COMMISSION REGULATION (EEC) No 2476/80
of 25 September 1980
amending Community quantitative limits fixed for imports of certain textile
products originating in certain third countries

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
3059/78 of 21 December 1978 on common rules for
imports of certain textile products originating in third
countries ⁽¹⁾, as last amended by Regulation (EEC) No

18 thereof,

Whereas, by Commission Regulation (EEC) No

shares thereof allocated to those Member States are
insufficient to meet fully the requirements in 1980 ;

Whereas it is therefore desirable to increase the
quantitative limits for these products and the shares
allocated to certain Member States ;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Textile
Committee,

HAS ADOPTED THIS REGULATION :

Article 1

The Community quantitative limits for textile
products as originating in certain third countries and
certain Member States' shares thereof, as fixed in
Annex IV to Regulation (EEC) No 3059/78, are
hereby amended for 1980 as laid down in the Annex.

This Regulation shall enter into force on the day
following its publication in the *Official Journal of
the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

COMMISSION DECISION

of 28 July 1980

authorizing the French Republic not to apply Community treatment to woven fabrics of synthetic fibres (discontinuous or waste), falling within heading No 56.07 A of the Common Customs Tariff (category 3), originating in Taiwan and in free circulation in the other Member States

(Only the French text is authentic)

(80/897/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 22 July 1980 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to woven fabrics of synthetic fibres (discontinuous or waste), falling within heading No 56.07 A of the Common Customs Tariff (category 3), originating in Taiwan and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in Taiwan is subject to a Community quantitative quota allocated among the Member States by Commission Regulation (EEC) No 3020/77 of 30 December 1977⁽¹⁾, confirmed by Council Regulation (EEC) No 255/78 of 7 February 1978⁽²⁾;

Whereas it was not possible on that occasion to allocate these quotas on the basis of the needs of the individual markets; whereas there are therefore disparities existing between the import conditions in the various Member States; whereas uniformity can only be achieved progressively;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and a progressive decline in its market share;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 80/47/EEC of 20 December 1979⁽³⁾, and in particular Article 3 thereof;

HAS ADOPTED THIS DECISION:

Article 1

The French Republic is authorized not to apply Community treatment to the products indicated below, where they originate in Taiwan and are in free circulation in the other Member States, and in respect of which applications for import licences were lodged after the date of the adoption of this Decision:

authorizing the Italian Republic not to apply Community treatment to kraft wrapping and packaging paper, falling within heading No ex 48.01 of the Common Customs Tariff, originating in Czechoslovakia and in free circulation in the other Member States

(80/898/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 23 July 1980 by the Italian Government to the Commission of the European Communities, for authorization not to apply Community treatment to kraft wrapping and packaging paper, falling within heading No ex 48.01 of the Common Customs Tariff, originating in Czechoslovakia and in free circulation in the other Member States,

Whereas in Italy the importation of the products in question originating in Czechoslovakia is, in accordance with Council Decision 80/158/EEC of 20 December 1979 ⁽¹⁾, subject to an annual quota, which has already been wholly taken up;

Whereas the disparities which exist in the commercial policy measures applied in connection with these products by the Member States are causing deflection of trade, thereby preventing the execution of those commercial policy measures which are in force because of the difficult economic situation in the sector concerned;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and a progressive decline in its market share;

Whereas these economic difficulties are caused largely by unequal conditions of competition, which allow exports to be made at prices appreciably lower than those of the Community products in question;

Whereas further indirect imports, in addition to those already made or proposed, would be likely to aggravate these difficulties and to call into question the objectives sought by the commercial measures concerned;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the

first paragraph of Article 115, subject to the conditions laid down in Commission Decision 80/47/EEC of 20 December 1979 ⁽²⁾, and in particular Article 3 thereof;

Whereas, however, the application for a licence which gave rise to the application in question does not need to be covered by such an authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION:

Article 1

Whereas the importation into the Community of the products in question originating in Romania is covered by an Agreement negotiated between the Community and that country;
