COMMISSION REGULATION (EEC) No 1861/79

of 22 August 1979

fixing the export refunds on white sugar and raw sugar, exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular the first sentence of the last subparagraph of Article 19 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1)(a) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that when refunds on white and raw sugar, undenatured and exported in the natural state, are being fixed account must be taken of the situation on the Community and world markets in sugar and in particular of the price and cost factors set out in Article 3 of that Regulation; whereas the same Article provides that the economic aspect of the proposed exports should also be taken into account;

Whereas the refund on raw sugar must be fixed in respect of the standard quality; whereas the latter is defined in Article 1 of Council Regulation (EEC) No 431/68 of 9 April 1968 determining the standard quality for raw sugar and fixing the Community frontier crossing point for calculating cif prices for sugar⁽⁵⁾; whereas, furthermore, this refund should be fixed in accordance with Article 5 (2) of Regulation (EEC) No 766/68; whereas candy sugar is defined in Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁶⁾, as amended by Regulation (EEC) No 1467/77⁽⁷⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for sugar according to destination;

Whereas, in special cases, the amount of the refund may be fixed by other legal instruments;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refund must be fixed every two weeks; whereas it may be altered in the intervening period;

Whereas it follows from applying the rules set out above to the present situation on the market in sugar and in particular to quotations or prices for sugar within the Community and on the world market that the refund should be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (1) (a) of Regulation (EEC) No 3330/74, undenatured and exported in the natural state, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 23 August 1979.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

covered by an Agreement negotiated between the Community and that country ;

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Whereas under that Agreement Thailand has undertaken to take all necessary steps to limit its exports of the products in question to the Community up to the amount of certain ceilings allocated among the Member States ;

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 18 July 1979 by the United Kingdom Government to the Commission of the European Communities, for authorization not to apply Community treatment to woven fabrics of cotton, other than gauze, terry fabrics, narrow woven fabrics, pile fabrics, chenille fabrics, tulle and other net fabrics, falling within heading No 55.09 of the Common Customs Tariff (NIMEXE codes 55.09-01, 02, 03, 04, 05, 11, 12, 13, 14, 15, 16, 17, 19, 21, 29, 31, 33, 35, 37, 38, 39, 41, 49, 51, 52, 53, 54, 55, 56, 57, 59, 61, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 76, 77, 78, 81, 82, 83, 84, 86, 87, 92, 93, 97) (category 2), originating in Thailand and in free circulation in the other Member States,

Whereas it was not possible on that occasion to allocate these ceilings on the basis of the needs of the individual markets ; whereas there are therefore disparities existing between the import conditions in the various Member States ; whereas uniformity can only be achieved progressively ;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned involving a considerable drop in production and employment ;

Whereas the importation into the Community of the products in question originating in Thailand is

Whereas these economic difficulties are caused largely by unequal conditions of competition, which allow exports to be made at prices appreciably lower than those of the Community products in question ;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties ;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States ;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 ⁽¹⁾, and in particular Article 1 thereof ;

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION :

ties, it is appropriate for each of the systems referred

the one hand to satisfy each application up to a
maximum quantity and on the other hand to reduce
proportionally the quantities applied for above this
maximum quantity;

are in accordance with the opinion of the Manage-
ment Committee for Beef and Veal,

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 20 July 1979 by the United Kingdom Government to the Commission of the European Communities, for authorization not to apply Community treatment to women's, girls' and infants' woven overcoats, raincoats and other coats, cloaks and capes, jackets and blazers, other than garments of category 15 A, of wool, of cotton or of man-made textile fibres, falling within subheading ex 61.02 B of the Common Customs Tariff (NIMEXE codes 61.02-31, 32, 33, 35, 36, 37, 39, 40) (category 15 B), originating in Romania and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in Romania is covered by an Agreement negotiated between the Community and that country;

Whereas under that Agreement Romania has undertaken to take all necessary steps to limit its exports of the products in question to the Community up to the amount of certain ceilings allocated among the Member States;

Whereas it was not possible on that occasion to allocate these ceilings on the basis of the needs of the individual markets; whereas there are therefore disparities existing between the import conditions in the various Member States; whereas uniformity can only be achieved progressively;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned involving a considerable drop in production and employment;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 ⁽¹⁾, and in particular Article 1 thereof,

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION:

Article 1

The United Kingdom is authorized not to apply Community treatment to the products indicated below, where they originate in Romania and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 16 July 1979:

CCT heading No	Description
ex 61.02 B (NIMEXE codes 61.02-31, 32, 33, 35, 36, 37, 39, 40) (category 15 B)	Women's girls' and infants' woven overcoats, raincoats and other coats, cloaks and capes, jackets and blazers, other than garments of category 15 A, of wool, of cotton or of man-made textile fibres

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 24 July 1979 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to tableware and other articles of a kind commonly used for domestic or toilet purposes, of porcelain or china, of earthenware, or other kinds of pottery, falling within heading No 69.11 and subheadings 69.12 C and D of the Common Customs Tariff, originating in the People's Republic of China and in free circulation in the other Member States,

Whereas in France the importation of the products in question originating in the People's Republic of China is, in accordance with Council Decision 79/252/EEC of 21 December 1978⁽¹⁾, subject to a quantitative restriction;

Whereas the disparities which exist in the commercial policy measures applied in connection with these products by the Member States are causing deflection of trade, thereby preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the sector concerned;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned involving a considerable drop in production;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties and to jeopardize the efficiency of the commercial measures concerned;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971⁽²⁾, and in particular Article 1 thereof;

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION:

Article 1

The French Republic is authorized not to apply Community treatment to the products indicated below, where they originate in the People's Republic of China and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 20 July 1979:

69.11 and 69.12 C and D	Tableware and other articles of a kind commonly used for domestic or toilet purposes, of porcelain or china, of earthenware, or other kinds of pottery

Article 2

This Decision shall apply until new opportunities arise in France for the importation of these products from the People's Republic of China or until 31 December 1979, whichever is the earlier.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular Article 9 (6) thereof,

Whereas Commission Regulation (EEC) No 452/79 of 7 March 1979 opening a standing invitation to tender for the purpose of determining premiums for white sugar for feeding to bees⁽³⁾, requires partial invitations to tender to be issued for the purpose of determining the said premiums ;

Whereas Article 4 (3) of Council Regulation (EEC) No 2049/69 of 17 October 1969 laying down general rules on the denaturing of sugar for animal feed⁽⁴⁾, as last amended by Regulation (EEC) No 1640/73⁽⁵⁾, provides that where denaturing premiums are fixed following an invitation to tender the criteria set out in Article 3 thereof are to be taken into account in fixing a maximum amount of the premium ; whereas, having regard to the criteria and following examination of the tenders submitted in response to the seventh partial invitation to tender, the maximum amount of the

premium should be fixed at the level specified in Article 1 ;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS DECISION :

Article 1

The maximum amount of the premium for the seventh invitation to tender issued under Regulation (EEC) No 452/79, the time limit for the submission of tenders having expired on 1 August 1979, is hereby fixed at 20.552 ECU per 100 kilograms.
