COUNCIL REGULATION (EEC) No 460/79**of 5 March 1979****on direct cooperation between the competent bodies in the Member States
regarding the downgrading of quality wines produced in specified regions**

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
337/79 of 5 February 1979 on the common organiza-
tion of the market in wine ⁽¹⁾, and in particular Article
64 (2) thereof,

Having regard to the proposal from the Commission,

Whereas pursuant to Article 64 (2) of Regulation
(EEC) No 337/79 the necessary measures should be
adopted to ensure uniform application of the Commu-
nity provisions in the wine sector, particularly as
regards wines covered by Council Regulation (EEC)
No 338/79 of 5 February 1979 laying down special
provisions relating to quality wines produced in speci-
fied regions ⁽²⁾; whereas Article 16 (6) of Regulation
(EEC) No 338/79 lays down that a quality wine
produced in a specified region may be downgraded at
the marketing stage only where the properties of the
quality wine psr in question have deteriorated or
altered as a result of a change noted during ageing,
storage or transport;

Whereas it is therefore appropriate that the down-
grading of a quality wine psr on the territory of a
Member State other than that in which it originated
should be carried out by a competent body of the
Member State of origin; whereas, to that end, direct
cooperation should be ensured between the bodies
responsible in the Member States for the supervision
of the production and marketing of quality wines psr;
whereas it is necessary to lay down the rules for such
cooperation; whereas, however, in order to simplify
the administrative task of the Member States, it should
be possible for the competent body of the Member
State on whose territory a small quantity of the quality
wine psr in question is located to downgrade this
quantity itself;

Whereas, to facilitate the task of the Member States,
cooperation between the bodies responsible for the
supervision of the production and marketing of
quality wines psr should be coordinated in accordance
with the rules laid down by Council Regulation (EEC)
No 359/79 of 5 February 1979 on direct cooperation
between the bodies designated by Member States to
verify compliance with Community and national pro-
visions in the wine sector ⁽³⁾;

Whereas certain administrative and technical ques-
tions relating to direct cooperation between the
competent bodies of different Member States must be
settled in accordance with Community rules; whereas
detailed rules of application must therefore be
adopted;

Whereas the possibility should be provided for of
amending the arrangements for downgrading, taking
account of a report to be drawn up by the Commis-
sion on the basis of the experience acquired in the
implementation of this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

This Regulation lays down measures regarding the
relations which exist between the bodies assigned by
the Member States to supervise the production and
marketing of quality wines psr and the Commission
with a view towards governing the downgrading of
quality wines psr provided for in Article 16 (6) of
Regulation (EEC) No 338/79.

Member State on whose geographical territory such quality wine psr is located shall inform the competent body in the Member State of origin, which shall have the exclusive right of downgrading the quality wine psr in question.

In addition to the exchange of information :

- samples may be sent to an official laboratory in the Member State of origin,
- a qualified expert from the Member State of origin may assist with the checks,
- various Member States may participate in concerted examinations,
- checks may be made on the keeping of the documents and on the references in the registers required under Article 53 of Regulation (EEC) No 337/79.

However, where the quality wine psr in question has undergone a compulsory official analytical and organoleptic examination in the Member State of origin, this exchange of information shall be supplemented by the sending of a sample of the quality wine psr in question ; where the quality wine psr is in a container of 60 litres or less, the sample shall bear the label under which the wine was marketed.

2. The competent body in receipt of a request shall inform the competent body making the request of its decision on the downgrading of the wine as soon as possible.

3. Where the total quantity of the wine in question does not exceed two hectolitres the competent authority of the Member State on whose geographical territory is located a quality wine psr, the properties of which have altered in such a way that it is liable to be downgraded, may itself decide to downgrade the wine in question.

4. Any natural or legal person or group of persons affected by a decision within the meaning of paragraph 2 or 3 may request the competent body of the Member State on whose geographical territory the quality wine psr is located that the decision be reviewed. Provided that it considers that the request for review is warranted, this body shall request the competent body of the Member State in which the quality wine psr originated to review its decision or shall itself review the decision, in the case specified in paragraph 3.

5. Cooperation between the competent bodies referred to in this Article shall take place in accor-

dance with the rules laid down in Regulation (EEC) No 359/79.

Article 3

1. Detailed rules for implementing this Regulation shall be adopted as regards :

- exchange of information, bearing in mind the need to proceed rapidly,
- sampling and dispatch of samples by the competent body making the request and also acceptance of responsibility for their costs of analysis by that body,
- acceptance of responsibility by the competent body making the request for the expenses incurred by a qualified expert in a Member State other than that in whose service he is employed.

2. Each Member State shall notify the Commission by 30 April 1979 at the latest which bodies are authorized to downgrade a quality wine psr.

The Commission shall publish the names and addresses of the competent bodies in conjunction with the detailed rules of application.

3. Member States which have downgraded quality wines psr in any one year shall, by 31 March of the following year at the latest, forward to the Commission and the Member States in which such quality wines psr originated a communication setting out the quantities of each of the downgraded quality wines psr.

Article 4

The Council, acting by a qualified majority on a proposal from the Commission, shall decide, before 30 April 1981 and taking account of a report to be drawn up by the Commission on the basis of the experience acquired in the implementation of this Regulation, on any amendments to be made to this Regulation.

Article 5

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

It shall apply as from 1 May 1979, except for Article 3 (2) thereof which shall apply as from its entry into force.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 463/79**of 8 March 1979****fixing minimum levies on the importation of olive oil and levies on the importation of other olive oil sector products**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1562/78⁽²⁾, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 2749/78 of 23 November 1978 on trade in oils and fats between the Community and Greece⁽³⁾, and in particular Article 5 (2) thereof,

Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria⁽⁴⁾, as amended by Regulation (EEC) No 2761/78⁽⁵⁾, and in particular Article 5 thereof,

Whereas by Regulation (EEC) No 3131/78 of 28 December 1978⁽¹¹⁾ the Commission decided to use the tendering procedure to fix levies on olive oil ;

Whereas Article 3 of Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender⁽¹²⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world or Greek markets and the Community market and of the levy rates indicated by tenderers ;

Whereas in the collection of the levy account should be taken of the provisions in the Agreements between the Community and certain third countries ; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries ;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 5 and 6 March 1979 leads to the minimum levies being fixed as indicated in Annex I to this Regulation ;

COMMISSION REGULATION (EEC) No 464/79

of 8 March 1979

fixing the export refunds on malt

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organiza-
tion of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1254/78⁽²⁾, and in particular the
fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of those Regulations and prices for those
products within the Community may be covered by
an export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975 laying down general
rules for granting export refunds on cereals and
criteria for fixing the amount of such refunds⁽³⁾,
provides that when refunds are being fixed account
must be taken of the existing situation and the future
trend with regard to prices and availabilities of cereals
on the Community market on the one hand and
prices for cereals and cereal products on the world
market on the other; whereas the same Article
provides that it is also important to ensure equi-
librium and the natural development of prices and
trade on cereal markets and, furthermore, to take into
account the economic aspect of the proposed exports,
and the need to avoid disturbances on the Commu-
nity market;

Whereas Council Regulation (EEC) No 2744/75 of 29
October 1975 on the import and export system for
products processed from cereals and from rice⁽⁴⁾, as
last amended by Regulation (EEC) No 2245/78⁽⁵⁾,
defines the specific criteria to be taken into account
when the refund on these products is being calcu-
lated;

Whereas it follows from applying these detailed rules
to the present situation on the market in products
processed from cereals and rice that the export refund
should be fixed at an amount which will cover the
difference between Community prices and world
market prices;

Whereas the world market situation or the specific
requirements of certain markets may make it neces-
sary to vary the refund for certain products according
to destination;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas the refund must be fixed once a month;
whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on malt listed in Article 1 (d) of
Regulation (EEC) No 2727/75 subject to Regulation
(EEC) No 2744/75 shall be as set out in the Annex
hereto.

Article 2

This Regulation shall enter into force on 9 March

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3156/78 of 29 December 1978 establishing preferential tariffs in respect of certain products originating in developing countries⁽¹⁾, and in particular Article 4 (2) thereof,

Whereas Article 1 (3) and (4) of that Regulation provides that the customs duties may, for each category of products, be suspended up to a Community ceiling, expressed in European units of account, which will be equal, with the exception of certain products the value of the ceilings for which is given in Annex A thereto, to the sum arrived at by adding together the value of the products in question imported cif into the Community in 1974 and coming from countries and territories covered by those arrangements, but not including products coming from countries and territories already covered by various preferential tariff arrangements established by the Community, and 5 % of the value of 1976 cif imports coming from other countries and from countries and territories already covered by such arrangements; whereas, however, the ceiling resulting from the sum of this addition may in no case exceed 150 % of the preferential ceiling opened for 1978;

Whereas, having regard to that ceiling, the amounts for products originating in any one of the countries or territories listed in Annex B thereto should be within a maximum Community amount representing 50 % of that ceiling, with the exception of certain products for which the maximum amount is to be reduced to the percentage indicated in Annex A; whereas, for these products, this reduced percentage will be 20 %;

Whereas Article 2 (2) and (3) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries or territories, with the exception of those listed in Annex C thereto, once the relevant Community amount has been reached;

Whereas, in respect of inner tubes and tyre cases (new or used) of the kind used on bicycles, etc., falling within heading No ex 40.11, the ceiling, calculated as indicated above, should be 4 579 000 European units of account, and therefore the maximum amount is 915 800 European units of account; whereas, on 28 February 1979, the amounts of imports into the Community of inner tubes and tyre cases (new or used) of the kind used on bicycles, etc., falling within heading No ex 40.11 and originating in South Korea, a country covered by preferential tariff arrangements, reached that maximum amount; whereas, bearing in mind the objectives of Regulation (EEC) No 3156/78 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to South Korea,

HAS ADOPTED THIS REGULATION:

Article 1

As from 12 March 1979, the levying of customs duties, suspended in pursuance of Council Regulation (EEC) No 3156/78, shall be re-established in respect of the following products, imported into the Community and originating in South Korea:

CCT heading No	Description

COMMISSION REGULATION (EEC) No 466/79

of 8 March 1979

fixing the export refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organ-
ization of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1254/78⁽²⁾, and in particular the
first sentence of the fourth subparagraph of Article 16
(2) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of that Regulation and prices for those
products in the Community may be covered by an
export refund;

Whereas Article 2 of Council Regulation No (EEC)
No 2746/75 of 29 October 1975 laying down general
rules for granting export refunds on cereals and
criteria for fixing the amount of such refunds⁽³⁾,
provides that when refunds are being fixed account
must be taken of the existing situation and the future
trend with regard to prices and availabilities of cereals
on the Community market on the one hand and
prices for cereals and cereal products on the world
market on the other; whereas the same article
provides that it is also important to ensure equi-
librium and the natural development of prices and
trade on cereal markets and, furthermore, to take into
account the economic aspect of the proposed exports
and the need to avoid disturbances on the Commu-
nity market;

Whereas Article 3 of Regulation (EEC) No 2746/75
defines the specific criteria to be taken into account
when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as
wheat and rye flour, groats and meal are concerned, in
Article 4 of Regulation (EEC) No 2746/75; whereas,
furthermore, when the refund on these products is
being calculated, account must be taken of the quanti-
ties of cereals required for their manufacture; whereas

these quantities were fixed in Regulation No 162/
67/EEC⁽⁴⁾, as amended by Regulation (EEC) No
1607/71⁽⁵⁾;

Whereas the world market situation or the specific
requirements of certain markets may make it neces-
sary to vary the refund for certain products according
to destination;

Whereas the refund must be fixed once a month;
whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas it follows from applying the detailed rules
set out above to the present situation on the market in
cereals, and in particular to quotations or prices for
these products within the Community and on the
world market, that the refunds should be as set out in
the Annex hereto;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1
(a), (b) and (c) of Regulation (EEC) No 2727/75,
exported in the natural state, shall be as set out in the
Annex hereto.

Article 2

This Regulation shall enter into force on 9 March
1979.

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 2727/75 account should be taken of the specific criteria laid down in Article 2 (2) of Regulation (EEC) No 1281/75;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure; whereas it may be altered in the period between fixings;

Whereas it may be altered in the period between fixings;

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the preceding indent;
