COMMISSION REGULATION (EEC) No 1243/79

of 25 June 1979

amending for the fifth time Regulation (EEC) No 1393/76 laying down detailed rules for the importation of products in the wine-growing sector originating in certain third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 129 on the value of the unit of account and the exchange rates to be applied for the purposes of the common agricultural policy⁽¹⁾, as last amended by Regulation (EEC) No 2543/73⁽²⁾, and in particular Article 3 thereof,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine⁽³⁾, and in particular Article 18 (7) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 1a of Commission Regulation (EEC) No 1393/76⁽⁴⁾, as last amended by Regulation (EEC) No 2819/78⁽⁵⁾, fixed special rates applicable to liqueur wines with the exception of liqueur wines originating in Cyprus and called 'Cyprus sherry' in the producer country;

Whereas the said Article 1a provides, in paragraph 3, that the special rate for the floating currencies shall be equal to the conversion rate for the currency concerned against the European monetary unit of account; whereas, following the entry into force of the European monetary system, the European monetary unit of account no longer exists; whereas it was made up of the totality of the Member States' currencies kept at any given moment within a maximum spread of 2.25 %; whereas this group of currencies, increased to include the French franc and the Irish pound, still exists; whereas the mechanism hitherto applied can accordingly still be maintained; whereas, however, it is necessary to alter the wording of the said provision;

Whereas the said Article 1a requires the special rates given in Annex III to Regulation (EEC) No 1393/76 to be adapted with effect from 1 July 1979;

Whereas the special rates are henceforth to be fixed in ECU; whereas, accordingly, and in accordance with Article 1 of Council Regulation (EEC) No 652/79⁽⁶⁾, the free-at-frontier reference prices which are still

fixed in units of account should, before application of the new special rates, be converted into ECU by applying a coefficient of 1.208953;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 1393/76 is hereby amended as follows:

1. In paragraph 3 (b) and (c) of Article 1a, the expression 'the European monetary unit of account' shall be replaced by the expression 'the totality of the currencies referred to in paragraph 2'.
2. Annex III shall be replaced by the following Annex:

'ANNEX III

The special rate specified in Article 1a of Regulation (EEC) No 1393/76 is:

- (a) For the Belgian franc and the Luxembourg franc:
Bfr/Lfr 1 = 0.0253433 ECU;
- (b) For the Danish krone:
Dkr 1 = 0.141125 ECU;
- (c) For the German mark:
DM 1 = 0.398305 ECU;
- (d) For the French franc:
FF 1 = 0.172464 ECU;
- (e) For the pound sterling:
£ 1 = 1.56859 ECU;
- (f) For the Irish pound:
£ (Irl) 1 = 1.50912 ECU;
- (g) For the Italian lira:
Lit 100 = 0.0894287 ECU;
- (h) For the Dutch guilder:
Fl 1 = 0.367543 ECU.'

conditions laid down in the Community Directives ;

Whereas for certain species this declaration of equival-
ence relates also to Israel ;

Whereas an examination of the rules of the abovementioned
country and of the manner in which they are
applied has shown that the prescribed field inspec-
tions with regard to cereals, except rye, canary seed
and rice, satisfy the conditions laid down in Annex I

COUNCIL DIRECTIVE

of 19 June 1979

prolonging, in respect of swine fever, tuberculosis and brucellosis, certain derogations granted to Denmark, Ireland and the United Kingdom

(79/580/EEC)

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Articles 43 and 100 thereof,

Having regard to the proposal from the Commission ⁽¹⁾,

Having regard to the opinion of the European Parliament ⁽²⁾,

Having regard to the opinion of the Economic and Social Committee ⁽³⁾,

Whereas, under points 1 and 3 of Article 104 of the Act of Accession, Denmark, Ireland and the United Kingdom were authorized to retain until 31 December 1977 their national provisions for ensuring protection against swine fever and the methods applied for declaring a herd of cattle officially free of tuberculosis or free of brucellosis; whereas these authorizations were extended until 30 June 1979 by Council Directive 79/111/EEC ⁽⁴⁾;

Whereas, as regards swine fever, Community rules offer the only final solution to the problems caused by this disease; whereas, however, the work in connection with such rules has not yet been completed; whereas, as regards tuberculosis and brucellosis, the Commission has not yet completed its studies into a solution to the basic technical problems involved;

Whereas, therefore, the derogations granted to Denmark, Ireland and the United Kingdom in respect of swine fever should be extended, so as to enable the Council to adopt common rules in this area; whereas the derogations granted to these countries in respect of tuberculosis and those granted to Ireland and the United Kingdom in respect of brucellosis should also be extended for the same period; whereas, in order not to interrupt the traditional trade in live animals between Ireland and the United Kingdom, it is likewise necessary to extend certain special derogations granted in respect of such trade,

⁽³⁾ Opinion delivered on 22 and 23 May 1979 (not yet published in the Official Journal).

⁽⁴⁾ OJ No L 29, 3. 2. 1979, p. 26.

HAS ADOPTED THIS DIRECTIVE :

Article 1

By way of derogation from Directive 64/432/EEC ⁽⁵⁾, as last amended by Directive 79/111/EEC, and from Directive 72/461/EEC ⁽⁶⁾, as last amended by Directive 78/54/EEC ⁽⁷⁾, Denmark, Ireland and the United Kingdom are authorized to retain their national rules relating to protection against swine fever upon introduction into their territory of swine for breeding, store and slaughter and to imports of fresh meat, subject to compliance with the general provisions of the Treaty.

Article 2

By way of derogation from Directive 64/432/EEC, Denmark, Ireland and the United Kingdom are hereby authorized to retain the methods applied in their territory whereby a herd of cattle becomes considered to be officially tuberculosis-free within the meaning of Article 2 of that Directive.

The provisions relating to the tests laid down for animals traded within the Community shall continue to apply, subject to Article 4 (b) of this Directive.

Article 3

By way of derogation from Directive 64/432/EEC, Ireland and the United Kingdom are hereby authorized to retain the methods applied in their territory whereby a herd of cattle becomes considered to be brucellosis-free within the meaning of Article 2 of the aforesaid Directive, subject to the application of the provisions of that Directive relating to the presence of animals vaccinated against brucellosis.

The provisions relating to the tests laid down for animals traded within the Community shall continue to apply, subject to Article 4 (a) of this Directive.

⁽⁷⁾ OJ No L 16, 20. 1. 1978, p. 22.

Article 4

Cattle may be traded from Ireland to the United Kingdom by way of derogation from the provisions of Directive 64/432/EEC relating to:

- (a) the brucellosis test laid down for animals traded within the Community, which shall not apply to trade in castrated cattle;
- (b) the intradermal tuberculin test laid down for animals traded within the Community, which shall be replaced by a test in accordance with the national rules of the abovementioned receiving Member State.

Article 5

This Directive shall apply until 31 December 1979.

Article 6

Member States shall bring into force the laws, regulations and administrative provisions necessary to comply with this Directive by 30 June 1979 at the latest. They shall forthwith inform the Commission thereof.

COUNCIL DIRECTIVE

of 19 June 1979

on consumer protection in the indication of the prices of foodstuffs

(79/581/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 235 thereof,

Having regard to the proposal from the Commission ⁽¹⁾,

Having regard to the opinion of the European Parliament ⁽²⁾,

Having regard to the opinion of the Economic and Social Committee ⁽³⁾,

Whereas the preliminary programme of the European Economic Community for a consumer protection and information policy ⁽⁴⁾ provides for the establishment of common principles for indicating prices ;

Whereas the indication of the selling price and the unit of foodstuffs will make it easier for consumers to compare prices at the place of sale ; whereas this would thereby increase market transparency and ensure greater protection for consumers ;

Whereas the obligation to indicate these prices must apply in principle to all foodstuffs offered to the final consumer, irrespective of whether they are marketed in bulk or in pre-packaged form ; whereas this obligation must also apply to written or printed advertising and to catalogues wherever these mention the selling price of foodstuffs ;

Whereas the selling price and the unit price must be indicated in accordance with the specific procedures for each category of foodstuffs, so as not to place an undue burden on the retailer as regards labelling ;

Whereas the obligation to indicate the unit price should be waived for foodstuffs sold in bulk or pre-packaged for which such indication would be meaningless ;

Whereas the obligation to indicate the unit price should, wherever possible, be replaced by standardiza-

tion of quantities of pre-packaged foodstuffs ; whereas, in order to enable standardization to progress at national and Community level, provision should be made for a delay in the application of this obligation to pre-packaged foodstuffs in pre-established quantities ;

Whereas the rules laid down in this Directive are needed for the purposes of consumer information and protection and further the attainment of one of the objectives of the Community by contributing to the improvement of living conditions and the harmonious development of economic activities throughout the Community ; whereas the Treaty has not provided the necessary powers,

HAS ADOPTED THIS DIRECTIVE :

Article 1

1. This Directive relates to the indication of the selling price and the price per unit of measurement of foodstuffs which are to be supplied to the final consumer, or which are advertised with their prices stated, whether they are sold in bulk or pre-packaged in pre-established or variable quantities.

2. This Directive does not apply to foodstuffs sold in hotels, restaurants, cafés, public houses, hospitals, canteens and similar establishments and consumed on the premises, nor to foodstuffs which the consumer purchases for professional or commercial reasons.

3. Member States may provide that this Directive shall not apply to foodstuffs sold on the farm. Foodstuffs sold by certain shops and handed directly by the seller to the purchaser may also be exempted from the scope of this Directive where the indication of prices :

- is likely to constitute an excessive burden on such shops, or
- appears to be most impracticable owing to the number of foodstuffs offered for sale, the sales

area, its layout or the conditions peculiar to certain forms of trade, such as certain cases of itinerant dealers.

The exemptions referred to in the first paragraph shall be without prejudice to more stringent obligations to indicate prices existing under national or Community provisions at the time of entry into force of this Directive.

Article 2

For the purposes of this Directive :

- (a) 'foodstuffs sold in bulk (or not packaged)' means foodstuffs which are not pre-packaged and/or are not measured or weighed for sale except in the presence of the final consumer ;
- (b) 'pre-packaged foodstuffs' means foodstuffs in packaging whether such packaging encloses the foodstuff completely or only partially ;
- (c) 'foodstuffs pre-packaged in pre-established quantities' means foodstuffs pre-packaged in such a way that the quantity in the package corresponds to a previously selected value ;
- (d) 'foodstuffs pre-packaged in variable quantities' means foodstuffs pre-packaged in such a way that the quantity contained in the package does not correspond to a previously selected value ;
- (e) 'selling price' means the price for a given quantity of the foodstuff ;
- (f) 'unit price' means the price for a quantity of one kilogram or one litre of the foodstuff, subject to Articles 6 (2) and 9.

Article 3

- 1. The selling price and the unit price of the foodstuffs referred to in Article 1 must be indicated in accordance with the following provisions.
- 2. The unit price of foodstuffs marketed in bulk must be indicated. However the Member States may specify the conditions under which the selling price per piece may be indicated for certain categories of these foodstuffs.
- 3. The selling price and the unit price shall relate to the final price of the foodstuff under the conditions laid down by the Member States.

Article 4

The selling price and the unit price indicated at the place of sale must be unambiguous, easily identifiable and clearly legible. Each competent national authority may lay down the specific rules for such indication of prices.

Article 5

Any written or printed advertisement or catalogue which mentions the selling price of foodstuffs referred to in Article 1 shall indicate the unit price, subject to Articles 7 and 8.

Article 6

- 1. The unit price shall be expressed as a price per litre for foodstuffs sold by volume and as a price per kilogram for foodstuffs sold by weight.
- 2. Member States may, however, authorize that, for foodstuffs marketed by volume, the unit price shall refer to a quantity of 100 millilitres, 10 centilitres, one decilitre or 0.1 litre and, for those marketed by weight, to a quantity of 100 grams.
- 3. The unit price of pre-packaged foodstuffs shall refer to the quantity declared, in accordance with national and Community provisions. Where two or more quantities are declared on the packaging, the Member States may determine which one is to be used to calculate the unit price.

Article 7

- 1. Member States may waive the obligation to indicate the unit price of foodstuffs marketed in bulk or pre-packaged for which such indication would be meaningless.
- 2. The foodstuffs referred to in paragraph 1 include in particular :
 - (a) foodstuffs for which indication of weight or volume is not required (in particular foodstuffs sold by the piece) ;
 - (b) foodstuffs sold from automatic vending machines ;
 - (c) prepared dishes or dishes for preparation contained in a single package ;
 - (d) fancy products.
- 3. Highly perishable foodstuffs may, if sold at reduced prices on account of the danger of their deteriorating, be exempted by the Member States from the requirement to indicate the new unit price.
- 4. Member States may exempt from the requirement to indicate the unit price foodstuffs of less than five grams or five millilitres and those exceeding 10 kilograms or 10 litres.

Article 8

- 1. By 31 December 1983 at the latest the Council, acting on a proposal from the Commission, shall take a decision on conditions for applying the obligation to indicate the unit price of foodstuffs pre-packaged

in pre-established quantities. At the same time it shall lay down the categories of foodstuffs which may be exempted from the requirement to indicate the unit price.

2. Pending the Council decision referred to in paragraph 1, the unit price of foodstuffs pre-packaged in pre-established quantities shall be indicated in accordance with national provisions.

Article 9

Until the expiry of the transitional period during which use of the imperial system of units of measurement is authorized by Community provisions relating to units of measurement, the competent national authorities in Ireland and the United Kingdom shall determine, for each foodstuff or each category of foodstuffs, the units of mass or volume of the international system or the imperial system in which indication of the unit price is compulsory.

Article 10

1. Member States shall bring into force the laws, regulations and administrative provisions necessary to comply with this Directive within 24 months of the date of its notification. They shall forthwith inform the Commission thereof.

2. Member States shall communicate to the Commission the texts of the provisions of national law which they adopt in the field covered by this Directive.

3. The Commission shall submit to the Council by 1 July 1983 a report on the exemptions granted by the Member States pursuant to Articles 1 (3) and 7 (1) and (2), accompanied by a proposal for revision in the light of experience. On the basis of this report and the proposal for revision the Council shall decide to maintain to amend or to delete all or part of the provisions relating to the aforesaid exemptions.

This Directive is addressed to the Member States.
