⁽¹⁾ Individual Travel-to-Work-Areas (TTWAs) in the UK are generally split between level III regions (counties). TTWA (part) denotes that the whole of the TTWA in a given county is eligible. In other cases, only part of the TTWA in the given county is eligible. In the latter cases, the part to be included (in terms of wards and Districts), or excluded where this is more convenient in terms of presentation, is listed.
