COUNCIL REGULATION (EEC) No 1162/79**of 12 June 1979****temporarily suspending the autonomous Common Customs Tariff duties on certain industrial products**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Whereas production of the products referred to in this Regulation is at present inadequate or non-existent within the Community and producers are thus unable to meet the needs of user industries of the Community;

Whereas it is in the Community's interest to suspend the autonomous Common Customs Tariff duties only partially in certain cases, due particularly to the existence of Community production, and to suspend them totally in other cases;

Whereas, taking account of the difficulties involved in accurately assessing the development of the economic situation in the sectors concerned in the near future, these suspension measures should be taken only

temporarily, with their term of validity fixed to coincide with the interests of Community production,

HAS ADOPTED THIS REGULATION:

Article 1

The autonomous Common Customs Tariff duties for the products listed in the tables annexed to this Regulation shall be suspended at the level indicated against each of them.

These suspensions shall be valid:

- from 1 July to 31 December 1979 for the products listed in Table I,
- from 1 July 1979 to 30 June 1980 for the products listed in Table II.

Article 2

This Regulation shall enter into force on 1 July 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 12 June 1979.

For the Council

The President

COUNCIL REGULATION (EEC) No 1163/79**of 12 June 1979****temporarily suspending the autonomous Common Customs Tariff duties on certain agricultural products**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Having regard to the draft Regulation submitted by the Commission,

Whereas production in the Community of the products specified in this Regulation is currently inadequate or non-existent; whereas producers thus cannot meet the needs of user industries of the Community;

Whereas in certain cases it is in the interest of the Community to suspend the autonomous Common Customs Tariff duties only partially particularly since the goods in question are produced in the Community and in the other cases to suspend them totally;

Whereas, in view of the difficulty of assessing accurately short-term trends in the economic situation in the relevant sectors, suspension measures should be taken only for temporary periods by fixing their

period of validity by reference to the interests of Community production,

HAS ADOPTED THIS REGULATION:

Article 1

The autonomous Common Customs Tariff duties for the products listed in the tables annexed to this Regulation shall be suspended at the level indicated against each of them.

These suspensions shall be applicable:

- from 1 July to 31 December 1979 for the products listed in Table I,
- from 1 July 1979 to 30 June 1980 for the products listed in Table II,
- from 1 September 1979 to 31 March 1980 for the product given in Table III.

Article 2

This Regulation shall enter into force on 1 July 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 590/79⁽²⁾, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 2749/78 of 23 November 1978 on trade in oils and fats between the Community and Greece⁽³⁾, and in particular Article 5 (2) thereof,

Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria⁽⁴⁾, as amended by Regulation (EEC) No 2761/78⁽⁵⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco⁽⁶⁾, as last amended by Regulation (EEC) No 2761/78, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil originating in Tunisia⁽⁷⁾, as amended by Regulation (EEC) No 2761/78, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1180/77 of 17 May 1977 on imports into the Community of certain agricultural products originating in Turkey⁽⁸⁾, as amended by Regulation (EEC) No 2766/78⁽⁹⁾, and in particular Article 10 (2) thereof,

Having regard to Council Regulation (EEC) No 1620/77 of 18 July 1977 laying down detailed rules for the importation of olive oil from Lebanon⁽¹⁰⁾,

Whereas by Regulation (EEC) No 3131/78 of 28 December 1978⁽¹¹⁾ the Commission decided to use the tendering procedure to fix levies on olive oil ;

Whereas Article 3 of Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender⁽¹²⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world or Greek markets and the Community market and of the levy rates indicated by tenderers ;

Whereas in the collection of the levy account should be taken of the provisions in the Agreements between the Community and certain third countries ; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries ;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 11 and 12 June 1979 leads to the minimum levies being fixed as indicated in Annex I to this Regulation ;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979⁽¹³⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU ;

Whereas the import levy on olives falling within subheadings 07.01 N II and 07.03 A II of the Common Customs Tariff and on products falling within subheadings 15.17 B I and 23.04 A II of the Common Customs Tariff must be calculated from the minimum levy applicable on the olive oil contained in these products ; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate ; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

COMMISSION REGULATION (EEC) No 1167/79
of 14 June 1979
fixing the export refunds on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by Regulation (EEC) No 2245/78⁽⁵⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas it follows from applying these detailed rules to the present situation on the market in products

processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979⁽⁶⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on malt listed in Article 1 (d) of Regulation (EEC) No 2727/75 subject to Regulation (EEC) No 2744/75 shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 15 June 1979.

COMMISSION REGULATION (EEC) No 1170/79

of 14 June 1979

laying down conditions for invitations to tender for colza and rape seed held by the Belgian intervention agency

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 590/79⁽²⁾, and in particular Article 26 (3) thereof,

Whereas during the 1978/79 marketing year the Belgian intervention agency bought in certain quantities of colza and rape seed pursuant to Article 26 of Regulation No 136/66/EEC;

Whereas Commission Regulation (EEC) No 189/68⁽³⁾, as last amended by Regulation (EEC) No 1687/76⁽⁴⁾, laid down the conditions for sale by tender on the Community market of oil seeds held by intervention agencies; whereas, in view of the present situation on the Community oil seeds market, it is unlikely that the quantities held by the Belgian intervention agency can be sold in accordance with the price conditions laid down in Article 5 of Regulation (EEC) No 189/68; whereas, therefore, special measures must be taken to dispose of these oil seeds;

Whereas colza and rape seed can at present be marketed in the Community at a price which accords more closely with the actual market situation than that fixed in accordance with the said Article 5;

Whereas a security should be required in order to ensure compliance with the obligations involved in the submission of a tender; whereas, moreover, that security should be such as to prevent the seeds sold by tender from being offered for intervention a second time; whereas the security should therefore be forfeited unless the successful tenderer provides proof that the seeds have been placed under control at an oil mill pursuant to Article 2 of Council Regulation (EEC) No 2114/71⁽⁵⁾, as last amended by Regulation (EEC) No 851/78⁽⁶⁾, or have been exported;

Whereas the minimum selling price that most closely corresponds to the actual market situation may be determined on the basis of the tenders received;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

1. There shall be put up for sale by tender one lot of a total quantity of approximately 60 tonnes of colza and rape seed held by the Belgian intervention agency and bought in during the 1978/79 marketing year.
2. The provisions of Regulation (EEC) No 189/68 shall apply, subject to those of this Regulation.

Article 2

The notice of invitation to tender shall be published in the *Official Journal of the European Communities* not less than 10 days before the final date for the submission of tenders. This date shall be 25 June 1979, at 2 p.m. (local time).

Article 3

1. No tender shall be accepted unless it states a price per lot, delivery ex storage depot.

The costs of weighing, sampling and analysis shall be borne by the intervention agency. Any other exit costs arising shall be borne by the purchaser.

2. Tenders shall be valid only if accompanied by a security of 5 ECU per 100 kilograms.

The security may be provided in cash or in the form of a guarantee satisfying the criteria laid down in the Kingdom of Belgium.

Article 5

In the light of the tenders submitted, a minimum price for the seeds shall be fixed in accordance with the procedure laid down in Article 38 of Regulation No 136/66/EEC.

The price shall be fixed, ex storage depot, for oil seeds of the standard quality for which intervention prices are fixed. Where the oil seeds offered for sale are not of the said standard quality, their weight shall be determined by the method described in the Annex to

Commission Regulation (EEC) No 1204/72 ⁽¹⁾, as last amended by Regulation (EEC) No 2980/78 ⁽²⁾, and the selling price shall be increased or reduced as specified in the Annex to Commission Regulation No 282/67/EEC ⁽³⁾, as last amended by Regulation (EEC) No 1512/78 ⁽⁴⁾.

Article 6

If no sale takes place a new notice of invitation to tender shall be published in the *Official Journal of the European Communities* not less than 10 days before the second expiry date for the submission of tenders. The latter shall be 16 July 1979, at 2 p.m. (local time).

Article 7

Subject to the minimum price referred to in Article 5, the contract shall be awarded to the highest bidder.

Whereas, when this step was taken, a journey time was fixed to allow goods at sea to reach the Community;

Whereas the present situation in shipping, and in particular the effect of the fuel situation on the speed of ships, means at present that certain ships that have left Taiwan are unable to complete the journey between Taiwan and the Community within the time limit laid down; whereas, in these exceptional circumstances, the time limit should be extended for those goods which were being transported towards the Community at the time when Regulation (EEC) No 876/79 was published,

COMMISSION REGULATION (EEC) No 1173/79

of 14 June 1979

fixing the export refunds on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as last amended by Regulation (EEC) No 1260/78 ⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 17 of Regulation (EEC) No 1418/76 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds ⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances of the Community market;

Whereas Regulation (EEC) No 1361/76 ⁽⁴⁾ lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation (EEC) No 1431/76 defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated;

Whereas the world market situation or the specific requirements of certain markets may make it neces-

sary to vary the refund for certain products according to destination;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979 ⁽⁵⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market, that the refund should be fixed as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 of Regulation (EEC) No 1418/76 with the exception of those listed in paragraph 1 (c) of that Article, exported in the natural state, shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 1174/79

of 14 June 1979

fixing the corrective amount applicable to the refund on rice and broken rice

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organiza-
tion of the market in rice ⁽¹⁾, as last amended by Regu-
lation (EEC) No 1260/78 ⁽²⁾, and in particular the
second subparagraph of Article 17 (4) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the first subparagraph of Article 17 (4) of
Regulation (EEC) No 1418/76 provides that the
export refund applicable to rice and broken rice on
the day on which application for an export licence is
made, adjusted for the threshold price which will be
in force during the month of exportation, must be
applied on request to exports to be effected during the
period of validity of the licence;

Whereas Regulation No 474/67/EEC ⁽³⁾, as amended
by Regulation (EEC) No 1397/68 ⁽⁴⁾, lays down
detailed rules for the advance fixing of the export
refund on rice and broken rice;

Whereas that Regulation provides that the refund
applicable on the day on which application for an
export licence is made must, when it is fixed in
advance, be reduced by an amount no greater than the
difference between the cif forward delivery price and
the cif price, where the former exceeds the latter by
more than 0.25 unit of account per tonne; whereas,
on the other hand, the refund must be increased by
an amount no greater than the difference between the
cif price and the cif forward delivery price, where the
former exceeds the latter by more than 0.25 unit of
account per tonne;

Whereas the cif price is that determined in accor-
dance with Article 16 of Regulation (EEC) No
1418/76; whereas the cif forward delivery price is that
determined in accordance with Article 3 (2) of Regula-

tion (EEC) No 1428/76 ⁽⁵⁾, based, in respect of each
month for which the export licence is valid, on the cif
price calculated on the basis of offers for shipment
during the month of exportation;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their effective parity;
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each
of these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas it follows from applying the provisions set
out above that the corrective amount applicable on 15
June 1979 must be as set out in the Annex hereto;

Whereas Council Regulation (EEC) No 652/79 of 29
March 1979 ⁽⁶⁾ laid down the coefficient for
expressing amounts, fixed in units of account, in
ECU;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 17 (4) of
Regulation (EEC) No 1418/76 which is applicable to
the export refunds fixed in advance in respect of rice
and broken rice shall be as set out in the Annex
hereto.
