COMMISSION REGULATION (EEC) No 1609/81**of 16 June 1981****fixing the adjustment to be made to certain refunds fixed in advance for milk and milk products**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products ⁽¹⁾, as last amended by the Act of Accession of Greece, and in particular Article 17 (4) thereof,

Whereas, under the third subparagraph of Article 5 (3) of Council Regulation (EEC) No 876/68 of 28 June 1968 laying down general rules for granting export refunds on milk and milk products and criteria for fixing the amount of such refunds ⁽²⁾, as last amended by Regulation (EEC) No 2429/72 ⁽³⁾, it is possible for refunds fixed in advance to be adjusted where there is a change in the intervention prices and in certain forms of aid;

Whereas Council Regulation (EEC) No 851/81 ⁽⁴⁾ fixed the new intervention prices applicable for milk and milk products for the 1981/82 milk year;

Whereas on 18 February 1981 the Commission submitted to the Council its proposals on fixing prices for certain agricultural products, announcing that at the start of the new marketing year it intended to adjust the refunds fixed in advance so that the amount of the refund would equal the same proportion of the intervention price or an equivalent price before and after the start of the milk year, so as to maintain a balance between the increase in internal and external prices;

Whereas provision should be made, however, for a less-restricted adjustment to refunds fixed in advance in respect of exports made in connexion with an invitation to tender issued in an importing non-member country or by armed forces stationed in the territory of a Member State but not coming under its flag, since, in the case of such exports, the certificate has a long period of validity;

Whereas, so that refunds fixed in advance from 1 April 1981 on account of certain speculative movements are prevented from qualifying for an adjustment; the adjustment must be restricted to cases where application for the export licence was lodged prior to that date; whereas account must also be taken, on a standard basis, of the date of production of the different milk products;

Whereas, under the third subparagraph of Article 5 (2) of Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds ⁽⁵⁾, as last amended by Regulation (EEC) No 707/78 ⁽⁶⁾, refunds fixed in advance for the products specified in the Annex to that Regulation are adjusted according to the rules applicable to the advance fixing of the refund on basic products exported unprocessed; whereas it is necessary, therefore, to provide that refunds fixed in advance in respect of the said products may also be adjusted accordingly;

Whereas this Regulation will be supplemented by provisions relating to the adjustment of the advance-fixed monetary compensatory amounts applicable to the products covered by this Regulation;

Whereas the Management Committee for Milk and Milk Products has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

- (**) For the application of the amounts specified in column B the advance fixing of the refund must have taken place before 1 April 1981, provided the amounts specified in column A do not apply.
- (1) When the product falling within this subheading is a mixture containing added whey and/or added lactose, no adjustment shall be granted.
- (2) The weight of the added non-lactic matter and/or added lactose shall not be taken into account for the purpose of calculation of the fat content by weight. When the product falling within this subheading is a mixture containing added whey and/or added lactose, the added whey and/or added lactose shall not be taken into account in the calculation of the amount of adjustment.
- (3) The weight of added non-lactic matter and/or added lactose shall not be taken into account for the purpose of calculating the fat content, by weight.
The adjustment per 100 kg of product falling within this subheading shall be equal to the sum of the following components:
- (a) the amount per kilogram shown, multiplied by the weight of the lactic part contained in 100 kg of product, however, where whey and/or lactose have been added to the product, the amount per kilogram shown shall be multiplied by the weight of lactic part excluding the weight of added whey and/or added lactose, contained in 100 kg of product;
- (b) on or after 1 July 1981, the amount of the adjustment, if any, calculated for the saccharose content in accordance with the provisions of Article 1 of Regulation (EEC) No 797/80 (OJ No L 87, 1. 4. 1980).
- (4) The adjustment on 100 kg of product falling within this subheading is equal to the sum of the following elements:
- (a) the amount per 100 kg shown; however, where whey and/or lactose have been added to the product, the amount per 100 kg shown shall be:
- multiplied by the weight of the lactic part other than the added whey and/or added lactose contained in 100 kg of product, and then;
 - divided by the weight of the lactic part contained in 100 kg of product;
- (b) on or after 1 July 1981, the amount of the adjustment, if any, calculated for the saccharose content in accordance with the provisions of Article 1 of Regulation (EEC) No 797/80 (OJ No L 87, 1. 4. 1980).
- (5) No adjustment shall be applicable to cheese rinds and cheese wastes falling within heading No 04.04 of the Common Customs Tariff. Products unfit as such for human consumption shall be regarded as cheese wastes.
- (6) This amount applies to the net weight, minus the weight of the brine.

The weight of non-milk fat should be disregarded for the purposes of calculating fat content, by weight.

COMMISSION REGULATION (EEC) No 1610/81

of 16 June 1981

fixing the adjustments to be made to monetary compensatory amounts fixed in advance
for milk and milk products

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the
European Economic Community,

Having regard to Council Regulation (EEC)
No 974/71 of 12 May 1971 on certain measures of
conjunctural policy to be taken in agriculture
following the temporary widening of the margins of
fluctuation for the currencies of certain Member
States ⁽¹⁾, as last amended by Regulation (EEC)
No 1523/80 ⁽²⁾, and in particular Article 6 thereof,

Whereas the first indent of Article 7 (2) of
Commission Regulation (EEC) No 243/78 of
1 February 1978 providing for the advance fixing of
monetary compensatory amounts ⁽³⁾, as amended by
Regulation (EEC) No 1544/78 ⁽⁴⁾, provides for an
optional adjustment to the monetary compensatory
amount fixed in advance where the levy or refund is
adjusted following a change in prices; whereas,
pursuant to Article 2 (1) and (3) of Commission
Regulation (EEC) No 1516/78 of 30 June 1978 on
adjustments to monetary compensatory amounts
fixed in advance and repealing Regulation (EEC)
No 651/78 ⁽⁵⁾, such an adjustment to monetary
compensatory amounts applicable in respect of milk
products is to be made if adjustments to refunds fixed
in advance take place following a change in prices
expressed in ECU, while in respect of products not
covered by Annex II to the Treaty no adjustment is
provided for;

Whereas the refunds fixed in advance in the sector in
question were adjusted by Commission Regulation
(EEC) No 1609/81 ⁽⁶⁾; whereas the said adjustment
was made in order to take account, in some degree,
of the increase in intervention prices; whereas, for
that reason, monetary compensatory amounts fixed in
advance must be adjusted to the same extent;
whereas, pursuant to Article 3 of Regulation (EEC)
No 1516/78, the adjustment is also to be on the basis

of both the price prevailing and the representative
rate applicable at the time when customs export
formalities are completed;

Whereas, for the sake of clarity, the amounts of the
adjustment to be made to compensatory amounts
should be fixed case by case; whereas, for the same
reason, only the adjustments fixed in respect of the
milk sector should be applied to milk products
containing certain quantities of products belonging to
other sectors;

Whereas Article 7 (1) of Regulation (EEC)
No 243/78 has not been applied to milk products;
whereas, therefore, it is not necessary to apply the
provisions of Article 3 (2) of Regulation (EEC)
No 1516/78;

Whereas the monetary compensatory amounts fixed
in advance which are the subject of the present
adjustment were fixed by Regulation (EEC)
No 902/81 ⁽⁷⁾, as last amended by Regulation (EEC)
No 1593/81 ⁽⁸⁾;

Whereas calculating the amount to be granted and
the adjustment to be made pursuant to this Regu-
lation may create difficulties; whereas the different
steps to be performed should therefore be made clear;

Whereas the Management Committee for Milk and
Milk Products has not delivered an opinion within
the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

1. In the case of exports to non-member countries
of products listed in the Annex to this Regulation for
which the refund was fixed in advance prior to
1 April 1981 under an invitation to tender within the
meaning of Article 43 of Regulation (EEC)
No 3183/80 issued in an importing non-member
country or by armed forces as specified in Article 10

compensatory amounts referred to in Part 5 of Annex I to Regulation (EEC) No 2140/79 and fixed in advance prior to the same date shall be adjusted by the amounts given in the Annex to this Regulation, provided that:

(a) the refund fixed in advance in respect of the product in question is adjusted in accordance with the provisions of Regulation (EEC) No 1609/81; and

(b) export takes place:

— from 6 April 1981 in respect of products falling within heading Nos 04.01 and 04.03 and subheadings 04.02 A II a) 1, 04.02 A II b) 1, 04.02 B I b) 1 aa) and 04.02 B I b) 2 aa), as well as cottage cheese and cream cheese falling within subheading 04.04 E I c) of the Common Customs Tariff,

— from 1 May 1981 in respect of the other products listed in the Annex.

2. In the case of exports fulfilling all the conditions set out in paragraph 1, with the exception of the condition that advance fixing of the refund must have taken place under an invitation to tender within the meaning indicated, the adjustment to the monetary compensatory amounts fixed in advance prior to 1 April 1981 shall be equal to the amounts given in the Annex multiplied by the coefficient 0.333. However, for exports from Member States where the monetary compensatory amount fixed in advance is to be granted and the amount of the adjustment set out in the Annex is negative, that coefficient shall be 1.333.

3. The operative date:

— for the advance fixing of the monetary compensatory amount, shall be the date on which the application for advance fixing was lodged within the meaning of Article 14 (1) of Regulation (EEC) No 3183/80 ⁽¹⁾,

— for export, shall be the date on which the customs formalities referred to in Article 22 (1) (b) of Regulation (EEC) No 3183/80 are completed.

Article 2

In order to apply the adjustments given in the Annex:

— the refund fixed in advance in ECU shall be increased by the amount fixed by Regulation (EEC) No 1609/81,

— the result shall be multiplied by the monetary coefficient and then converted into national currency using the representative rate, the coefficient and rate being those which were fixed in advance at the time when the monetary compensatory amount was fixed in advance,

— the amount thus obtained shall be reduced or, where appropriate, increased by the monetary compensatory amount fixed in advance adjusted by the amount given in the Annex.

Article 3

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 16 June 1981.

For the Commission

The President

Gaston THORN

Notes

(³) The basic amount for 100 kg of product falling within this subheading shall be equal to the amount per 100 kg indicated multiplied by 100th of the weight of the lactic part contained in 100 kg of product. However, where whey and/or lactose have been added to the product the amount resulting from the foregoing calculation shall be:

— multiplied by the weight of the non-fat lactic part, other than the added whey and/or lactose, contained in 100 kg of the product,

and then

— divided by the weight of the non-fat lactic part contained in 100 kg of the product.

(⁴) However, for butter covered by the measures provided for:

— in Regulation (EEC) No 1282/72 (OJ No L 142, 22. 6. 1972), the amount indicated shall be multiplied by the coefficient 0.46,

— in Regulation (EEC) No 1717/72 (OJ No L 181, 9. 8. 1972), the amount indicated shall be multiplied by the coefficient 0.46,

— in Regulation (EEC) No 649/78 (OJ No L 86, 1. 4. 1978), the amount shall be multiplied by the coefficient 0.46,

— in Regulation (EEC) No 262/79 (OJ No L 41, 16. 2. 1979) and in Regulation (EEC) No 1468/79 (OJ No L 177, 14. 7. 1979), the amount shall be multiplied:

— by the coefficient 0.44 where the butter is to be used in formula A or formula C products,

— by the coefficient 0.62 where the butter is to be used in formula B products.

(⁵) With respect to cheese rinds and wastes, the adjustment amount applicable shall be that applicable to products falling within subheading 04.04 E I c) of the Common Customs Tariff, of a fat content, by weight, in the dry matter of 10% or more. Products unfit as such for human consumption shall be regarded as cheese wastes.

(⁷) Where some milk products contain powdered or granulated milk (excluding whey), the amount of adjustment shall be:
