COMMISSION REGULATION (EEC) No 72/83

of 13 January 1983

fixing the minimum levies on the importation of olive oil and levies on the importation of other olive oil sector products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats ⁽¹⁾, as last amended by Regulation (EEC) No 1413/82 ⁽²⁾, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria ⁽³⁾, as last amended by Regulation (EEC) No 3488/82 ⁽⁴⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco ⁽⁵⁾, as last amended by Regulation (EEC) No 3488/82, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil originating in Tunisia ⁽⁶⁾, as last amended by Regulation (EEC) No 3488/82, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1180/77 of 17 May 1977 on imports into the Community of certain agricultural products originating in Turkey ⁽⁷⁾, as last amended by Regulation (EEC) No 3489/82 ⁽⁸⁾, and in particular Article 10 (2) thereof,

Having regard to Council Regulation (EEC) No 1620/77 of 18 July 1977 laying down detailed rules for the importation of olive oil from Lebanon ⁽⁹⁾,

Whereas by Regulation (EEC) No 3131/78 of 28 December 1978 ⁽¹⁰⁾ the Commission decided to use the tendering procedure to fix levies on olive oil;

Whereas Article 3 of Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender ⁽¹¹⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world market and the Community market and of the levy rates indicated by tenderers;

Whereas in the collection of the levy account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 10 and 11 January 1983 leads to the minimum levies being fixed as indicated in Annex I to this Regulation;

Whereas the import levy on olives falling within subheadings 07.01 N II and 07.03 A II of the Common Customs Tariff and on products falling within subheadings 15.17 B I and 23.04 A II of the Common Customs Tariff must be calculated from the minimum levy applicable on the olive oil contained in these products; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The minimum levies on olive oil imports are fixed in Annex I.

COMMISSION REGULATION (EEC) No 73/83
of 13 January 1983
fixing the import levies on milk and milk products

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No 804/68
of 27 June 1968 on the common organization of the
market in milk and milk products ⁽¹⁾, as last amended
by Regulation (EEC) No 1183/82 ⁽²⁾, and in particular
Article 14 (8) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 14 of Regulation (EEC) No 804/68
provides for charging a levy on imports of the
products listed in Article 1 of that Regulation ;
whereas these products may be divided into groups ;
whereas the product groups and the pilot groups and
the pilot product for each of these groups are set out
in Annex I to Council Regulation (EEC) No 2915/79
of 18 December 1979 determining the groups of
products and the special provisions for calculating
levies on milk and milk products and amending Regu-
lation (EEC) No 950/68 on the Common Customs
Tariff ⁽³⁾, as last amended by Regulation (EEC) No
3042/82 ⁽⁴⁾ ;

Whereas the levy on the products in any one group
must be equal to the threshold price for the pilot
product less the free-at-frontier price ; whereas these
threshold prices were fixed for the 1982/83 milk year
by Council Regulation (EEC) No 1185/82 of 18 May
1982 ⁽⁵⁾ ;

Whereas, however, Regulation (EEC) No 2915/79 lays
down special provisions for calculating the levy on
certain assimilated products ; whereas these products
are listed and the method of calculating the levy on
them described in Annex II and in Articles 2 to 11 of
that Regulation respectively ; whereas this method
consists in adding together the various components
defined in those Articles ;

Whereas Commission Regulation (EEC) No 1073/68
of 24 July 1968 laying down detailed rules for deter-
mining free-at-frontier prices and for fixing levies in
respect of milk and milk products ⁽⁶⁾, provides that the
component of the levy fixed by means of a coefficient
expressing the weight ratio between the milk powder
contained in the product and the product itself is, for
the products falling within subheading 04.02 B I b),
calculated by multiplying the basic amount by the
quantity of milk powder contained in the product ;
whereas the same applies to products falling within
subheading 04.02 B II b) as regards the component of
the levy fixed by means of a coefficient expressing the
weight ratio between the milk components contained
in the product and the product itself ;

Whereas the basic amount must be equal to one
hundredth part of the levy set out for each product in
the second subparagraph of Article 9 (1) and the
second subparagraph of Article 9 (2) of Regulation
(EEC) No 1073/68 ;

Whereas Annex II to Regulation (EEC) No 2915/79
listed certain products of Group 11 originating in and
consigned from certain non-member countries ;
whereas the levy applicable to these products is set out
in Annex I to Regulation (EEC) No 1767/82 ⁽⁷⁾, as last
amended by Regulation (EEC) No 3336/82 ⁽⁸⁾ ;

Whereas Commission Regulation (EEC) No 3700/81
of 23 December 1981 ⁽⁹⁾ laid down detailed interim
rules in respect of the cheese agreements with Austria
and Finland ; whereas Council Regulation (EEC) No
3534/82 ⁽¹⁰⁾ suspended the application of Article 11 (2)
of Regulation (EEC) No 2915/79 for the product indi-
cated at point (r) of Annex II to the said Regulation in
respect of Norway ;

Whereas, within the tariff quotas referred to in Annex
I to Regulation (EEC) No 1767/82, the levy on 100
kilograms of a product of Group 10 or 11 and falling
within subheadings 04.04 E I b) 1 and b) 2 shall be
equal to 12.09 ECU ;

⁽¹⁾ OJ No L 148, 28. 6. 1968, p. 13.

⁽²⁾ OJ No L 140, 20. 5. 1982, p. 1.

⁽³⁾ OJ No L 329, 24. 12. 1979, p. 1.

⁽⁴⁾ OJ No L 322, 18. 11. 1982, p. 1.

⁽⁵⁾ OJ No L 140, 20. 5. 1982, p. 4.

⁽⁶⁾ OJ No L 180, 26. 7. 1968, p. 25.

⁽⁷⁾ OJ No L 196, 5. 7. 1982, p. 1.

⁽⁸⁾ OJ No L 352, 14. 12. 1982, p. 14.

⁽⁹⁾ OJ No L 369, 24. 12. 1981, p. 33.

⁽¹⁰⁾ OJ No L 371, 30. 12. 1982, p. 4.

Whereas, for as long as it is found that on importation into the Community the price of an assimilated product for which the levy is not equal to the levy on its pilot product is considerably lower than the price which would obtain if the ratio to the price of the pilot product were normal, the levy must be equal to the sum of two components :

- one component equal to the amount resulting from the provisions of Articles 2 to 7 of Regulation (EEC) No 2915/79 applicable to the assimilated product in question,
- an additional component fixed at a level which, the composition and quality of the assimilated product being taken into account, makes it possible to re-establish normal price ratios for imports into the Community ;

Whereas Article 14 (3) of Regulation (EEC) No 804/68 provides that the levy on products in respect of which the customs duty has been bound within GATT must be limited to the amount resulting from that binding ;

Whereas Regulation (EEC) No 1073/68 provides that a free-at-frontier price must be established for each of the pilot products defined in Annex I to Regulation (EEC) No 2915/79 ; whereas these prices must be determined for products of good marketable quality ;

Whereas the free-at-frontier prices must be established on the basis of the most favourable purchasing opportunities in international trade for the products listed in Article 1 (a) 2 and (b) to (g) of Regulation (EEC) No 804/68 other than assimilated products for which the levy is not equal to the levy on the related pilot products ; whereas, when recording these purchasing opportunities, the Commission must take account of all information obtained direct or through the Member States concerning prices for delivery of third-country products free-at-Community-frontier and prices on third-country markets ;

Whereas, however, no account should be taken of information relating to small quantities which are not representative of trade in the products in question and quantities in respect of which price trends in general or other information available to it lead the Commission to believe that the price in question is unrepresentative of the real trend of the market ;

Whereas the prices used must be adjusted where they are not quoted free-at-Community-frontier or where they do not apply to products of good marketable quality ; whereas the adjustment in respect of an assi-

milated product the levy on which is equal to the levy on its pilot product must be effected in such a way as to allow, in particular, for differences in composition, maturity, quality and presentation between the assimilated product and the related pilot product ; whereas adjustments relating to composition must be calculated by multiplying the difference between the milk component content of the pilot product and that of the assimilated product in question by the value attributed in international trade to one unit of weight of the milk component in question ; whereas, when the other adjustments are being effected, the difference between the value attributed on the Community market to each of the relevant characteristics of the pilot product and the value attributed on that market to the corresponding characteristics of the assimilated product in question must be taken into account ;

Whereas, if no information on prices is available, the free-at-frontier price may, by way of exception, be established on the basis of the value of the raw materials contained in the pilot product in question (calculated on the basis of the prices of milk products for which prices are available), average processing costs and average yields ;

Whereas, in exceptional circumstances, a free-at-frontier price may remain unchanged for a limited period where the new level of the price for a given quality or a specific origin, used as a basis for establishing the previous free-at-frontier price, has not reached the Commission to enable it to establish the next free-at-frontier price and if the Commission considers that the prices which are available could lead to sudden and considerable changes in the free-at-frontier price because they are not sufficiently representative of real market trends ;

Whereas, in accordance with Article 19 (1) of Regulation (EEC) No 804/68, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff ;

Whereas Article 8 of Regulation (EEC) No 1073/68 provides that the levies are fixed every fortnight ; whereas they may be altered in the intervening period if necessary ; whereas the levy remains valid until another becomes applicable ;

Whereas, if the levy system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their central rate,

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from applying these provisions that the levies on milk and milk products should be as set out in the Annex hereto,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies referred to in Article 14 (1) of Regulation (EEC) No 804/68 shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 16 January 1983.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 74/83

of 13 January 1983

fixing the export refunds on milk and milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products ⁽¹⁾, as last amended by Regulation (EEC) No 1183/82 ⁽²⁾, and in particular Article 17(4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 17 of Regulation (EEC) No 804/68 provides that the difference between prices in international trade for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund ;

Whereas Council Regulation (EEC) No 876/68 of 28 June 1968 laying down general rules for granting export refunds on milk and milk products and criteria for fixing the amount of such refunds ⁽³⁾, as amended by Regulation (EEC) No 2429/72 ⁽⁴⁾, provides that when the refunds on the products listed in Article 1 of Regulation (EEC) No 804/68, exported in the natural state, are being fixed account must be taken of :

- the existing situation and the future trend with regard to prices and availabilities of milk and milk products on the Community market and prices for milk and milk products in international trade,
- marketing costs and the most favourable transport charges from Community markets to ports or other points of export in the Community, as well as costs incurred in placing the goods on the market of the country of destination,
- the aims of the common organization of the market in milk and milk products which are to ensure equilibrium and the natural development of prices and trade on this market,

- the need to avoid disturbances on the Community market, and
- the economic aspect of the proposed exports ;

Whereas Article 3(1) of Regulation (EEC) No 876/68 provides that when prices within the Community are being determined account should be taken of the ruling prices which are most favourable for exportation, and that when prices in international trade are being determined particular account should be taken of :

- (a) prices ruling on third country markets ;
- (b) the most favourable prices in third countries of destination for third country imports ;
- (c) producer prices recorded in exporting third countries, account being taken, where appropriate, of subsidies granted by those countries ; and
- (d) free-at-Community-frontier offer prices ;

Whereas Article 4 of Regulation (EEC) No 876/68 provides that the world market situation or the specific requirements of certain markets may make it necessary to vary the refund on the products listed in Article 1 of Regulation (EEC) No 804/68 according to destination ;

Whereas Article 5(1) of Regulation (EEC) No 876/68 provides that the list of products on which export refunds are granted and the amount of such refunds should be fixed at least once every four weeks ; whereas the amount of the refund may, however, remain at the same level for more than four weeks ;

Whereas Article 2 of Commission Regulation (EEC) No 1098/68 of 27 July 1968 on detailed rules for the application of export refunds on milk and milk products ⁽⁵⁾, as last amended by Regulation (EEC) No 2283/81 ⁽⁶⁾, provides that the refund on products falling within subheading 04.02 B is equal to the sum of two components, the first representing the quantity of milk products and the second representing the quantity of added sucrose ; whereas, however, the latter component applies only if the added sucrose was produced from beet or cane harvested within the Community ;

⁽¹⁾ OJ No L 148, 28. 6. 1968, p. 13.

⁽²⁾ OJ No L 140, 20. 5. 1982, p. 1.

⁽³⁾ OJ No L 155, 3. 7. 1968, p. 1.

⁽⁴⁾ OJ No L 264, 23. 11. 1972, p. 1.

⁽⁵⁾ OJ No L 184, 29. 7. 1968, p. 10.

⁽⁶⁾ OJ No L 223, 8. 8. 1981, p. 10.

Whereas for the products falling within subheading 04.02 B II a) or 04.02 B II b) 1 with a fat content not exceeding 9.5 % by weight, the first component referred to above is fixed for 100 kilograms of the whole product ; whereas, for the other products falling within subheading 04.02 B, this component is calculated by multiplying the basic amount by the milk product content of the product in question ; whereas this basic amount is the refund on one kilogram of milk products contained in the product ;

Whereas the second component is calculated by multiplying the sucrose content of the product by the basic amount of the refund valid on the day of exportation for the products listed in Article 1 (1) (d) of Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾ ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas the level of refund for cheeses is calculated for products intended for direct consumption ; whereas the cheese rinds and cheese wastes are not products

intended for this purpose ; whereas, to avoid any confusion in interpretation, it should be specified that there will be no refund for these products which fall within heading No 04.04 ;

Whereas it follows from applying these detailed rules to the present situation on the market in milk and milk products, and in particular to prices for these products within the Community and on the world market, that the refund should be as set out in the Annex hereto ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION :

Article 1

1. The export refunds referred to in Article 17 of Regulation (EEC) No 804/68 on products exported in the natural state shall be as set out in the Annex hereto.
2. There shall be no refunds for exports to Zone E for products falling within heading Nos 04.01, 04.02, 04.03 and 23.07 of the Common Customs Tariff.

Article 2

This Regulation shall enter into force on 14 January 1983.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 13 January 1983.

COMMISSION REGULATION (EEC) No 75/83**of 13 January 1983****fixing the amount of the subsidy on oil seeds**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the establishment of a
common organization of the market in oils and fats ⁽¹⁾,
as last amended by Regulation (EEC) No 1413/82 ⁽²⁾,
and in particular Article 27 (4) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 27 of Regulation No 136/66/EEC
provides that a subsidy should be granted in respect of
oil seeds harvested and processed within the Commu-
nity when the target price for a species of seed is
higher than the price on the world market; whereas
these provisions at present apply only in respect of
colza, rape and sunflower seeds;

Whereas the subsidy on oil seeds should, theoretically,
be equal to the difference between those two prices;

Whereas the target price and the monthly increases in
the target price for oil seeds for the 1982/83 marketing
year were fixed by Regulations (EEC) No 1418/82 ⁽³⁾
and (EEC) No 1419/82 ⁽⁴⁾; whereas Article 29 of Regu-
lation No 136/66/EEC provides that the world market
price, calculated for a Community frontier crossing
point, is to be determined on the basis of the most
favourable purchasing opportunities, quotations being
adjusted where necessary to take account of quotations
for competing products;

Whereas Article 4 of Council Regulation No 115/
67/EEC of 6 June 1967 laying down criteria for deter-
mining world market prices for oil seeds and fixing
the frontier crossing point ⁽⁵⁾, as last amended by
Regulation (EEC) No 1983/82 ⁽⁶⁾, fixed the said cross-
ing point at Rotterdam; whereas Article 1 of that
Regulation provides that when the world market price
is being determined account should be taken of all

offers on the world market known to the Commission
and of quotations on those exchanges which are signi-
ficant for international trade; whereas Article 2 of
Commission Regulation No 225/67/EEC of 28 June
1967 on detailed rules for determining the world
market price for oil seeds ⁽⁷⁾, as last amended by Regu-
lation (EEC) No 1725/82 ⁽⁸⁾, provides that offers and
quotations which do not relate to shipments to be
effected within 30 days following the date on which
the world market price is determined should be disre-
garded; whereas offers and quotations which the
Commission believes, in view of general price move-
ments or information available to it, not to be repre-
sentative of the real trend of the market must also be
disregarded; whereas offers and quotations relating to
quantities of less than 500 tonnes and offers relating to
seed of a quality other than that normally acceptable
on the world market must also be disregarded;

Whereas Article 3 of Regulation No 225/67/EEC
provides that of the offers and quotations taken into
consideration, those for delivery c and f should be
increased by 0.2 %; whereas offers and quotations for
delivery fas, fob or otherwise should be increased, as
appropriate, by loading, transport and insurance costs
from the point of shipment or loading to the frontier
crossing point; whereas cif offers and quotations for
frontier crossing points other than Rotterdam should
be adjusted to allow for the difference in transport and
insurance costs as compared with a product delivered
cif Rotterdam; whereas the Commission should take
account only of the loading, transport and insurance
costs which to its knowledge are the lowest; whereas,
finally, offers and quotations for delivery cif Rotterdam
should be increased by 0.242 ECU;

Whereas Article 5 of Regulation No 115/67/EEC
provides that the world market price should be deter-
mined for seed of the standard quality for which the
target price has been fixed, delivered in bulk;

Whereas Article 3 of Regulation No 225/67/EEC
provides that offers and quotations relating to products
presented otherwise than in bulk should be adjusted
by deducting the additional value resulting from that
presentation; whereas offers and quotations relating to
a quality other than the standard quality for which the
target price was fixed should be adjusted on the basis
of the coefficients of equivalence shown in the Annex

to that Regulation; whereas, in the case of offers on the world market for qualities of colza and rape seed other than those listed in that Annex, coefficients of equivalence derived from those listed in that Annex may, pursuant to Article 4 of Regulation No 225/67/EEC, be applied; whereas, when derived coefficients are being calculated, account must be taken of the differences between prices for the qualities of seed in question and prices for the qualities listed in that Annex, and of the characteristics of these various seeds;

Whereas Article 2 of Regulation No 115/67/EEC provides that, where no offer or quotation can be used as a basis for determining the world market price, that price should be determined on the basis of the value of the average quantities of oil and oil cake resulting from the processing of 100 kilograms of seed within the Community less an amount corresponding to the cost of processing these seeds into oil and oil cake; whereas the quantities and costs to be taken into consideration for the purposes of the calculation are fixed in Article 5 of Regulation No 225/67/EEC; whereas the value of those quantities should be determined in accordance with Article 6 of that Regulation;

Whereas Article 3 of Regulation No 115/67/EEC provides that, where no offer or quotation can be used as a basis for determining the world market price and where it is, moreover, impossible to establish the value of the oil or oil cake processed from such seed, the world market price should be determined on the basis of the most recent known value for oil or oil cake, adjusted to take account of the trend of world prices for competing products by applying to that value the rules set out in Article 2 of Regulation No 115/67/EEC; whereas Article 7 of Regulation No 225/67/EEC defines competing products as those oils or oil cakes, as the case may be, which appear to have been offered in the largest quantities on the world market during the period under consideration;

Whereas, in accordance with Article 5 (a) of Regulation No 115/67/EEC, when the world market price for colza or rape seed is determined, the price adopted is to be adjusted by an amount not exceeding the difference between the price of 100 kilograms of colza or rape seed plus processing costs and the total price of the quantities of oil and oil cake given by processing those seeds; whereas, pursuant to Article 6 (1) of the same Regulation, the price adopted for colza, rape and sunflower seeds must also be adjusted by an amount not exceeding the difference between:

- the difference between the price of 100 kilograms of colza, rape or sunflower seeds, plus processing costs, and the total of the prices of the quantities of oil and oil cake resulting from the processing of the type of seed in question, and
- the difference between the price of 100 kilograms of one or more other seeds, plus processing costs, and the total of the prices of the quantities of oil

and oil cake resulting from the processing of these seeds;

Whereas the factors to be taken into consideration for the purpose of determining that margin are defined in Article 8 of Regulation No 225/67/EEC; whereas no adjustment should be made where the margin is found to be less than 0.604 ECU; whereas Article 6 (2) of Regulation No 115/67/EEC provides that, when the amount of the adjustment is being determined, account should be taken of the incidence of the margin in question on marketing operations of Community traders and on the disposal of the various types of seed on the world market;

Whereas Council Regulation (EEC) No 2114/71 of 28 September 1971 on the subsidy for oil seeds⁽¹⁾, as amended by Regulation (EEC) No 851/78⁽²⁾, laid down rules for granting the subsidy on oil seeds; whereas, under that Regulation, where the subsidy to be granted is fixed in advance, the amount of such subsidy must be equal to the amount applicable on the day on which the application for advance fixing was lodged, adjusted by the difference between the target price valid on that day and the target price valid on the day on which the seeds are placed under control at an oil mill and, where appropriate, a corrective amount; whereas Article 36 of Commission Regulation (EEC) No 1204/72 of 7 June 1972 laying down detailed rules for the application of the subsidy system for oil seeds⁽³⁾, as last amended by Regulation (EEC) No 45/83⁽⁴⁾, provides that such adjustment should involve increasing or reducing the amount of subsidy applicable on the day on which the application was lodged by the difference between the target price valid during the month during which the seeds were placed under control at an oil mill and the target price valid on the day on which the application was lodged;

Whereas the conditions for the sale of Community seeds and the situation of forward offers and prices on the world market make it necessary to extend the period of validity of the AP part of the certificate until the end of the sixth month following that during which the application was lodged;

Whereas Article 38 of Regulation (EEC) No 1204/72 provides that the corrective amount must be equal to the difference between the world market price for colza, rape and sunflower seeds and the forward price for those seeds valid for a shipment effected during the month in which the seeds were placed under control at an oil mill, those prices being determined in accordance with Articles 1, 4 and 5 of Regulation No 115/67/EEC; whereas, however, in respect of colza and rape seed, the price determined pursuant to Article 38 (2) (a) is to be adjusted in accordance with Article 5 (a) of Regulation No 115/67/EEC; whereas, if no offer and no price can be used for such determi-

Whereas the subsidy should be fixed whenever the market situation makes it necessary and in such a way as to ensure its being applied at least once a week ; whereas the subsidy may be altered whenever it becomes obvious that such alteration is necessary ;

Whereas, if the subsidy system is to operate normally, subsidies should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on the central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in

relation to the Community currencies referred to in the previous indent ;

COMMISSION REGULATION (EEC) No 81/83
of 13 January 1983
fixing the export refunds on malt

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organi-
zation of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1451/82⁽²⁾,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of those Regulations and prices for those
products within the Community may be covered by an
export refund ;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975 laying down general rules
for granting export refunds on cereals and criteria for
fixing the amount of such refunds⁽³⁾, provides that
when refunds are being fixed account must be taken of
the existing situation and the future trend with regard
to prices and availabilities of cereals on the Commu-
nity market on the one hand and prices for cereals and
cereal products on the world market on the other ;
whereas the same Article provides that it is also impor-
tant to ensure equilibrium and the natural develop-
ment of prices and trade on cereal markets and,
furthermore, to take into account the economic aspect
of the proposed exports, and the need to avoid distur-
bances on the Community market ;

Whereas Council Regulation (EEC) No 2744/75 of 29
October 1975 on the import and export system for
products processed from cereals and from rice⁽⁴⁾, as
last amended by Regulation (EEC) No 1459/82⁽⁵⁾,
defines the specific criteria to be taken into account

when the refund on these products is being calcu-
lated ;

Whereas it follows from applying these detailed rules
to the present situation on the market in products
processed from cereals and rice that the export refund
should be fixed at an amount which will cover the
difference between Community prices and world
market prices ;

Whereas the world market situation or the specific
requirements of certain markets may make it necessary
to vary the refund for certain products according to
destination ;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis :

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2.25 %, a rate of exchange based on
their central rate,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent ;

Whereas the refund must be fixed once a month ;
whereas it may be altered in the intervening period ;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Management
Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on malt listed in Article 1 (d) of
Regulation (EEC) No 2727/75 subject to Regulation
(EEC) No 2744/75 shall be as set out in the Annex
hereto.

Article 2

This Regulation shall enter into force on 14 January
1983.

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Articles 99 and 100 thereof,

Having regard to the proposal from the Commission,

Whereas, pursuant to Article 133 and to Part V 1 (a) of Annex VII to the 1972 Act of Accession, Denmark was granted a derogation regarding the application of certain provisions of Council Directive 69/169/EEC of 28 May 1969 on the harmonization of provisions laid down by law, regulation or administrative action relating to exemption from turnover tax and excise duty on imports in international travel⁽¹⁾, as last amended by Directive 82/443/EEC⁽²⁾; whereas this derogation was last extended by Directive 77/800/EEC⁽³⁾ adopted pursuant to Part V 1 (c) of Annex VII to the said Act of Accession;

Whereas the Danish Government has requested a further period to apply the harmonized rules stemming from Directive 69/169/EEC;

Whereas the tax system at present applied in Denmark does not yet allow the full application of such rules in Denmark without the risk of serious economic consequences;

Whereas, therefore, Denmark should be authorized to maintain provisionally the exceptional arrangements which it has enjoyed hitherto; whereas, however, in order to facilitate adaptation, provision should be made for the progressive adaptation of these arrangements to the harmonized Community rules,

COMMISSION DECISION

of 5 January 1983

**authorizing on a provisional basis the national measures concerning fisheries
notified by certain Member States to the Commission**

(83/3/EEC)

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Whereas certain Member States have notified to the
Commission national measures concerning fishing,
following the meeting of the Council of 21 December
1982 and the declaration of the Commission at that
meeting; whereas Belgium, Denmark and Greece have
not notified any such measures; whereas the Commis-
sion has decided to initiate the proceedings provided
for in Article 169 of the Treaty with respect to those
Member States; whereas, in view of the absence of
such notification, it has not yet been possible to
coordinate between Member States;

Whereas a 21-day period must be allowed to consider
whether the measures notified are well-founded and to
ensure that they are coordinated as between the
Member States;

Whereas it is appropriate for reasons of public order to
avoid conflicts arising during this period in the
absence of any provision applying to fishing in
Community waters,

HAS ADOPTED THIS DECISION:

Article 1

During a period to expire not later than 26 January
1983, fishing in Community waters shall be carried
out in compliance with the Commission's proposals.

Consequently the national measures notified to the
Commission by France, the Federal Republic of
Germany, Ireland, Italy, the Netherlands and the
United Kingdom and which correspond in their
results to the Commission's proposals are hereby
provisionally authorized for a period to expire not later
than 26 January 1983.

Article 2

This Decision shall be without prejudice to any sub-
sequent decisions adopted by the Commission in
which the substance of the measures notified shall be
assessed.

Article 3

This Decision is addressed to the Member States.
