COMMISSION REGULATION (EEC) No 382/79

of 26 February 1979

fixing the import levies on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular Article 14 (4) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as last amended by Regulation (EEC) No 1260/78⁽⁴⁾, and in particular Article 12 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the rules to be applied in calculating the variable component of the import levy on products processed from cereals and rice are laid down in Article 14 (1) (A) of Regulation (EEC) No 2727/75 and Article 12 (1) (a) of Regulation (EEC) No 1418/76; whereas Article 2 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and rice⁽⁵⁾, as last amended by Regulation (EEC) No 2245/78⁽⁶⁾, provides that the incidence on the prime costs of these products of the levies applicable to their basic products should be calculated on the basis of the average of the levies applicable to these basic products for the first 25 days of the month preceding that of importation; whereas this average, adjusted on the basis of the threshold price valid for the basic products in question during the month of importation, is calculated on the basis of the quantities of basic products considered to have been used in the manufacture of the processed product or the competing product which serves as a reference for processed products not containing cereals;

Whereas Commission Regulation (EEC) No 1579/74 of 24 June 1974 on the procedure for calculating the import levy on products processed from cereals and from rice and for the advance fixing of this levy for these products and for compound feedingstuffs manu-

factured from cereals⁽⁷⁾, as last amended by Regulation (EEC) No 1740/78⁽⁸⁾, provides that the levy thus determined, increased by the fixed component, is valid in general for one month but is altered where the levy applicable to the basic product concerned differs by not less than 2.5 units of account per tonne from the average of the levies calculated as described above;

Whereas in accordance with Article 5 of Regulation (EEC) No 2744/75 and Article 2 of Regulation (EEC) No 1579/74, the levy on certain processed products must be reduced by an amount equal to the production refund granted in respect of basic products for processing; whereas Regulation (EEC) No 1921/75⁽⁹⁾, as amended by Regulation (EEC) No 2415/75⁽¹⁰⁾, laid down certain transitional measures in respect of starches;

Whereas the fixed component of the levy is specified in Regulation (EEC) No 2744/75; whereas, in accordance with Regulation (EEC) No 2742/75⁽¹¹⁾, as last amended by Regulation (EEC) No 1127/78⁽¹²⁾, the variable component of the levy on certain processed products must be reduced by the incidence of the production refund granted in respect of basic products intended for processing;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States and of the overseas countries and territories, the levy relating to them in respect of certain products processed from cereals must be reduced by the amount of the fixed component and, in respect of some of these products, by part of the variable component; whereas this reduction must be made in accordance with Article 12 of Council Regulation (EEC) No 706/76 of 30 March 1976 on the arrangements applicable to agricultural products and certain goods resulting from the processing of agricultural products originating in the African, Caribbean and Pacific States or in the overseas countries and territories⁽¹³⁾, as last amended by Regulation (EEC) No 1198/78⁽¹⁴⁾;

Whereas Article 4 (2) of Regulation (EEC) No 2744/75 provides that the levy to be charged on the products listed in the Annex to that Regulation under subheading 07.06 A is limited, with effect from the date of entry into force of the Geneva Protocol (1967)

annexed to the General Agreement on tariffs and trade, to the amount resulting from application of the rate of duty bound within GATT;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas, in accordance with Article 18 (1) of Regulation (EEC) No 2727/75, the nomenclature provided

for in this Regulation is incorporated in the Common Customs Tariff,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies to be charged on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation (EEC) No 1418/76 and subject to Regulation (EEC) No 2744/75 shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 383/79
of 26 February 1979
fixing the import levies on compound feedingstuffs

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organi-
zation of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1254/78⁽²⁾, and in particular
Article 14 (4) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the rules to be applied in calculating the vari-
able component of the import levy on compound
feedingstuffs are laid down in Article 14 (1) (A) of
Regulation (EEC) No 2727/75; whereas Article 4 of
Council Regulation (EEC) No 2743/75 of 29 October
1975 on the system to be applied to cereal-based
compound feedingstuffs⁽³⁾, as amended by Regulation
(EEC) No 2560/77⁽⁴⁾, provides that the incidence on
the prime costs of these feedingstuffs of the levies
applicable to their basic products should be calculated
on the basis of the average of the levies applicable
during the first 25 days of the month preceding that
month of importation to the quantities of basic
products considered to have been used in the manufac-
ture of such compound feedingstuffs, this average
being adjusted on the basis of the threshold price for
the basic products in question ruling during the
month of importation;

Whereas the levy thus determined, increased by the
fixed component, is valid for one month; whereas the
amount of the fixed component of the levy is laid
down in Article 6 of Regulation (EEC) No 2743/75;

Whereas, in order that account may be taken of the
interests of the African, Caribbean and Pacific States
and of the overseas countries and territories, the levy
relating to them in respect of certain products
processed from cereals must be reduced by the

amount of the fixed component and, in respect of
some of these products, by part of the variable compo-
nent; whereas this reduction must be made in accor-
dance with Article 12 of Council Regulation (EEC)
No 706/76 of 30 March 1976 on the arrangements
applicable to agricultural products and certain goods
resulting from the processing of agricultural products
originating in the African, Caribbean and Pacific
States or in the 'overseas countries and territories'⁽⁵⁾;
as last amended by Regulation (EEC) No 1198/78⁽⁶⁾;

Whereas, if the levy system is to operate normally,
levies should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas, in accordance with Article 18 (1) of Regula-
tion (EEC) No 2727/75, the nomenclature provided
for in this Regulation is incorporated in the Common
Customs Tariff,

HAS ADOPTED THIS REGULATION:

Article 1

COMMISSION REGULATION (EEC) No 386/79
of 26 February 1979
amending Regulation (EEC) No 68/79 fixing countervailing charges on seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2358/71 of 26 October 1971 on the common organization of the market in seeds⁽¹⁾, as last amended by Regulation (EEC) No 234/79⁽²⁾, and in particular Article 6 (5) thereof,

Whereas Commission Regulation (EEC) No 68/79⁽³⁾ fixed countervailing charges on seeds in respect of a certain type of hybrid maize for sowing;

Whereas, since that time, a significant variation has been recorded in the free-at-frontier offer prices which, under the terms of Article 4 (2) of Commission Regulation (EEC) No 1665/72⁽⁴⁾, requires, on the one hand, that these charges be amended and, on the

other hand, that they be fixed in respect of the other types of hybrid maize according to their various origins;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Seeds,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 68/79 is replaced by the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

COMMISSION REGULATION (EEC) No 387/79

of 26 February 1979

re-establishing the levying of customs duties on nets and netting made of twine, cordage or rope, etc., falling within heading No 59.05 and originating in South Korea, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3157/78 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3157/78 of 29 December 1978 opening, allocating and providing for the administration of Community tariff preferences for textile products originating in developing countries and territories⁽¹⁾, and in particular Article 4 thereof,

Whereas Article 2 (1) and (3) of that Regulation provides that customs duties may, for each category of products listed in Annex C thereto, be suspended up to a Community ceiling equal to 91.5 % of the sum arrived at by adding together the value of the products in question, in tonnes, imported into the Community in 1968 and coming from countries listed in Annex D, but not including products coming from countries already covered by various preferential tariff arrangements established by the Community, and 5 % of the 1970 tonnage of such imports coming from other countries and from countries already covered by such arrangements; whereas, having regard to that ceiling, the amounts for products originating in any one of the countries listed in Annex D should be within a maximum Community amount representing 50 % of that ceiling, with the exception of certain products for which the maximum amount is to be reduced to the percentage indicated in Annex C to the abovementioned Regulation;

Whereas Article 3 (2) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries and territories, with the exception of countries listed in Annex E, once the relevant Community maximum amount has been reached;

Whereas, in respect of nets and netting made of twine, cordage or rope, etc., falling within heading No 59.05, the ceiling, calculated as indicated above, should be 26 tonnes, and therefore the maximum amount is 13 tonnes; whereas on 16 February 1979 the amounts of imports into the Community of nets and netting made of twine, cordage or rope, etc., falling within heading No 59.05 and originating in South Korea, a country covered by preferential tariff arrangements, reached that maximum amount; whereas, bearing in mind the objectives of Regulation (EEC) No 3157/78 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to South Korea,

HAS ADOPTED THIS REGULATION:

Article 1

As from 2 March 1979, the levying of customs duties, suspended in pursuance of Council Regulation (EEC) No 3157/78, shall be re-established in respect of the following products, imported into the Community and originating in South Korea:

CCT heading No	Description
59.05	Nets and netting made of twine, cordage or rope, and made up fishing nets of yarn, twine, cordage or rope

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
