**COUNCIL REGULATION (EEC) No 2877/76
of 23 November 1976
on the organization of a sample survey of manpower**

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 213 thereof,

Having regard to the draft Regulation submitted by the Commission,

Whereas in order to carry out the tasks which are assigned to it by the Treaty, in particular in Articles 2, 117, 118, 122 and 123 thereof, the Commission must know the situation and the developments in employment and unemployment;

Whereas the statistical information available in each of the Member States does not provide a suitable basis for comparison, particularly because of the differences between the laws, rules and administrative practices of the Member States on which these statistics are based;

Whereas by reason of the considerable changes which take place in the field of employment and unemployment, it appears necessary to make available at regular intervals statistics permitting proper comparisons between Member States;

Whereas the best method of knowing the level and the structure of employment and unemployment consists in carrying out harmonized and synchronized Community sample surveys of manpower; whereas only the renewal in 1977 of the surveys already carried out in 1968, 1969, 1970, 1971, 1973 and 1975 enables this information to be obtained;

Whereas special problems arise in certain Member States concerning their participation in such a survey and whereas this situation should be taken into account,

HAS ADOPTED THIS REGULATION:

Article 1

In the spring of 1977, the Commission shall undertake a manpower survey based on a sample of households in each of the Member States.

Article 2

This survey shall be carried out in the form of personal interviews in each of the Member States in a sample of households whose residence is in the territory of these States at the time of the survey. The information shall be collected for each member of the households included in the sample.

Article 3

The sample shall comprise between 60 000 and 100 000 households in Germany, France, Italy and the United Kingdom; between 30 000 and 50 000 in Belgium, the Netherlands and Ireland; between 30 000 and 40 000 in Denmark, and approximately 10 000 households in Luxembourg.

Article 4

The basic survey shall cover:

- (a) the individual characteristics of all members of the households questioned;
- (b) the occupations of these persons (status, branch of activity, hours of work, etc.) at the time of the survey and one year prior to it;
- (c) the search for work, taking into account the type of employment sought, reasons for seeking it, and the length of time spent seeking it.

Article 5

A supplementary survey shall be conducted as part of the basic survey referred to in Article 4. It shall relate to:

- (a) persons not economically active who are outside the labour market, having failed to find employment;

- (b) persons receiving one or more pensions (stating the category, type and number of pensions; the year in which they were first received, and why; the principal means of subsistence).

Article 6

The information shall be gathered by the statistical authorities of the Member States on the basis of a list of questions drawn up by the Commission in cooperation with the said authorities.

The Commission shall determine, in collaboration with these authorities, the technical details of the survey (basic survey and supplementary survey). It shall also establish, under the same conditions, the starting and closing dates of the survey and the deadlines for answers to the questionnaires.

Article 7

The statistical authorities of the Member States shall check the answers collected. They shall forward to the Commission the results of the survey for each respondent, who shall remain anonymous.

Article 8

The individual items of information provided in the context of the survey may be used only for statistical

purposes. They may not be used for fiscal or other purposes and may not be communicated to third parties.

The Member States shall take appropriate measures:

- (a) to ensure that the information requested is furnished truthfully and in its entirety within the times specified;
- (b) to punish any infringement of the obligation to preserve the confidentiality of the information gathered, referred to in the first subparagraph.

Article 9

In order to take account of special problems experienced by certain Member States which participated in the survey for the first time in 1975, the technical details referred to in Articles 1, 2 and 3 may be adapted to specific circumstances and shall be decided upon by common agreement between these States and the Commission.

Article 10

For the conduct of this survey, Member States shall receive a flat-rate sum proportional to the number of households questioned. This amount shall be set off against the credits provided for this purpose in the budget of the European Communities.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COUNCIL REGULATION (EEC) No 2878/76

of 23 November 1976

amending Regulation (EEC) No 817/70 laying down special provisions relating to quality wines produced in specified regions

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament⁽¹⁾,

Having regard to the opinion of the Economic and Social Committee⁽²⁾,

Whereas the experience gained in applying Council Regulation (EEC) No 817/70 of 28 April 1970 laying down special provisions relating to quality wines produced in specified regions⁽³⁾, as last amended by Regulation (EEC) No 1161/76⁽⁴⁾, shows that Article 10 thereof should be made more specific in particular as regards the measures which Member States may take,

HAS ADOPTED THIS REGULATION:

Article 1

Article 10 of Regulation (EEC) No 817/70 shall be amended to read as follows:

Article 10

1. A yield per hectare expressed in quantities of grapes, of grape must or of wine shall be fixed for each quality wine p.s.r. by the Member State concerned.

When this yield is being fixed, particular account shall be taken of the yields obtained over the preceding 10 years. Only harvests of satisfactory quality from representative soils of the specified region shall be considered.

The yield per hectare may be fixed at different levels for the same quality wine p.s.r. depending on:

- the sub-region, commune or part of a commune, and
- the vine variety or varieties,

from which the grapes used are derived.

A yield so fixed may be adjusted by the Member State concerned.

2. Use of the designation claimed shall be prohibited for the entire harvest if the yield referred to in paragraph 1 is exceeded, save where derogations are provided for on a general or individual basis by the Member States under conditions which they shall lay down, on the basis of wine-growing areas if appropriate; these conditions shall relate in particular to the use to which the wines or products in question are to be put.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

tion for skimmed-milk powder dispatched to Italy as from 15 July 1976;

Whereas, in accordance with the second subparagraph of Article 2 of Regulation (EEC) No 1530/76, the aforementioned provision in Regulation (EEC) No 986/68 applies only until 31 December 1976; whereas in view of the experience gained in applying this measure it seems advisable to delete the final date for its application,

COMMISSION REGULATION (EEC) No 2883/76

of 29 November 1976

fixing the rates of the refunds applicable from 1 December 1976 to sugar and molasses exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1487/76⁽²⁾, and in particular the first sentence of the sixth subparagraph of Article 19 (2) thereof,

Whereas Article 19 (1) of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (a), (c) and (d) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 2795/76⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex I to Regulation (EEC) No 3330/74;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 2682/72, the rate of the refund per 100 kilogrammes for each of the basic products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world market;

- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;

- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 2682/72 provides that, when the rate of the refund is being fixed, account should be taken, where appropriate, of refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products; whereas at present no production refunds are granted; whereas it is therefore unnecessary to fix differentiated export refunds for the goods in question;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2979/74 of 26 November 1974 establishing average compensatory amounts applicable to certain agricultural products exported in the form of goods not covered by Annex II to the Treaty⁽¹⁾,

COMMISSION REGULATION (EEC) No 2891/76

of 29 November 1976

fixing the import levies on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1143/76⁽²⁾, and in particular Article 14 (4) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, and in particular Article 12 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the rules to be applied to calculating the variable component of the import levy on products processed from cereals and rice are laid down in Article 14 (1) (A) of Regulation (EEC) No 2727/75 and Article 12 (1) (a) of Regulation (EEC) No 1418/76; whereas Article 2 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and rice⁽⁴⁾, as amended by Regulation (EEC) No 832/76⁽⁵⁾, provides that the incidence on the prime costs of these products of the levies applicable to their basic products should be calculated on the basis of the average of the levies applicable to these basic products for the first twenty-five days of the month preceding that of importation; whereas this average, adjusted on the basis of the threshold price valid for the basic products in question during the month of importation, is calculated on the basis of the quantities of basic products considered to have been used in the manufacture of the processed product or the competing product which serves as a reference for processed products not containing cereals;

Whereas Commission Regulation (EEC) No 1579/74 of 24 June 1974 on the procedure for calculating the import levy on products processed from cereals and from rice and for the advance fixing of this levy for

these products and for compound feedingstuffs manufactured from cereals⁽⁶⁾, as last amended by Regulation (EEC) No 1997/75⁽⁷⁾, provides that the levy thus determined, increased by the fixed component, is valid in general for one month but is altered where the levy applicable to the basic product concerned differs by not less than 2.5 units of account per metric ton from the average of the levies calculated as described above;

Whereas in accordance with Article 5 of Regulation (EEC) No 2744/75 and Article 2 of Regulation (EEC) No 1579/74, the levy on certain processed products must be reduced by an amount equal to the production refund granted in respect of basic products for processing; whereas Regulation (EEC) No 1921/75⁽⁸⁾, as amended by Regulation (EEC) No 2415/75⁽⁹⁾, laid down certain transitional measures in respect of starches;

Whereas the fixed component of the levy is specified in Regulation (EEC) No 2744/75;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States or in the 'overseas countries and territories', the levy relating to them in respect of certain products processed from cereals must be reduced by the amount of the fixed component and, in respect of some of these products, by part of the variable component; whereas this reduction must be made in accordance with Article 12 of Council Regulation (EEC) No 706/76 of 30 March 1976 on the arrangements applicable to agricultural products and certain goods resulting from the processing of agricultural products originating in the African, Caribbean and Pacific States or in the 'overseas countries and territories'⁽¹⁰⁾;

Whereas Article 4 (2) of Regulation (EEC) No 2744/75 provides that the levy to be charged on the products listed in the Annex to that Regulation under subheading 07.06 A is limited, with effect from the date of entry into force of the Geneva Protocol (1967) annexed to the General Agreement on Tariffs and Trade, to the amount resulting from application of the rate of duty bound within GATT;

(¹) OJ No L 281, 1. 11. 1975, p. 1.

(²) OJ No L 130, 19. 5. 1976, p. 1.

(³) OJ No L 166, 25. 6. 1976, p. 1.

(⁴) OJ No L 281, 1. 11. 1975, p. 65.

(⁵) OJ No L 100, 14. 4. 1976, p. 1.

(⁶) OJ No L 168, 25. 6. 1974, p. 7.

(⁷) OJ No L 202, 1. 8. 1975, p. 57.

(⁸) OJ No L 195, 26. 7. 1975, p. 25.

(⁹) OJ No L 247, 23. 9. 1975, p. 22.

(¹⁰) OJ No L 85, 31. 3. 1976, p. 2.

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas, in accordance with Article 18 (1) of Regulation (EEC) No 2727/75, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies to be charged on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation (EEC) No 1418/76 and subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 December 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 2892/76**of 29 November 1976****fixing the import levies on compound feedingstuffs**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organi-
zation of the market in cereals ⁽¹⁾, as last amended by
Regulation (EEC) No 1143/76 ⁽²⁾, and in particular
Article 14 ⁽⁴⁾ thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the rules to be applied in calculating the vari-
able component of the import levy on compound
feedingstuffs are laid down in Article 14 (1) (A) of
Regulation (EEC) No 2727/75; whereas the incidence
of the levies applicable to the basic products of
compound feedingstuffs on their prime costs should
be determined, in pursuance of Article 4 of Council
Regulation (EEC) No 2743/75 of 29 October 1975 on
the system to be applied to cereal-based compound
feedingstuffs ⁽³⁾, on the basis of the average of the
levies applicable during the first 25 days of the month
preceding the month of importation to the quantities
of basic products considered to have been used in the
manufacture of such compound feedingstuffs, this
average being adjusted on the basis of the threshold
price for the basic products in question ruling during
the month of importation;

Whereas the levy thus determined, increased by the
fixed component, is valid for one month; whereas the
amount of the fixed component of the levy is speci-
fied in Article 6 of Regulation (EEC) No 2743/75;

Whereas, in order that account may be taken of the
interests of the African, Caribbean and Pacific States
or in the 'overseas countries and territories', the levy
relating to them in respect of certain products
processed from cereals must be reduced by the

amount of the fixed component and, in respect of
some of these products, by part of the variable compo-
nent; whereas this reduction must be made in accor-
dance with Article 12 of Council Regulation (EEC)
No 706/76 of 30 March 1976 on the arrangements
applicable to agricultural products and certain goods
resulting from the processing of agricultural products
originating in the African, Caribbean and Pacific
States or in the 'overseas countries and territories' ⁽⁴⁾;

Whereas, if the levy system is to operate normally,
levies should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other, at any given moment,
within a band of 2.25 %, a rate of exchange based
on their effective parity;
- for other currencies an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period, in
relation to the Community currencies referred to
in the previous subparagraph;

Whereas, in accordance with Article 18 (1) of Regula-
tion (EEC) No 2727/75 the nomenclature provided for
in this Regulation is incorporated in the Common
Customs Tariff,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies to be charged on the compound
feedingstuffs covered by Regulation (EEC) No
2727/75 and subject to Regulation (EEC) No 2743/75
are fixed hereby as shown in the Annex to this Regula-
tion.
