Having regard to Council Regulation No 162/66/EEC of 27 October 1966 on trade in oils and fats between the Community and Greece⁽³⁾,

Having regard to Council Regulation (EEC) No 2843/76 of 23 November 1976 laying down special measures in particular for the determination of the offers of olive oil on the world market⁽⁴⁾, as amended by Regulation (EEC) No 2361/77⁽⁵⁾, and in particular Article 2 (3) thereof,

Having regard to Council Regulation (EEC) No 2844/76 of 23 November 1976 laying down special measures in particular for the determination of the offers of olive oil on the Greek market⁽⁶⁾, as amended by Regulation (EEC) No 2361/77, and in particular Article 2 (3) thereof,

Whereas that rate must be fixed for each of the products concerned on the basis of an examination of the world or Greek markets and of the Community market, and also of the levy rates indicated by the tenderers;

Whereas account should be taken of the oil content of products other than olive oil; whereas, however, no levies are applied to imports of oil-cake and other residues falling within subheading 23.04 A of the Common Customs Tariff and having an oil content of not more than 3 %;

COMMISSION REGULATION (EEC) No 2886/78
of 7 December 1978
fixing the export refunds on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof;

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by Regulation (EEC) No 2245/78⁽⁵⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas it follows from applying these rules and criteria to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous subparagraph;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on malt listed in Article 1 (d) of Regulation (EEC) No 2727/75 subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 2887/78

of 30 November 1978

fixing the free-at-frontier reference prices applicable to wine imports from
16 December 1978

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2506/75 of 29 September 1975 laying down special
rules for the importation of products in the wine-
growing sector originating in certain third coun-
tries⁽¹⁾, as amended by Regulation (EEC) No
1166/76⁽²⁾, and in particular Article 5 (2) thereof,

Whereas Regulation (EEC) No 2506/75 lays down
special rules relating to the importation of certain
products in the wine-growing sector; whereas
Commission Regulation (EEC) No 1393/76 of 17
June 1976⁽³⁾, as last amended by Regulation (EEC)
No 2819/78⁽⁴⁾, lays down detailed rules to this end;
whereas, in accordance with Article 5 (2) of Regulation
(EEC) No 2506/75, the Commission fixes the free-at-
frontier reference prices;

Whereas the list of free-at-frontier reference prices
should be established taking particular account of

trade requirements and with a view to administrative
simplicity;

Whereas Article 1 of Regulation (EEC) No 2506/75
provides that the free-at-frontier reference prices are
to be equal to the reference price less customs duties
actually levied; whereas it is necessary to specify that
the amounts or coefficients under the system of mone-
tary compensatory amounts must not be taken into
account in assessing the customs duty to be deducted
from the reference price,

HAS ADOPTED THIS REGULATION:

Article 1

The free-at-frontier prices referred to in Article 5 (2)
of Regulation (EEC) No 2506/75 shall be as indicated
in Annexes I and II.

Article 2

This Regulation shall enter into force on 16
December 1978.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

Done at Brussels, 30 November 1978.

Article 27 (7) thereof,

Whereas Article 7 (1) of Commission Regulation
(EEC) No 700/73 of 12 March 1973 laying down
certain detailed rules for the application of the quota
system for sugar⁽³⁾, as amended by Regulation (EEC)
No 1573/76⁽⁴⁾, provides that the amount of the
production levy must be fixed for each sugar
marketing year; whereas the criteria for fixing the said
amount are laid down in Article 27 (2) of Regulation
(EEC) No 3330/74 and in Article 7 (2) of Regulation
(EEC) No 700/73;

Whereas the total Community sugar production for
the 1977/78 sugar marketing year, including quanti-
ties carried forward pursuant to Article 31 of Regula-
tion (EEC) No 3330/74, is 11 566 334.8 tonnes;
whereas the quantities carried forward to the 1978/79
sugar marketing year amounted to 23 256.7 tonnes
and the quantities produced during the sugar year in
question but not carried forward exceeded the
maximum quotas by 793 424.9 tonnes;

Whereas pursuant to Article 27 (2) of Regulation
(EEC) No 3330/74, the guaranteed quantity is to be
equal to human consumption in the Community less
the quantity imported on preferential terms during
the same period; whereas the guaranteed quantity
may not be less than the sum of the basic quotas;

Whereas the quantity disposed of for human consump-
tion in the Community during the period 1 October
1977 to 30 September 1978 may be estimated at

9 462 000 tonnes; whereas preferential imports
totalled 1 321 243.3 tonnes, expressed as white sugar;
whereas therefore, the guaranteed quantity is
9 136 000 tonnes;

Whereas Article 7 (2) (b) of Regulation (EEC) No
700/73 provides that a fixed amount shall be calcu-
lated on the basis of the average of losses incurred in
disposing of sugar during the period from 1 October
of the relevant marketing year to 30 September of the
following year;

Whereas 2 930 670.3 tonnes of surplus production
were disposed of between 1 October 1977 and 30
September 1978; whereas the fixed amount calculated
on the above basis is 23.117 units of account per 100
kilograms;

Whereas the total losses incurred in disposing of
production in excess of the guaranteed quantity can
thus be assessed at 367 887 715.24 units of account;

Whereas the total production above basic quotas but
within maximum quotas and not carried forward was
1 886 937.0 tonnes; whereas the amount of the
production levy is calculated by dividing the total
losses by the lastmentioned quantity; whereas the
amount so calculated is 19.50 units of account per
100 kilograms;

Whereas Council Regulation (EEC) No 1113/77 of 17
May 1977 fixing, for the 1977/78 sugar marketing
year, the derived intervention prices, the intervention
price for raw beet sugar, the minimum prices for beet,
the threshold prices, the maximum amount of the
production levy and the amount of the repayment to
offset storage costs⁽⁵⁾, fixed the maximum amount of
the production levy at 9.85 units of account per 100
kilograms of white sugar; whereas the levy should
thus be fixed at 9.85 units of account;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Sugar,

of 23 November 1978

authorizing the United Kingdom not to apply Community treatment to tents, falling within heading No ex 62.04 of the Common Customs Tariff (NIMEXE codes 62.04-23, 73), originating in South Korea and in free circulation in the other Member States

(Only the English text is authentic)

(78/996/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 14 November 1978 by the United Kingdom Government to the Commission of the European Communities, for authorization not to apply Community treatment to tents, falling within heading No ex 62.04 of the Common Customs Tariff (NIMEXE codes 62.04-23, 73), originating in South Korea and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in South Korea is covered by an Agreement negotiated between the Community and that country;

Whereas under that Agreement South Korea has undertaken to take all necessary steps to limit its exports of the products in question to the Community up to the amount of certain ceilings allocated among the Member States;

Whereas it was not possible on that occasion to allocate these ceilings on the basis of the needs of the individual markets; whereas there are therefore disparities existing between the import conditions in the various Member States; whereas uniformity can only be achieved progressively;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties;

Whereas it was not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the

first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 ⁽¹⁾, and in particular Article 1 thereof;

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION:

Article 1

The United Kingdom is authorized not to apply Community treatment to the products indicated below, where they originate in South Korea and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 7 November 1978:

COMMISSION DECISION

of 23 November 1978

fixing the maximum export refund on common wheat in connection with the invitation to tender issued in Regulation (EEC) No 1774/78

(78/997/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, and in particular Article 5 thereof,

Having regard to Commission Regulation (EEC) No 1774/78 of 24 July 1978 on an invitation to tender for the refund for the export of common wheat to Zones I, II, III, IV, V and VI⁽⁴⁾,

Whereas in Regulation (EEC) No 1774/78 an invitation to tender was issued for the export refund on common wheat; whereas, according to the notice of invitation to tender⁽⁵⁾ accompanying that Regulation, the total quantity in respect of which the export refund may be fixed is approximately 1 500 000 tonnes;

Whereas, pursuant to Article 5 of Commission Regulation (EEC) No 279/75 of 4 February 1975 laying down detailed rules for the application of the system of tendering for export refunds on cereals⁽⁶⁾, the Commission, acting under the procedure laid down in Article 26 of Regulation (EEC) No 2727/75, may decide to fix a maximum export refund; whereas in fixing this maximum the criteria provided for in Arti-

cles 2 and 3 of Regulation (EEC) No 2746/75 must be taken into account; whereas a contract is awarded to any tenderer whose tender is equal to or less than the maximum export refund;

Whereas the application of the abovementioned criteria to the current market situation for the cereal in question results in the maximum export refund being fixed at the amount specified in Article 1; whereas the quantities of common wheat in respect of which refunds are fixed amount to 52 500 tonnes;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS DECISION:

fixing the maximum export refund on barley in connection with the invitation
to tender issued in Regulation (EEC) No 1775/78

(78/998/EEC)

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organiza-
tion of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1254/78⁽²⁾,

Having regard to Council Regulation (EEC) No
2746/75 of 29 October 1975 laying down general
rules for granting export refunds on cereals and
criteria for fixing the amount of such refunds⁽³⁾, and
in particular Article 5 thereof,

Having regard to Commission Regulation (EEC) No
1775/78 of 24 July 1978 on an invitation to tender for
the refund for the export of barley to Zones I, II, III,
IV, V and VI⁽⁴⁾,

Whereas in Regulation (EEC) No 1775/78 an invita-
tion to tender was issued for the export refund on
barley; whereas, according to the notice of invitation
to tender⁽⁵⁾ accompanying that Regulation, the total
quantity in respect of which the export refund may be
fixed is approximately 1 200 000 tonnes;

Whereas, pursuant to Article 5 of Commission Regula-
tion (EEC) No 279/75 of 4 February 1975 laying
down detailed rules for the application of the system
of tendering for export refunds on cereals⁽⁶⁾, the
Commission, acting under the procedure laid down in
Article 26 of Regulation (EEC) No 2727/75, may
decide to fix a maximum export refund; whereas in
fixing this maximum the criteria provided for in Arti-

cles 2 and 3 of Regulation (EEC) No 2746/75 must be
taken into account; whereas a contract is awarded to
any tenderer whose tender is equal to or less than the
maximum export refund;

Whereas the application of the abovementioned
criteria to the current market situation for the cereal
in question results in the maximum export refund
being fixed at the amount specified in Article 1;
whereas the quantities of barley in respect of which
refunds are fixed amount to 168 000 tonnes;

Whereas the measures provided for in this Decision
are in accordance with the opinion of the Manage-
ment Committee for Cereals,

HAS ADOPTED THIS DECISION:

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 17 November 1978 by the Governments of the Benelux countries to the Commission of the European Communities, for authorization not to apply Community treatment to knitted or crocheted trousers (except shorts), other than babies', of wool, of cotton or of man-made textile fibres, falling within subheading ex 60.05 A II of the Common Customs Tariff (NIMEXE codes 60.05-61, 62, 64), originating in Taiwan and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in Taiwan is subject to a Community quantitative quota allocated among the Member States by Commission Regulation (EEC) No 3020/77 of 30 December 1977⁽¹⁾, confirmed by Council Regulation (EEC) No 255/78 of 7 February 1978⁽²⁾;

Whereas it was not possible on that occasion to allocate these quotas on the basis of the needs of the individual markets; whereas there are therefore disparities existing between the import conditions in the various Member States; whereas uniformity can only be achieved progressively;

Whereas the disparities which exist in the commercial policy measures applied in connection with these products by the Member States are causing deflection of trade, thereby preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the sector concerned;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment;

Whereas these economic difficulties are caused largely by unequal conditions of competition, which allow exports to be made at prices appreciably lower than those of the Community products in question;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;
