COMMISSION REGULATION (EEC) No 3985/87

of 22 December 1987

amending Council Regulation (EEC) No 2658/87 on the tariff and statistical nomenclature
and on the Common Customs Tariff

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2658/87 of 23 July 1987 on the tariff and statistical nomenclature and on the Common Customs Tariff and, in particular, its Article 9,

Whereas Regulation (EEC) No 2658/87 established a goods nomenclature, hereinafter called the 'combined nomenclature', to meet, at one and the same time, the requirements both of the Common Customs Tariff and of the external trade statistics of the Community;

Whereas certain Regulations on the common organization of agricultural markets provide that the tariff nomenclature resulting from their application shall be included in the combined nomenclature; whereas they amend, if necessary, customs duties; whereas it is therefore appropriate to include in this Regulation all the amendments from Regulations adopted under the common agricultural policy;

Whereas on 24 November 1987 the Council decided upon the conventional rates of duty to be applied to certain products falling within Chapter 85 of the combined

nomenclature; whereas it is appropriate to include those rates in the combined nomenclature;

Whereas in order to ensure the uniform interpretation and application of the combined nomenclature, it is appropriate to clarify the meaning of certain terms used in Section XI of that nomenclature by the introduction of three additional notes;

Whereas in order to improve the wording of the combined nomenclature certain textual amendments are required;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Nomenclature Committee,

HAS ADOPTED THIS REGULATION:

Article 1

The combined nomenclature annexed to Regulation (EEC) No 2658/87 is hereby amended in accordance with the Annex hereto.

Article 2

This Regulation shall enter into force on 1 January 1988.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 22 December 1987.

- (b) in hanks or skeins of a weight not exceeding 125 grams;

Additional Note

For the purposes of heading No 6109, the terms singlets and other vests include garments, even if of a fancy design, worn next to the body, without collar, with or without sleeves, including those with shoulder straps.

However, garments having a ribbed waistband, drawstring or other means of tightening at the bottom are excluded from heading No 6109.'

COMMISSION REGULATION (EEC) No 3987/87

of 22 December 1987

amending various Regulations securing the joint implementation of the common organization of the markets in the eggs and poultrymeat sectors as a consequence of the introduction of the combined nomenclature

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2658/87 on the tariff and statistical nomenclature and the Common Customs Tariff⁽¹⁾ amended by Regulation (EEC) No 3985/87⁽²⁾, and in particular the second subparagraph of Article 15 (1), thereof,

Having regard to Council Regulation (EEC) No 3907/87 of 22 December 1987 amending Regulation (EEC) No 2777/75 on the common organization of the markets in the poultrymeat sector⁽³⁾, and in particular Article 2 thereof,

Whereas, in accordance with the second subparagraph of Article 5 (1) of Regulation (EEC) No 2658/87, technical adaptations of Community acts referring to the combined nomenclature are carried out by the Commission; whereas amendments of substance relating to the poultrymeat sector are carried out in accordance with the procedure laid down in Article 27 of Council Regulation (EEC) No 2777/75⁽⁴⁾ pursuant to Article 2 of Regulation (EEC) No 3907/87;

Whereas the basic Council Regulation (EEC) No 2771/75 of 29 October 1975 on the common organization of the market in eggs⁽⁵⁾ was amended by Commission Regulation (EEC) No 4000/87⁽⁶⁾ adapting in accordance with the combined nomenclature the descriptions of goods and the tariff headings appearing therein;

Whereas numerous joint implementing Regulations in the poultrymeat and eggs sectors must be adapted technically and as regards certain points of substance in respect of the poultrymeat sector to take account of the use of the new combined nomenclature based on the Harmonized Commodity Description and Coding System which is intended to replace the Convention of 15 December 1950 on Nomenclature of the Classification of Goods in Customs Tariffs;

Whereas, on account of the number and the content of the texts calling for such adaptations, all the Regulations to be adapted should be grouped within a single amending Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

Article 1 of Commission Regulation (EEC) No 2164/72 of 3 October 1972 on the non-fixing of additional amounts for imports of eggs and slaughtered chickens and geese from Bulgaria⁽⁷⁾ is hereby replaced by the following:

COMMISSION REGULATION (EEC) No 3988/87

of 22 December 1987

amending certain measures in respect of the application of the common organization of the markets in the beef sector on account of the introduction of the combined nomenclature

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2658/87 of 23 July 1987 on the tariff and statistical nomenclature of the Common Customs Tariff ⁽¹⁾, amended by Regulation (EEC) No 3985/87 ⁽²⁾, and in particular the second subparagraph of Article 15 (1) thereof,

Having regard to Council Regulation (EEC) No 3905/87 of 22 December 1987 amending Regulation (EEC) No 805/68 on the common organization of the market in beef and veal ⁽³⁾ and in particular Article 2 thereof,

Whereas, according to the second subparagraph of Article 15 (1) of Regulation (EEC) No 2658/87, adaptations of a technical nature of Community acts using the combined nomenclature are to be carried out by the Commission; whereas amendments of substance are to be carried out in accordance with the procedure laid down in Article 27 of Council Regulation (EEC) No 805/68 ⁽⁴⁾ by virtue of Article 2 of Regulation (EEC) No 3905/87;

Whereas numerous measures in the beef and veal sector must be adapted at the technical level as well as in regard to certain substantive points in order to take account of the utilization of the new combined nomenclature based on the harmonized system of designation and codification of goods due to replace the Convention of 15 December 1950 on the nomenclature for the classification of goods in the customs tariffs,

Whereas owing to the number and content of texts requiring such modification it is advisable to regroup, in one Regulation, all the necessary amendments;

Whereas, certain items for calculating which still appear in units of accounts in the said measures should be expressed in ECU using the coefficient of 1,208953 referred to in Article 13 of Council Regulation (EEC) No 1676/85 ⁽⁵⁾ as last amended by Regulation (EEC) No 1636/87 ⁽⁶⁾;

Whereas the measures provided for in this Regulation in application of Article 2 of Regulation (EEC) No 3905/87 are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

Commission Regulation (EEC) No 586/77 of 18 March 1977 laying down rules for the application of levies on beef and veal and amending Council Regulation (EEC) No 950/68 of the Common Customs Tariff ⁽⁷⁾, as last amended by Regulation (EEC) No 3114/83 ⁽⁸⁾, is hereby amended as follows:
