COUNCIL

COUNCIL DECISION

of 30 July 1980

altering certain import quotas laid down by Decision 80/158/EEC for textile products originating in State-trading countries

(80/761/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to Council Decision 75/210/EEC of 27 March 1975 on unilateral import arrangements in respect of State-trading countries⁽¹⁾, as last amended by Decision 80/158/EEC⁽²⁾, and in particular the second paragraph of Article 8 thereof,

Having regard to the proposal from the Commission,

Whereas the Benelux countries, the Federal Republic of Germany, France, Italy and the United Kingdom have requested that the quota arrangements for imports from State-trading countries in 1980 should include *inter alia* increases in certain quotas for textile products in categories 1 to 8;

Whereas Decision 80/158/EEC could not provide for increases in the quotas in question, as they had first to be thoroughly examined within the framework of the Community's commercial policy on textiles so as to ensure consistency in the treatment of the various third country suppliers;

Whereas, because of their relatively modest economic impact, the amendments requested do not raise any special problems; whereas they are likely to favour the development of trade with the third countries concerned,

HAS ADOPTED THIS DECISION:

Article 1

The import quotas relating to certain textile categories listed in the Annexes to Decision 80/158/EEC are hereby amended as shown in the Annex to this Decision.

Article 2

This Decision is addressed to the Member States.

Done at Brussels, 30 July 1980.

For the Council

The President

G. THORN
