COMMISSION REGULATION (EEC) No 2275/79

of 17 October 1979

fixing the export refunds on white sugar and raw sugar, exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 1396/78⁽²⁾, and in particular the first sentence of the last subparagraph of Article 19 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 3330/74 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (a) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that when refunds on white and raw sugar, undenatured and exported in the natural state, are being fixed account must be taken of the situation on the Community and world markets in sugar and in particular of the price and cost factors set out in Article 3 of that Regulation; whereas the same Article provides that the economic aspect of the proposed exports should also be taken into account;

Whereas the refund on raw sugar must be fixed in respect of the standard quality; whereas the latter is defined in Article 1 of Council Regulation (EEC) No 431/68 of 9 April 1968 determining the standard quality for raw sugar and fixing the Community frontier crossing point for calculating cif prices for sugar⁽⁵⁾; whereas, furthermore, this refund should be fixed in accordance with Article 5 (2) of Regulation (EEC) No 766/68; whereas candy sugar is defined in Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁶⁾, as amended by Regulation (EEC) No 1467/77⁽⁷⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for sugar according to destination;

Whereas, in special cases, the amount of the refund may be fixed by other legal instruments;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas the refund must be fixed every two weeks; whereas it may be altered in the intervening period;

Whereas it follows from applying the rules set out above to the present situation on the market in sugar and in particular to quotations or prices for sugar within the Community and on the world market that the refund should be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (1) (a) of Regulation (EEC) No 3330/74, undenatured and exported in the natural state, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 18 October 1979.

COMMISSION REGULATION (EEC) No 2276/79

of 16 October 1979

laying down detailed rules for the drawing-up of a register of olive cultivation in the Member States producing olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

HAS ADOPTED THIS REGULATION:

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 154/75 of 21 January 1975 on the establishment of a register of olive cultivation in the Member States producing olive oil⁽¹⁾, and in particular Article 5 thereof,

Whereas the drawing-up of a register of olive cultivation in the producer Member States is intended in particular to improve the functioning of the Community system of aid for olive oil production; whereas it therefore appears appropriate to provide that the agencies which manage the aforesaid system of aid should be responsible for drawing up such register;

Whereas the pilot study of the different methods which could be used to obtain the information referred to in Article 1 (2) (a) of Regulation (EEC) No 154/75 has shown that aerial photography of the olive cultivating zones is the method which ensures the greatest degree of precision in compiling the aforesaid information;

Whereas taking into account the characteristics of olive cultivation in France, the information relating to French territory should be collected by counting on the ground the number of olive trees in each parcel; whereas the possibility of using this method should likewise be provided for in the Italian zones where there is a low density of olive cultivation;

Whereas the pilot study carried out by the Commission has shown that the most appropriate method for obtaining the information referred to in Article 1 (2) (b) of Regulation (EEC) No 154/75 is to use certain details shown on the cultivation declaration to be submitted by olive growers in order that the producer aid may be granted, and to collect, on the spot, the other details required;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

⁽¹⁾ OJ No L 19, 24. 1. 1975, p. 1.

Article 1

1. The intervention agencies of the Member States producing olive oil shall be responsible for drawing up, in accordance with this Regulation, a register of olive cultivation to cover all olive-growing holdings within their territory.

2. For the purposes of this Regulation, 'olive-growing holding' shall mean any holding of which the surface is wholly or partly planted with olive trees.

Article 2

As regards Italian territory, the information referred to in Article 1 (2) (a) of Regulation (EEC) No 154/75 shall be obtained using the methods set out in Annex I.

Article 3

1. The competent Italian authorities may decide not to carry out aerial photography in zones which, in the zoning operations referred to in Annex I, reveal a low density of olive cultivation.

2. If paragraph 1 is applied, the Italian authorities shall inform the Commission of the zones which are not included.

Article 4

1. As regards French territory, the information referred to in Article 1 (2) (a) of Regulation (EEC) No 154/75 shall be obtained in particular by:

- checking the area of each parcel, and
- counting the number of olive trees in each parcel.

2. The method set out in paragraph 1, supplemented, where appropriate, by other information which the Member State concerned might need, shall also apply in the olive-growing regions in Italy not covered by aerial photography pursuant to Article 3.

Article 5

1. The information referred to in Article 1 (2) (b) of Regulation (EEC) No 154/75 shall be obtained using the method given below.
2. Such method shall consist for each parcel of collecting, on the spot, the information indicated in Annex II.

Article 6

The information given in the declaration to be submitted by olive oil producers in order to establish their production potential, supplemented as appropriate at the request of the Member State concerned, shall be compared with the information on the area used for olive-growing and the number of olive trees

in each parcel given as a result of the application of the methods set out in Articles 2 and 4.

Where the information disagrees, the agency responsible for drawing up the register of olive cultivation shall determine, if appropriate following an on the spot check, the area and the number of olive trees to be used for the parcel in question.

Article 7

At the beginning of each quarter, the producer Member States shall inform the Commission of the work carried out in the previous quarter in accordance with Article 2.

As soon as the register of olive cultivation is completed, the producer Member State shall forward the results to the Commission.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to Council Regulation (EEC) No 1023/70 of 25 May 1970 establishing a common procedure for administering quantitative quotas⁽¹⁾, and in particular Articles 2 and 11 thereof,

Whereas Commission Regulation (EEC) No 2604/78⁽⁴⁾ adjusted the quotas for the years 1979 to 1982;

Whereas it has been found necessary to increase certain of the quantitative quotas established by the abovementioned Regulation (EEC) No 2604/78 to take account of the requirements of the Community market;

COMMISSION REGULATION (EEC) No 2278/79

of 17 October 1979

amending for the third time Regulation (EEC) No 2015/76 with regard to the duration of storage contracts in respect of concentrated grape must

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine ⁽¹⁾, as amended by Regulation (EEC) No 1303/79 ⁽²⁾, and in particular Articles 8 (3) and 9 (5) thereof,Whereas Commission Regulation (EEC) No 2015/76 of 13 August 1976 on storage contracts for table wine, grape must and concentrated grape must ⁽³⁾, as last amended by Regulation (EEC) No 2945/78 ⁽⁴⁾, lays down the conditions under which contracts must be concluded ;

Whereas during the wine-making period a producer who has concluded a storage contract in respect of concentrated grape must is unable, in most cases, to use his must for enriching operations on account of the gap between the beginning of wine-making operations and the time at which storage contracts expire ; whereas, in order to avoid this difficulty, Regulation (EEC) No 2015/76 should be amended by the addition of the possibility of allowing storage contracts in respect of concentrated grape must to be terminated where the wine producer needs to use his must in order to enrich his crops ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION :

Article 1

Regulation (EEC) No 2015/76 is hereby amended as follows :

1. The following Article 11a shall be inserted :

'Article 11a

At the beginning of the wine-growing year the possibility of terminating long-term storage contracts in respect of concentrated grape must may be made available for producers who need to use these products in order to enrich their crop.'

2. Article 12 (2) shall be replaced by the following :

'2. In the cases referred to in Articles 10 (3) and 11a, the aid shall be due in proportion to the actual duration of the contract. Payment of this aid shall be made no later than four weeks following the day on which the contract expires.'

*Article 2*This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 8 October 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 2279/79

of 17 October 1979

opening the possibility of terminating long-term storage contracts for concentrated grape must

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine ⁽¹⁾, as amended by Regulation (EEC) No 1303/79 ⁽²⁾, and in particular Articles 8 (3) and 9 (5) thereof,

Whereas Article 11a of Commission Regulation (EEC) No 2015/76 ⁽³⁾, as last amended by Regulation (EEC) No 2278/79 ⁽⁴⁾, lays down the conditions under which long-term storage contracts for concentrated grape must may be cancelled;

Whereas the crop from the 1978/79 marketing year is relatively early; whereas consequently, enrichment of crops, where it is necessary, must be carried out before most of the long-term storage contracts for concentrated grape must have expired; whereas it is therefore advisable to open the possibility of terminating the contracts referred to in Article 11a of the said Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:

Article 1

1. The possibility of terminating long-term storage contracts for concentrated grape must, as referred to in Article 11a of Regulation (EEC) No 2015/76, is hereby opened.
2. The storage contracts referred to in paragraph 1 shall be terminated at the request of the producers concerned.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

COMMISSION REGULATION (EEC) No 2280/79
of 17 October 1979
amending for the sixth time Regulation (EEC) No 1393/76 as regards the special
rate contained in Annex III thereto

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 129 on the value of the unit of account and the exchange rates to be applied for the purposes of the common agricultural policy⁽¹⁾, as last amended by Regulation (EEC) No 2543/73⁽²⁾, and in particular Article 3 thereof,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine⁽³⁾, as amended by Regulation (EEC) No 1303/79⁽⁴⁾, and in particular Article 18 thereof,

Having regard to Commission Regulation (EEC) No 1393/76 of 17 June 1976 laying down detailed rules for the importation of products in the wine-growing sector originating in certain third countries⁽⁵⁾, as last amended by Regulation (EEC) No 1243/79⁽⁶⁾, and in particular Article 1a (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas, pursuant to Article 1a of Regulation (EEC) No 1393/76, special rates are used to convert into national currency the free-at-frontier reference prices of imported liqueur wines, with the exception of liqueur wines originating in Cyprus and called in the producer country 'Cyprus sherry'; whereas, for the currencies of the Member States maintained at any given moment within a maximum spread of 2.25 %, the special rate is the conversion rate resulting from the central rate; whereas, with effect from 24 September 1979 the central rates for these currencies have been changed; whereas, for these reasons, the special rates appearing in Annex III to Regulation

(EEC) No 1393/76 must be adapted in the case of the said currencies,

HAS ADOPTED THIS REGULATION:

Article 1

Annex III to Regulation (EEC) No 1393/76 shall be replaced by the following Annex:

ANNEX III

The special rate specified in Article 1a of Regulation (EEC) No 1393/76 is:

- (a) For the Belgian franc and the Luxembourg franc:
Bfr/Lfr 1 = 0.0250969 ECU;
- (b) For the Danish krone:

COMMISSION REGULATION (EEC) No 2281/79

of 17 October 1979

on the application of the additional measures applicable to holders of long-term storage contracts for certain table wines for the 1978/79 wine-growing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine ⁽¹⁾, as amended by Regulation (EEC) No 1303/79 ⁽²⁾, and in particular Article 12 ⁽⁴⁾ thereof,

Whereas the measures to support the wine market which were employed during the 1978/79 wine-growing year have not in all cases given the desired results; whereas Article 2 (1) of Commission Regulation (EEC) No 2186/79 of 5 October 1979 laying down detailed rules for the application of the additional measures applicable to holders of long-term storage contracts for table wine for the 1978/79 wine-growing year ⁽³⁾ provides that the period of three consecutive weeks referred to in Article 12 (1) of Regulation (EEC) No 337/79 shall fall between 1 August and 30 November; whereas, since 1 August, the representative price for table wines of type R II has remained lower than the activating price for three consecutive weeks; whereas the conditions laid down in Article 12 (1) are thus satisfied for this type of wines; whereas it is therefore necessary to adopt the measures referred to in the said Article 12;

Whereas Article 2 (2) of Regulation (EEC) No 2186/79 makes provision for fixing the percentage of the wine under contract which may be distilled and fixing the

duration of any storage contracts; whereas, taking into account the market situation indicated by the harvest forecasts and the levels of stocks at the end of the wine-growing year, the said percentage for table wines of type R II should be 60 % and the said duration four months;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:

Article 1

Holders for long-term storage contracts for table wines of type R II and for wines which are in close economic relationship therewith may, in accordance with the provisions of Regulation (EEC) No 2186/79:

- (a) carry out distillation in respect of a quantity of wine not exceeding 60 % of the quantity under contract;
- (b) in respect of all or part of the quantity which is not distilled under (a), conclude a storage contract for a period of four months.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 16 September 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

on the classification of goods under subheading 55.09 A I of the Common Customs Tariff

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 97/69 of 16 January 1969 on measures to be taken for uniform application of the nomenclature of the Common Customs Tariff⁽¹⁾, as last amended by Regulation (EEC) No 280/77⁽²⁾, and in particular Article 3 thereof,

Whereas, in order to ensure uniform application of the nomenclature of the Common Customs Tariff, provision must be made for the classification of lengths of absorbent cotton fabric (known as 'gauze'), not impregnated or coated with pharmaceutical substances, 100 m long and 0.65 m wide, concertina-folded, individually wrapped and labelled;

Whereas the Common Customs Tariff annexed to Council Regulation (EEC) No 950/68⁽³⁾, as last amended by Regulation (EEC) No 882/79⁽⁴⁾, includes under heading No 30.04 wadding, gauze, bandages and similar articles (for example, dressings, adhesive plasters, poultices), impregnated or coated with pharmaceutical substances or put up in retail packings for medical or surgical purposes, other than goods specified in Note 3 to the Chapter, and under heading No 55.09 other woven fabrics of cotton;

Whereas these headings are relevant to the classification of the abovementioned lengths of absorbent cotton fabric;

Whereas, in view of their dimensions, these articles, even if they are individually wrapped and labelled,

cannot be considered at the time of importation as being put up in retail packings for medical or surgical purposes; whereas consequently they cannot be classified under heading No 30.04;

Whereas the articles in question, having regard to their nature and dimensions, fall to be classified under subheading 55.09 A I;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Committee on Common Customs Tariff Nomenclature,

HAS ADOPTED THIS REGULATION:

Article 1

Lengths of absorbent cotton fabric (known as 'gauze'), not impregnated or coated with pharmaceutical substances, 100 m long and 0.65 m wide, concertina-folded, individually wrapped and labelled, shall be classified in the Common Customs Tariff under subheading:

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products⁽¹⁾, as last amended by Regulation (EEC) No 1761/78⁽²⁾, and in particular Article 6 (7) thereof,

Having regard to Council Regulation (EEC) No 985/68 of 15 July 1968 laying down general rules for intervention on the market in butter and cream⁽³⁾, as last amended by Regulation (EEC) No 1272/79⁽⁴⁾, and in particular Article 7a thereof,

Whereas Commission Regulation (EEC) No 649/78⁽⁵⁾, as last amended by Regulation (EEC) No 2131/79⁽⁶⁾, provides that the Member States may be authorized to sell butter at a reduced price from public storage or to grant aid in respect of butter from private storage for the purpose of its release for direct consumption as concentrated butter;

Whereas several Member States were authorized by Commission Decision 78/360/EEC⁽⁷⁾, as last amended by Decision 79/70/EEC⁽⁸⁾, to sell butter at a reduced price in the form of concentrated butter; whereas the United Kingdom has requested authorization to sell a further quantity of 500 tonnes of butter

COMMISSION DECISION

of 28 September 1979

fixing the minimum selling prices for butter for the 14th individual invitation to tender under the standing invitation to tender provided for by Regulation (EEC) No 262/79

(79/848/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products⁽¹⁾, as last amended by Regulation (EEC) No 1761/78⁽²⁾, and in particular Article 6 (7) thereof,

Having regard to Council Regulation (EEC) No 985/68 of 15 July 1968 laying down general rules for intervention on the market in butter and cream⁽³⁾, as last amended by Regulation (EEC) No 1272/79⁽⁴⁾, and in particular Article 7a thereof,

Whereas, pursuant to Commission Regulation (EEC) No 262/79 of 12 February 1979 on the sale of butter at reduced prices for use in the manufacture of pastry products, ice-cream and other foodstuffs⁽⁵⁾, as amended by Regulation (EEC) No 545/79⁽⁶⁾, intervention agencies have put up for sale by standing invitation to tender certain quantities of butter held by them;

Whereas Article 16 of that Regulation provides that, in the light of the tenders received, a minimum selling price must be fixed which may vary according to the use to which the butter is to be put and according to the fat content of the butter; whereas

alternatively a decision may be taken not to proceed with the invitation to tender; whereas the amounts of the processing security must be fixed in the light of the difference between the minimum selling prices and the market prices of the butter;

Whereas, in the light of the tenders received in response to the 14th individual invitation to tender, the minimum selling prices should be fixed at the levels specified below and the processing securities determined accordingly;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979⁽⁷⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS DECISION:

Article 1

For the 14th individual invitation to tender under Regulation (EEC) No 262/79, in respect of which the time limit for the submission of tenders was 25 September 1979, the minimum selling prices and the processing securities shall be as follows:

Use to which the butter is to be put (Article 4 (1), (2) and (3) of Regulation (EEC) No 262/79)	Fat content of the butter	Minimum selling price (ECU per 100 kg butter)	Processing security (ECU per 100 kg butter)

of 28 September 1979

authorizing the Kingdom of Belgium, the Grand Duchy of Luxembourg and the Kingdom of the Netherlands not to apply Community treatment to unglazed setts, flags and paving hearth and wall tiles, falling within heading Nos ex 69.07 and ex 69.08 of the Common Customs Tariff, originating in Japan and in free circulation in the other Member States

(Only the Dutch and French texts are authentic)

(79/849/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 20 September 1979 by the Governments of the Benelux countries to the Commission of the European Communities, for authorization not to apply Community treatment to unglazed setts, flags and paving hearth and wall tiles, falling within heading Nos ex 69.07 and ex 69.08 of the Common Customs Tariff, originating in Japan and in free circulation in the other Member States;

Whereas in the Benelux countries the importation of the products in question originating in Japan is subject to an annual quota which has been almost taken up;

Whereas the disparities which exist in the commercial policy measures applied in connection with these products by the Member States are causing deflection of trade, thereby preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the sector concerned;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment;

Whereas these economic difficulties are caused largely by unequal conditions of competition, which allow exports to be made at prices appreciably lower than those of the Community products in question;

Whereas further indirect imports, in addition to those already made, would be likely to aggravate these difficulties; and to jeopardize the effectiveness of the commercial measures in question;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the

first paragraph of Article 115, subject to the conditions laid down in Commission Decision 71/202/EEC of 12 May 1971 ⁽¹⁾, and in particular Article 1 thereof;

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION:

Article 1

The Kingdom of Belgium, the Grand Duchy of Luxembourg and the Kingdom of the Netherlands are authorized not to apply Community treatment to the products indicated below, where they originate in Japan and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after 18 September 1979:

CCT heading No	Description
ex 69.07 and ex 69.08	Unglazed setts, flags and paving, hearth and wall tiles

Article 2

This Decision shall apply until new opportunities arise in the Benelux countries for the importation of these products from Japan or until 31 December 1979, whichever is the earlier.

Article 3

This Decision is addressed to the Kingdom of Belgium, the Grand Duchy of Luxembourg and the Kingdom of the Netherlands.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables⁽¹⁾, as last amended by Council Regulation (EEC) No 1766/78⁽²⁾, and in particular Article 36 thereof,

Having regard to Council Regulation (EEC) No 449/69 of 11 March 1969 on the reimbursement of aid granted by Member States to organizations of fruit and vegetable producers⁽³⁾, and in particular Article 7 (2) thereof,

Whereas the Kingdom of Denmark has made an application for reimbursement in respect of aid granted during 1978 to organizations of fruit and vegetable producers;

Whereas this application is in accordance with the provisions of Commission Regulation (EEC) No 2264/69 of 13 November 1969 on application for reimbursement of aid granted by Member States to organizations of fruit and vegetable producers⁽⁴⁾;

Whereas an examination of the information provided shows that aid of Dkr 39 324.50 was granted under the conditions laid down in Articles 2 to 6 of Regula-

tion (EEC) No 449/69; whereas the Guidance Section of the Fund should therefore reimburse 50 % thereof, i.e. Dkr 19 662.25;

Whereas the EAGGF Committee has been consulted on the financial aspects and in particular as to the funds available,

HAS ADOPTED THIS DECISION:

Having regard to Council Directive 72/159/EEC of 17 April 1972 on the modernization of farms⁽¹⁾, as last amended by Directive 77/390/EEC⁽²⁾, and in particular Article 21 (3) thereof,

Having regard to Council Directive 75/268/EEC of 28 April 1975 on mountain and hill farming and farming in certain less-favoured areas⁽³⁾, as last amended by Directive 76/400/EEC⁽⁴⁾, and in particular Article 13 thereof,

Whereas the total amount of reimbursement comes to £Irl 2 612 164.50;

Whereas the making of a payment on account for the period in question shall not prejudice the final decision on the contribution from the EAGGF for the said period; whereas the Guidance Section of the European Agricultural Guidance and Guarantee Fund should therefore make a payment on account of 75 % of the sum of £Irl 2 612 164.50, i.e. £Irl 1 959 123.38;
