COMMISSION REGULATION (EEC) No 2301/83**of 11 August 1983****fixing the minimum levies on the importation of olive oil and levies on the importation of other olive oil sector products**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats ⁽¹⁾, as last amended by Regulation (EEC) No 1413/82 ⁽²⁾, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria ⁽³⁾, as last amended by Regulation (EEC) No 3488/82 ⁽⁴⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco ⁽⁵⁾, as last amended by Regulation (EEC) No 3488/82, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil originating in Tunisia ⁽⁶⁾, as last amended by Regulation (EEC) No 3488/82, and in particular Article 5 thereof,

Whereas by Regulation (EEC) No 3131/78 of 28 December 1978 ⁽¹⁰⁾ the Commission decided to use the tendering procedure to fix levies on olive oil;

Whereas Article 3 of Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender ⁽¹¹⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world market and the Community market and of the levy rates indicated by tenderers;

Whereas in the collection of the levy account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 8 and 9 August 1983 leads to the minimum levies being fixed as indicated in Annex I to this Regulation;

Whereas the import levy on olives falling within subheadings 07.01 N II and 07.03 A II of the Common Customs Tariff and on products falling within subheadings 15.17 B I and 23.04 A II of the Common Customs Tariff must be calculated from the minimum levy applicable on the olive oil contained in these products; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EEC) No 2303/83

of 5 August 1983

amending for the fourth time Regulation (EEC) No 1978/80 laying down detailed rules for the application of the special measures for soya beans

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1614/79 of 24 July 1979 laying down special measures in respect of soya beans ⁽¹⁾, as last amended by Regulation (EEC) No 1984/82 ⁽²⁾, and in particular Article 2 (6), the third paragraph of Article 3 and Article 4 thereof,

Whereas Council Regulation (EEC) No 2251/83 ⁽³⁾ extended for one year the period of application of the general rules on aid for soya beans laid down in Regulation (EEC) No 1724/80 ⁽⁴⁾ and made certain amendments thereto; whereas it is necessary to adjust the detailed rules governing this aid which are laid down in Commission Regulation (EEC) No 1978/80 ⁽⁵⁾, as last amended by Regulation (EEC) No 2650/82 ⁽⁶⁾;

Whereas the most representative period for the sale of Community soya beans should be fixed for the 1983/84 marketing year; whereas, given the anticipated sales pattern, the period 1 October 1983 to 31 March 1984 may be considered the most representative;

Whereas, in view of the special circumstances of soya bean production in the French overseas departments, it is necessary to fix a separate period as the most representative for the sale of soya beans harvested in these departments;

Whereas Article 4 (1) of Regulation (EEC) No 1978/80 specifies the information to be contained in the first purchaser's stock records; whereas experience indicates that this information should be more precise;

Whereas Article 2 (c) of Regulation (EEC) No 1724/80 lays down as one of the conditions for the granting of Community aid submission of certain declarations to

the competent agency of the relevant Member State; whereas for the sake of administrative simplicity the Member State should be permitted to decide what form these declarations should take;

Whereas, to facilitate proper management of the aid arrangements, it is necessary that the Member States should notify certain data concerning the aid to the Commission;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EEC) No 2304/83

of 11 August 1983

fixing the export refunds on milk and milk products

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No 804/68
of 27 June 1968 on the common organization of the
market in milk and milk products ⁽¹⁾, as last amended
by Regulation (EEC) No 1600/83 ⁽²⁾, and in particular
Article 17(4) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 17 of Regulation (EEC) No 804/68
provides that the difference between prices in inter-
national trade for the products listed in Article 1 of
that Regulation and prices for those products within
the Community may be covered by an export refund ;

Whereas Council Regulation (EEC) No 876/68 of 28
June 1968 laying down general rules for granting
export refunds on milk and milk products and criteria
for fixing the amount of such refunds ⁽³⁾, as amended
by Regulation (EEC) No 2429/72 ⁽⁴⁾, provides that
when the refunds on the products listed in Article 1 of
Regulation (EEC) No 804/68, exported in the natural
state, are being fixed account must be taken of :

- the existing situation and the future trend with
regard to prices and availabilities of milk and milk
products on the Community market and prices for
milk and milk products in international trade,
- marketing costs and the most favourable transport
charges from Community markets to ports or other
points of export in the Community, as well as costs
incurred in placing the goods on the market of the
country of destination,
- the aims of the common organization of the
market in milk and milk products which are to
ensure equilibrium and the natural development of
prices and trade on this market,

— the need to avoid disturbances on the Community
market, and

— the economic aspect of the proposed exports ;

Whereas Article 3(1) of Regulation (EEC) No 876/68
provides that when prices within the Community are
being determined account should be taken of the
ruling prices which are most favourable for expor-
tation, and that when prices in international trade are
being determined particular account should be taken
of :

- (a) prices ruling on third country markets ;
- (b) the most favourable prices in third countries of
destination for third country imports ;
- (c) producer prices recorded in exporting third coun-
tries, account being taken, where appropriate, of
subsidies granted by those countries ; and
- (d) free-at-Community-frontier offer prices ;

Whereas Article 4 of Regulation (EEC) No 876/68
provides that the world market situation or the specific
requirements of certain markets may make it necessary
to vary the refund on the products listed in Article 1
of Regulation (EEC) No 804/68, according to desti-
nation ;

Whereas Article 5(1) of Regulation (EEC) No 876/68
provides that the list of products on which export
refunds are granted and the amount of such refunds
should be fixed at least once every four weeks ;
whereas the amount of the refund may, however,
remain at the same level for more than four weeks ;

Whereas Article 2 of Commission Regulation (EEC)
No 1098/68 of 27 July 1968 on detailed rules for the
application of export refunds on milk and milk
products ⁽⁵⁾, as last amended by Regulation (EEC) No
2283/81 ⁽⁶⁾, provides that the refund on products
falling within subheading 04.02 B is equal to the sum
of two components, the first representing the quantity
of milk products and the second representing the
quantity of added sucrose ; whereas, however, the latter
component applies only if the added sucrose was
produced from beet or cane harvested within the
Community ;

⁽¹⁾ OJ No L 148, 28. 6. 1968, p. 13.

⁽²⁾ OJ No L 163, 22. 6. 1983, p. 56.

⁽³⁾ OJ No L 155, 3. 7. 1968, p. 1.

⁽⁴⁾ OJ No L 264, 23. 11. 1972, p. 1.

⁽⁵⁾ OJ No L 184, 29. 7. 1968, p. 10.

⁽⁶⁾ OJ No L 223, 8. 8. 1981, p. 10.

Whereas for the products falling within subheading 04.02 B II a) or 04.02 B II b) 1 with a fat content not exceeding 9,5 % by weight, the first component referred to above is fixed for 100 kilograms of the whole product ; whereas, for the other products falling within subheading 04.02 B, this component is calculated by multiplying the basic amount by the milk product content of the product in question ; whereas this basic amount is the refund on one kilogram of milk products contained in the product ;

Whereas the second component is calculated by multiplying the sucrose content of the product by the basic amount of the refund valid on the day of exportation for the products listed in Article 1 (1) (d) of Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾ ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent ;

Whereas the level of refund for cheeses is calculated for products intended for direct consumption ; whereas the cheese rinds and cheese wastes are not products intended for this purpose ; whereas, to avoid any confusion in interpretation, it should be specified that there will be no refund for these products which fall within heading No 04.04 ;

Whereas Commission Regulation (EEC) No 1420/83⁽²⁾ laid down additional provisions concerning the granting of refunds on the change from one milk

year to another ; whereas those provisions provide for different refunds according to the date of manufacture of the products ;

Whereas it follows from applying these detailed rules to the present situation on the market in milk and milk products, and in particular to prices for these products within the Community and on the world market, that the refund should be as set out in the Annex hereto ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION :

Article 1

1. The export refunds referred to in Article 17 of Regulation (EEC) No 804/68 on products exported in the natural state shall be as set out in the Annex hereto.

In accordance with Regulation (EEC) No 1420/83 the grant of the refund shown in column B is conditional on the production of proof that the product was manufactured during the 1983/84 milk year beginning on 23 May 1983.

However, in the case of the products falling within subheading 04.03 B or ex 23.07 B of the Common Customs Tariff, the refund shown in column B shall apply where it can be proved that the butter which was used as the raw material for the manufacture of products falling within subheading 04.03 B or the skimmed-milk powder incorporated in the products falling within subheading ex 23.07 B were manufactured after 22 May 1983.

An operator who has requested the advance fixing of the refund shall not be required, in the following cases, to provide the proof referred to in the preceding paragraphs where he is applying for the refund shown in column B. The refund per 100 kg of product falling within this subheading shall be equal to the sum of the following components :

- (a) the amount per kilogram shown, multiplied by the weight of the lactic part contained in 100 kg of product ; however, where whey and/or lactose have been added to the product, the amount per kilogram shown shall be multiplied by the weight of lactic part excluding the weight of added whey and/or added lactose, contained in 100 kg of product ;

- divided by the weight of the lactic part contained in 100 kg of product ;

- (b) a component calculated in accordance with the provisions of Article 2 (3) of Regulation (EEC) No 1098/68.

COMMISSION REGULATION (EEC) No 2307/83

of 11 August 1983

introducing a countervailing charge on certain varieties of plums originating in Yugoslavia

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables⁽¹⁾, as last amended by Regulation (EEC) No 2004/83⁽²⁾, and in particular the second subparagraph of Article 27 (2) thereof,

Whereas Article 25 (1) of Regulation (EEC) No 1035/72 provides that, if the entry price of a product imported from a third country remains at least 0,6 ECU below the reference price for two consecutive market days, a countervailing charge must be introduced in respect of the exporting country concerned, save in exceptional circumstances; whereas this charge is equal to the difference between the reference price and the arithmetic mean of the last two entry prices available for that exporting country;

Whereas Commission Regulation (EEC) No 1336/83 of 27 May 1983 fixing for the 1983 marketing year the reference prices for plums⁽³⁾ fixed the reference price for class I, group I, at 60,17 ECU per 100 kilograms net for the month of August 1983;

Whereas the entry price for a given exporting country is equal to the lowest representative prices recorded for at least 30 % of the quantities from the exporting country concerned which are marketed on all representative markets for which prices are available, less the duties, and the charges indicated in Article 24 (3) of Regulation (EEC) No 1035/72; whereas the meaning of representative price is defined in Article 24 (2) of Regulation (EEC) No 1035/72;

Whereas, in accordance with Article 3 (1) of Regulation (EEC) No 2118/74⁽⁴⁾, as last amended by Regulation (EEC) No 3011/81⁽⁵⁾, the prices to be taken into

consideration must be recorded on the representative markets or, in certain circumstances, on other markets;

Whereas, for Yugoslav plums of group I, the entry price calculated in this way has remained at least 0,6 ECU below the reference price for two consecutive market days; whereas a countervailing charge should therefore be introduced for these plums;

Whereas, if the system is to operate normally, the entry price should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent,

HAS ADOPTED THIS REGULATION:

Article 1

A countervailing charge of 11,23 ECU per 100 kilograms net is applied to plums (subheading 08.07 D of the Common Customs Tariff), of varieties other than Altesse simple (common quetsche, Hauszwetschge), Reine-Claude d'Oullins (Oullins Gage), Sveskeblommer, Ruth Gerstetter, Ontario, Wangenheimer (early Wangenheim quetsche), Pershore (Yellow Egg), Mirabelle and Bosniche, originating in Yugoslavia.

COMMISSION REGULATION (EEC) No 2309/83

of 11 August 1983

fixing the export refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organi-
zation of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1451/82⁽²⁾,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of that Regulation and prices for those
products in the Community may be covered by an
export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975 laying down general rules
for granting export refunds on cereals and criteria for
fixing the amount of such refunds⁽³⁾, provides that
when refunds are being fixed, account must be taken
of the existing situation and the future trend with
regard to prices and availabilities of cereals on the
Community market on the one hand, and prices for
cereals and cereal products on the world market on
the other; whereas the same Article provides that it is
also important to ensure equilibrium and the natural
development of prices and trade on cereal markets
and, furthermore, to take into account the economic
aspect of the proposed exports and the need to avoid
disturbances on the Community market;

Whereas Article 3 of Regulation (EEC) No 2746/75
defines the specific criteria to be taken into account
when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as
wheat and rye flour, groats and meal are concerned, in
Article 4 of Regulation (EEC) No 2746/75; whereas
furthermore, when the refund on these products is
being calculated, account must be taken of the quanti-
ties of cereals required for their manufacture; whereas
these quantities were fixed in Regulation No 162/

67/EEC⁽⁴⁾, as amended by Regulation (EEC) No
1607/71⁽⁵⁾;

Whereas the world market situation or the specific
requirements of certain markets may make it necessary
to vary the refund for certain products according to
destination;

Whereas the refund must be fixed once a month;
whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2,25 %, a rate of exchange based on
their central rate,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas it follows from applying the detailed rules set
out above to the present situation on the market in
cereals, and in particular to quotations or prices for
these products within the Community and on the
world market, that the refunds should be as set out in
the Annex hereto;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Management
Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1
(a), (b) and (c) of Regulation (EEC) No 2727/75,
exported in the natural state, shall be as set out in the
Annex hereto.

COMMISSION REGULATION (EEC) No 2313/83
of 11 August 1983
fixing the export refunds on malt

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organi-
zation of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1451/82⁽²⁾,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of those Regulations and prices for those
products within the Community may be covered by an
export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975 laying down general rules
for granting export refunds on cereals and criteria for
fixing the amount of such refunds⁽³⁾, provides that
when refunds are being fixed account must be taken of
the existing situation and the future trend with regard
to prices and availabilities of cereals on the Commu-
nity market on the one hand and prices for cereals and
cereal products on the world market on the other;
whereas the same Article provides that it is also impor-
tant to ensure equilibrium and the natural develop-
ment of prices and trade on cereal markets and,
furthermore, to take into account the economic aspect
of the proposed exports, and the need to avoid distur-
bances on the Community market;

Whereas Council Regulation (EEC) No 2744/75 of 29
October 1975 on the import and export system for
products processed from cereals and from rice⁽⁴⁾, as
last amended by Regulation (EEC) No 414/83⁽⁵⁾,
defines the specific criteria to be taken into account

when the refund on these products is being calcu-
lated;

Whereas it follows from applying these detailed rules
to the present situation on the market in products
processed from cereals and rice that the export refund
should be fixed at an amount which will cover the
difference between Community prices and world
market prices;

Whereas the world market situation or the specific
requirements of certain markets may make it necessary
to vary the refund for certain products according to
destination;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2,25 %, a rate of exchange based on
their central rate,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas the refund must be fixed once a month;
whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Management
Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on malt listed in Article 1 (d) of
Regulation (EEC) No 2727/75 subject to Regulation
(EEC) No 2744/75 shall be as set out in the Annex
hereto.

Article 2

This Regulation shall enter into force on 12 August
1983.

⁽²⁾ OJ No L 164, 14. 6. 1982, p. 1.

⁽⁴⁾ OJ No L 281, 1. 11. 1975, p. 65.

⁽⁵⁾ OJ No L 51, 24. 2. 1983, p. 1.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 11 August 1983.
