COUNCIL REGULATION (EEC) No 1345/77**of 21 June 1977****temporarily suspending the autonomous Common Customs Tariff duties on certain industrial products**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Having regard to the draft Regulation submitted by the Commission,

Whereas production of the products referred to in this Regulation is at present inadequate or non-existent within the Community and producers are thus unable to meet the needs of user industries in the Community;

Whereas it is in the Community's interest to suspend the autonomous Common Customs Tariff duties only partially in certain cases, particularly because of the existence of Community production, and in other cases to suspend duties completely;

Whereas, for spirits of turpentine falling within subheading 38.07 A, the Association Council established under the Association between the European Economic Community and Greece has agreed to a suspension, for the period envisaged, of the Common Customs Tariff duty applicable to this product;

Whereas, taking account of the difficulties involved in accurately assessing the development of the economic

situation in the sectors concerned in the near future, these suspension measures should be taken only temporarily, fixing their term of validity to coincide with the interests of Community production,

HAS ADOPTED THIS REGULATION:

Article 1

The autonomous Common Customs Tariff duties for the products listed in the tables annexed to this Regulation shall be suspended at the level indicated in respect of each of them.

These suspensions shall be valid:

- from 1 July 1977 to 30 September 1977 for the product listed in Table I;
- from 1 July 1977 to 31 December 1977 for the products listed in Table II;
- from 1 July 1977 to 30 June 1978 for the products listed in Table III.

Article 2

This Regulation shall enter into force on 1 July 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 21 June 1977.

For the Council

The President

D. OWEN

COMMISSION REGULATION (EEC) No 1348/77
of 23 June 1977
fixing the minimum import levies on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1707/73⁽²⁾,

Having regard to Council Regulation No 162/66/EEC of 27 October 1966 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation (EEC) No 2843/76 of 23 November 1976 laying down special measures in particular for the determination of the offers of olive oil on the world market⁽⁴⁾, and in particular Article 2 (3) thereof,

Having regard to Council Regulation (EEC) No 2844/76 of 23 November 1976 laying down special measures in particular for the determination of the offers of olive oil on the Greek market⁽⁵⁾, and in particular Article 2 (3) thereof,

Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil from Tunisia⁽⁸⁾, and in particular Article 5 thereof,

Whereas, in Regulation (EEC) No 1362/76 of 14 June 1976⁽⁹⁾, the Commission decided to use the tendering procedure to fix the levies on olive oil;

Whereas Article 4 of Commission Regulation (EEC) No 3188/76 of 23 December 1976 on detailed rules

for the implementation of the special measures for the determination of offers of olive oil on the world market and the Greek market⁽¹⁰⁾, as last amended by Regulation (EEC) No 983/77⁽¹¹⁾, lays down the criteria for fixing the rate of the minimum levy;

Whereas that rate must be fixed for each of the products concerned on the basis of an examination of the world or Greek markets and of the Community market, and also of the levy rates indicated by the tenderers;

Whereas account should be taken of the oil content of products other than olive oil; whereas, however, no levies are applied to imports of oil-cake and other residues falling within subheading 23.04 A of the Common Customs Tariff and having an oil content of not more than 3 %;

Whereas account should be taken in applying the levy of the provisions of the agreements between the Community and certain non-member countries; whereas, in particular, the levy must be calculated on the basis of the levy to be collected on imports from non-member countries;

Whereas the application of the rules described above to the levy rates submitted by tenderers on 20 and 21 June 1977 results in the fixing of the minimum levies as shown in the Annex to this Regulation,

on the administration of quantitative limits on imports of certain textile products originating in Singapore

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1023/70 of 25 May 1970 establishing a common procedure for administering quantitative quotas⁽¹⁾, and in particular Articles 2 and 8 thereof,

Having regard to Council Regulation (EEC) No 114/77 of 18 January 1977 concerning import arrangements for certain textile products originating in Singapore⁽²⁾, and in particular Article 1 thereof,

Whereas Article 1 of Regulation (EEC) No 114/77 sets up Community quantitative limits on imports and provides for their allocation among the Member States in accordance with the criteria indicated;

Whereas the administration of the quantitative limits requires, under the terms of the Agreement negotiated between the European Economic Community and Singapore on trade in textile products, that unused portions of ceilings established under the Agreement may be transferred to other ceilings or carried over from one year to the next, and that advance use may be made of such ceilings;

Whereas the system of bilateral control laid down in the said Agreement between the Community and Singapore can be carried out only by the authorities of the Member State indicated as being the destination by the Singapore authorities and against whose quota share of the Community ceiling the quantity exported has been debited by the latter authorities;

Whereas, in accordance with Regulation (EEC) No 114/77, products which enter the Community's customs territory under inward processing or other temporary admission arrangements and are re-exported in their original conditions or after processing are not debited against the Community quantitative limits;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Quota Administration Committee set up by Regulation (EEC) No 1023/70,

HAS ADOPTED THIS REGULATION:

Article 1

The quantitative limits on imports fixed in Article 1 of Regulation (EEC) No 114/77 shall be allocated

among the Member States as set out in Annex A hereto.

Article 2

1. The authorities of the Member States concerned shall authorize the import of the products referred to in Article 1 of Regulation (EEC) No 114/77 up to the amount of the quota shares fixed in Article 1 above.

2. The authorities of the Member States indicated in Annex B shall authorize the import of the products referred to in Article 2 of Regulation (EEC) No 114/77 up to the amount of the quantitative limits specified in the said Annex.

3. When the Commission considers that, in accordance with the Agreement, action should be taken in response to a request from the Singapore authorities that they be permitted:

- to transfer, in a given year under the Agreement, unused quantities of a quantitative limit in one category to the quantitative limit of another category,
- to carry over unused quantities of a quantitative limit fixed in the Agreement to the corresponding limit fixed for the following year, or to use in anticipation part of a quantitative limit fixed for the following year,

it shall so inform the Member States, which shall authorize imports in excess of the limits fixed in paragraphs 1 and 2 up to the amount of the quantities indicated by the Commission.

Article 3

The authorities of the Member State whose territory is designated as the place of destination on the export licence shall authorize the import of the products referred to in Article 2 automatically and without delay up to the amount of the limits laid down in Article 2, on presentation by the importer of the original of a valid export licence issued by the Department of Trade of the Ministry of Finance of the Republic of Singapore.

To be valid the export licence must contain the information specified in Annex C.

⁽²⁾ OJ No L 19, 22. 1. 1977, p. 1.

Article 4

1. Authorization shall be required for the clearance for consumption of products imported under inward processing or under other temporary admission arrangements.
