tion of the market in rice ⁽¹⁾, as amended by Regula-
tion (EEC) No 1158/77 ⁽²⁾, and in particular Article 11
(2) thereof,

Whereas the import levies on rice and broken rice

COMMISSION REGULATION (EEC) No 36/78
of 9 January 1978

**on certain special cases as regards the application of the system of premiums
 for the non-marketing of milk and milk products and for the conversion of
 dairy herds**

THE COMMISSION OF THE EUROPEAN
 COMMUNITIES,

Having regard to the Treaty establishing the European
 Economic Community,

Having regard to Council Regulation (EEC) No
 1078/77 of 17 May 1977 introducing a system of
 premiums for the non-marketing of milk and milk
 products and for the conversion of dairy herds ⁽¹⁾, and
 in particular Article 7 thereof,

Whereas, since Regulation (EEC) No 1078/77 was first
 applied, problems of interpretation have arisen and in
 some cases it has not been possible to clarify them
 fully in the light of the said Regulation or of Commis-
 sion Regulation (EEC) No 1307/77 of 15 June 1977
 laying down rules for the application of the system of
 premiums for the non-marketing of milk and milk
 products and the conversion of dairy herds ⁽²⁾;
 whereas, however, particularly in the interests of the
 farmers concerned, legal uncertainty on such ques-
 tions should be removed wherever possible so that the
 rights and obligations arising from the system of
 premiums are easily recognizable and clearly defined;

Whereas, where a farm is taken over during the refer-
 ence period, the milk deliveries on the basis of which
 the premium is calculated should include those made
 by the predecessor;

Whereas, where the farm or parts thereof are taken
 over, certain questions arise as to the scope of the obli-
 gations transferred to the successor; whereas those
 questions must be settled in the light of the aims of
 the premium system and the possibilities for checks;

Whereas the measures provided for in this Regulation
 are in accordance with the opinion of the Manage-
 ment Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

Deliveries during the 1976 calendar year within the
 meaning of Article 2 (1) and the first indent of the

first subparagraph of Article 3 (1) of Regulation (EEC)
 No 1078/77 and deliveries in 1977 in accordance with
 Article 1 (d) of Regulation (EEC) No 1307/77 shall
 mean deliveries from the holding managed on the day
 the application was lodged, even if the applicant has
 not worked the holding for the entire duration of the
 periods concerned.

Article 2

Where the recipient of the premium acquires, during
 the period to which his undertakings apply, a holding
 supplying milk or milk products or part of such a
 holding this shall not entail the extension of the
 undertakings to the acquired areas, provided that:

- (a) the holding concerned is inherited or otherwise
 transferred free, and the holding or part of the
 holding acquired is totally separate from the
 existing holding at the time of the approval of the
 application;
- (b) the new holding is acquired with a view to
 changing holdings and the first holding is trans-
 ferred at the latest at the end of the current vegeta-
 tion period along with the successor's undertaking
 pursuant to the first subparagraph of Article 6 (1)
 of Regulation (EEC) No 1078/77.

Article 3

This Regulation shall enter into force on the third day
 following its publication in the *Official Journal of
 the European Communities*.

On application by the recipient, it shall apply to
 approvals issued for the granting of premiums prior to
 its entry into force.

This Regulation shall be binding in its entirety and directly applicable in all Member
 States.

crop declarations for seed flax for the 1977/78 marketing year

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
569/76 of 15 March 1976 laying down special

thereof,

Whereas, by way of derogation from Article 9 (1) of
Commission Regulation (EEC) No 1799/76 of 22 July
1976 laying down detailed rules for the application of
special measures in respect of linseed⁽²⁾, as amended
by Regulation (EEC) No 1632/77⁽³⁾, Commission

1977⁽⁴⁾ provides that crop declarations for seed flax
for the 1977/78 marketing year shall be submitted not
later than 30 November 1977 ;

Whereas in certain Member States the late harvest has
made it impossible for this time limit to be kept ;
whereas these Member States should therefore be auth-
orized to postpone the relevant time limit until 15
January 1978 ;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

The following indent is added to Article 1 of Regula-
tion (EEC) No 2552/77 :

‘However, if in certain Member States the late
harvest has made it impossible for this time limit
