COMMISSION REGULATION (EEC) No 3461/84

of 10 December 1984

introducing a countervailing charge on apples originating in Hungary

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1035/72 of 18 May 1972 on the common organization
of the market in fruit and vegetables⁽¹⁾, as last
amended by Regulation (EEC) No 1332/84⁽²⁾, and in
particular the second subparagraph of Article 27 (2)
thereof,

Whereas Article 25 (1) of Regulation (EEC) No
1035/72 provides that, if the entry price of a product
imported from a third country remains at least 0,6
ECU below the reference price for two consecutive
market days, a countervailing charge must be intro-
duced in respect of the exporting country concerned,
save in exceptional circumstances; whereas this charge
is equal to the difference between the reference price
and the arithmetic mean of the last two entry prices
available for that exporting country;

Whereas Commission Regulation (EEC) No 1879/84
of 2 July 1984 fixing for the 1984/85 marketing year
the reference prices for apples⁽³⁾ fixed the reference
price for products of class I for December 1984 at
41,97 ECU per 100 kilograms net;

Whereas the entry price for a given exporting country
is equal to the lowest representative prices recorded for
at least 30 % of the quantities from the exporting
country concerned which are marketed on all repre-
sentative markets for which prices are available less the
duties and the charges indicated in Article 24 (3) of
Regulation (EEC) No 1035/72; whereas the meaning
of representative price is defined in Article 24 (2) of
Regulation (EEC) No 1035/72;

Whereas, in accordance with Article 3 (1) of Regula-
tion (EEC) No 2118/74⁽⁴⁾, as last amended by Regula-
tion (EEC) No 3110/83⁽⁵⁾, the prices to be taken into

consideration must be recorded on the representative
markets or, in certain circumstances, on other
markets;

Whereas, for Hungarian apples, the entry price calcu-
lated in this way has remained at least 0,6 ECU below
the reference price for two consecutive market days;
whereas a countervailing charge should therefore be
introduced for these apples;

Whereas, if the system is to operate normally, the
entry price should be calculated on the following
basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2,25 %, a rate of exchange based on
their central rate, multiplied by the coefficient
provided for in Article 2b (2) of Regulation (EEC)
No 974/71⁽⁶⁾, as last amended by Regulation (EEC)
No 855/84⁽⁷⁾,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded over a given period in
relation to the Community currencies referred to
in the previous indent, and the aforesaid coeffi-
cient,

HAS ADOPTED THIS REGULATION:

Article 1

A countervailing charge of 4,33 ECU per 100 kilo-
grams net is applied to apples (subheading 08.06 A II
of the Common Customs Tariff) originating in
Hungary.

COMMISSION REGULATION (EEC) No 3462/84

of 10 December 1984

amending the provisions implementing monetary compensatory amounts with effect from 1 January 1985 in respect of intervention butter and skimmed-milk powder sold at a reduced price

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 974/71 of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States⁽¹⁾, as last amended by Regulation (EEC) No 855/84⁽²⁾, and in particular Article 6 thereof,

Whereas Article 7 (1) of Commission Regulation (EEC) No 1160/82 of 14 May 1982 providing for the advance fixing of monetary compensatory amounts⁽³⁾ provides that monetary compensatory amounts fixed in advance are to be adjusted if a new representative rate comes into effect while a certificate is valid; whereas the new rate must have been decided on before the application for advance fixing is lodged; whereas this situation will arise on 1 January 1985 in the case of Germany and the Netherlands;

Whereas the monetary compensatory amounts introduced by Regulation (EEC) No 974/71 were fixed by Commission Regulation (EEC) No 900/84⁽⁴⁾, as last amended by Regulation (EEC) No 3395/84⁽⁵⁾; whereas Annex IV to the said Regulation sets out the coefficients to be applied to monetary compensatory amounts fixed in advance for milk and milk products to be exported on or after 1 January 1985;

Whereas, under Commission Regulation (EEC) No 2268/84⁽⁶⁾, as last amended by Regulation (EEC) No 3457/84⁽⁷⁾, Commission Regulation (EEC) No 2278/84⁽⁸⁾, as last amended by Regulation (EEC) No 2815/84⁽⁹⁾, and Commission Regulation (EEC) No 2956/84⁽¹⁰⁾, as last amended by Regulation (EEC) No 3457/84, butter in public intervention storage has been made available to exporters at a reduced price for export to certain third countries; whereas the said Regulations provide that the purchase price of this butter is not to be affected by any changes to representative rates during the life of a contract; whereas the

adjustment of monetary compensatory amounts fixed in advance before 1 January 1985, as provided for in Article 7 (1) of Regulation (EEC) No 1160/82, should not be carried out in respect of intervention butter sold at a reduced price for export from Germany and/or the Netherlands on or after that date;

Whereas the monetary compensatory amounts applying in Germany and the Netherlands are to be adjusted from 1 January 1985 as a result of the introduction of new representative rates; whereas, however, monetary compensatory amounts should remain unchanged in respect of butter sold under Regulations (EEC) No 2268/84, (EEC) No 2278/84 and (EEC) No 2956/84 before 1 January 1985 and shipped to another Member State on or after that date for processing into butteroil prior to being exported;

Whereas monetary compensatory amounts should also remain unchanged in respect of butter sold during December 1984 under Commission Regulation (EEC) No 262/79⁽¹¹⁾, as last amended by Regulation (EEC) No 2927/84⁽¹²⁾, and in respect of skimmed-milk powder sold during the same month under Commission Regulation (EEC) No 368/77⁽¹³⁾, as last amended by Regulation (EEC) No 3031/84⁽¹⁴⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

Monetary compensatory amounts fixed in advance before 1 January 1985 in respect of intervention butter sold before that date under Regulations (EEC) No 2268/84, (EEC) No 2278/84 and (EEC) No 2956/84 for export on or after 1 January 1985 as butter or in the form of another product falling within heading No 04.03 of the Common Customs Tariff shall not be subject to the coefficients set out in Annex IV to Regulation (EEC) No 900/84 for Germany and the Netherlands.

COMMISSION DECISION

of 23 November 1984

relating to a proceeding under Article 85 of the EEC Treaty

(IV/28.775 — UNIDI)

(Only the Italian text is authentic)

(84/588/EEC)

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Whereas :

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 17, First
Regulation implementing Articles 85 and 86 of the
Treaty ⁽¹⁾, as last amended by the Act of Accession of
Greece, and in particular Articles 6 and 8 thereof,

Having regard to Commission Decision 75/498/
EEC ⁽²⁾ granting an exemption under Article 85 (3) of
the Treaty until 31 December 1983 for the decision by
the Unione Nazionale Industrie Dentarie Italiane
(UNIDI) setting out the rules governing Expo Dental
(dental equipment) exhibitions,

Having regard to the application made by UNIDI on
28 November 1983 for a renewal of the Decision,

Having published a summary of the Expo Dental
rules ⁽³⁾, in accordance with Article 19 (3) of Regulation
No 17,

Having consulted the Advisory Committee on Restrictive
Practices and Dominant Positions,

I

- (1) UNIDI is a private association of dental equipment manufacturers founded in Milan on 27 May 1969. Its objects include the advertising, both in Italy and elsewhere, of the products of member firms and the promotion of their sales through approaches to public or other official bodies and by means of national and international fairs and exhibitions held under the name of 'Expo Dental'. On 21 December 1973 the association sought negative clearance or exemption under Article 85 (3) for its decision laying down rules for Expo Dental exhibitions. The Commission granted an exemption on 17 July 1975. The association has now applied for a renewal of the exemption.
- (2) Membership of the association is open to any firm manufacturing products for use in dentistry which is registered with an Italian Chamber of Commerce, Industry, Crafts and Agriculture. Virtually all (98 %) Italian dental equipment manufacturers are members, and the association currently numbers 120 firms.
- (3) An association of dental equipment dealers (ANCAD — Associazione nazionale commercianti articoli dentari) is regularly invited to assist

UNIDI in organizing Expo Dental exhibitions. However, UNIDI alone is responsible for the organization and it determines the general policy to be followed.

(4) The only changes that have occurred in the Expo Dental rules since Decision 75/498/EEC are as follows :

- (a) Since 1983 Expo Dental exhibitions have been held every year instead of once every 18 months and the period prior to Expo Dental exhibitions during which exhibitors are banned from participating directly or indirectly in other exhibitions has been reduced accordingly from nine to six months.
- (b) Exhibitors refused admission to or expelled from an Expo Dental exhibition now have a right of appeal within eight days to an arbitration panel.

For the other main provisions of the Expo Dental rules, reference is made to Decision 75/498/EEC.

(5) Since that Decision, Expo Dental exhibitions have been held in Bologna in 1976, Genoa in 1977, Milan in 1979, Genoa in 1980, Milan in 1982, Bari in 1983 and Turin in 1984.

(6) During this period there were a number of cases of exhibitors being barred from Expo Dental exhibitions for breaches of the rules. To ensure that the rules are applied objectively in such cases, UNIDI has now introduced, at the Commission's request, the appeal procedure referred to in 4 (b) above.

(7) The Decision of 17 July 1975 reported certain trends in the forms of promotional activity used for dental equipment. These trends have continued :

- a decline in attendance at general exhibitions in favour of 'open houses' ⁽¹⁾, congresses and specialized exhibitions,
- use of traditional sales methods such as sending of sales literature and calls by sales representatives,
- the organization in Italy by dental associations of other Member States of congresses linked with exhibitions,

⁽¹⁾ Local exhibitions held on the premises of a manufacturer, or a representative or dealer, or in a hotel, where customers may inspect the range of products manufactured by a particular firm.

- the predominance of Expo Dental, which is the only exhibition in Italy representing the entire dental equipment industry and is attended by 60 to 70 % of its potential customers, that is, dentists and dental technicians.

(8) Following publication of the notice pursuant to Article 19 (3) of Regulation No 17, the Commission received no comments from third parties which might alter its assessment of the Expo Dental rules.

II

(9) For the same reasons as were given in Decision 75/498/EEC the following provisions of the rules for Expo Dental exhibitions, which constitute a decision of an association of undertakings, fall within the scope of Article 85 (1) of the Treaty :

- the prohibition on exhibitors participating, either directly, or indirectly through representatives or advertising, in other similar dental exhibitions in Italy during the six months prior to an Expo Dental exhibition,
- the right to refuse exhibitors who are in breach of the rule referred to in the previous paragraph admission to, or expel them from, the current Expo Dental exhibition or to bar them from the next Expo Dental exhibition.

III

(10) The amendments which UNIDI has made to its rules for Expo Dental exhibitions (paragraph 4 (b)) make the application of the rules more objective. In these circumstances, Decision 75/498/EEC can be renewed under Article 8 (2) of Regulation No 17 since the requirements of Article 85 (3) continue to be satisfied, for the same reasons as were given in the original Decision. The Expo Dental rules cause dental equipment suppliers to concentrate their exhibition activity on this particular event, where virtually all the dental products available on the Italian market at any one time are on show. Besides being more economical, this also stimulates competition between the suppliers and encourages technical progress. It is also more convenient for users since they can gain a full picture of what the Italian market has to offer and enter

into direct contact with all the manufacturers and their distributors represented on that market without having to travel to many different exhibitions. The Expo Dental rules do not impose restrictions which are not indispensable to attainment of the advantages of a concentration of dental exhibitions in Italy and do not eliminate competition between the undertaking concerned.

- (11) Therefore, UNIDI's application for renewal of Decision 75/498/EEC may be granted and the Decision renewed for a period expiring on 31 December 1993.
- (12) For the same reasons as were given in Decision 75/498/EEC, it is necessary to attach obligations to this Decision,

HAS ADOPTED THIS REGULATION:

Article 1

Decision 75/498/EEC is hereby renewed until 31 December 1993.

Article 2

UNIDI shall immediately inform the Commission of any refusal to admit an exhibitor to or expulsion of an exhibitor from any Expo Dental exhibition.

Article 3

The Decision is addressed to Unione Nazionale Industrie Dentarie Italiane (UNIDI), via Fratelli Ruffini 9, Milan, Italy.

COMMISSION DECISION**of 28 November 1984****concerning the implementation by Greece of certain measures to adjust capacity
in the fisheries sector pursuant to Council Directive 83/515/EEC****(Only the Greek text is authentic)****(84/589/EEC)**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Directive 83/515/EEC of 4
October 1983 concerning certain measures to adjust
capacity in the fisheries sector ⁽¹⁾, hereinafter referred
to as the Directive, and in particular Article 7 (1)
thereof,

Whereas the Government of Greece intends to intro-
duce a system of financial aids for measures involving
the temporary and permanent reduction of production
capacity in the fisheries sector; whereas on 18 April
and 6 June 1984 it communicated the information
concerning this scheme required under Article 6 of
Directive 83/515/EEC;

Whereas, in accordance with Article 7 of the Directive,
the Commission has considered whether, having
regard to their compatibility with the Directive and to
the other structural measures existing or planned in
the fisheries sector, the measures contemplated fulfil
the conditions for financial contributions from the
Community;

Whereas this Decision does not relate to aid granted
under Article 12 of the Directive;

Whereas this Decision is in accordance with the
opinion of the Standing Committee on Fisheries
Structures,

HAS ADOPTED THIS DECISION:

ment a financial aid scheme for measures involving
the temporary and definitive reduction of production
capacities fulfil the conditions for a financial contribu-

COMMISSION DECISION**of 30 November 1984****approving a programme for the fishery products sector in Greece under Council Regulation (EEC) No 355/77****(Only the Greek text is authentic)****(84/590/EEC)**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 355/77 of 15 February 1977 on common measures to improve the conditions under which agricultural products are processed and marketed ⁽¹⁾, as last amended by Regulation (EEC) No 1932/84 ⁽²⁾, and in particular Article 5 thereof,

Whereas the Greek Government forwarded a programme for the fisheries sector in Greece on 19 December 1983; whereas it forwarded last additional information concerning that programme on 27 July 1984;

Whereas the said programme envisages further increasing the value of the resources available; whereas it aims to promote the rationalization and modernization of storage, processing and marketing facilities for fishery products as well as the setting up of new units as far as the market allows; whereas it aims at the same time to improve the quality of the finished products and to make it possible for new products to be marketed, thereby increasing the value added to the basic products; whereas it thus constitutes a programme within the meaning of Article 2 of Regulation (EEC) No 355/77;

Whereas pursuant to Article 9 of Regulation (EEC) No 355/77 projects under the programme must contribute to improving the situation of Community fishermen; whereas such does not appear to be the case for installations principally used for the processing of non-Community products or for cold stores not directly linked with production, processing or marketing facilities for fishery products;

Whereas the examination of projects concerning a development of the sardine processing sector should receive special attention, taking into account the market situation for these products and its development in the near future;

Whereas the programme contains sufficient information, as required by Article 3 of Regulation (EEC) No 355/77, to show that the objectives laid down in Article 1 of the said Regulation can be achieved in respect of the fisheries sector in Greece;

Whereas the time allowed for implementation of the programme, that is, 1984 to 1987, does not exceed the period referred to in Article 3 (1) (g) of Regulation (EEC) No 355/77;

Whereas the Standing Committee on Agricultural Structures meeting jointly with the Standing Committee on the Fishing Industry has not given an opinion on the measures provided for in this Decision within the period specified by the chairman,

HAS ADOPTED THIS DECISION:

Article 1

1. The programme for the fisheries sector in Greece which was forwarded by the Greek Government pursuant to Regulation (EEC) No 355/77 on 19 December 1983, additional information being last furnished on 27 July 1984, is hereby approved.

2. This approval shall not apply to the part of the programme dealing with the construction or modernization of cold stores, except where such stores are linked with production, processing or marketing facilities for fishery products.

Article 2

This Decision is addressed to the Hellenic Republic.

**Guide to the provisions applying to the international carriage of passengers by road by
means of occasional coach and bus services**

This practical guide for transport firms is intended to bring about an improvement in the understanding and application of the provisions governing most of the occasional international coach and bus services in Western Europe.
