COMMISSION DECISION No 3249/84/ECSC**of 21 November 1984****amending Decision No 3716/83/ECSC establishing a guarantee system for certain steel products and a system for the verification of the minimum prices**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community,

Having regard to Commission Decision No 3716/83/ECSC of 23 December 1983 establishing a guarantee system for certain steel products and a system for the verification of the minimum prices⁽¹⁾, and in particular Article 4 thereof,

Whereas :

The guarantee system is intended to strengthen the system of monitoring and production quotas and the minimum prices system.

In order to ensure that the steel undertakings fulfil their obligations under these two arrangements, it was provided that they should entrust the requisite verifications to an auditing company or other body authorized to carry out that function.

Experience has shown that the reinforced checks have produced the desired result ; nevertheless, since that time, the definition of the powers of verification of officials and agents of the Commission given in Commission Decision No 379/84/ECSC⁽²⁾ has contributed to an increase in the number and effectiveness of the checks applied.

It is important to ensure that there is no build-up in time of the verification operations and that they should not concentrate on the same matters, as they would thus impair the smooth operation of the departments in the steel undertakings.

In these circumstances, and in order to avoid excessive financial burdens to the undertakings, it is appropriate to restrict the number of checks and to entrust them exclusively to officials and agents of the Commission.

For the abovementioned reasons and in the light of the experience obtained, which has allowed the Commission to make technical amendments to Decision No 3716/83/ECSC, Article 3 of the said Decision should be repealed,

HAS ADOPTED THIS DECISION :

Article 1

Article 3 of Decision No 3716/83/ECSC is hereby repealed.

Article 2

This Decision shall enter into force on 1 January 1985.

This Decision shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 3251/84**of 21 November 1984****re-establishing the levying of customs duties on activated carbon, falling within subheading 38.03 A, originating in the Philippines, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3569/83 apply**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3569/83 of 16 December 1983 applying generalized tariff preferences for 1984 in respect of certain industrial products originating in developing countries⁽¹⁾, and in particular Article 13 thereof,

Whereas, pursuant to Article 1 of that Regulation, duties on the products listed in Annex B originating in each of the countries or territories listed in Annex C shall be totally suspended and the products as such shall, as a general rule, be subject to statistical surveillance every three months on the individual ceiling referred to in Article 12; whereas, as provided for in Article 12, where the increase of preferential imports of these products, originating in one or more beneficiary countries, causes, or threatens to cause, economic difficulties in the Community or in a region of the Community, the levying of customs duties may be re-established, once the Commission has had an appropriate exchange of information with the Member States; whereas for this purpose the individual ceiling to be considered shall be, as a general rule, 150 % of the highest maximum amount valid for 1980;

Whereas, in the case of activated carbon falling within subheading 38.03 A the individual ceiling is fixed at 322 500 ECU; whereas, on 19 November 1984, imports of these products into the Community, originating in the Philippines, reached the individual ceiling in question after being charged thereagainst;

whereas the exchange of information organized by the Commission has demonstrated that continuance of the preference threatens to cause economic difficulties in a region of the Community;

Whereas, therefore, customs duties in respect of the products in question must be re-established against the Philippines,

HAS ADOPTED THIS REGULATION:

Article 1

As from 25 November 1984, the levying of customs duties, suspended pursuant to Council Regulation (EEC) No 3569/83, shall be re-established on imports into the Community of the following products originating in the Philippines:

COMMISSION REGULATION (EEC) No 3253/84

of 21 November 1984

altering the import levies on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1018/84⁽²⁾, and in particular Article 14 (4) thereof,

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas these exchange rates being those recorded on 20 November 1984;

Whereas the levy on the basic product as last fixed differs from the average levy by more than 3,02 ECU per tonne of basic product; whereas, pursuant to Article 1 of Regulation (EEC) No 1579/74⁽¹³⁾, the levies at present in force must therefore be altered to the amounts set out in the Annex hereto,

**Guide to the provisions applying to the international carriage of passengers by road by
means of occasional coach and bus services**

This practical guide for transport firms is intended to bring about an improvement in the understanding and application of the provisions governing most of the occasional international coach and bus services in Western Europe.

The guide — which contains practical examples — makes a comparative analysis of the rules to which these services are subject under Community rules and the rules established by the Agreement on the International Carriage of Passengers by Road by means of Occasional Coach and Bus Services (ASOR).
