76 laying down special measures in particular for the determination of the offers of olive oil respectively on the world market and on the Greek market⁽⁴⁾,

Whereas Article 4 of Commission Regulation (EEC) No 1046/76 of 4 May 1976 on detailed rules for the implementation of the special measures for the determination of offers of olive oil on the world market and the Greek market⁽⁵⁾, has fixed a timetable for the entry into force of the minimum levy;

Whereas Council Regulation (EEC) No 2526/76 of 18 October 1976⁽⁶⁾, provides for a special tendering procedure for fixing the levy on olive oil; whereas, taking into account the date provided for this procedure, the conditions should be adapted for the procedures which are to be carried during November 1976;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

A special tendering procedure shall be adopted for the fixing of the levies referred to in Regulations (EEC) No 601/76 and (EEC) No 602/76.

COMMISSION REGULATION (EEC) No 2662/76

of 29 October 1976

on the putting up for sale of olive oil held by the Italian intervention agency

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the establishment of a
common organization of the market in oils and
fats⁽¹⁾, as last amended by Regulation (EEC) No
1707/73⁽²⁾, and in particular Article 11 (5) thereof,

Whereas, pursuant to Article 11 (1) of Regulation No
136/66/EEC, the Italian intervention agency bought
in large quantities of olive oil during the 1975/76
marketing year; whereas the state of the Italian
market in olive oil is at present favourable for the
resale of the said oil; whereas, in view of the charac-
teristics of the market, the sale should be carried out as
soon as possible;

Whereas Commission Regulation (EEC) No 589/68 of
14 May 1968 on detailed rules for the sale of olive oil
held by intervention agencies⁽³⁾ laid down the condi-
tions for the sale by tender on the Community market
of oil held by intervention agencies; whereas the
procedure laid down therein involves time limits
which are incompatible with the need to offer the said
oil for sale as quickly as possible;

Whereas, moreover, experience has shown that the
said procedure involves delivery periods which are
incompatible with commercial practices and require-
ments; whereas special measures should therefore be
laid down to counteract those drawbacks; whereas this
may be achieved by providing for the sale of the oil to
the purchaser who, subject to a minimum price,
makes the highest offer;

Whereas Article 11 (3) of Regulation No 136/66/EEC
specifies the terms on which oil bought in by the
intervention agencies must be offered for sale;
whereas, in order to ensure observance of those terms,
minimum selling prices should be fixed at the levels
shown in the Annex hereto;

Whereas in order to ensure that the selling operations
are properly carried out, certain information should be
provided in the application for purchase, in particular

as regards the exact definition of the product to which
it relates;

Whereas, in order to guarantee performance of the
obligations resulting from the submission of an appli-
cation, provision should be made for the lodging of a
security;

Whereas, since the quantity of oil sold may be
different from that actually withdrawn, the final
selling price cannot be calculated until the end of the
withdrawal operation; whereas, in order to ensure that
the sale is properly conducted, the provisional price
should be paid before withdrawal;

Whereas, in order to ensure the rapid disposal of the
oil sold, the time at which the oil must be placed at
the purchaser's disposal and the final date for comple-
tion of the withdrawal of the oil should be laid down;
whereas it should also be provided that any
consequences of delay in the withdrawal should be
borne by the purchaser;

Whereas there is a considerable imbalance between
supply and demand on the Community market in
olive oil; whereas, in order to alleviate these diffi-
culties, the oil sold by the Italian intervention agency
should be placed on the market in the near future;

Whereas, in order to ensure a fair distribution among
the various purchasers of the quantities put up for
sale, it is necessary to lay down for each quality, the
maximum quantities which may be allocated to each
tenderer;

Whereas Commission Regulation (EEC) No 2197/76
of 8 September 1976⁽⁴⁾, as last amended by Regula-
tion (EEC) No 2489/76⁽⁵⁾, provided for a series of
sales of the olive oil held by the Italian intervention
agency; whereas the last sale, scheduled for 30
October 1976, will relate to a very small quantity;
whereas, consequently, pending the commencement
of the selling operations provided for in this Regula-
tion, the sale scheduled for 30 October 1976 should
be cancelled;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Oils and Fats,

⁽¹⁾ OJ No 172, 30. 9. 1966, p. 3025/66.

⁽⁵⁾ OJ No L 283, 14. 10. 1976, p. 11.

HAS ADOPTED THIS REGULATION:

Article 1

The Italian intervention agency, 'Azienda di Stato per gli interventi nel mercato agricolo', hereinafter referred to as 'AIMA', shall offer for sale, out of the intervention purchases of the 1975/76 oil marketing year, and in accordance with the provisions of this Regulation, the following quantities and qualities of olive oil:

- (a) approximately 10 000 metric tons of extra virgin olive oil;
- (b) approximately 3 600 metric tons of fine virgin olive oil;
- (c) approximately 4 000 metric tons of lampante olive oil;
- (d) approximately 12 400 metric tons of olive-residue oil.

Article 2

Particulars of the lots of olive oil offered for sale and the place where they are stored shall be displayed at the central office of AIMA, Via Palestro 81, Rome, Italy. Particulars of the lots covered:

- by the first sale provided for in Article 4, shall be displayed from 3 November 1976 onwards;
- by the second sale provided for in Article 4, shall be displayed from 11 November 1976 onwards.

Article 3

The minimum selling prices shall be as laid down in the Annex hereto. These prices are net of tax and relate to 100 kilogrammes of olive oil delivered ex storage depot, either in the purchaser's own drums loaded on a vehicle provided by him or in the purchaser's tank vehicle.

Article 4

1. The first sale of approximately 18 000 metric tons of oil shall take place on 9 November 1976. Any quantities not put up for sale or sold on 9 November shall be put up for sale on 24 November 1976. After each sale, AIMA shall immediately supply those responsible for storage with a list of the lots or parts of lots remaining unsold.

2. Prospective purchasers may examine at the storage depot the oil offered for sale and may obtain a sample thereof, in containers supplied by them for that purpose, on payment of a price determined on the basis of the minimum prices laid down in the Annex hereto. This sample shall be put into two labelled bottles which shall be sealed in the presence of both the vendor and the prospective purchaser or his duly authorized agent. One bottle shall be given to the prospective purchaser and the other to the storer, so that, in the event that oil is sold to the party

concerned, a check may be made to ensure that the oil applied for by him corresponds to that actually delivered.

Article 5

1. Applications for purchase shall reach AIMA, Via Palestro 81, Rome, Italy, not later than 2 p.m. (Italian time) on the day preceding that of the sale.

2. Applications for purchase shall include at least the following:

- (a) the name and full postal address of the applicant;
- (b) the container number or numbers, together with the corresponding lot number and the place of storage;
- (c) an acknowledgement of the accuracy of the quality description under which the oil concerned is offered for sale;
- (d) the offer price per 100 kilogrammes;
- (e) an undertaking to make any quantities awarded available to the retail trade within not more than:
 - one month following withdrawal of the product, in the case of extra virgin and fine olive oil;
 - two months following withdrawal of the product, in the case of lampante olive oil and olive-residue oil.

3. Any application which does not offer at least the minimum price set for the product concerned shall be refused.

4. Every application for purchase shall relate to all the oil in at least one container.

5. No application may be withdrawn.

Article 6

1. No application for purchase shall be valid unless it is accompanied by a security of Lit 12 000 per 100 kilogrammes.

2. The security shall be in cash or by way of a guarantee issued by a credit institution satisfying the criteria laid down by the Member State in which it is situated.

3. The security shall be released if no sale is made to the party concerned. It shall also be released when the purchaser pays the final price as referred to in Article 12 and shows the competent authorities that he has fulfilled the undertaking laid down in Article 5 (2) (e).

Article 7

The competent authorities of the Member State concerned shall take the necessary measures to monitor fulfilment of the undertaking laid down in Article 5 (2) (e).

Article 8

1. The oil in each particular container shall be sold to the applicant having made a valid application for purchase offering the highest price. Where the same highest offer is made by more than one applicant, the purchaser shall be chosen by lot by AIMA.

2. However, if the total quantity for which a tenderer has offered the highest price exceeds

- 150 metric tons, in the case of extra or fine oil,
- 500 metric tons, in the case of lampante oil,
- 1 000 metric tons, in the case of olive-residue oil,

a contract shall be awarded to that tenderer only in respect of the container or containers the total contents of which do not exceed, for each quality, the limit as above.

Contracts for the quantities exceeding these limits shall be awarded to the other tenderers, in descending order of tender and subject to the said limits.

3. When determining the container or containers in respect of which no contract can be awarded pursuant to the preceding paragraph, the Italian intervention agency shall choose:

- (a) the container or containers which have the lowest quantity;
- (b) where containers have identical quantities, the container or containers for which the tenderer has offered the lowest price. However, if certain of the containers in question are the subject of other orders, these shall not be awarded to the tenderer concerned.

Article 9

1. Immediately after the sale has been concluded, seals shall be placed in the presence of both parties upon the container or containers to which the application for purchase relates. The container or containers concerned shall remain sealed until the withdrawal of the oil by the purchaser.

2. Where the oil is of the lampante variety, an analysis shall be carried out in the presence of both parties before the placing of the seals referred to in paragraph 1. If the degree of acidity of such oil does not correspond to that specified in point 3 of the Annex hereto, the selling price shall be adjusted in accordance with the said Annex.

Article 10

1. The purchaser shall pay to AIMA, before withdrawing the oil and in any event not later than the 15th day following that of sale, the provisional amount of the selling price. Without prejudice to any domestic taxes applicable, such amount shall be calculated by multiplying the quantity indicated as being contained in the lot by the price offered for that lot.

2. If the provisional amount is not paid to AIMA within the period laid down in paragraph 1, AIMA may, without any special formality or invocation of legal process, regard the sale as cancelled. In this event, the security referred to in Article 6 shall be forfeit.

Article 11

1. Withdrawal of the oil by purchasers may begin as soon as the provisional amount referred to in Article 10 (1) has been paid and shall be completed not later than the 30th day following that of sale.

2. The quantity of oil delivered may differ from the quantity applied for by the purchaser, depending on the actual quantity in the containers at the time of delivery.

Article 12

1. When the withdrawal of the oil is complete, AIMA shall draw up an invoice for the final amount of the selling price.

Without prejudice to any domestic taxes applicable, the final amount shall be calculated by multiplying the quantity actually withdrawn by the price offered for the lot concerned.

2. The invoice shall show the debit or credit balance, which shall be equal to the difference between:

- the provisional amount,
- the final amount of the selling price plus any storage charge payable pursuant to Article 13 (b).

The balance shall be paid within 30 days following completion of the withdrawal of the oil.

Article 13

If withdrawal of the oil is not completed by the date laid down in Article 10 (1):

- (a) the oil remaining in storage shall be held at the purchaser's own risk;
- (b) the purchaser shall pay to AIMA a storage charge calculated on the basis of the quantity still to be withdrawn at the rate of Lit 1 000 per 100 kilograms for each period of 30 days of additional storage or part thereof.

Article 14

COMMISSION REGULATION (EEC) No 2665/76

of 29 October 1976

fixing the corrective amount applicable to the refund on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1143/76⁽²⁾, and in particular the third sentence of the second subparagraph of Article 16 (4) thereof,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, the corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (d) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75⁽⁵⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed in respect of malt, account must be taken of the existing situation and the future trend with regard to the possibilities and conditions for the sale of the cereals concerned and of malt on the world market; whereas the same Regulation also provides that account must be taken of the quantity of cereals needed for making malt, the economic aspect

of exports and the need to prevent disturbances on the Community market;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure; whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies, which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the preceding subparagraph;

Whereas it follows from applying the provisions referred to above that the corrective amount must be fixed as shown in the table annexed to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 16 (4) of Regulation (EEC) No 2727/75 which is applicable to export refunds fixed in advance in respect of malt is hereby fixed as shown in the table annexed to this Regulation.
