COMMISSION REGULATION (EEC) No 1832/83

of 30 June 1983

fixing the adjustments to be made to certain refunds fixed in advance for milk and milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products ⁽¹⁾, as last amended by Regulation (EEC) No 1600/83 ⁽²⁾, and in particular Article 17 (4) thereof,

Whereas, under the third subparagraph of Article 5 (3) of Council Regulation (EEC) No 876/68 of 28 June 1968 laying down general rules for granting export refunds on milk and milk products and criteria for fixing the amount of such refunds ⁽³⁾, as last amended by Regulation (EEC) No 2429/72 ⁽⁴⁾, it is possible for refunds fixed in advance to be adjusted where there is a change in the intervention prices and in certain forms of aid;

Whereas Council Regulation (EEC) No 1205/83 ⁽⁵⁾ fixed the new intervention prices applicable for milk and milk products for the 1983/84 milk year;

Whereas, on 24 November 1982, the Commission announced its intention at the beginning of the new marketing year to bring refunds fixed in advance into line with the new intervention prices ⁽⁶⁾;

Whereas it is necessary, as already announced, to limit operation of the adjustment to cases where the export licence was applied for on or before the date on which the Council set the intervention prices for the 1983/84 milk year; whereas account must also be taken, on a standard basis, of the dates of production of the different milk products;

Whereas, under the third subparagraph of Article 5 (2) of Council Regulation (EEC) No 3035/80 ⁽⁷⁾, as last amended by Regulation (EEC) No 1028/83 ⁽⁸⁾, refunds fixed in advance for the products specified in the Annex to that Regulation are adjusted according to the rules applicable to the advance fixing of the refund on basic products exported unprocessed; whereas it is necessary, therefore, to provide that refunds fixed in advance in respect of the said products may also be adjusted accordingly;

Whereas this Regulation is supplemented by Commission Regulation (EEC) No 1833/83 of 30 June 1983 fixing the adjustments to be made to monetary compensatory amounts fixed in advance for milk and milk products ⁽⁹⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

- The adjustment per 100 kg of product falling within this subheading shall be equal to the sum of the following components:
- (a) the amount per kilogram shown, multiplied by the weight of the lactic part contained in 100 kg of product, however, where whey and/or lactose have been added to the product, the amount per kilogram shown shall be multiplied by the weight of lactic part excluding the weight of added whey and/or added lactose, contained in 100 kg of product;
- (b) on or after 1 July 1983, the amount of the adjustment, if any, calculated for the saccharose content in accordance with the provisions of Article 15 of Regulation (EEC) No 2016/82 (OJ No L 216, 24. 7. 1982, p. 25).
- (⁵) The adjustment on 100 kg of product falling within this subheading is equal to the sum of the following elements:
- (a) the amount per 100 kg shown; however, where whey and/or lactose have been added to the product, the amount per 100 kg shown shall be:
- multiplied by the weight of the lactic part other than the added whey and/or added lactose contained in 100 kg of product, and then,
 - divided by the weight of the lactic part contained in 100 kg of product;
- (b) on or after 1 July 1983, the amount of the adjustment, if any, calculated for the saccharose content in accordance with the provisions of Article 15 of Regulation (EEC) No 2016/82 (OJ No L 216, 24. 7. 1982, p. 25).
- (⁶) No adjustment shall be applicable to cheese rinds and cheese wastes falling within heading No 04.04 of the Common Customs Tariff. Products unfit as such for human consumption shall be regarded as cheese wastes.
- (⁷) This amount applies to the net weight, minus the weight of the brine.
- (⁸) 'Special compound feedingstuffs' are compound feedingstuffs containing skimmed-milk powder and fish meal and/or more than 9 g of iron and/or more than 1,2 g of copper in 100 kg of product.

COMMISSION REGULATION (EEC) No 1833/83

of 30 June 1983

**fixing the adjustments to be made to monetary compensatory amounts fixed in advance
for milk and milk products**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the
European Economic Community,

Having regard to Council Regulation (EEC) No
974/71 of 12 May 1971 on certain measures of
conjunctural policy to be taken in agriculture
following the temporary widening of the margins of
fluctuation for the currencies of certain Member
States ⁽¹⁾, as last amended by Regulation (EEC) No
3439/82 ⁽²⁾, and in particular Article 6 thereof,

Whereas the first indent of Article 7 (2) of
Commission Regulation (EEC) No 1160/82 of 14
May 1982 providing for the advance fixing of
monetary compensatory amounts ⁽³⁾ provides for an
optional adjustment to the monetary compensatory
amount fixed in advance where the levy or refund is
adjusted following a change in prices; whereas,
pursuant to Article 2 (1) and (3) of Commission
Regulation (EEC) No 1516/78 of 30 June 1978 on
adjustments to monetary compensatory amounts fixed
in advance and repealing Regulation (EEC) No
651/78 ⁽⁴⁾, such an adjustment to monetary
compensatory amounts applicable in respect of milk
products is to be made if adjustments to refunds fixed
in advance take place following a change in prices
expressed in ECU, while in respect of products not
covered by Annex II to the Treaty no adjustment is
provided for;

Whereas the refunds fixed in advance in the sector in
question were adjusted by Commission Regulation
(EEC) No 1832/83 ⁽⁵⁾; whereas the said adjustment
was made in order to take account of the increase in
intervention prices; whereas, for that reason,
monetary compensatory amounts fixed in advance
must be adjusted to the same extent; whereas,
pursuant to Article 3 of Regulation (EEC) No
1516/78, the adjustment is also to be on the basis of
both the price prevailing and the representative rate
applicable at the time when customs export
formalities are completed;

Whereas, for the sake of clarity, the amounts of the
adjustment to be made to compensatory amounts

should be fixed case by case; whereas, for the same
reason, only the adjustments fixed in respect of the
milk sector should be applied to milk products
containing certain quantities of products belonging to
other sectors;

Whereas the monetary compensatory amounts fixed
in advance which are the subject of the present
adjustment were fixed by Commission Regulations
(EEC) No 1235/82 ⁽⁶⁾ and (EEC) No 689/83 ⁽⁷⁾, as
last amended by Regulation (EEC) No 1108/83 ⁽⁸⁾;

Whereas calculating the amount to be granted and
the adjustment to be made pursuant to this Regu-
lation may create difficulties; whereas the different
steps to be performed should therefore be made clear;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the
Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

1. In the case of exports to non-member countries
of products listed in the Annex, for which the refund
was fixed in advance until 16 May 1983 inclusive, the
monetary compensatory amounts referred to in Part 5
of Annex I to Regulations (EEC) No 1235/82 and
(EEC) No 689/83 and fixed in advance until the
same date shall be adjusted by the amounts given in
the Annex to this Regulation, provided that the
refund fixed in advance in respect of the product in
question is adjusted in accordance with the provisions
of Regulation (EEC) No 1832/83.

2. The operative date:

- for the advance fixing of the monetary
compensatory amount, shall be the date on which
the application for advance fixing was lodged
within the meaning of Article 14 (1) of
Commission Regulation (EEC) No 3183/80 ⁽⁹⁾,
- for export, shall be the date on which the customs
formalities referred to in Article 22 (1) (b) of
Regulation (EEC) No 3183/80 are completed.

⁽⁹⁾ OJ No L 338, 13. 12. 1980, p. 1.

Article 2

In order to apply the adjustments given in the Annex:

- the refund fixed in advance in ECU shall be increased by the amount fixed by Regulation (EEC) No 1832/83,
- the result shall be multiplied by the monetary coefficient and then converted into national currency using the representative rate, the coefficient and rate being those which were fixed in advance at the time when the monetary compensatory amount was fixed in advance,

- the amount thus obtained shall be reduced or, where appropriate, increased by the monetary compensatory amount fixed in advance adjusted by the amount given in the Annex.

Article 3

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Notes

(³) The basic amount for 100 kg of product falling within this subheading shall be equal to the amount per 100 kg indicated multiplied by 100th of the weight of the lactic part contained in 100 kg of product. However, where whey and/or lactose have been added to the product, the amount resulting from the foregoing calculation shall be:

— multiplied by the weight of the non-fat lactic part, other than the added whey and/or lactose, contained in 100 kg of the product,

and then

— divided by the weight of the non-fat lactic part contained in 100 kg of the product.

(⁴) However, for butter or concentrated butter covered by the measures provided for:

— in Regulation (EEC) No 2192/81 (OJ No L 213, 1. 8. 1981) the amount indicated shall be multiplied by the coefficient 0,46;

— in Regulation (EEC) No 2191/81 (OJ No L 213, 1. 8. 1981) the amount indicated shall be multiplied by the coefficient 0,46;

— in Regulation (EEC) No 649/78 (OJ No L 86, 1. 4. 1978) the amount indicated shall be multiplied by the coefficient 0,47;

— in Regulation (EEC) No 262/79 (OJ No L 41, 16. 2. 1979), in Regulation (EEC) No 1468/79 (OJ No L 177, 14. 7. 1979) and in Regulation (EEC) No 1932/81 (OJ No L 191, 14. 7. 1981) the amount indicated shall be multiplied by:

— the coefficient 0,34 where the butter is to be used in formula A or formula C products,

— the coefficient 0,58 where the butter is to be used in formula B products.

(⁵) With respect to the cheese rinds and wastes, the adjustment amount applicable shall be that applicable to products falling within subheading 04.04 E I c) of the Common Customs Tariff, of a fat content, by weight, in the dry matter of 10 % or more. Products unfit as such for human consumption shall be regarded as cheese wastes.

THE COMMUNITY LEGAL ORDER

Jean-Victor LOUIS

The European Communities are not simply a forum of discussion and negotiation between States. Their institutional structure, far more complex and original than that of traditional international organizations, has given birth to a vast quantity of legislation, most of which can be relied upon directly before national courts. The Court of Justice of the three Communities is faced with a workload increasing year by year in its efforts both to clarify the interpretation of Community law for the benefit of national courts and to resolve disputes between the institutions and individuals or Member States. In short, the Communities constitute a unique legal order with a highly complex structure, which penetrates further every day into economic and social reality in the Member States, yet still remains largely unrecognized.

This work on 'The Community legal order' from the pen of Professor Jean-Victor Louis of the Free University of Brussels, published by the Commission of the European Communities, is designed to enable the reader, with very little expenditure of time, to familiarize himself with the main characteristics of this system. It is written in a form easily understood by the layman, but its precise information and critical approach make it equally suitable for use by lawyers as a work of reference.

Jean-Victor Louis — Born 10 January 1938 — Agrégé in international law, Brussels University (ULB), 1969 — Lecturer in Community law, ULB — Former Director and Research Director, European Studies Department, ULB — Director of the Cahiers de Droit Européen — Head of the Legal Department, Banque Nationale de Belgique — Author of 'Les règlements de la Communauté économique européenne' and, with others, of 'Le droit de la Communauté économique européenne', ed. THE CUSTOMS UNION OF THE EUROPEAN ECONOMIC COMMUNITY

Nikolaus VAULONT

Preface by Étienne DAVIGNON

In today's troubled economic climate, with all its implications for trade, the European Economic Community continues to make its presence felt by implementing major policies. Some of the most important — the common commercial and agricultural policies, development policy and the efforts to create a genuine internal market — are fundamentally dependent on the Customs Union.

This account of the workings of the Customs Union, elucidating its structure and the political dimension usually obscured by a mass of technical rules and regulations, should make one of the cornerstones of the common market more widely known.

This book, traces the development of the Customs Union from 1958 onwards and indicates the scope for further improvements in the future, particularly as regards progress towards a more clearly perceived freedom of movement of goods within the Community.

Nikolaus VAULONT. Born in 1937. Doctor of law (University of Bonn). Joined the Federal Republic of Germany's federal finance administration in 1967. Since 1971 has been an official at the Commission of the European Communities, where he is currently Assistant to the Director-General of the Customs Union Service.
