Article 2

Imports into the Canary Islands and Ceuta and Melilla of

Mediterranean non-member countries shall be subject in all
respects to the same customs arrangements as are applied to

products originating in the customs territory of the
Community, including the 'arbitrio insular — tarifa general'
charge applied in the Canary Islands, provided the
Mediterranean non-member country concerned applies to
imports of products covered by the Agreements originating in
the Canary Islands and Ceuta and Melilla the same customs
arrangements as it applies to products imported from and
originating in Spain.

Article 3

1. For the products covered by the Agreement, the
