## COMMISSION REGULATION (EEC) No 1817/79

of 16 August 1979

fixing minimum levies on the importation of olive oil and levies on the importation of other olive oil sector products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats<sup>(1)</sup>, as last amended by Regulation (EEC) No 590/79<sup>(2)</sup>, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 2749/78 of 23 November 1978 on trade in oils and fats between the Community and Greece<sup>(3)</sup>, and in particular Article 5 (2) thereof,

Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria<sup>(4)</sup>, as amended by Regulation (EEC) No 2761/78<sup>(5)</sup>, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco<sup>(6)</sup>, as last amended by Regulation (EEC) No 2761/78, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil originating in Tunisia<sup>(7)</sup>, as amended by Regulation (EEC) No 2761/78, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1180/77 of 17 May 1977 on imports into the Community of certain agricultural products originating in Turkey<sup>(8)</sup>, as amended by Regulation (EEC) No 2766/78<sup>(9)</sup>, and in particular Article 10 (2) thereof,

Having regard to Council Regulation (EEC) No 1620/77 of 18 July 1977 laying down detailed rules for the importation of olive oil from Lebanon<sup>(10)</sup>,

Whereas by Regulation (EEC) No 3131/78 of 28 December 1978<sup>(11)</sup> the Commission decided to use the tendering procedure to fix levies on olive oil;

Whereas Article 3 of Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender<sup>(12)</sup> specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world or Greek markets and the Community market and of the levy rates indicated by tenderers;

Whereas in the collection of the levy account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 13 and 14 August 1979 leads to the minimum levies being fixed as indicated in Annex I to this Regulation;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979<sup>(13)</sup> laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas the import levy on olives falling within subheadings 07.01 N II and 07.03 A II of the Common Customs Tariff and on products falling within subheadings 15.17 B I and 23.04 A II of the Common Customs Tariff must be calculated from the minimum levy applicable on the olive oil contained in these products; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

## COMMISSION REGULATION (EEC) No 1818/79

of 16 August 1979

re-establishing the levying of customs duties on nails, tacks, staples, hook-nails, corrugated nails, spiked cramps, studs, spikes and drawing pins of iron or steel, etc., falling within heading No 73.31 and originating in Romania, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3156/78 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3156/78 of 29 December 1978 opening preferential tariffs for certain products originating in developing countries<sup>(1)</sup>, and in particular Article 4 (2) thereof,

Whereas Article 1 (3) and (4) of that Regulation provides that the customs duties may, for each category of products, be suspended up to a Community ceiling, expressed in European units of account, which will be equal — with the exception of certain products the value of the ceilings for which is given in Annex A thereto — to the sum arrived at by adding together the value of the products in question imported cif into the Community in 1974 and coming from countries and territories covered by those arrangements, but not including products coming from countries and territories already covered by various preferential tariff arrangements established by the Community, and 5 % of the value of 1976 cif imports coming from other countries and from countries and territories already covered by such arrangements; however, the ceiling resulting from the sum of this addition may in no case exceed 150 % of that open for 1978;

Whereas, having regard to that ceiling, the amounts for products originating in any one of the countries or territories listed in Annex B to that Regulation should be within a maximum Community amount representing 50 % of that ceiling, with the exception of certain products for which the maximum amount is to be reduced to the percentage indicated in Annex A thereto;

Whereas Article 2 (2) and (3) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries or territories, with the exception of those listed in Annex C thereto, once the relevant Community amount has been reached;

Whereas, in respect of nails, tacks, staples, hook-nails, corrugated nails, spiked cramps, studs, spikes and drawing pins, of iron or steel, etc., falling within heading No 73.31, the ceiling, calculated as indicated above, should be 2 757 000 European units of account, and therefore the maximum amount is 1 378 500 European units of account; whereas on 8 August 1979 the amounts of imports into the Community of nails, tacks, staples, hook-nails, corrugated nails, spiked cramps, studs, spikes and drawing pins, of iron or steel, etc., falling within heading No 73.31, originating in Romania, a country covered by preferential tariff arrangements, reached that maximum amount; whereas, bearing in mind the objectives of Regulation (EEC) No 3156/78 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to Romania,

HAS ADOPTED THIS REGULATION:

*Article 1*

As from 20 August 1979, the levying of customs duties, suspended in pursuance of Council Regulation (EEC) No 3156/78, shall be re-established in respect of the following products, imported into the Community and originating in Romania:

of 16 August 1979

altering the components used to calculate the differential amounts for colza and rape seed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats<sup>(1)</sup>, as last amended by Regulation (EEC) No 590/79<sup>(2)</sup>,

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza and rape seed<sup>(3)</sup>, as last amended by Regulation (EEC) No 852/78<sup>(4)</sup>, and in particular Article 3 thereof,

Whereas Commission Regulation (EEC) No 2300/73 of 23 August 1973<sup>(5)</sup>, as last amended by Regulation (EEC) No 1234/77<sup>(6)</sup>, laid down detailed rules of application for Regulation (EEC) No 1569/72; whereas the components used to calculate the differential amounts were fixed by Regulation (EEC) No 1324/79<sup>(7)</sup>, as last amended by Regulation (EEC) No

1788/79<sup>(8)</sup>; whereas, in the case of the pound sterling the difference referred to in Article 2 (1) of Regulation (EEC) No 1569/72 for the period 8 to 14 August 1979 has changed, by reference to the representative rate valid on 20 August 1979, by at least one point from the percentage used for the previous fixing; whereas this fact should be taken into account when fixing the components used to calculate the differential amounts for colza and rape seed where those components are already applied in respect of the Member States concerned,

HAS ADOPTED THIS REGULATION:

*Article 1*

The Annex to Regulation (EEC) No 1324/79 as amended is hereby replaced by the Annex hereto.

*Article 2*

This Regulation shall enter into force on 20 August 1979.

**COMMISSION REGULATION (EEC) No 1820/79****of 14 August 1979****amending, in connection with application of Article 2a of Regulation (EEC) No 974/71 by the United Kingdom to trade with Italy, Regulation (EEC) No 1367/79**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 974/71 of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States<sup>(1)</sup>, as last amended by Regulation (EEC) No 987/79<sup>(2)</sup>, and in particular Article 6 thereof,

Whereas the monetary compensatory amounts introduced by Regulation (EEC) No 974/71 were fixed by Commission Regulation (EEC) No 1367/79 of 29 June 1979<sup>(3)</sup>, as last amended by Regulation (EEC) No 1767/79<sup>(4)</sup>;

Whereas Article 2a of Regulation (EEC) No 974/71 provides that, in cases where a product exported from one Member State is imported into a Member State which has to grant a compensatory amount on importation, the exporting Member State may by agreement with the importing Member State pay the compensatory amount which should be granted by the importing Member State;

Whereas the United Kingdom stated in letters of 7 August 1979 addressed to the Commission that it wished to make use of the abovementioned facility in

respect of exports to Italy and the latter Member State is in agreement; whereas, therefore, the exchange rate for conversion of lire into pounds sterling should be fixed;

Whereas Commission Regulation (EEC) No 1380/75 of 29 May 1975<sup>(5)</sup>, as last amended by Regulation (EEC) No 1150/79<sup>(6)</sup>, laid down detailed rules for the application of monetary compensatory amounts, and in particular in Articles 11 and 12 those applicable where a Member State exercises the option provided for in Article 2a of Regulation (EEC) No 974/71;

Whereas the measures provided for in this Regulation are in accordance with the opinions of the management committees concerned,

HAS ADOPTED THIS REGULATION:

*Article 1*

Subject to any alteration in the amounts concerned as a result of alterations in exchange rates, Annex III of Regulation (EEC) No 1367/79 is replaced by the Annex to this Regulation.

*Article 2*

This Regulation shall enter into force on 3 September 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

## COMMISSION REGULATION (EEC) No 1821/79

of 16 August 1979

re-establishing the levying of customs duties on plaiting materials bound together in parallel strands, etc., falling within heading No ex 46.02 and originating in South Korea, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3156/78 apply

THE COMMISSION OF THE EUROPEAN  
COMMUNITIES,

Having regard to the Treaty establishing the European  
Economic Community,

Having regard to Council Regulation (EEC) No  
3156/78 of 29 December 1978 opening preferential  
tariffs for certain products originating in developing  
countries<sup>(1)</sup>, and in particular Article 4 (2) thereof,

Whereas Article 1 (3) and (4) of that Regulation  
provides that the customs duties may, for each cate-  
gory of products, be suspended up to a Community  
ceiling, expressed in European units of account, which  
will be equal — with the exception of certain  
products the value of the ceilings for which is given in  
Annex A thereto — to the sum arrived at by adding  
together the value of the products in question  
imported cif into the Community in 1974 and  
coming from countries and territories covered by  
those arrangements, but not including products  
coming from countries and territories already covered  
by various preferential tariff arrangements established  
by the Community, and 5 % of the value of 1976 cif  
imports coming from other countries and from coun-  
tries and territories already covered by such arrange-  
ments; however, the ceiling resulting from the sum of  
this addition may in no case exceed 150 % of the  
preferential ceiling open for 1978;

Whereas, having regard to that ceiling, the amounts  
for products originating in any one of the countries or  
territories listed in Annex B to that Regulation should  
be within a maximum Community amount repre-  
senting 50 % of that ceiling, with the exception of  
certain products for which the maximum amount is to  
be reduced to the percentage indicated in Annex A  
thereto; whereas, for these products, this reduced  
percentage will be 30 %;

Whereas Article 2 (2) and (3) of that Regulation  
provides that the levying of customs duties may be  
re-established at any time in respect of imports of the  
products in question originating in any of the said

countries or territories, with the exception of those  
listed in Annex C thereto, once the relevant Commu-  
nity amount has been reached;

Whereas, in respect of plaiting materials bound  
together in parallel strands, etc., falling within heading  
No ex 46.02, the ceiling, calculated as indicated above,  
should be 6 511 000 European units of account, and  
therefore the maximum amount is 1 953 300 Euro-  
pean units of account; whereas on 7 August 1979 the  
amounts of imports into the Community of plaiting  
materials bound together in parallel strands, etc.,  
falling within heading No ex 46.02, originating in  
South Korea, a country covered by preferential tariff  
arrangements, reached that maximum amount;  
whereas, bearing in mind the objectives of Regulation  
(EEC) No 3156/78 which provides that maximum  
amounts should not be exceeded, customs duties  
should be re-established in respect of the products in  
question in relation to South Korea,

HAS ADOPTED THIS REGULATION:

*Article 1*

As from 20 August 1979, the levying of customs  
duties, suspended in pursuance of Council Regulation  
(EEC) No 3156/78, shall be re-established in respect  
of the following products, imported into the Commu-  
nity and originating in South Korea:

| CCT<br>heading<br>No | Description                                                                                                                                             |

| ex 46.02             | Plaiting materials bound together in<br>parallel strands or woven in sheet form,<br>including matting, mats and screens; straw<br>envelopes for bottles |

*Article 2*

This Regulation shall enter into force on the third day  
following its publication in the *Official Journal of  
the European Communities*.

<sup>(1)</sup> OJ No L 375, 30. 12. 1978, p. 26.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

(79/719/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Decision 76/568/EEC of 29 June 1976 on the association of the overseas countries and territories with the European Economic Community<sup>(1)</sup>, as last amended by Decision 79/310/EEC<sup>(2)</sup>, and in particular the second subparagraph of Article 55 (2) thereof,

Whereas, pursuant to the abovementioned provision of Decision 76/568/EEC the arrangements provided for therein may continue to apply provisionally, under conditions laid down by the Council, to countries and territories which become independent;

Whereas the Gilbert Islands, which appear in Annex I relating to the list of the countries and territories referred to by that Decision, achieved independence on 12 July 1979 as the Republic of Kiribati;

Whereas it should be decided to continue to apply provisionally the arrangements provided for in the abovementioned Decision to that State and to lay down the conditions for such application, without prejudice to subsequent recourse to the first subparagraph of Article 55 (2) and to Article 56 thereof;

Whereas the ACP-EEC Convention of Lomé is open, in accordance with the procedure laid down in Article 89 thereof, to the accession of a country or territory to which Part Four of the Treaty applies and which has become independent; whereas such accession can

take place only following a request by the State concerned and with the approval of the ACP-EEC Council of Ministers;

Whereas the Gilbert Islands have submitted a request for accession to the ACP-EEC Convention of Lomé as the Republic of Kiribati;

Whereas the period of provisional application of Decision 76/568/EEC with regard to that State should be limited;

Whereas, in order to avoid any break in continuity in the financing decisions in favour of the Republic of Kiribati between its accession to the ACP-EEC Convention of Lomé and the entry into force of the Decision adjusting the amounts made available to the European Development Fund which the Council is to take pursuant to Article 1 (4) of the Internal Agreement on the financing and administration of Community aid signed on 11 July 1975, the Republic of Kiribati should be permitted to continue to benefit, until the date of the entry into force of that Decision, from the provisions of Decision 76/568/EEC relating to financial and technical cooperation,

HAS DECIDED AS FOLLOWS:

*Article 1*

The arrangements laid down by Decision 76/568/EEC shall remain provisionally applicable to the Republic of Kiribati until the latter accedes to the ACP-EEC Convention of Lomé, but until 1 March 1980 at the latest.

<sup>(1)</sup> OJ No L 176, 1. 7. 1976, p. 8.

<sup>(2)</sup> OJ No L 72, 23. 3. 1979, p. 33.

However, the Republic of Kiribati shall continue to benefit from the provisions of the said Decision relating to financial and technical cooperation until the date of entry into force of the decision adjusting the amounts made available to the European Development Fund which the Council is to take pursuant to Article 1 (4) of the Internal Agreement on the financing and administration of Community aid signed on 11 July 1975.

*Article 2*

Questions relating to the application of Decision 76/568/EEC to the Republic of Kiribati shall be dealt with as necessary by direct contact between the competent authorities of that State and of the Community.

*Article 3*

This Decision shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply from 12 July 1979.
