COMMISSION REGULATION (EEC) No 1399/80

of 3 June 1980

re-establishing the levying of customs duties on dioctyl phthalates, falling within subheading 29.15 C ex III, originating in developing countries, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 2789/79 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2789/79 of 10 December 1979 establishing preferential tariffs in respect of certain products originating in developing countries⁽¹⁾, and in particular Article 4 (2) thereof,

Whereas Article 1 (3) of that Regulation provides that customs duties may, for each category of products, be suspended up to a Community ceiling, expressed in European units of account, which will be equal — with the exception of certain products, the value of the ceilings for which is given in Annex A thereto — to the sum arrived at by adding together the value of the products in question imported cif into the Community in 1977 and coming from countries and territories covered by those arrangements, but not including products coming from countries and territories already covered by various preferential tariff arrangements established by the Community, and 5 % of the value of 1977 cif imports coming from other countries and from countries and territories already covered by such arrangements; whereas, however, the ceiling resulting from the sum of this addition may in no case exceed 110 or 115 % of that fixed for 1979;

Whereas Article 2 (1) and (3) of that Regulation provides that customs duties may be re-established at any time on imports of the products in question coming from any country or territory, with the exception of those listed in Annex C thereto, once the Community ceiling has been reached;

Whereas, in respect of dioctyl phthalates, the ceiling, calculated as indicated above, should be 419 000 European units of account; whereas on 22 May 1980 the

amounts of imports into the Community of the products in question, originating in countries and territories covered by preferential tariff arrangements, reached that ceiling; whereas, bearing in mind the objectives of Regulation (EEC) No 2789/79 which provides that the ceiling should not be exceeded, customs duties should be re-established in respect of the products in question,

HAS ADOPTED THIS REGULATION:

Article 1

As from 7 June 1980, customs duties, suspended in pursuance of Council Regulation (EEC) No 2789/79, shall be re-established in respect of the following products, imported into the Community, coming from any beneficiary country or territory, with the exception of those listed in Annex C to Regulation (EEC) No 2789/79:

CCT heading No	Description

COMMISSION REGULATION (EEC) No 1400/80**of 3 June 1980****adopting protective measures applicable to imports of preserved mushrooms
originating in Spain**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
516/77 of 14 March 1977 on the common organiza-
tion of the market in products processed from fruit
and vegetables⁽¹⁾, as amended by Regulation (EEC)
No 2999/79⁽²⁾, and in particular Article 14 (2) thereof,

Whereas Commission Regulation (EEC) No 547/80 of
4 March 1980⁽³⁾ relaxed the protective measures appli-
cable to imports of preserved mushrooms originating
inter alia in Spain by allowing limited quantities of
these products to be imported into the Community
until 15 May 1980; whereas since 16 May 1980, the
import of preserved mushrooms originating *inter alia*
in Spain has been regulated by the import licence
system alone;

Whereas, in view of the number of applications for
import licences lodged in the past few days in respect
of preserved mushrooms originating in Spain, total
imports of that product threaten to exceed greatly
quantities traditionally imported from that country;

Whereas this situation is such that imports of
products originating in Spain threaten the Commu-

nity market with serious disturbances which could
jeopardize the objectives of Article 39 of the Treaty;
whereas, in these circumstances, it is necessary to take
protective measures against imports from this
country;

Whereas, to this end, the issue of import licences
should be suspended and all pending applications
rejected,

HAS ADOPTED THIS REGULATION:

Article 1

1. The issue of import licences for preserved mush-
rooms falling within subheading 20.02 A of the
Common Customs Tariff, originating in Spain, is
suspended from 5 June 1980.

2. The licence applications pending on that date
for the abovementioned products shall be refused.

Article 2

This Regulation shall enter into force on the day of its
publication in the *Official Journal of the European
Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

thereof,

Whereas the export levy on white sugar and raw sugar
was fixed by Regulation (EEC) No 375/80⁽⁴⁾, as last

(Only the Dutch, English, French and German texts are authentic)

(80/533/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Article 1

Whereas provision has been made for supporting the production of common wheat of good bread-making quality at the level of the reference price; whereas provision should also be made for supporting the market prices of common wheat of minimum bread-making quality, where necessary by reference to the said reference price;

Whereas because of the present position and outlook for supplies of common wheat of bread-making quality, there is concern regarding the behaviour of the market at the end of the 1979/80 marketing year; whereas arrangements should be made, additional to the special private storage aid measures already adopted for the end of the marketing year, for intervention purchasing in France, the Netherlands, Belgium, the United Kingdom and certain regions of Germany of 775 000 tonnes of common wheat of bread-making quality in store in the month of May in these countries and these regions of Germany;

Whereas the conditions laid down in Commission Regulation (EEC) No 1629/77 of 20 July 1977 laying down detailed rules of application for special intervention measures to support the development of the market in common wheat of bread-making quality⁽³⁾, as last amended by Regulation (EEC) No 1543/79⁽⁴⁾, must be applicable to the present measure;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Management Committee for Cereals,

The Kingdom of Belgium, the Federal Republic of Germany, the French Republic, the Kingdom of the Netherlands, and the United Kingdom shall, in accordance with the provisions set out below, buy through their intervention agencies, at the reference price applicable to the month of May 1980 in accordance with the provisions of Article 5 of Regulation (EEC) No 1629/77, the quantities of common wheat of bread-making quality, up to a maximum limit of 775 000 tonnes, in store in the Community countries and regions indicated that are offered to them during the month of May 1980.

The maximum quantity specified in the preceding subparagraph is allocated among the Member States concerned as follows:

- Belgium : 50 000 tonnes,
- Germany : 100 000 tonnes
(60 000 tonnes in Schleswig-Holstein, 20 000 tonnes in Regierungsbezirk Unterfranken and 20 000 tonnes in Regierungsbezirk Kassel),
- France : 500 000 tonnes,
- Netherlands : 75 000 tonnes,
- United Kingdom : 50 000 tonnes.

Offers must be made by 31 May 1980 at the latest. Should the total quantities offered in a Member State or the regions of Germany indicated above exceed the maximum laid down in the above subparagraph the intervention agency concerned shall allocate the quantities to be purchased from individual holders in proportion to the quantities offered.

Delivery of the quantities accepted must be made by 30 June 1980 at the latest.

Article 2
