COMMISSION REGULATION (EEC) No 2722/77

of 6 December 1977

amending Regulation (EEC) No 646/75 establishing Community surveillance
over imports of slide fasteners

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1439/74 of 4 June 1974 on common rules for
imports⁽¹⁾, and in particular Article 7 thereof,

Having regard to Council Regulation (EEC) No
109/70 of 19 December 1969 establishing common
rules for imports from State-trading countries⁽²⁾, and
in particular Article 6 (1) (a) and (b) thereof,

Whereas consultations have been held within the
committees set up under Article 5 of each of the said
Regulations ;

Whereas by Regulation (EEC) No 646/75 of 13 March
1975⁽³⁾ the Commission established Community
surveillance over imports of slide fasteners ; whereas
this surveillance was extended by Regulations (EEC)
No 1457/76⁽⁴⁾, and (EEC) No 1268/77⁽⁵⁾ ;

Whereas Article 3 of Regulation (EEC) No 646/75
recommends that for slide fasteners the declaration or
application by the importer shall in particular contain
details of quantities imported, expressed in 100
pieces ;

Whereas these details will only give an approximate
indication of the volume of imports due to the

different lengths of the pieces ; whereas it is therefore
necessary to indicate the quantities of fasteners in
metres,

HAS ADOPTED THIS REGULATION :

Article 1

Article 3 of Regulation (EEC) No 646/75, extended by
Regulations (EEC) No 1457/76 and (EEC) No
1268/77, is hereby replaced by the following text :

'Article 3

The declaration or application by the importer as
provided for in Article 8 of Regulation (EEC) No
1439/74 and in Article 6 (1) (b) of Regulation
(EEC) No 109/70 shall contain in addition to the
details prescribed therein, a breakdown of quanti-
ties (in metres for the fasteners and by piece or
metre for their parts) and of the unit price (cif free-
at-frontier) of each product imported, precisely
defined by reference to its essential technical
characteristics (constituent materials and dimen-
sions).'

States.

COMMISSION REGULATION (EEC) No 2723/77
of 8 December 1977

extending the period of application of Regulation (EEC) No 1931/77 on an invitation to tender for the refund for the export of barley to the countries of Zones I, II, III, IV and VI

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1386/77⁽²⁾,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, and in particular Article 5 thereof,

Whereas, having regard to the situation on the cereals market and with the intention of safeguarding Community supplies whilst at the same time participating in the supply of certain markets, it was considered appropriate to issue in respect of barley an invitation to tender for the export refund provided for in Article 5 of Regulation (EEC) No 2746/75; whereas it was moreover considered appropriate to limit that invitation to tender to the markets concerned in Zones I, II, III, IV and VI as defined in Annex I to Commission Regulation (EEC) No 1124/77 of 27 May 1977 redefining the destination zones for export refunds and levies and for certain export licences for cereals and rice⁽⁴⁾;

Whereas that measure was put into effect by Commission Regulation (EEC) No 1931/77 of 26 August 1977

on an invitation to tender for the refund for the export of barley to the countries of Zones I, II, III, IV and VI⁽⁵⁾; whereas under that Regulation the invitation to tender was to remain open until 22 December 1977; whereas the reasons which led to that tender being opened remain valid; whereas the period during which the invitation in question is to remain open should therefore be extended;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

Article 1 (3) of Regulation (EEC) No 1931/77 is hereby replaced by the following:

'3. The invitation shall remain open until 27 April 1978. During this period weekly awards shall be made, the time limits for the submission of tenders to be as prescribed in the notice of invitation to tender'.

COMMISSION REGULATION (EEC) No 2724/77

of 8 December 1977

amending Regulation (EEC) No 1624/76 regarding the additional amount of aid payable for skimmed-milk powder denatured or processed into compound feedingstuffs in the territory of another Member State

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products⁽¹⁾, as last amended by Regulation (EEC) No 559/76⁽²⁾, and in particular Article 10 (3) thereof,

Whereas paragraph 1 of Article 8 of Commission Regulation (EEC) No 1624/76 of 2 July 1976 concerning special arrangements for the payment of aid for skimmed-milk powder denatured or processed into compound feedingstuffs in the territory of another Member State⁽³⁾, as last amended by Regulation (EEC) No 1983/77⁽⁴⁾, provides that the amount of aid paid to the exporter shall be that applicable on the day the customs formalities for export to the Member State of destination are completed, and paragraph 2 of that Article provides that, in cases where the amount of aid applicable on the date of denaturing or of processing into compound feedingstuffs is greater than the amount of aid applicable on the date of export, an additional amount of aid equal to the difference between these two amounts shall be paid, for the quantities transformed after the date of increase, by the consignor Member State to the exporter, so that he can pay this amount to the importer;

Whereas the effect of this adjustment procedure can be, as a result in particular of differences in exchange rates, that the cost after processing of the imported skimmed-milk powder does not correspond to the final cost of the product bought in the Member State of destination; whereas, moreover, a similar effect can arise where there is a fall in the representative rate in the Member State of destination;

Whereas, in order to rectify this situation, the supplementary aid should also be granted where the repre-

sentative rate of the Member State of destination has fallen; whereas, moreover, it is appropriate, also for administrative reasons, to provide that the additional amount will be paid to the importer by the authorities of the Member State of destination;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

Article 8 (2), first indent, of Regulation (EEC) No 1624/76 is amended to read as follows:

'2. If between the day mentioned above and the day mentioned in Article 9 of Regulation (EEC) No 990/72 the amount of aid expressed in the currency of the Member State of destination is increased, an amount corresponding to this increase shall be paid, on request, to the importer by the competent authority of the Member State of destination. The additional amount shall be paid only in respect of those quantities:

— for which there is submitted a certificate from an official agency establishing that they have been denatured or processed into feedingstuffs on or after the date on which the increased amount of aid was applicable

and

— for which the security has been or will be released in accordance with Article 2 (5).'

COMMISSION REGULATION (EEC) No 2725/77

of 8 December 1977

fixing for the 1976/77 sugar marketing year the amount of the production levy

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1110/77⁽²⁾, and in particular Article 27 (7) thereof,

Whereas Article 7 (1) of Common Regulation (EEC) No 700/73 of 12 March 1973 laying down certain detailed rules for the application of the quota system for sugar⁽³⁾, as amended by Regulation (EEC) No 1573/76⁽⁴⁾, provides that the amount of the production levy must be fixed for each sugar marketing year; whereas the criteria for fixing the said amount are laid down in Article 27 (2) of Regulation (EEC) No 3330/74 and in Article 7 (2) of Regulation (EEC) No 700/73;

Whereas the total Community sugar production for the 1976/77 sugar marketing year was 10 002 723.5 tonnes; whereas the quantities carried forward to the 1977/78 sugar marketing year pursuant to Article 31 of Regulation (EEC) No 3330/74 amounted to 30 784.2 tonnes and the quantities produced during the sugar campaign in question but not carried forward exceeded the maximum quotas by 152 783.3 tonnes;

Whereas, pursuant to Article 27 (2) of Regulation (EEC) No 3330/74, the guaranteed quantity shall be equal to human consumption in the Community less the quantity imported on preferential terms during the same period; whereas the guaranteed quantity may not be less than the sum of the basic quotas;

Whereas the quantity disposed of for human consumption in the Community during the period 1 October 1976 to 30 September 1977 may be estimated at 8 977 000 tonnes; whereas preferential imports

totalled 1 415 176.7 tonnes, expressed as white sugar; whereas, therefore, the guaranteed quantity is 9 136 000 tonnes;

Whereas Article 7 (2) (b) of Regulation (EEC) No 700/73 provides that a fixed amount shall be calculated on the basis of the average of losses incurred in disposing of sugar during the period from 1 October of the relevant marketing year to 30 September of the following year;

Whereas 1 908 719.1 tonnes of surplus production was disposed of between 1 October 1976 and 30 September 1977; whereas the fixed amount calculated on the above basis is 18.227 units of account per 100 kilograms;

Whereas the total losses incurred in disposing of production in excess of the guaranteed quantity can thus be assessed at 124 518 844.12 units of account;

Whereas the total production above basic quotas but within maximum quotas and not carried forward was 1 220 496.7 tonnes; whereas the amount of the production levy is calculated by dividing the total losses by the last-mentioned quantity; whereas the amount so calculated is 10.20 units of account per 100 kilograms;

Whereas Council Regulation (EEC) No 834/76 of 6 April 1976 fixing for the 1976/77 sugar marketing year the derived intervention prices, the intervention prices for raw beet sugar, the minimum prices for beet, the threshold prices and the maximum amount of the production levy, and fixing the coefficient for calculating the special maximum quota⁽⁵⁾, fixed the maximum amount of the production levy at 9.94 units of account per 100 kilograms of white sugar; whereas the levy should thus be fixed at 9.94 units of account;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

Article 2

Article 1

The amount of the production levy for the 1976/77 sugar marketing year shall be 9.94 units of account per 100 kilograms of white sugar.

Whereas Article 2 (1) of that Regulation provides that the customs duties may be re-established at any time once the Community ceiling has been reached;

COMMISSION REGULATION (EEC) No 2728/77

of 8 December 1977

fixing the refunds applicable to cereals and wheat or rye flour groats and meal

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organ-
ization of the market in cereals ⁽¹⁾, as last amended by
Regulation (EEC) No 1386/77 ⁽²⁾, and in particular the
first sentence of the fourth subparagraph of Article 16
(2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of that Regulation and prices for those
products in the Community may be covered by an
export refund;

Whereas Article 2 of Council Regulation No (EEC)
No 2746/75 of 29 October 1975 laying down general
rules for granting export refunds on cereals and
criteria for fixing the amount of such refunds ⁽³⁾,
provides that when refunds are being fixed account
must be taken of the existing situation and the future
trend with regard to prices and availabilities of cereals
on the Community market on the one hand and
prices for cereals and cereal products on the world
market on the other; whereas the same article
provides that it is also important to ensure equilib-
rium and the natural development of prices and
trade on cereal markets and, furthermore, to take into
account the economic aspect of the proposed exports
and the need to avoid disturbances on the Commu-
nity market;

Whereas Article 3 of Regulation (EEC) No 2746/75
defines the specific criteria to be taken into account
when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as
wheat and rye flour, groats and meal are concerned, in
Article 4 of Regulation (EEC) No 2746/75; whereas,
furthermore, when the refund on these products is
being calculated, account must be taken of the quanti-
ties of cereals required for their manufacture; whereas

these quantities were fixed in Regulation No 162/
67/EEC ⁽⁴⁾, as amended by Regulation (EEC) No
1607/71 ⁽⁵⁾;

Whereas the world market situation or the specific
requirements of certain markets may make it neces-
sary to vary the refund for certain products according
to destination;

Whereas the refund must be fixed at least once a
month; whereas it may be altered in the intervening
period;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other, at any given moment,
within a band of 2.25 %, a rate of exchange based
on their effective parity;
- for other currencies an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period, in
relation to the Community currencies referred to
in the previous subparagraph;

Whereas it follows from applying the rules outlined
above to the present situation on the market in
cereals, and in particular to quotations or prices for
these products within the Community and on the
world market, that the refunds, should be fixed as
shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products listed in Article 1 (a), (b)
and (c) of Regulation (EEC) No 2727/75, exported in
the natural state, are hereby fixed as shown in the
Annex to this Regulation.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, the corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, made possible, the fixing of a corrective amount for certain products listed in Article 1 (c) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75⁽⁵⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Commu-

nity market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 2727/75 account should be taken of the specific criteria laid down in Article 2 (2) of Regulation (EEC) No 1281/75;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure;

Whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies, which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the preceding subparagraph;

Whereas it follows from applying the provisions referred to above that the corrective amount must be fixed as shown in the table annexed to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,
