and other servants of the European Communities**

THE COUNCIL OF THE EUROPEAN

to be carried out by the Commission,

COMMISSION REGULATION (EEC) No 1462/78

of 29 June 1978

fixing, for the 1978/79 marketing year, the amounts of the levy in connection with the offsetting of storage costs for sugar

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular the last subparagraph of Article 8 (3) thereof,

Whereas Article 8 (1) of Regulation (EEC) No 3330/74 provides that storage costs for sugar and for syrups shall be reimbursed at a flat rate by the Member States;

Whereas, for the 1978/79 marketing year, the monthly amount of the reimbursement has been fixed at 0.30 unit of account per 100 kilograms of white sugar, by Council Regulation (EEC) No 1399/78 of 20 June 1978 fixing, for the 1978/79 sugar year, the derived intervention prices, the intervention price for raw beet sugar, the minimum prices for beet, the threshold prices, the maximum amount of the production levy and the amount of the repayment to offset storage costs and fixing the coefficient for calculating the special maximum quota⁽³⁾;

Whereas Article 8 (1) of Regulation (EEC) No 3330/74 provides also that the Member States shall charge levies on sugar manufacturers and on importers or refiners of preferential sugar;

Whereas, pursuant to Article 4 of Regulation (EEC) No 1358/77 of 20 June 1977 laying down general rules for offsetting storage costs for sugar and repealing Regulation (EEC) No 750/68⁽⁴⁾, as amended by Regulation (EEC) No 1397/78⁽⁵⁾, the quantity in store to be taken into consideration for the reimbursement of one month's storage costs is equal to the average quantities of sugar held in store at the beginning and at the end of the month in question; whereas, for the 1978/79 marketing year, the quantities of Community sugar in store each month may be estimated by reference to anticipated stocks at the beginning of the marketing year, estimated monthly production, the quantities likely to be imported outside preferential conditions in the month under

consideration and the quantities likely to be disposed of for domestic consumption or exported during the same month; whereas total average monthly stocks during the 1978/79 marketing year can be estimated at approximately 64.6 million tonnes of sugar expressed in white value; whereas the total reimbursement for Community sugar can thus be estimated at approximately 193.8 million units of account for the 1978/79 marketing year;

Whereas Article 6 of Regulation (EEC) No 1358/77 provides that the amount of the levy for Community sugar shall be calculated by dividing total anticipated reimbursements by the anticipated quantity of sugar which will be disposed of during the sugar marketing year in question and produced within the maximum quotas; whereas total anticipated reimbursements are to be increased or decreased as the case may be by the amounts carried forward from preceding sugar marketing years; whereas the anticipated balance of preceding sugar marketing years can be estimated at a negative amount of 19.9 million units of account; whereas detailed rules for the application of the system of offsetting storage costs for sugar provide that the levy is to be fixed per 100 kilograms of white sugar; whereas the quantity of Community sugar which will be disposed of during the 1978/79 marketing year for home consumption or for export may be estimated at approximately 10.8 million tonnes of sugar expressed in white value; whereas the amount of the levy for Community sugar should therefore be 1.98 units of account per 100 kilograms of white sugar;

Whereas Article 7 of Regulation (EEC) No 1358/77 specifies that the amount of the levy for preferential sugar shall be calculated in the same way; whereas total average monthly stocks during the 1978/79 marketing year can be estimated at approximately 2.9 million tonnes of sugar expressed in white value; whereas the total reimbursement for preferential sugar can thus be estimated at approximately 8.8 million units of account for the 1978/79 marketing year; whereas that total anticipated reimbursements for preferential sugar shall be increased or decreased, as the case may be, by the amounts carried forward from preceding sugar marketing years; whereas the amount carried forward from the 1977/78 sugar marketing year will probably be a positive amount of 0.3 million units of account; whereas the quantity of preferential sugar to which the levy will apply during the same period may be estimated at 1.3 million tonnes of sugar expressed in white value; whereas, the amount of the levy for preferential sugar should therefore be

of 29 June 1978

determining in respect of the 1978/79 sugar marketing year the amounts for storage and packing costs and the premium for raw sugar referred to in Regulation (EEC) No 2103/77

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular Articles 9 (6) and 11 (3) thereof,

Whereas Commission Regulation (EEC) No 2103/77 of 23 September 1977 laying down detailed rules for the buying in by intervention agencies of sugar manufactured from beet and cane harvested in the Community⁽³⁾ provides that the storage costs applicable when a storage contract is concluded in accordance with Article 2 (2) of Council Regulation (EEC) No 447/68 of 9 April 1968 laying down general rules for intervention buying of sugar⁽⁴⁾, as last amended by Regulation (EEC) No 1359/77⁽⁵⁾, are to be determined at a flat rate for each sugar marketing year per 100 kilograms and per 10-day period, and that the cost of any special packing required by and chargeable to the intervention agency is also to be determined at a flat rate per 100 kilograms for each sugar marketing year;

Whereas Article 14 of Regulation (EEC) No 2103/77 provides that, for Community regions in which a quality premium is actually obtained on the market when raw sugar is sold after refining, the intervention agencies concerned shall grant a premium for such sugar and that the regions concerned and the amount of the premium are to be determined before the beginning of the sugar marketing year; whereas a survey of the market situation in the various Community regions shows that, for the 1978/79 sugar marketing year, as regards raw sugar produced and accepted for intervention in the producing regions of the Community, the premium should be set at 0.60 unit of

account per 100 kilograms of raw sugar expressed in white value;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

1. For the 1978/79 sugar marketing year the amount of the storage costs as referred to in the first subparagraph of Article 8 (5) of Regulation (EEC) No 2103/77 shall be 0.026 unit of account per 100 kilograms of sugar per 10-day period.
2. For the 1978/79 sugar marketing year the flat rate amount of the costs in respect of the types of packing referred to in Article 17 (2) (a) and (b) of Regulation (EEC) No 2103/77 shall be 1.165 units of account per 100 kilograms of sugar.

Article 2

1. For the 1978/79 sugar marketing year the amount of the premium referred to in Article 14 (4) of Regulation (EEC) No 2103/77 shall be 0.60 unit of account per 100 kilograms of raw sugar expressed in white value.
2. The amount referred to in paragraph 1 shall be granted only for raw sugar produced and accepted for intervention in the regions of Belgium, France, Germany and Italy.

COMMISSION REGULATION (EEC) No 1464/78

of 29 June 1978

laying down rules for applying the production levy on isoglucose in respect of the period 1 July 1978 to 30 June 1979

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1111/77 of 17 May 1977 laying down common provisions for isoglucose⁽¹⁾, as last amended by Regulation (EEC) No 1298/78⁽²⁾, and in particular Article 9 (4) thereof,

Whereas Regulation (EEC) No 1111/77 provides for a provisional system of production levies;

Whereas Article 9 (2) of Regulation (EEC) No 1111/77 fixed the production levy on isoglucose at five units of account per 100 kilograms of dry matter for the period 1 July 1978 to 30 June 1979; whereas, however, if for the said period the amount of the production levy laid down in Article 27 of Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽³⁾, as last amended by Regulation (EEC) No 1396/78⁽⁴⁾, is less than five units of account, an amount equal to the production levy laid down in the last-mentioned Regulation shall apply; whereas as in the case of the sugar sector, provision should be made for a system of payment on account for the levying of the production levy on isoglucose;

Whereas the rules for payment of this levy must be laid down taking into account those in respect of competing sugar products and the economic aspects of the production and sale of these products; whereas quarterly payments would accordingly seem appropriate for isoglucose;

Whereas time limits for providing production figures and forwarding the necessary information required for the operation of the system should be laid down, and provision should be made for appropriate control measures;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Isoglucose,

HAS ADOPTED THIS REGULATION:

Article 1

The provisions of this Regulation shall apply to production during the period 1 July 1978 to 30 June 1979.

Article 2

Manufacturers of the products specified in Article 1 of Regulation (EEC) No 1111/77 shall, before the 15th day of each month, communicate to the competent agency in the Member States on whose territory production takes place particulars of the quantities, expressed as dry matter, actually produced during the preceding month.

However, the quantities of isoglucose produced under inward processing arrangements shall not be taken into account in calculating the quantities referred to in the preceding paragraph.

Article 3

1. On the basis of the particulars communicated pursuant to Article 2, and where necessary after verification, the competent agency shall determine the quantities of isoglucose produced each quarter by each manufacturer. The Member State in question shall collect an advance of the production levy in respect of each quarter's production.

The manufacturer shall not later than the 15th day of the second month following the end of the quarter in question be notified of the amount of that advance.

2. The amount of the advance shall be four units of account per 100 kilograms of dry matter.

3. The advance referred to in paragraph 1 shall be paid by the manufacturer not later than the end of the second month following the end of the production quarter in question.

Article 4

1. The Member States shall fix in respect of each manufacturer of isoglucose, within 30 days after the publication on the *Official Journal of the European Communities* of the amount in respect of a given sugar marketing year of the production levy provided for in Article 27 of Regulation (EEC) No 3330/74, the

The Member States shall immediately notify the parties concerned of the amounts so fixed.

2. The balance owing by the Member State or by the manufacturer of isoglucose shall be paid not later than 15 January following the date of publication referred to in paragraph 1.

Member States shall make the necessary arrangements for having production figures checked.

COMMISSION REGULATION (EEC) No 1465/78

of 29 June 1978

on granting compensation for disadvantages suffered by certain sugar exporters

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 878/77 of 26 April 1977 on the exchange rates to be applied in agriculture⁽¹⁾, as last amended by Regulation (EEC) No 976/78⁽²⁾, and in particular Article 5 thereof,

Whereas the said Regulation has brought into operation the provisions of Council Regulation (EEC) No 1134/68 of 30 July 1968 laying down rules for the implementation of Regulation (EEC) No 653/68 on conditions for alterations to the value of the unit of account used for the common agricultural policy⁽³⁾; whereas Article 4 thereof provides that any person who has obtained advance fixing for a specific transaction may on application obtain cancellation of the advance fixing and of the relevant document or certificate; whereas, however, Article 4 (2) of Regulation (EEC) No 878/77 provides that the second subparagraph of Article 4 (1) of Regulation (EEC) No 1134/68 applies only if the application of the new representative rates is disadvantageous to the party concerned;

Whereas the second subparagraph of Article 4 (2) of Regulation (EEC) No 878/77 provides that the disadvantage may be compensated for by an appropriate measure; whereas such a disadvantage may exist in the case of operations under export certificates issued in the Federal Republic of Germany and for which at the same time no advance fixing of the monetary compensatory amounts was made in accordance with Commission Regulation (EEC) No 243/78 of 1 February 1978 providing for the advance fixing of monetary compensatory amounts⁽⁴⁾;

Whereas in the sugar sector any large-scale cancellation of export licences issued following partial invitations to tender held pursuant to Commission Regulation (EEC) No 1634/77 of 19 July 1977 on a standing

invitation to tender in order to determine export refunds for white sugar⁽⁵⁾, as last amended by Regulation (EEC) No 1182/78⁽⁶⁾, and pursuant to Commission Regulation (EEC) No 1790/77 of 2 August 1977 on a standing invitation to tender in order to determine export refunds for raw beet sugar⁽⁷⁾, as amended by Regulation (EEC) No 1182/78, could be seriously prejudicial to Community management of this sector; whereas, to prevent this happening, it is necessary to withhold the right to cancel while at the same time providing appropriate compensation for this disadvantage, and also to lay down the conditions for granting such compensation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The compensation referred to in the second subparagraph of Article 4 (2) of Regulation (EEC) No 878/77 shall, for the 1978/79 sugar marketing year, be DM 0.17 per 100 kilograms of sugar expressed in white value.

Article 2

The compensation referred to in Article 1 shall only apply to quantities of sugar from the Federal Republic of Germany being exported with licences in respect of which the following conditions are satisfied:

- (a) the export licences have been issued in the Federal Republic of Germany under a partial invitation to tender held pursuant to Regulation (EEC) No 1634/77 or (EEC) No 1790/77;
- (b) the successful offer has been made before 12 May 1978;
- (c) the customs export formalities are completed on or after 1 July 1978;

⁽²⁾ OJ No L 125, 13. 5. 1978, p. 32.

⁽³⁾ OJ No L 188, 1. 8. 1968, p. 1.

⁽⁴⁾ OJ No L 37, 7. 2. 1978, p. 5.

⁽⁵⁾ OJ No L 181, 21. 7. 1977, p. 35.

⁽⁶⁾ OJ No L 145, 1. 6. 1978, p. 46.

⁽⁷⁾ OJ No L 197, 4. 8. 1977, p. 11.

(d) the person concerned does not make use of the advance fixing of the monetary compensatory amount for the operation in question.

Article 3

In the case of licences issued in accordance with Article 2 (a) and (b), the right of cancellation provided

for in the last subparagraph of Article 4 (1) of Regulation (EEC) No 1134/68 may not be exercised.

Article 4

This Regulation shall enter into force on 1 July 1978.

Having regard to the Treaty establishing the European

Having regard to Council Regulation (EEC) No

Having regard to Council Regulation No 162/66/EEC of 27 October 1966 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation (EEC) No 2843/76 of 23 November 1976 laying down special measures in particular for the determination of the offers of olive oil on the world market⁽⁴⁾, as amended by Regulation (EEC) No 2361/77⁽⁵⁾, and in particular Article 2 (3) thereof,

Having regard to Council Regulation (EEC) No 2844/76 of 23 November 1976 laying down special measures in particular for the determination of the offers of olive oil on the Greek market⁽⁶⁾, as amended by Regulation (EEC) No 2361/77, and in particular Article 2 (3) thereof,

Whereas that rate must be fixed for each of the products concerned on the basis of an examination of the world or Greek markets and of the Community market, and also of the levy rates indicated by the tenderers ;

COMMISSION REGULATION (EEC) No 1473/78

of 29 June 1978

fixing the rates of the refunds applicable from 1 July 1978 to sugar and molasses
exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
3330/74 of 19 December 1974 on the common organi-
zation of the market in sugar⁽¹⁾, as last amended by
Regulation (EEC) No 1396/78⁽²⁾, and in particular the
first sentence of the sixth subparagraph of Article 19
(2) thereof,

Whereas Article 19 (1) of Regulation (EEC) No
3330/74 provides that the difference between quota-
tions or prices on the world market for the products
listed in Article 1 (1) (a), (c) and (d) of that Regulation
and prices within the Community may be covered by
an export refund; whereas Council Regulation (EEC)
No 2682/72 of 12 December 1972 laying down
general rules for granting export refunds on certain
agricultural products exported in the form of goods
not covered by Annex II to the Treaty, and the criteria
for fixing the amount of such refunds⁽³⁾, as last
amended by Regulation (EEC) No 707/78⁽⁴⁾, specifies
the products for which a rate of refund should be
fixed, to be applied where these products are exported
in the form of goods listed in Annex I to Regulation
(EEC) No 3330/74;

Whereas, in accordance with the first subparagraph of
Article 4 (1) of Regulation (EEC) No 2682/72, the rate
of the refund per 100 kilograms for each of the basic
products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that
Article, that rate must be determined with particular
reference to:

- (a) the average costs incurred by processing industries
in obtaining supplies of the basic products in ques-
tion on the Community market and the prices
ruling on the world markets;

- (b) the level of the refunds on exports of processed
agricultural products covered by Annex II to the
Treaty which are manufactured under similar
conditions;

- (c) the need to ensure equality of competition for the
industries which use Community products and
those which use third-country products under
inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 2682/72
provides that, when the rate of the refund is being
fixed, account should be taken, where appropriate, of
refunds, aids or other measures having equivalent
effect applicable in all Member States in accordance
with the Regulation on the common organization of
the market in the product in question to the basic
products listed in Annex A to that Regulation or to
assimilated products; whereas at present no produc-
tion refunds are granted; whereas it is therefore unnec-
essary to fix differentiated export refunds for the
goods in question;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

COMMISSION REGULATION (EEC) No 1477/78

of 29 June 1978

fixing the refunds applicable to cereals and wheat or rye flour groats and meal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products in the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation No (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas Article 3 of Regulation (EEC) No 2746/75 defines the specific criteria to be taken into account when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as wheat and rye flour, groats and meal are concerned, in Article 4 of Regulation (EEC) No 2746/75; whereas, furthermore, when the refund on these products is being calculated, account must be taken of the quantities of cereals required for their manufacture; whereas

these quantities were fixed in Regulation No 162/67/EEC⁽⁴⁾, as amended by Regulation (EEC) No 1607/71⁽⁵⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying the rules outlined above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the refunds should be fixed as shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

COMMISSION REGULATION (EEC) No 1478/78

of 29 June 1978

fixing the corrective amount applicable to the refund on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular the third sentence of the second subparagraph of Article 16 (4) thereof,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, the corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by Regulation (EEC) No 2560/77⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (c) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75⁽⁶⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Commu-

nity market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 2727/75 account should be taken of the specific criteria laid down in Article 2 (2) of Regulation (EEC) No 1281/75;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure;

Whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the preceding subparagraph;

Whereas it follows from applying the provisions referred to above that the corrective amount must be fixed as shown in the table annexed to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

(1) OJ No L 281, 1. 11. 1975, p. 1.

(2) OJ No L 156, 14. 6. 1978, p. 1.

(6) OJ No L 131, 22. 5. 1975, p. 15.

HAS ADOPTED THIS REGULATION :

Article 1

The corrective amount referred to in Article 16 (4) of Regulation (EEC) No 2727/75 which is applicable to

export refunds fixed in advance in respect of cereals is hereby fixed as shown in the table annexed to this Regulation.

Article 2

This Regulation shall enter into force on 1 July 1978.

COMMISSION REGULATION (EEC) No 1479/78

of 29 June 1978

fixing the export refunds on malt

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organiza-
tion of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1254/78⁽²⁾, and in particular the
fourth subparagraph of Article 16 (2) thereof;

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of those Regulations and prices for those
products within the Community may be covered by
an export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975 laying down general
rules for granting export refunds on cereals and
criteria for fixing the amount of such refunds⁽³⁾,
provides that when refunds are being fixed account
must be taken of the existing situation and the future
trend with regard to prices and availabilities of cereals
on the Community market on the one hand and
prices for cereals on the world market on the other;
whereas the same Article provides that it is also impor-
tant to ensure equilibrium and the natural develop-
ment of prices and trade on the markets in cereals
and, furthermore, to take into account the economic
aspect of the proposed exports, and the need to avoid
disturbances on the Community market;

Whereas Council Regulation (EEC) No 2744/75 of 29
October 1975 on the import and export system for
products processed from cereals and from rice⁽⁴⁾, as
last amended by Regulation (EEC) No 2560/77⁽⁵⁾,
defines the specific criteria to be taken into account
when the refund on these products is being calcu-
lated;

Whereas it follows from applying these rules and
criteria to the present situation on the market in
products processed from cereals and rice that the
export refund should be fixed at an amount which
will cover the difference between Community prices
and world market prices;

Whereas the world market situation or the specific
requirements of certain markets may make it neces-
sary to vary the refund for certain products according
to destination;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous subparagraph;

Whereas the refund must be fixed once a month;
whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on malt listed in Article 1 (d) of
Regulation (EEC) No 2727/75 subject to Regulation
(EEC) No 2744/75 are hereby fixed as shown in the
Annex to this Regulation.

The Commission of the European Communities published in *Official Journals of the European Communities* No L 114 of 5 May 1977, No C 174 of 22 July 1977, No L 352 of 31 December 1977 and No L 87 of 1 April 1978, guidance prices for certain steel products, intended to alleviate the inadequacy of undertakings' receipts. These guidance prices correspond to basis prices, ex basing point to which extras for size, quality, etc. have to be added. It follows that the current published rebates (including any temporary rebates) cannot be increased and that extras can be neither reduced nor cancelled. The terms, including time allowed, of payment, would have to stay the same.

Some price lists publish several effective basis prices for different specifications within a product group. In such areas, and for these purposes, the differentials between the lowest effective basis price and the basis prices for other sizes and qualities in this product group should be regarded as extras.

The Commission is asking steel undertakings, where appropriate, to raise their list prices accordingly, and to respect, without prejudice to the Article 60 price rules, these guidance prices when aligning on the delivered prices of other Community undertakings. The Commission is also asking them to respect the level of guidance prices when aligning on offers from third countries.

The Commission regards these guidance prices as being in line with the present situation. The Commission will be publishing revised guidance prices if its continuous market study leads it to draw fresh conclusions.
