COMMISSION REGULATION (EEC) No 1723/80**of 27 June 1980****fixing the adjustments to be made to certain refunds fixed in advance for milk and milk products**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products⁽¹⁾, as last amended by Regulation (EEC) No 1761/78⁽²⁾, and in particular Article 17 (4) thereof,

Whereas, under the third subparagraph of Article 5 (3) of Council Regulation (EEC) No 876/68 of 28 June 1968 laying down general rules for granting export refunds on milk and milk products and criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 2429/72⁽⁴⁾, it is possible for refunds fixed in advance to be adjusted where there is a change in the intervention prices and in certain forms of aid ;

Whereas Council Regulation (EEC) No 1359/80⁽⁵⁾ fixed the new intervention prices applicable for milk and milk products for the 1980/81 milk year ; whereas the new prices have not had sufficient influence on the level of market prices to justify a corresponding general adjustment of refunds fixed in advance ;

Whereas provision should be made, however, for an adjustment to refunds fixed in advance prior to 1 April 1980 in respect of exports made on or after 1 June 1980 in connection with an invitation to tender issued in an importing non-member country or by armed forces stationed in the territory of a Member State but not coming under its flag, since, in the case of such exports, a long period of validity for the licence or certificate is laid down ; whereas, apart from such exports, it appears advisable also to adjust, to a lesser degree, refunds fixed in advance prior to 28 April 1980, the date from which the Council's policy regarding the prices to be fixed for the new milk year was known ;

Whereas, under the third subparagraph of Article 5 (2) of Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered

by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽⁶⁾, as last amended by Regulation (EEC) No 707/78⁽⁷⁾, refunds fixed in advance for the products specified in the Annex to that Regulation are to be adjusted according to the rules applicable to the advance fixing of the refund on basic products exported unprocessed ; whereas it is necessary, therefore, to provide that refunds fixed in advance in respect of the said products prior to 28 April 1980 may also be adjusted correspondingly ;

Whereas the present Regulation will be supplemented by provisions relating to the adjustment of advance-fixed monetary compensatory amounts applicable to products specified in this Regulation ;

Whereas the Management Committee for Milk and Milk Products has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION :

Article 1

1. Refunds fixed in advance in respect of products listed in Annexes I and II shall, on the conditions therein stated and at the request of the parties concerned, be adjusted by the amounts fixed in the said Annexes.

2. The day to be taken into account for determining :

- the date of the advance fixing shall be the day on which the application for the export licence was lodged, within the meaning of Article 6 (1) of Regulation (EEC) No 193/75⁽⁸⁾,
- the date of export shall be the day on which the customs formalities referred to in the second subparagraph of Article 9 (3) (b) of Regulation (EEC) No 193/75 are completed.

Article 2

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

- (*) For the application of the amounts specified in column A, the advance fixing of the refund must have taken place before 1 April 1980 in connection with a tender (within the meaning of Article 19 of Regulation (EEC) No 193/75), opened in an importing non-member country or by the armed forces as specified in Article 10 (1) of Regulation (EEC) No 2044/75.
- (**) For the application of the amounts specified in column B the advance fixing of the refund must have taken place before 28 April 1980, provided the amounts specified in column A do not apply.
- (1) When the product falling within this subheading is a mixture containing added whey and/or added lactose, no adjustment shall be granted.
- (2) The weight of the added non-lactic matter and/or added lactose shall not be taken into account for the purpose of calculation of the fat content by weight. When the product falling within this subheading is a mixture containing added whey and/or added lactose, the added whey and/or added lactose shall not be taken into account in the calculation of the amount of adjustment.
- (4) The weight of added non-lactic matter and/or added lactose shall not be taken into account for the purpose of calculating the fat content, by weight.
The adjustment per 100 kg of product falling within this subheading shall be equal to the sum of the following components :
- (a) the amount per kilogram shown, multiplied by the weight of the lactic part contained in 100 kg of product, however, where whey and/or lactose have been added to the product, the amount per kilogram shown shall be multiplied by the weight of lactic part excluding the weight of added whey and/or added lactose, contained in 100 kg of product ;
- (b) on or after 1 July 1980, the amount of the adjustment, if any, calculated for the saccharose content in accordance with the provisions of Article 1 of Regulation (EEC) No 797/80 (OJ No L 87, 1. 4. 1980).
- (5) The adjustment on 100 kg of product falling within this subheading is equal to the sum of the following elements :
- (a) the amount per 100 kg shown ; however, where whey and/or lactose have been added to the product, the amount per 100 kg shown shall be :
- multiplied by the weight of the lactic part other than the added whey and/or added lactose contained in 100 kg of product, and then
 - divided by the weight of the lactic part contained in 100 kg of product ;
- (b) on or after 1 July 1980, the amount of the adjustment, if any, calculated for the saccharose content in accordance with the provisions of Article 1 of Regulation (EEC) No 797/80 (OJ No L 87, 1. 4. 1980).
- (6) No adjustment shall be applicable to cheese rinds and cheese wastes falling within heading No 04.04 of the Common Customs Tariff. Products unfit as such for human consumption shall be regarded as cheese wastes.
- (7) This amount applies to the net weight, minus the weight of the brine.

The weight of non-milk fat should be disregarded for the purposes of calculating fat content, by weight.
