To allow for the possibility of re-bagging, the successful tenderer shall supply 2 % of new empty sacks, of the same quality as those containing the goods but with the printing followed by a capital letter 'R'.

Article 2

1. The decision on tenders received in response to the invitation provided for in Article 1 shall be taken on 4 November 1977.

2. Tenders must in particular mention the Member State in which the tenderer, in the event of his being declared successful, expects to complete the customs export formalities for the products concerned.
3. For the purpose of rendering the tenders comparable, the prices shall, where appropriate, be corrected by the monetary compensatory amount and the accession compensatory amount applicable on the closing date for submission of tenders to exports from the Member State mentioned in the tender pursuant to paragraph 2.

Such correction shall be made by :

- increasing prices which mention a Member State whose currency has depreciated or a new Member State,
- reducing prices which mention a Member State whose currency has been revalued.

The monetary compensatory amount shall, where appropriate, be converted into the currency of the Member State in which the invitation to tender is issued using :

- in the case when the currencies concerned are kept at any given moment within a band of 2.25 %, a conversion rate resulting from their central rate,

The contract shall be awarded to the tenderer offering the best terms, taking into consideration the adjustment referred to in Article 3 (3).

However, if the tenders submitted do not appear to reflect normal market prices and costs, the intervention agency may cancel the invitation to tender.

Article 5

If the tenderer is unable to deliver the goods in compliance with Article 1 (3) on the date given in the notice of invitation to tender as a result of the late availability of the vessels to be used for sea transportation, the resulting costs shall be borne by the intervention agency.

Article 6

1. The tenderer shall give security of a value of five units of account per tonne of goods.

It shall be released :

- in the case of all tenderers whose tenders are unsuccessful or are not accepted,
- in the case of the successful tenderer, when the operations concerned have been carried out within the prescribed time limit and on submission of the original export licence duly granted and endorsed by the competent authorities of the Member State mentioned in the tender pursuant to Article 3 (2),
- in the case of the successful tenderer for quantities not supplied by reason of *force majeure*.

2. The security required under paragraph 1 may be provided in the form of a cash deposit or of a guarantee issued by a credit institution conforming to criteria laid down by each Member State.

Article 7

The common wheat referred to in Article 1 to be supplied to the People's Democratic Republic of Yemen must be of fair and sound merchantable quality and correspond at least to the standard quality for which the intervention price is fixed, except that the humidity shall not exceed 14 % and that a maximum tolerance of 3 % of sprouted grains and 1.5 % of miscellaneous impurities shall be allowed.

2. It shall forthwith communicate to the Commission the list of firms which have responded to the invitation to tender, specifying the terms of each tender, together with the name and business name of the successful tenderer.

3. Where the customs export formalities for the mobilized product are completed in a Member State other than that in which the invitation to tender is issued, the intervention agency of the latter Member State shall be responsible for the operations following tendering, including payment to the successful tenderer.

In this case, the intervention agency choosing the successful tenderer shall immediately inform the intervention agency of the Member State concerned and shall supply it with all the information which it may require.

Furthermore, the amount of the successful tender shall be paid after it has been converted using the average of the spot rates referred to in the second subparagraph of Article 3 (3) to the tenderer in the currency of the Member State in which the operations relating to the tendering are completed.

4. The intervention agency shall request the successful tenderer to supply the following information :

- (a) after each shipment a certificate showing the quantities dispatched and the quality of the products ;

The information indicated above shall be forwarded by the intervention agency to the Commission immediately upon receipt.

Article 9

On delivery of the goods at the port of shipment, a handing-over certificate shall be supplied to the successful tenderer, acting as agent for the Community, by the agent of the recipient country, or, in the absence of the latter, by the intervention agency of the Member State in whose territory the port of shipment is situated.

HAS ADOPTED THIS REGULATION:

Article 1

1. Tenders are hereby invited for the supply by way of Community food-aid action to the Republic of Kenya of 2 500 tonnes of common wheat.
2. The tendering procedure shall take place in the Kingdom of Belgium and shall be in respect of a single lot.
3. The product shall be mobilized on the Community market.
4. Shipment shall be from Antwerp.
5. The product referred to in paragraph 1 is to be delivered in new jute sacks of a net capacity of 50 kilograms to the port of shipment in the vicinity of the vessel. The goods must be set down at the place nominated by the recipient country or its agent, the timing of delivery being settled by the tenderer and the recipient country's agent.

Minimum weight of the sacks shall be 600 grams. The following shall be printed on the sacks:

'Wheat — Gift of the EEC to Kenya'.

⁽¹⁾ OJ No L 281, 1. 11. 1975, p. 1.

⁽²⁾ OJ No L 158, 29. 6. 1977, p. 1.

⁽³⁾ OJ No L 281, 1. 11. 1975, p. 89.

⁽⁴⁾ OJ No 106, 30. 10. 1962, p. 2553/62.

⁽⁵⁾ OJ No L 263, 19. 9. 1973, p. 1.

To allow for the possibility of re-bagging, the successful tenderer shall supply 2 % of new empty sacks, of the same quality as those containing the goods but with the printing followed by a capital letter 'R'.

Article 2

1. The decision on tenders received in response to the invitation provided for in Article 1 shall be taken on 4 November 1977.
2. The closing date for submission of tenders shall be 4 November 1977 at 12 noon.
3. The notice of invitation to tender shall be published in the *Official Journal of the European Communities* not less than nine days before the closing date for submission of tenders.

Article 3

1. The prices offered must be expressed in the currency of the Member State in which the invitation to tender was issued.
2. Tenders must in particular mention the Member State in which the tenderer, in the event of his being declared successful, expects to complete the customs export formalities for the products concerned.
3. For the purpose of rendering the tenders comparable, the prices shall, where appropriate, be corrected by the monetary compensatory amount and the accession compensatory amount applicable on the closing date for submission of tenders to exports from the Member State mentioned in the tender pursuant to paragraph 2.

Such correction shall be made by:

- increasing prices which mention a Member State whose currency has depreciated or a new Member State,
- reducing prices which mention a Member State whose currency has been revalued.

The monetary compensatory amount shall, where appropriate, be converted into the currency of the Member State in which the invitation to tender is issued using:

- in the case when the currencies concerned are kept at any given moment within a band of 2.25 %, a conversion rate resulting from their central rate,
- in the other cases, the average of the spot rates of the currencies concerned recorded in the Member State in which the invitation to tender is issued during a period from the Wednesday of one week to the Tuesday of the following week being the period immediately preceding the closing date for submission of tenders.

Article 4

The contract shall be awarded to the tenderer offering the best terms, taking into consideration the adjustment referred to in Article 3 (3).

However, if the tenders submitted do not appear to reflect normal market prices and costs, the intervention agency may cancel the invitation to tender.

Article 5

In the tenderer is unable to deliver the goods in compliance with Article 1 (3) on the date given in the notice of invitation to tender as a result of the late availability of the vessels to be used for sea transportation, the resulting costs shall be borne by the intervention agency.

Article 6

1. The tenderer shall give security of a value of five units of account per tonne of goods.

It shall be released:

- in the case of all tenderers whose tenders are unsuccessful or are not accepted,
- in the case of the successful tenderer, when the operations concerned have been carried out within the prescribed time limit and on submission of the original export licence duly granted and endorsed by the competent authorities of the Member State mentioned in the tender pursuant to Article 3 (2),
- in the case of the successful tenderer for quantities not supplied by reason of *force majeure*.

2. The security required under paragraph 1 may be provided in the form of a cash deposit or of a guarantee issued by a credit institution conforming to criteria laid down by each Member State.

Article 7

The common wheat referred to in Article 1 to be supplied to the Republic of Kenya must be of fair and sound merchantable quality and correspond at least to the standard quality for which the intervention price is fixed, except that the moisture content shall not exceed 14 % and that a maximum of 3 % of sprouted grains and 1.5 % of miscellaneous impurities shall be allowed.

Article 8

1. The Belgian intervention agency shall be responsible for operations relating to the invitations to tender provided for by this Regulation.
2. It shall forthwith communicate to the Commission the list of firms which have responded to the invitation to tender, specifying the terms of each tender, together with the name and business name of the successful tenderer.

3. Where the customs export formalities for the mobilized product are completed in a Member State other than that in which the invitation to tender is issued, the intervention agency of the latter Member State shall be responsible for the operations following tendering, including payment to the successful tenderer.

In this case, the intervention agency choosing the successful tenderer shall immediately inform the intervention agency of the Member State concerned and shall supply it with all the information which it may require.

Furthermore, the amount of the successful tender shall be paid after it has been converted using the average of the spot rates referred to in the second subparagraph of Article 3 (3) to the tenderer in the currency of the Member State in which the operations relating to the tendering are completed.

4. The intervention agency shall request the successful tenderer to supply the following information :

(a) after each shipment a certificate showing the quantities dispatched and the quality of the products ;

(b) the date of departure of the vessels.

The information indicated above shall be forwarded by the intervention agency to the Commission immediately upon receipt.

5. When the intervention agency responsible for the operations relating to tendering is not the intervention agency which appoints the successful tenderer, it shall send as soon as possible to the latter the information necessary for releasing the security.

Article 9

On delivery of the goods at the port of shipment, a handing over certificate shall be supplied to the successful tenderer, acting as agent for the Community, by the agent of the recipient country, or in the absence of the latter, by the intervention agency of the Member State in whose territory the port of shipment is situated.

Article 10

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COUNCIL

COUNCIL DECISION

of 18 October 1977

authorizing prolongation or tacit renewal of certain Trade Agreements
concluded between the Member States and third countries

(77/657/EEC)

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community, and in particular Article 113
thereof,

Having regard to the Council Decision of 16
December 1969 on the progressive standardization of
Agreements concerning commercial relations between
Member States and third countries and on the negotia-
tions of Community Agreements⁽¹⁾, and in particular
Article 3 thereof,

Having regard to the proposal from the Commission,

Whereas tacit extension beyond the end of the transi-
tional period has already been authorized in the case
of the Agreements listed in the Annex hereto by the
Council under its Decisions of 28 January 1969⁽²⁾, 26
June 1969⁽³⁾, 30 June 1969⁽⁴⁾, 15 September 1969⁽⁵⁾,
17 October 1969⁽⁶⁾, 8 December 1969⁽⁷⁾, 20
December 1969⁽⁸⁾, 6 February 1970⁽⁹⁾, 8 June
1970⁽¹⁰⁾, 13 July 1970⁽¹¹⁾, 29 September 1970⁽¹²⁾, 23

November 1970⁽¹³⁾, 25 October 1971⁽¹⁴⁾, 18 October
1972⁽¹⁵⁾, 28 April 1973⁽¹⁶⁾, 6 December 1973⁽¹⁷⁾, 9
December 1974⁽¹⁸⁾, 7 October 1975⁽¹⁹⁾ and 4
October 1976⁽²⁰⁾;

Whereas the Member States concerned have, with a
view to avoiding interruption in their commercial rela-
tions with the third countries concerned based on
agreement, requested authorization to prolong or
renew the abovementioned Agreements;

Whereas authorization has to be granted only to main-
tain commercial relations between the Member States
and the third countries concerned on the basis of
Agreements, pending their replacement by Commu-
nity Agreements to be negotiated; whereas such
authorization should not, therefore, adversely affect
the obligation incumbent upon the Member States to
avoid, and, where appropriate to eliminate, any incom-
patibility between such Agreements and the provi-
sions of Community law;

Whereas the provisions of the instruments to be
either prolonged or renewed would not, furthermore,
during the period under consideration, constitute an
obstacle to the implementation of the common
commercial policy;

⁽²⁾ OJ No L 43, 20. 2. 1969, p. 15.

⁽⁷⁾ OJ No L 323, 24. 12. 1969, p. 10.

⁽⁸⁾ OJ No L 6, 9. 1. 1970, p. 1.

⁽⁹⁾ OJ No L 36, 14. 2. 1970, p. 29.

⁽¹³⁾ OJ No L 262, 3. 12. 1970, p. 18.

⁽¹⁴⁾ OJ No L 248, 9. 11. 1971, p. 7.

⁽¹⁵⁾ OJ No L 250, 6. 11. 1972, p. 1.

⁽¹⁶⁾ OJ No L 124, 10. 5. 1973, p. 20 and OJ No L 220, 8. 8.
1973, p. 25.

⁽¹⁷⁾ OJ No L 30, 4. 2. 1974, p. 1.

⁽¹⁸⁾ OJ No L 352, 28. 12. 1974, p. 37.

⁽²⁰⁾ OJ No L 283, 14. 10. 1976, p. 22.

Whereas the Member States concerned have declared that the prolongation or tacit renewal of these Agreements would not constitute an obstacle either to the opening of Community negotiations with the third countries concerned or to the transfer of the commercial fabric thereof to Community Agreements, nor would it, during the period under consideration, hinder the adoption of the measures necessary to complete the standardization of the import arrangements applied by the various Member States;

Whereas at the conclusion of the consultations provided for in Article 2 of the Decision of 16 December 1969 it was established, as the aforesaid declarations by the Member States confirm, that the provisions of the Agreements to be prolonged or renewed would not, during the period under consideration, constitute an obstacle to the implementation of the common commercial policy;

Whereas, in these circumstances, the Agreements concerned may be either prolonged or tacitly renewed for a period not exceeding one year,

HAS ADOPTED THIS DECISION :

Article 1

The Trade Agreements and Protocols between Member States and third countries listed in the Annex hereto may be prolonged or tacitly renewed up to the dates specified in each case in the Annex.

Article 2

This Decision is addressed to the Member States.
