COMMISSION REGULATION (EEC) No 1669/82**of 14 June 1982****fixing the adjustment to be made to certain refunds fixed in advance for milk and milk products**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products⁽¹⁾, as last amended by Regulation (EEC) No 1183/82⁽²⁾, and in particular Article 17 (4) thereof,

Whereas, under the third subparagraph of Article 5 (3) of Council Regulation (EEC) No 876/68 of 28 June 1968 laying down general rules for granting export refunds on milk and milk products and criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 2429/72⁽⁴⁾, it is possible for refunds fixed in advance to be adjusted where there is a change in the intervention prices and in certain forms of aid;

Whereas Council Regulation (EEC) No 1184/82⁽⁵⁾ fixed the new intervention prices applicable for milk and milk products for the 1982/83 milk year;

Whereas, on 13 November 1981, the Commission informed the Member States of its intention at the beginning of the new marketing year to bring refunds fixed in advance into line with the new intervention prices;

Whereas, in order to eliminate speculation, it is necessary, as already announced, to limit operation of the adjustment to cases where the export licence was applied for more than 14 days before the date on which the Council set the intervention prices for the

1982/83 milk year; whereas account must also be taken, on a standard basis, of the dates of production of the different milk products;

Whereas, under the third subparagraph of Article 5 (2) of Council Regulation (EEC) No 3035/80⁽⁶⁾, as last amended by Regulation (EEC) No 764/82⁽⁷⁾, refunds fixed in advance for the products specified in the Annex to that Regulation are adjusted according to the rules applicable to the advance fixing of the refund on basic products exported unprocessed; whereas it is necessary, therefore, to provide that refunds fixed in advance in respect of the said products may also be adjusted accordingly;

Whereas this Regulation is supplemented by Commission Regulation (EEC) No 1670/82 of 14 June 1982 fixing the adjustments to be made to monetary compensatory amounts fixed in advance for milk and milk products⁽⁸⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

- (b) on or after 1 July 1982, the amount of the adjustment, if any, calculated for the saccharose content in accordance with the provisions of Article 14 of Regulation (EEC) No 2042/81 (OJ No L 200, 21. 7. 1981, p. 27).
- (⁴) The adjustment on 100 kg of product falling within this subheading is equal to the sum of the following elements:
- (a) the amount per 100 kg shown; however, where whey and/or lactose have been added to the product, the amount per 100 kg shown shall be:
- multiplied by the weight of the lactic part other than the added whey and/or added lactose contained in 100 kg of product, and then;
 - divided by the weight of the lactic part contained in 100 kg of product;
- (b) on or after 1 July 1982, the amount of the adjustment, if any, calculated for the saccharose content in accordance with the provisions of Article 14 of Regulation (EEC) No 2042/81 (OJ No L 200, 21. 7. 1981, p. 27).
- (⁵) No adjustment shall be applicable to cheese rinds and cheese wastes falling within heading No 04.04 of the Common Customs Tariff. Products unfit as such for human consumption shall be regarded as cheese wastes.

COMMISSION REGULATION (EEC) No 1670/82

of 14 June 1982

fixing the adjustments to be made to monetary compensatory amounts fixed in advance
for milk and milk products

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the
European Economic Community,

Having regard to Council Regulation (EEC)
No 974/71 of 12 May 1971 on certain measures of
conjunctural policy to be taken in agriculture
following the temporary widening of the margins of
fluctuation for the currencies of certain Member
States ⁽¹⁾, as last amended by Regulation (EEC)
No 3605/81 ⁽²⁾, and in particular Article 6 thereof,

Whereas the first indent of Article 7 (2) of
Commission Regulation (EEC) No 243/78 of
1 February 1978 providing for the advance fixing of
monetary compensatory amounts ⁽³⁾, as last amended
by Regulation (EEC) No 2898/81 ⁽⁴⁾, provides for an
optional adjustment to the monetary compensatory
amount fixed in advance where the levy or refund is
adjusted following a change in prices; whereas,
pursuant to Article 2 (1) and (3) of Commission
Regulation (EEC) No 1516/78 of 30 June 1978 on
adjustments to monetary compensatory amounts fixed
in advance and repealing Regulation (EEC)
No 651/78 ⁽⁵⁾, such an adjustment to monetary
compensatory amounts applicable in respect of milk
products is to be made if adjustments to refunds fixed
in advance take place following a change in prices
expressed in ECU, while in respect of products not
covered by Annex II to the Treaty no adjustment is
provided for;

Whereas the refunds fixed in advance in the sector in
question were adjusted by Commission Regulation
(EEC) No 1669/82 ⁽⁶⁾; whereas the said adjustment
was made in order to take account of the increase in
intervention prices; whereas, for that reason,
monetary compensatory amounts fixed in advance
must be adjusted to the same extent; whereas,
pursuant to Article 3 of Regulation (EEC)
No 1516/78, the adjustment is also to be on the basis

of both the price prevailing and the representative
rate applicable at the time when customs export
formalities are completed;

Whereas, for the sake of clarity, the amounts of the
adjustment to be made to compensatory amounts
should be fixed case by case; whereas, for the same
reason, only the adjustments fixed in respect of the
milk sector should be applied to milk products
containing certain quantities of products belonging to
other sectors;

Whereas the monetary compensatory amounts fixed
in advance which are the subject of the present
adjustment were fixed by Commission Regulations
(EEC) No 902/81 ⁽⁷⁾ and (EEC) No 2901/81 ⁽⁸⁾, as
last amended by Regulation (EEC) No 998/82 ⁽⁹⁾;

Whereas calculating the amount to be granted and
the adjustment to be made pursuant to this Regu-
lation may create difficulties; whereas the different
steps to be performed should therefore be made clear;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the
Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

1. In the case of exports to non-member countries
of products listed in the Annex to this Regulation for
which the refund was fixed in advance until 3 May
1982 inclusive, the monetary compensatory amounts
referred to in Part 5 of Annex I to Regulations (EEC)
No 902/81 and (EEC) No 2901/81 and fixed in
advance until the same date shall be adjusted by the
amounts given in the Annex to this Regulation,
provided that the refund fixed in advance in respect
of the product in question is adjusted in accordance
with the provisions of Regulation (EEC) No 1669/82.

2. The operative date:

— for the advance fixing of the monetary
compensatory amount, shall be the date on which
the application for advance fixing was lodged

within the meaning of Article 14 (1) of Regulation (EEC) No 3183/80 ⁽¹⁾,

- for export, shall be the date on which the customs formalities referred to in Article 22 (1) (b) of Regulation (EEC) No 3183/80 are completed.

Article 2

In order to apply the adjustments given in the Annex:

- the refund fixed in advance in ECU shall be increased by the amount fixed by Regulation (EEC) No 1669/82,
- the result shall be multiplied by the monetary coefficient and then converted into national

currency using the representative rate, the coefficient and rate being those which were fixed in advance at the time when the monetary compensatory amount was fixed in advance,

- the amount thus obtained shall be reduced or, where appropriate, increased by the monetary compensatory amount fixed in advance adjusted by the amount given in the Annex.

Article 3

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Notes

(¹) The basic amount for 100 kg of product falling within this subheading shall be equal to the amount per 100 kg indicated multiplied by 100th of the weight of the lactic part contained in 100 kg of product. However, where whey and/or lactose have been added to the product, the amount resulting from the foregoing calculation shall be:

— multiplied by the weight of the non-fat lactic part, other than the added whey and/or lactose, contained in 100 kg of the product,

and then

— divided by the weight of the non-fat lactic part contained in 100 kg of the product.

(²) However, for butter or concentrated butter covered by the measures provided for:

— in Regulation (EEC) No 1282/72 (OJ No L 142, 22. 6. 1972), the amount indicated shall be multiplied by the coefficient 0.46;

— in Regulation (EEC) No 1717/72 (OJ No L 181, 9. 8. 1972), the amount indicated shall be multiplied by the coefficient 0.46;

— in Regulation (EEC) No 649/78 (OJ No L 86, 1. 4. 1978), the amount shall be multiplied by the coefficient 0.46;

— in Regulation (EEC) No 262/79 (OJ No L 41, 16. 2. 1979), Regulation (EEC) No 1468/79 (OJ No L 177, 14. 7. 1979) and Regulation (EEC) No 1932/81 (OJ No L 191, 14. 7. 1981), the amount shall be multiplied:

— by the coefficient 0.50 where the butter is to be used in formula A or formula C products,

— by the coefficient 0.67 where the butter is to be used in formula B products.

(³) With respect to the cheese rinds and wastes, the adjustment amount applicable shall be that applicable to products falling within subheading 04.04 E I c) of the Common Customs Tariff, of a fat content, by weight, in the dry matter of 10% or more. Products unfit as such for human consumption shall be regarded as cheese wastes.

(⁴) Where some milk products contain powdered or granulated milk (excluding whey), the amount of adjustment shall be:

THE EUROPEAN COMMUNITY'S LEGAL SYSTEM

**Written and unwritten sources of law, supplementary sources of law,
decisions taken by Member States' representatives meeting within the
Council:**

**the sum of these sources is the legal system of the European Community.
More than thirty years after the signature of the Treaty establishing the Coal
and Steel Community and twenty-five years after the signature of the
Treaties establishing the European Economic Community
and the European Atomic Energy Community, Community law
has become a reality for every citizen**

This booklet describes the legal nature of the European Community. It is intended primarily for the layman and tries to make Community law, which to some extent governs our daily lives, intelligible to anyone who wishes to acquaint himself with the subject. The use of a number of technical terms is, however, unavoidable.

It is made clear to the reader that the European Community is a Community based on law, with all that this implies in terms of safeguards both for States and ordinary citizens.

Community law is an independent legal system. Nevertheless, there is a constant interplay between Community law and national law, as a result of which conflicts can and do arise. That these can be soiled is due entirely to the precedence of Community law over national law.

This brochure also explains the fundamental rights and freedoms enjoyed by European citizens.
