COMMISSION REGULATION (EEC) No 1585/78**of 7 July 1978****altering the components used to calculate the differential amounts for colza and rape seed**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 1511/78 is hereby replaced by the Annex to this Regulation.

Having regard to the opinion of the Monetary Committee,

Whereas, pursuant to Article 9 (4) of Regulation (EEC) No 2300/73, the Commission must determine the world market price for colza and rape seed ;

COMMISSION REGULATION (EEC) No 1587/78

of 7 July 1978

fixing the export refunds on fishery products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 100/76 of 19 January 1976 on the common organization of the market in fishery products⁽¹⁾, as last amended by Regulation (EEC) No 2560/77⁽²⁾, and in particular the fourth indent of Article 23 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 23 of Regulation (EEC) No 100/76 provides that, to the extent necessary to enable economically important exports of the products listed in Article 1 (2) of that Regulation to be effected on the basis of prices for these products on the world market, the difference between these prices and prices within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 110/76 of 19 January 1976 laying down general rules for granting export refunds on fishery products and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken on the one hand of the existing situation and the future trend with regard to prices and availabilities of fishery products on the Community market and prices for fishery products on the world market on the other; whereas account must also be taken of the costs referred to in (c) of that Article of the economic significance of the proposed exports and of the aims of the common organization of the market in fishery products;

Whereas Article 3 of Regulation (EEC) No 110/76 provides that, when prices on the Community market are being determined, account must be taken of the ruling prices which are most favourable from the exportation point of view; whereas, when prices on the world market are being determined, account must be taken of the prices indicated in paragraph 2 of that Article;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund according to the destination of the products in question;

Whereas products of Community origin which are landed, direct from the fishing grounds, in ports situ-

ated outside the customs territory of the Community do not qualify for refunds;

Whereas economically important quantities of frozen whole mackerel, frozen fillets of mackerel, dried and salted coalfish and mackerel, dried, salted or in brine can be exported at the present time;

Whereas pursuant to Commission Regulation (EEC) No 686/78 of 6 April 1978 laying down additional provisions as regards the granting of export refunds on fishery products⁽⁴⁾, for the purposes of the export refund system, fishery products of Community origin frozen and/or processed on board a vessel registered or recorded in a third country and flying the flag of a third country shall be considered to be products which are not of Community origin;

Whereas it follows from applying the abovementioned rules and criteria to the present situation on the market and in particular to prices for fishery products in the Community and on the world market that the refund should be fixed as shown in the Annex;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;

COMMISSION REGULATION (EEC) No 1588/78
of 7 July 1978
fixing the export refunds on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as last amended by Regulation (EEC) No 1126/78 ⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 17 of Regulation (EEC) No 1418/76 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds ⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbance of the Community market;

Whereas Regulation (EEC) No 1361/76 ⁽⁴⁾ lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation (EEC) No 1431/76 defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market, that the refund should be fixed as shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products listed in Article 1 of Regulation (EEC) No 1418/76 with the exception of those listed in paragraph 1 (c) of that Article, exported in the natural state, are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 8 July 1978.

COMMISSION REGULATION (EEC) No 1589/78

of 7 July 1978

fixing the corrective amount applicable to the refund on rice and broken rice

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organiza-
tion of the market in rice ⁽¹⁾, as last amended by Regu-
lation (EEC) No 1126/78 ⁽²⁾, and in particular the
second subparagraph of Article 17 (4) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the first subparagraph of Article 17 (4) of
Regulation (EEC) No 1418/76 provides that the
export refund applicable to rice and broken rice on
the day on which application for an export licence is
made, adjusted for the threshold price which will be
in force during the month of exportation, must be
applied on request to exports to be effected during the
period of validity of the licence ;

Whereas Regulation No 474/67/EEC ⁽³⁾, as amended
by Regulation (EEC) No 1397/68 ⁽⁴⁾, lays down
detailed rules for the advance fixing of the export
refund on rice and broken rice ;

Whereas that Regulation provides that the refund
applicable on the day on which application for an
export licence is made must, when it is fixed in
advance, be reduced by an amount no greater than the
difference between the cif forward delivery price and
the cif price, where the former exceeds the latter by
more than 0.25 unit of account per tonne ; whereas,
on the other hand, the refund must be increased by
an amount no greater than the difference between the
cif price and the cif forward delivery price, where the
former exceeds the latter by more than 0.25 unit of
account per tonne ;

Whereas the cif price is that determined in accor-
dance with Article 16 of Regulation (EEC) No

1418/76 ; whereas the cif forward delivery price is that
determined in accordance with Article 3 (2) of Regula-
tion (EEC) No 1428/76 ⁽⁵⁾, based, in respect of each
month for which the export licence is valid, on the cif
price calculated on the basis of offers for shipment
during the month of exportation ;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis :

- in the case of currencies which are maintained in
relation to each other, at any given moment,
within a band of 2.25 %, a rate of exchange based
on their effective parity ;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period, in
relation to the Community currencies referred to
in the previous subparagraph ;

Whereas it follows from applying all these provisions
that the corrective amount applicable on 8 July 1978
must be fixed as shown in the table annexed to this
Regulation ;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The corrective amount referred to in Article 17 (4) of
Regulation (EEC) No 1418/76 which is applicable to
the export refunds fixed in advance in respect of rice
and broken rice is hereby fixed as shown in the table
annexed to this Regulation.

Whereas the contract should be awarded to the tenderer offering the best terms;

Whereas in case it should be impossible for reasons of *force majeure* to complete the operation in question within the set time limits, it must be made clear who is to bear any costs resulting therefrom;

Whereas the French intervention agency should be made responsible for the tendering procedure in question;

Whereas the Commission must be informed quickly of the tenders submitted in response to the invitation and of those accepted by the intervention agency;

Whereas the Monetary Committee will be consulted; whereas, in view of the urgency, the measures envisaged should be adopted in accordance with the conditions laid down in Article 3 (2) of Council Regulation No 129 on the value of the unit of account and the exchange rates to be applied for the purposes of the common agricultural policy⁽⁴⁾, as last amended by Regulation (EEC) No 2543/73⁽⁵⁾, and in particular Article 3 thereof;

2. Tenders must in particular mention the Member State in which the tenderer, in the event of his being declared successful, expects to complete the customs export formalities for the products concerned.
3. For the purpose of rendering the tenders comparable, the prices shall be corrected by the monetary compensatory amount applicable on the closing date for submission of tenders to exports from the Member State mentioned in the tender pursuant to paragraph 2.

Such correction shall be made by :

- increasing prices which mention a Member State whose currency has depreciated or a new Member State,
- reducing prices which mention a Member State whose currency has been revalued.

The monetary compensatory amount shall, where appropriate, be converted into the currency of the Member State in which the invitation to tender is issued using :

Article 6

1. The tenderer shall give security of a value of five units of account per tonne of goods.

It shall be released :

- in the case of all tenderers whose tenders are unsuccessful or are not accepted,

- in the case of the successful tenderer for quantities not supplied by reason of *force majeure*.

2. The security required under paragraph 1 may be provided in the form of a cash deposit or of a guarantee issued by a credit institution conforming to criteria laid down by each Member State.

Article 7

The common wheat referred to in Article 1 to be supplied to the Arab Republic of Egypt must be of fair and sound merchantable quality and correspond at least to the standard quality for which the intervention price is fixed, except that the humidity shall not exceed 15.5 % and that a maximum tolerance of 3 % of sprouted grains and 1.5 % of miscellaneous impurities shall be allowed.

Article 8

1. The French intervention agency shall be responsible for organizing the invitation to tender provided for by this Regulation.

2. It shall forthwith communicate to the Commission the list of firms which have responded to the invitation to tender, specifying the terms of each tender, together with the name and business name of the successful tenderer.

3. Where the customs export formalities for the mobilized product are completed in a Member State other than that in which the invitation to tender is issued, the intervention agency of the latter Member State shall be responsible for the operations following tendering including payment to the successful tenderer.

In this case, the intervention agency choosing the successful tenderer shall immediately inform the intervention agency of the Member State concerned and shall supply it with all the information which it may require.

Furthermore, the amount of the successful tender shall be paid after it has been converted using the average of the spot rates referred to in the second subparagraph of Article 3 (3) to the tenderer in the currency of the Member State in which the operations relating to the tendering are completed.

4. The intervention agency shall request the successful tenderer to supply the following information :

- (a) after each shipment, a certificate showing the quantities dispatched and the quality of the products ;
- (b) the date of departure of the vessels.

The information indicated above shall be forwarded by the intervention agency to the Commission immediately upon receipt.

5. When the intervention agency responsible for the operations relating to tendering is not the intervention agency which appoints the successful tenderer, it shall send as soon as possible to the latter the information necessary for releasing the security.

Article 9

On delivery of the goods at the port of shipment a handing-over certificate shall be supplied to the successful tenderer, acting as agent for the Community, by the agent of the recipient country, or, in the absence of the latter, by the intervention agency of the Member State in whose territory the port of shipment is situated.

COMMISSION REGULATION (EEC) No 1600/78

of 7 July 1978

amending Regulations (EEC) No 1569/77 and (EEC) No 1570/77 on intervention in cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular Article 7 (5) thereof,

Whereas Article 2 (4) of Commission Regulation (EEC) No 1569/77 of 11 July 1977 fixing the procedure and conditions for the taking over of cereals by intervention agencies⁽³⁾ provides that in the event of particularly unfavourable climatic conditions derogations from paragraph 2 of the said Article may be made for the marketing year in question; whereas this provision may not be applied to cereals harvested before 1 August of the following marketing year in different climatic conditions;

Whereas Article 3 (3) of Regulation (EEC) No 1569/77 provides that the price to be paid by the intervention agency to the seller is that valid for the month of delivery; whereas, in the case of offers made during May, the intervention agency may specify that delivery of the cereal shall take place during June, for which month the price valid is that for August of the current marketing year; whereas provision should therefore be made for sellers who have to deliver in June to receive for their goods the price valid for May;

Whereas in the Annex to Regulation (EEC) No 1569/77 the minimum specific weight of barley is fixed at 63 kilograms per hectolitre; whereas the intervention agencies of the Member States are however permitted by the Annex to fix the minimum specific weight for winter barley at 59 kilograms per hectolitre; whereas, in view of the technical and economic requirements of the Community market, reductions

should be fixed that more accurately reflect the price differences between winter barley of low specific weight and standard quality barley; whereas the reductions for barley fixed in Table II of the Annex to Commission Regulation (EEC) No 1570/77 of 11 July 1977 on price increases and reductions applicable to intervention in cereals⁽⁴⁾ should therefore be adjusted appropriately;

Whereas, following the fixing of prices by the Council for the 1978/79 marketing year, the increase that may be applied for rye sold for bread-making under Article 6 (1) of Regulation (EEC) No 1570/77 should be adjusted;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

1. The following subparagraph is added to Article 2 (4) of Regulation (EEC) No 1569/77:

'These derogations may be made only for cereals offered for intervention before 1 June of the marketing year in question.'

2. The following sentence is added to the first subparagraph of Article 3 (3):

'However, when the delivery is made during a month for which the intervention price is lower than that for the month in which the offer was made, the latter price shall be paid.'

Article 2
