COUNCIL REGULATION (EEC) No 1462/84**of 24 May 1984****amending Regulation (EEC) No 2169/81 laying down the general rules for the system of aid for cotton**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the 1979 Act of Accession, and in particular paragraph 9 of Protocol 4 on cotton, hereinafter referred to as 'the Protocol',

Having regard to the proposal from the Commission,

Whereas the Protocol provides for the granting of an aid for cotton production, the amount of which is established on the basis of the difference existing between a guide price and the world market price for unginned cotton; whereas, for determination of the latter, the price of cotton seed is an important factor;

Whereas the second subparagraph of Article 4 (1) of Regulation (EEC) No 2169/81 ⁽¹⁾, as last amended by Regulation (EEC) No 1109/84 ⁽²⁾, lays down, by derogation from the first subparagraph of Article 4 (1), and until the end of the 1983/84 marketing year, for determination of the world market price for cotton seed, that account is to be taken of prices and quotations recorded on the Greek market, in view of the system of import controls applicable in Greece until the end of 1983 which was introduced under Article 82 of the 1979 Act of Accession;

Whereas the second subparagraph of Article 4 (4) of Regulation (EEC) No 2169/81 lays down, by deroga-

tion from the first subparagraph of that paragraph, that until the end of the 1983/84 marketing year, offers and quotations recorded on the principal Greek exchanges for the products referred to in the first subparagraph of that paragraph are to be taken into consideration;

Whereas, despite termination of the system of import controls applicable in Greece at the end of 1983, offers on the world market for cotton seed and cotton seed oil and prices quoted on the major international exchanges are likely not to become representative for the trend of the Community market in these products during the 1984/85 marketing year; whereas, in order to guarantee correct application of the system of aid for cotton during the marketing year in question, the derogation laid down in the second subparagraph of Article 4 (1) and in the second subparagraph of Article 4 (4) of Regulation (EEC) No 2169/81 should be extended for a further marketing year,

HAS ADOPTED THIS REGULATION:

Article 1

In the second subparagraph of Article 4 (1) and in the second subparagraph of Article 4 (4) of Regulation (EEC) No 2169/81, '1983/84' is hereby replaced by '1984/85'.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

COUNCIL REGULATION (EEC) No 1463/84**of 24 May 1984****on the organization of surveys on the structure of agricultural holdings for 1985
and for 1987**

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to the proposal from the Commission ⁽¹⁾,

Having regard to the opinion of the European Parliament ⁽²⁾,

Whereas trends in the structure of agricultural holdings are an important factor in determining the development of the common agricultural policy; whereas implementation of the programme of Community statistical surveys providing for a series of surveys on the structure of agricultural holdings should continue in 1985 and 1987, the most recent of such surveys having been conducted pursuant to Regulations (EEC) No 218/78 ⁽³⁾ and (EEC) No 449/82 ⁽⁴⁾;

Whereas such trends cannot be examined at Community level unless comparable data are available for all of the Member States; whereas it is therefore necessary to continue previous harmonization efforts;

Whereas it is necessary to achieve the stated aims while reducing as far as possible the burden of work on the Member States and the Commission;

Whereas, with minor changes, the characteristics and definitions laid down by Regulation (EEC) No 449/82 and Decision 83/461/EEC ⁽⁵⁾ and the Community outline of the schedule of tables, the standard code and the detailed rules for the transcription onto magnetic tape of the data, laid down in Decision 83/460/EEC ⁽⁶⁾, should be retained;

Whereas the coordinating role carried out by the Statistical Office of the European Communities is necessary to ensure uniform analysis of the results obtained and to meet the Community requirements for information in the field in question;

Whereas, in order to facilitate the implementation of the provisions of this Regulation, close cooperation between the Member States and the Commission should continue, in particular via the Standing Committee for Agricultural Statistics set up by Decision 72/279/EEC ⁽⁷⁾,

HAS ADOPTED THIS REGULATION:

Article 1

Member States shall, as part of the programme of Community statistical surveys, carry out surveys on the structure of the agricultural holdings in their territories (hereinafter referred to as 'the surveys') covering the crop year corresponding to the crop to be harvested in 1985 and 1987 respectively.

Article 2

The surveys shall be conducted in one or more stages by means of exhaustive enquiries or random sample surveys between 1 December 1984 and 1 March 1986 and between 1 December 1986 and 1 March 1988 respectively.

Article 3

For the purposes of applying this Regulation:

Article 4

The surveys shall cover:

- (a) agricultural holdings where the agricultural area utilized for farming is one hectare or more;
- (b) agricultural holdings where the agricultural area utilized for farming is less than one hectare, if they produce a certain proportion for sale or if their production unit exceeds certain physical units.

Article 5

1. In the case of combined crops, the agricultural area utilized for farming shall be allocated between the various crops in proportion to the amount of land the latter take up.

2. The area used for secondary successive crops shall be recorded separately from the area used for farming.

The definitions relating to these characteristics shall be those laid down in Decision 83/461/EEC, and any changes shall be adopted in accordance with the procedure laid down in Article 12 of this Regulation.

2. Where, for the purpose of applying the Community typology for agricultural holdings in certain Member States, standard gross margins have been established relating to subdivisions of certain characteristics listed in the Annex, the Member States concerned shall collect all information necessary to permit the application of these standard gross margins.

Article 7

Member States conducting sample surveys shall as far as possible take the necessary steps to achieve for the needs of the communities results that are as reliable as possible at the various levels of aggregation required by Article 8 (b) and (c).

Article 8

For the purposes of the surveys, Member States shall :

- (a) devise questionnaires appropriate to the collection of the information provided for in Article 6 ;
- (b) subsequent to checking and correction, where appropriate, of the information collected, set out the results of each survey at national and regional levels in the form of tables drawn up in accordance with a Community outline. The schedule for these tables shall be drawn up in accordance with the procedure laid down in Article 12 ;
- (c) with the exception of the Netherlands, give the results of each survey in tabular form broken down by 'less-favoured agricultural areas' within the meaning of Article 3 of Directive 75/268/EEC⁽¹⁾, and by 'mountain areas' within the meaning of paragraph 3 of that Article. The Commission shall determine jointly with the Member State concerned, groupings of these areas ;

- (e) subsequent to control and correction, where appropriate, of the tabular results, submit the magnetic tapes referred to in (d) to the Statistical Office of the European Communities in one or more stages at the latest by 1 March 1987 or 1 March 1989 respectively. If, by the deadline set out above, a Member State cannot submit all tabular results, the Member State concerned shall notify the Commission.

After bilateral contacts between the Commission and the Member State concerned, new deadlines for submitting the results shall be set ; where the delay is considerable, the Commission shall set a new deadline in accordance with Article 12 ;

- (f) furnish the Commission, as necessary, with any information it may request from them concerning the performance of their tasks under this Regulation.

Article 9

The results referred to in Article 8 (b) and (c) and in Article 11 shall be communicated to the Statistical Office of the European Communities in such a form that the holdings concerned cannot be identified.

Article 10

The Commission shall be responsible for :

- (a) having the data provided for in Article 8 (d) aggregated to Community level by the Statistical Office of the European Communities ;
- (b) dissemination of the results of the surveys in consultation with Member States. This shall take place within six months following the delivery of definitive results from all Member States.

Article 11

COMMISSION REGULATION (EEC) No 1467/84**of 28 May 1984****altering the components used to calculate the differential amounts for colza,
rape and sunflower seed**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the establishment of a
common organization of the market in oils and fats ⁽¹⁾,
as last amended by Regulation (EEC) No 1413/82 ⁽²⁾,

Having regard to Council Regulation (EEC) No
1223/83 of 20 May 1983 on the exchange rates to be
applied in agriculture ⁽³⁾, as last amended by Regula-
tion (EEC) No 855/84 ⁽⁴⁾,

Having regard to Council Regulation (EEC) No
1569/72 of 20 July 1972 laying down special measures
for colza, rape and sunflower seed ⁽⁵⁾, as last amended
by Regulation (EEC) No 2027/83 ⁽⁶⁾, and in particular
Article 2 (3) thereof,

Whereas Commission Regulation (EEC) No 2300/73
of 23 August 1973 ⁽⁷⁾, as last amended by Regulation
(EEC) No 699/84 ⁽⁸⁾, laid down detailed rules of appli-
cation for Regulation (EEC) No 1569/72; whereas,
pursuant to Article 2 (2) of Regulation (EEC) No
1569/72, forward differential amounts are to be deter-
mined where the forward exchange rate for one or
more currencies differs from the spot rate by at least a
given percentage;

Whereas the components used to calculate the
differential amounts were fixed by Regulation (EEC)

No 888/84 ⁽⁹⁾, as last amended by Regulation (EEC)
No 1394/84 ⁽¹⁰⁾;

Whereas, for the period 9 to 15 May 1984, for certain
currencies:

— for certain following months the difference
referred to in Article 2 (2) of Regulation (EEC) No
1569/72 exceeds 0,5 %; whereas this difference in
the case of certain forward differential amounts
differs by more than one point from the percen-
tage adopted for the previous fixing;

Whereas these facts should be taken into account for
the fixing of the components used to calculate the
differential amounts for colza, rape and sunflower seed
where those components are already applied in respect
of the Member State concerned,

HAS ADOPTED THIS REGULATION:

Article 1

The Annexes to Regulation (EEC) No 888/84 are
hereby replaced by the Annexes hereto.

Article 2

This Regulation shall enter into force on 1 June 1984.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

OPENING OF THE HISTORICAL ARCHIVES OF THE EUROPEAN COMMUNITIES

Rarely can it have been so easy to trace the origins of such a momentous and deep-rooted phenomenon as the construction of Europe. The Community's birth certificate was made out on a particular day and entered in a completely new register. Many of the witnesses to it are still alive and some 30 years on, the great debate that surrounded the Community's birth is firmly entrenched in our memories. The event is not so recent that we cannot call it to mind with the objectivity that comes with time, nor so remote that there is no living memory of it. In fact, the time is just right. The opening of the archives will allow historians to take over from the newswriters, and researchers will be able to certify the evidence.

The Communities intend to record this event with the publication of this guide: its purpose is to inform of the historical context of the European Communities and of the documentary sources in the Communities' archives.
