of 29 April 1985

re-establishing the levying of customs duties on butanol and isomers, other than normal butyl alcohol, falling within subheading 29.04 A III ex b and originating in Romania, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3562/84 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3562/84 of 18 December 1984 applying generalized tariff preferences for 1985 in respect of certain industrial products originating in developing countries<sup>(1)</sup>, and in particular Article 13 thereof,

Whereas, pursuant to Article 1 of that Regulation, duties on the products listed in Annex II originating in each of the countries or territories listed in Annex III shall be totally suspended and the products as such shall, as a general rule, be subject to statistical surveillance every three months on the individual ceiling referred to in Article 12; whereas, as provided for in Article 12, where the increase of preferential imports of these products, originating in one or more beneficiary countries, causes, or threatens to cause, economic difficulties in the Community or in a region of the Community, the levying of customs duties may be re-established once the Commission has had an appropriate exchange of information with the Member States; whereas, for this purpose, the individual ceiling to be considered shall be, as a general rule, 165 % of the highest maximum amount valid for 1980;

Whereas in the case of butanol and isomers, other than normal butyl alcohol, falling within subheading 29.04 A III ex b, the individual ceiling is fixed at 452 000 ECU; whereas, on 25 April 1985, imports of

these products into the Community originating in Romania reached that ceiling after being charged thereagainst; whereas the exchange of information organized by the Commission has demonstrated that continuance of the preference threatens to cause economic difficulties in a region of the Community; whereas, therefore, customs duties in respect of the products in question must be re-established against Romania,

COMMISSION OF THE EUROPEAN COMMUNITIES

DOCUMENT

## EUROPEAN REGIONAL DEVELOPMENT FUND

### Ninth Annual Report (1983)

The ERDF, one of the Community's structural funds, was set up in 1975 to correct the principal regional imbalances within the Community. ERDF aid is accordingly granted in areas and regions suffering from imbalances resulting in particular from the predominance of agriculture, industrial change and structural under-employment. Such regions, which are determined in agreement with the Member States, are generally the areas covered by national regional aid schemes, these areas being approved by the Commission in accordance with Articles 92 and 94 of the Treaty establishing the European Economic Community. The ERDF provides assistance by making grants which support and supplement national regional development efforts.

As well as reporting on the ERDF activities in 1983, this publication also provides a review of the nine years (1975 to 1983) that the ERDF has been in existence.
