COMMISSION DECISION No 3115/76/ECSC**of 20 December 1976****fixing the rate of the levies for the 1977 financial year and amending Decision No 3/52/ECSC on the amount of and methods for applying the levies provided for in Articles 49 and 50 of the ECSC Treaty**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community, and in particular Articles 49, 50 and 78 thereof,

Having regard to the Treaty of 8 April 1965 establishing a single Council and a single Commission of the European Communities ⁽¹⁾, and in particular Articles 20 and 21 thereof,

Having regard to Decision No 3378/75/ECSC of 22 December 1975 fixing the rate of the levies for the 1976 financial year and amending Decision No 3/52/ECSC of 23 December 1952 on the amount of and methods for applying the levies provided for in Articles 49 and 50 of the ECSC Treaty ⁽²⁾,

Having regard to Decision No 2239/76/ECSC of 15 September 1976 amending Decision No 2/52/ECSC of 23 December 1952 determining the mode of assessment and collection of the levies provided for in Articles 49 and 50 of the ECSC Treaty ⁽³⁾,

Whereas the requirements of the European Coal and Steel Community are estimated in the operational budget for the 1977 financial year at 111 million European units of account; whereas that budget, which was adopted by the Commission of the European Communities on 20 December 1976, in the form shown in the Annex to this Decision, indicates the amount of income to be provided from levies in the course of the financial year 1977, namely 89 million European units of account;

Whereas the estimated yield of the levies at a rate of 0.10 % is 30.69 million European units of account;

Having noted the opinion delivered on 14 December 1976 by the European Parliament,

COMMISSION REGULATION (EEC) No 3116/76**of 21 December 1976****concerning the issue while protective measures are in force of import licences
for 50 000 young bovine animals for fattening**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
805/68 of 27 June 1968 on the common organization
of the market in beef and veal ⁽¹⁾, as last amended by
Regulation (EEC) No 568/76 ⁽²⁾, and in particular
Article 21 (2) thereof,

Whereas the suspension of the issue of import
licences was eased by Commission Regulation (EEC)
No 76/76 of 16 January 1976 setting up a system
linking imports of beef and veal products effected by
way of protective measures with the sale of beef held
by intervention agencies ⁽³⁾, as amended by Regulation
(EEC) No 283/76 ⁽⁴⁾, and Commission Regulation
(EEC) No 223/76 of 30 January 1976 setting up a
system linking imports of beef and veal products
effected by way of protective measures with the sale of
preserved beef held by intervention agencies ⁽⁵⁾;
whereas, however, that system does not permit the
importation of young bovine animals;

Whereas there is generally a shortage of young
fattening cattle throughout the Community, and it
was to meet this situation that the arrangements
provided for in Article 11 of Regulation (EEC) No
805/68 were established; whereas those arrangements
have been suspended since the protective measures
came into force;

Whereas, in connection with the easing of the latter
measures, account has been taken of the availability of
supplies of such animals with the Community, in
particular by Commission Regulation (EEC) No
884/76 of 14 April 1976 concerning the issue while
protective measures are in force of import licences for
an additional 50 000 young bovine animals for
fattening ⁽⁶⁾, as amended by Regulation (EEC) No
1615/76 ⁽⁷⁾;

Whereas the reasons which led to the adoption of
Regulation (EEC) No 884/76 still exist; whereas provi-
sion should therefore be made for the importation of
an additional quantity of young bovine animals under
the same conditions as those laid down in Regulation
(EEC) No 884/76 and for the submission of applica-
tions for licences up to 31 March 1977,

HAS ADOPTED THIS REGULATION:

Article 1

1. There shall be issued in accordance with the
special conditions laid down in this Regulation
import licences for 50 000 young male bovine animals
for fattening, of a minimum weight of 220 kg and a
maximum weight of 300 kg.

Where the weight of the imported young bovine
animal is not more than 10 % under 220 kg it shall
be considered as being imported under this Regula-
tion.

2. The licences shall be issued by the competent
body:

- in Italy in respect of a maximum of 48 500 head;
- in the Federal Republic of Germany in respect of
a maximum of 1 500 head.

3. Licences issued under the provisions of this
Regulation shall be valid only in the Member State of
issue.

Article 2

1. Each of the Member States concerned shall take
all necessary steps to guarantee importers free access
to the quota allotted to it, irrespective of the place of
establishment of such importers within the Commu-
nity.

2. The extent to which a Member State's quota has
been utilized shall be established by reference to the
import licences issued.

3. Not later than the last day of each month, the
Member States concerned shall notify the Commis-
sion by telex of the total number of animals for which
import licences were issued during that month.

Article 3

1. Applications for import licences shall relate to
live animals expressed in head of cattle.

⁽⁷⁾ OJ No L 178, 3. 7. 1976, p. 39.

2. Each application shall relate to a minimum of 100 head and shall be accompanied by:

- (a) an undertaking in writing from the importer that the young bovine animals will be fattened in the importing Member State for a period of 120 days from the day on which they are put into free circulation;
- (b) the provision of a security equal to 60 units of account per head.

3. The levy applicable to young bovine animals imported under this Regulation shall be equal to 55 % of the full levy.

1. The security shall be released forthwith:

- (a) when the competent authorities in the importing Member State receive proof from the importer that the animal in question has:
 - not been slaughtered before the expiry of the period specified in Article 3 (2) (a), or
 - died as a result of sickness or accident before the expiry of such period;
- (b) in respect of every animal for which no import licence was issued.

2. If the proof referred to in paragraph 1 (a) is not furnished within 150 days from the day on which the animal was put into free circulation, the security shall be forfeit.

Where, however, a licence to import animals is not used, an amount equal to only five units of account per head shall be forfeit.

Article 5

1. Each animal imported on the terms set out in Article 1 shall be identified by marking at least one of its ears with either:

COMMISSION REGULATION (EEC) No 3117/76

of 21 December 1976

amending and repealing the linking systems introduced in the beef and veal sector, by way of protective measures, by Regulations (EEC) No 76/76 and (EEC) No 223/76

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

HAS ADOPTED THIS REGULATION:

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal⁽¹⁾, as last amended by Regulation (EEC) No 568/76⁽²⁾, and in particular Articles 7 (3) and 21 (2) thereof,

Whereas the import systems introduced as a protective measure by Commission Regulations (EEC) No 76/76 of 16 January 1976⁽³⁾, as amended by Regulation (EEC) No 283/76⁽⁴⁾, and (EEC) No 223/76 of 30 January 1976⁽⁵⁾ provided for monthly invitations to tender for fresh and preserved meat held by intervention agencies, with entitlement to the issue of import licences for products of the beef and veal sector;

Whereas, in view of the market situation, this system should be relaxed; whereas, opportunities to import certain traditionally imported products should therefore be improved,

Whereas certain products falling within subheading 16.02 B III b) 1 of the Common Customs Tariff have been exempted from the protective measures; whereas, however, experience has shown that it is necessary to define these products more clearly in order to ensure that the system should work efficiently;

Whereas these measures constitute a step towards the restoration of the normal import system; whereas, therefore, it is time to give notice of the end of the system of protective measures;

Whereas the measures provided for in this Regulation as well as those amending title II of Regulation (EEC) No 76/76 and those amending Regulation (EEC) No 223/76 are in accordance with the opinion of the Management Committee for Beef and Veal,
