(96/118/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 4253/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards coordination of activities of the different Structural Funds between themselves and with the operations of the European Investment Bank and the other existing financial instruments⁽¹⁾, as last amended by Regulation (EC) No 3193/94⁽²⁾, and in particular Article 10 (1) last subparagraph thereof,

After consultation of the Advisory Committee on the Development and Conversion of Regions and the Committee pursuant to Article 124 of the Treaty,

Whereas the programming procedure for structural assistance under Objective 2 is defined in Article 9 (8) to (10) of Council Regulation (EEC) No 2052/88 of 24 June 1988 on the tasks of the Structural Funds and their effectiveness and on coordination of their activities between themselves and with the operations of the European Investment Bank and the other existing financial instruments⁽³⁾, as last amended by Regulation (EC) No 3193/94; whereas, however, the last subparagraph of Article 5 (2) of Regulation (EEC) No 4253/88 foresees that in order to simplify and to speed up programming procedures, Member States may submit in a single programming document the information required for the regional and social conversion plan referred to in Article 9 (8) of Regulation (EEC) No 2052/88 and the information required pursuant to Article 14 (2) of Regulation (EEC) No 4253/88; whereas Article 10 (1) last subparagraph of Regulation (EEC) No 4253/88 foresees that in that case the Commission adopts a single decision in a single document covering the points referred to in Article 8 (3) and the assistance from the Funds referred to in the last subparagraph of Article 14 (3);

Whereas the Commission has established, by Decision 94/169/EC⁽⁴⁾, an initial list of declining industrial areas concerned by Objective 2 for the period from 1994 to 1996; whereas this list has been enlarged by Decision 95/47/EC⁽⁵⁾ as regards the zones eligible for Objective 2 in Austria and Finland;

Whereas Article 9 (6) second subparagraph of Regulation (EEC) No 2052/88 provides that, on an exceptional basis, the Commission can accede to a request from Austria, Finland or Sweden that assistance under Objective 2 be planned and implemented for the whole period from 1995 to 1999; whereas Austria has requested implementation of this provision and accordingly the assistance under Objective 2 will cover the period 1995 to 1999;

Whereas the Austrian Government has submitted to the Commission on 26 April 1995 the single programming document referred to in Article 5 (2) of Regulation (EEC) No 4253/88 for the region of Vorarlberg; whereas this document contains the elements referred to in Article 9 (8) of Regulation (EEC) No 2052/88 and in Article 14 (2) of Regulation (EEC) No 4253/88; whereas expenditure under this single programming document is eligible, pursuant to Article 33 (2) second subparagraph of Regulation (EEC) No 4253/88, as from 1 January 1995;

Whereas the single programming document submitted by this Member State includes a description of the conversion priorities selected and the applications for assistance from the European Regional Development Fund (ERDF) and the European Social Fund (ESF);

Whereas, in accordance with Article 3 of Regulation (EEC) No 4253/88, the Commission is charged with ensuring, within the framework of the partnership, coordination and consistency between assistance from the Funds and assistance provided by the European

Investment Bank (EIB) and the other financial instruments, including the European Coal and Steel Community (ECSC) and the other actions for structural purposes;

Whereas the EIB has been involved in the drawing up of the single programming document in accordance with the provisions of Article 8 (1) of Regulation (EEC) No 4253/88, applicable by analogy in the establishment of the single programming document; whereas it has declared itself prepared to contribute to the implementation of this document in conformity with its statutory provisions; whereas, however, it has not yet been possible to evaluate precisely the amounts of Community loans corresponding to the financial needs;

Whereas Article 2 second subparagraph of Commission Regulation (EEC) No 1866/90 of 2 July 1990 on arrangements for using the ecu for the purpose of the budgetary management of the Structural Funds ⁽¹⁾, as last amended by Regulation (EC) No 2745/94 ⁽²⁾, stipulates that in the Commission Decisions approving a single programming document, the Community assistance available for the entire period and the annual breakdown thereof shall be set out in ecus at prices for the year in which each decision is taken and shall be subject to indexation; whereas this annual breakdown must be compatible with the progressive increase in the commitment appropriations shown in Annex III to Regulation (EEC) No 2052/88 as amended by the Act of Accession ⁽³⁾; whereas indexation is based on a single rate per year, corresponding to the rates applied annually to budget appropriations on the basis of the mechanism for the technical adjustment of the financial perspectives;

Whereas Article 1 of Council Regulation (EEC) No 4254/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the European Regional Development Fund ⁽⁴⁾, as amended by Regulation (EEC) No 2083/93 ⁽⁵⁾, defines the measures for which the ERDF may provide financial support;

Whereas Article 1 of Council Regulation (EEC) No 4255/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the European Social Fund ⁽⁶⁾, as amended by Regulation (EEC) No 2084/93 ⁽⁷⁾, defines the measures for which the ESF may provide financial support;

Whereas the single programming document has been established in agreement with the Member State concerned through the partnership defined in Article 4 of Regulation (EEC) No 2052/88;

Whereas the single programming document satisfies the conditions and includes the information required by Article 14 of Regulation (EEC) No 4253/88;

Whereas certain measures provided for in the present single programming document involve co-financing with existing aid schemes that were notified to the EFTA Surveillance Authority as existing aid on entry into force of the Agreement on the European Economic Area or have been approved by the EFTA Surveillance Authority or the Commission since 1 January 1994, or with new or altered aid schemes that have not yet been approved by the Commission; whereas the existing aid schemes will, if necessary, be brought into line with Articles 92 and 93 of the Treaty or replaced by other approved aid schemes;

Whereas the present assistance satisfies the conditions laid down in Article 13 of Regulation (EEC) No 4253/88, and so should be implemented by means of an integrated approach involving finance from more than one Fund;

Whereas Article 1 of the Financial Regulation of 21 December 1977 applicable to the general budget of the European Communities ⁽⁸⁾, as last amended by Regulation (EC, Euratom, ECSC) No 2335/95 ⁽⁹⁾, states that the legal commitments entered into for measures extending over more than one financial year must contain a time limit for implementation which must be specified to the recipient in due form when the aid is granted;

Whereas Article 20 (3) of Regulation (EEC) No 4253/88 provides, subject to available funding, for a single commitment where the Community assistance granted is less than ECU 40 million for the whole programming period;

Whereas all the other conditions laid down for the grant of aid from the ERDF and the ESF have been complied with,

HAS ADOPTED THIS DECISION:

After consultation of the Advisory Committee on the Development and Conversion of Regions and the Committee pursuant to Article 124 of the Treaty,

Whereas the programming procedure for structural assistance under Objective 2 is defined in Article 9 (8) to (10) of Council Regulation (EEC) No 2052/88 of 24 June 1988 on the tasks of the Structural Funds and their effectiveness and on coordination of their activities between themselves and with the operations of the European Investment Bank and the other existing financial instruments ⁽³⁾, as last amended by Regulation (EC) No 3193/94; whereas, however, the last subparagraph of Article 5 (2) of Regulation (EEC) No 4253/88 foresees that in order to simplify and to speed up programming procedures, Member States may submit in a single programming document the information required for the regional and social conversion plan referred to in Article 9 (8) of Regulation (EEC) No 2052/88 and the information required pursuant to Article 14 (2) of Regulation (EEC) No 4253/88; whereas Article 10 (1) last subparagraph of Regulation (EEC) No 4253/88 foresees that in that case the Commission adopts a single decision in a single document covering the points referred to in Article 8 (3) and the assistance from the Funds referred to in the last subparagraph of Article 14 (3);

Whereas the Commission has established, by Decision 94/169/EC ⁽⁴⁾, an initial list of declining industrial areas concerned by Objective 2 for the period from 1994 to 1996; whereas this list has been enlarged by Decision 95/47/EC ⁽⁵⁾ as regards the zones eligible for Objective 2 in Austria and Finland;

Whereas Article 9 (6) second subparagraph of Regulation (EEC) No 2052/88 provides that, on an exceptional basis, the Commission can accede to a request from Austria, Finland or Sweden that assistance under Objective 2 be planned and implemented for the whole period from 1995 to 1999; whereas Austria has requested implementation of this provision and accordingly the assistance under Objective 2 will cover the period 1995 to 1999;

Whereas the Austrian Government has submitted to the Commission on 26 April 1995 the single programming document referred to in Article 5 (2) of Regulation (EEC) No 4253/88 for the region of Oberösterreich; whereas this document contains the elements referred to in Article 9 (8) of Regulation (EEC) No 2052/88 and in Article 14 (2) of Regulation (EEC) No 4253/88; whereas expenditure under this single programming document is eligible, pursuant to Article 33 (2) second subparagraph of Regulation (EEC) No 4253/88, as from 1 January 1995;

Whereas the single programming document submitted by this Member State includes a description of the conversion priorities selected and the applications for assistance from the European Regional Development Fund (ERDF) and the European Social Fund (ESF);

Whereas, in accordance with Article 3 of Regulation (EEC) No 4253/88, the Commission is charged with ensuring, within the framework of the partnership, coordination and consistency between assistance from the Funds and assistance provided by the European Investment Bank (EIB) and the other financial instruments, including the European Coal and Steel

Community (ECSC) and the other actions for structural purposes;

Whereas the EIB has been involved in the drawing up of the single programming document in accordance with the provisions of Article 8 (1) of Regulation (EEC) No 4253/88, applicable by analogy in the establishment of the single programming document; whereas it has declared itself prepared to contribute to the implementation of this document in conformity with its statutory provisions; whereas, however, it has not yet been possible to evaluate precisely the amounts of Community loans corresponding to the financial needs;

Whereas Article 2 second subparagraph of Commission Regulation (EEC) No 1866/90 of 2 July 1990 on arrangements for using the ecu for the purpose of the budgetary management of the Structural Funds ⁽¹⁾, as last amended by Regulation (EC) No 2745/94 ⁽²⁾, stipulates that in the Commission Decisions approving a single programming document, the Community assistance available for the entire period and the annual breakdown thereof shall be set out in ecus at prices for the year in which each decision is taken and shall be subject to indexation; whereas this annual breakdown must be compatible with the progressive increase in the commitment appropriations shown in Annex III to Regulation (EEC) No 2052/88 as amended by the Act of Accession ⁽³⁾; whereas indexation is based on a single rate per year, corresponding to the rates applied annually to budget appropriations on the basis of the mechanism for the technical adjustment of the financial perspectives;

Whereas Article 1 of Council Regulation (EEC) No 4254/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the European Regional Development Fund ⁽⁴⁾, as amended by Regulation (EEC) No 2083/93 ⁽⁵⁾, defines the measures for which the ERDF may provide financial support;

Whereas Article 1 of Council Regulation (EEC) No 4255/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the European Social Fund ⁽⁶⁾, as amended by Regulation (EEC) No 2084/93 ⁽⁷⁾, defines the measures for which the ESF may provide financial support;

Whereas the single programming document has been established in agreement with the Member State concerned through the partnership defined in Article 4 of Regulation (EEC) No 2052/88;

Whereas the single programming document satisfies the conditions and includes the information required by Article 14 of Regulation (EEC) No 4253/88;

Whereas certain measures provided for in the present single programming document involve co-financing with existing aid schemes that were notified to the EFTA Surveillance Authority as existing aid on entry into force of the Agreement on the European Economic Area or have been approved by the EFTA Surveillance Authority or the Commission since 1 January 1994, or with new or altered aid schemes that have not yet been approved by the Commission; whereas the existing aid schemes will, if necessary, be brought into line with Articles 92 and 93 of the Treaty or replaced by other approved aid schemes;

Whereas the present assistance satisfies the conditions laid down in Article 13 of Regulation (EEC) No 4253/88, and so should be implemented by means of an integrated approach involving finance from more than one Fund;

Whereas Article 1 of the Financial Regulation of 21 December 1977 applicable to the general budget of the European Communities ⁽⁸⁾, as last amended by Regulation (EC, Euratom, ECSC) No 2335/95 ⁽⁹⁾, states that the legal commitments entered into for measures extending over more than one financial year must contain a time limit for implementation which must be specified to the recipient in due form when the aid is granted;

Whereas Article 20 (3) of Regulation (EEC) No 4253/88 provides, subject to available funding, for a single commitment where the Community assistance granted is less than ECU 40 million for the whole programming period;

Whereas all the other conditions laid down for the grant of aid from the ERDF and the ESF have been complied with,

Community (ECSC) and the other actions for structural purposes;

Whereas the EIB has been involved in the drawing up of the single programming document in accordance with the provisions of Article 8 (1) of Regulation (EEC) No 4253/88, applicable by analogy in the establishment of the single programming document; whereas it has declared itself prepared to contribute to the implementation of this document in conformity with its statutory provisions; whereas, however, it has not yet been possible to evaluate precisely the amounts of Community loans corresponding to the financial needs;

Whereas Article 2 second subparagraph of Commission Regulation (EEC) No 1866/90 of 2 July 1990 on arrangements for using the ecu for the purpose of the budgetary management of the Structural Funds ⁽¹⁾, as last amended by Regulation (EC) No 2745/94 ⁽²⁾, stipulates that in the Commission Decisions approving a single programming document, the Community assistance available for the entire period and the annual breakdown thereof shall be set out in ecus at prices for the year in which each decision is taken and shall be subject to indexation; whereas this annual breakdown must be compatible with the progressive increase in the commitment appropriations shown in Annex III to Regulation (EEC) No 2052/88 as amended by the Act of Accession ⁽³⁾; whereas indexation is based on a single rate per year, corresponding to the rates applied annually to budget appropriations on the basis of the mechanism for the technical adjustment of the financial perspectives;

Whereas Article 1 of Council Regulation (EEC) No 4254/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the European Regional Development Fund ⁽⁴⁾, as amended by Regulation (EEC) No 2083/93 ⁽⁵⁾, defines the measures for which the ERDF may provide financial support;

Whereas Article 1 of Council Regulation (EEC) No 4255/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the European Social Fund ⁽⁶⁾, as amended by Regulation (EEC) No 2084/93 ⁽⁷⁾, defines the measures for which the ESF may provide financial support;

Whereas the single programming document has been established in agreement with the Member State concerned through the partnership defined in Article 4 of Regulation (EEC) No 2052/88;

Whereas the single programming document satisfies the conditions and includes the information required by Article 14 of Regulation (EEC) No 4253/88;

Whereas certain measures provided for in the present single programming document involve co-financing with existing aid schemes that were notified to the EFTA Surveillance Authority as existing aid on entry into force of the Agreement on the European Economic Area or have been approved by the EFTA Surveillance Authority or the Commission since 1 January 1994, or with new or altered aid schemes that have not yet been approved by the Commission; whereas the existing aid schemes will, if necessary, be brought into line with Articles 92 and 93 of the Treaty or replaced by other approved aid schemes;

Whereas the present assistance satisfies the conditions laid down in Article 13 of Regulation (EEC) No 4253/88, and so should be implemented by means of an integrated approach involving finance from more than one Fund;

Whereas Article 1 of the Financial Regulation of 21 December 1977 applicable to the general budget of the European Communities ⁽⁸⁾, as last amended by Regulation (EC, Euratom, ECSC) No 2335/95 ⁽⁹⁾, states that the legal commitments entered into for measures extending over more than one financial year must contain a time limit for implementation which must be specified to the recipient in due form when the aid is granted;

Whereas all the other conditions laid down for the grant of aid from the ERDF and the ESF have been complied with,

HAS ADOPTED THIS DECISION:

(96/123/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 4253/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards coordination of activities of the different Structural Funds between themselves and with the operations of the European Investment Bank and the other existing financial instruments⁽¹⁾, as last amended by Regulation (EC) No 3193/94⁽²⁾, and in particular Article 10 (1) last subparagraph thereof,

After consultation of the Advisory Committee on the Development and Conversion of Regions and the Committee pursuant to Article 124 of the Treaty,

Whereas the programming procedure for structural assistance under Objective 2 is defined in Article 9 (8) to (10) of Council Regulation (EEC) No 2052/88 of 24 June 1988 on the tasks of the Structural Funds and their effectiveness and on coordination of their activities between themselves and with the operations of the European Investment Bank and the other existing financial instruments⁽³⁾, as last amended by Regulation (EC) No 3193/94; whereas, however, the last subparagraph of Article 5 (2) of Regulation (EEC) No 4253/88 foresees that in order to simplify and to speed up programming procedures, Member States may submit in a single programming document the information required for the regional and social conversion plan referred to in Article 9 (8) of Regulation (EEC) No 2052/88 and the information required pursuant to Article 14 (2) of Regulation (EEC) No 4253/88; whereas Article 10 (1) last subparagraph of Regulation (EEC) No 4253/88 foresees that in that case the Commission adopts a single decision in a single document covering the points referred to in Article 8 (3) and the assistance from the Funds referred to in the last subparagraph of Article 14 (3);

Whereas the Commission has established, by Decision 94/169/EC⁽⁴⁾, an initial list of declining industrial areas concerned by Objective 2 for the period from 1994 to 1996; whereas this list has been enlarged by Decision 95/189/EC⁽⁵⁾ as regards the zones eligible for Objective 2 in Sweden;

Whereas Article 9 (6) second subparagraph of Regulation (EEC) No 2052/88 provides that, on an exceptional basis, the Commission can accede to a request from Austria, Finland or Sweden that assistance under Objective 2 be planned and implemented for the whole period from 1995 to 1999; whereas Sweden has requested implementation of this provision and accordingly the assistance under Objective 2 will cover the period 1995 to 1999;

Whereas the Swedish Government has submitted to the Commission on 16 June 1995 the single programming document referred to in Article 5 (2) of Regulation (EEC) No 4253/88 for the region of Norra Norrlandskusten; whereas this document contains the elements referred to in Article 9 (8) of Regulation (EEC) No 2052/88 and in Article 14 (2) of Regulation (EEC) No 4253/88; whereas expenditure under this single programming document is eligible as from that date;

Whereas the single programming document submitted by this Member State includes a description of the conversion priorities selected and the applications for assistance from the European Regional Development Fund (ERDF) and the European Social Fund (ESF);

Whereas, in accordance with Article 3 of Regulation (EEC) No 4253/88, the Commission is charged with ensuring, within the framework of the partnership, coordination and consistency between assistance from the Funds and assistance provided by the European Investment Bank (EIB) and the other financial instruments, including the European Coal and Steel

Community (ECSC) and the other actions for structural purposes;

Whereas the EIB has been involved in the drawing up of the single programming document in accordance with the provisions of Article 8 (1) of Regulation (EEC) No 4253/88, applicable by analogy in the establishment of the single programming document; whereas it has declared itself prepared to contribute to the implementation of this document in conformity with its statutory provisions; whereas, however, it has not yet been possible to evaluate precisely the amounts of Community loans corresponding to the financial needs;

Whereas Article 2 second subparagraph of Commission Regulation (EEC) No 1866/90 of 2 July 1990 on arrangements for using the ecu for the purpose of the budgetary management of the Structural Funds ⁽¹⁾, as last amended by Regulation (EC) No 2745/94 ⁽²⁾, stipulates that in the Commission Decisions approving a single programming document, the Community assistance available for the entire period and the annual breakdown thereof shall be set out in ecus at prices for the year in which each decision is taken and shall be subject to indexation; whereas this annual breakdown must be compatible with the progressive increase in the commitment appropriations shown in Annex III to Regulation (EEC) No 2052/88 as amended by the Act of Accession ⁽³⁾; whereas indexation is based on a single rate per year, corresponding to the rates applied annually to budget appropriations on the basis of the mechanism for the technical adjustment of the financial perspectives;

Whereas Article 1 of Council Regulation (EEC) No 4254/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the European Regional Development Fund ⁽⁴⁾, as amended by Regulation (EEC) No 2083/93 ⁽⁵⁾, defines the measures for which the ERDF may provide financial support;

Whereas Article 1 of Council Regulation (EEC) No 4255/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the European Social Fund ⁽⁶⁾, as amended by Regulation (EEC) No 2084/93 ⁽⁷⁾, defines the measures for which the ESF may provide financial support;

Whereas the single programming document has been established in agreement with the Member State concerned through the partnership defined in Article 4 of Regulation (EEC) No 2052/88;

Whereas the single programming document satisfies the conditions and includes the information required by Article 14 of Regulation (EEC) No 4253/88;

Whereas certain measures provided for in the present single programming document involve co-financing with existing aid schemes that were notified to the EFTA Surveillance Authority as existing aid on entry into force of the Agreement on the European Economic Area or have been approved by the EFTA Surveillance Authority or the Commission since 1 January 1994, or with new or altered aid schemes that have not yet been approved by the Commission; whereas the existing aid schemes will, if necessary, be brought into line with Articles 92 and 93 of the Treaty or replaced by other approved aid schemes;

Whereas the present assistance satisfies the conditions laid down in Article 13 of Regulation (EEC) No 4253/88, and so should be implemented by means of an integrated approach involving finance from more than one Fund;

Whereas Article 1 of the Financial Regulation of 21 December 1977 applicable to the general budget of the European Communities ⁽⁸⁾, as last amended by Regulation (EC, Euratom, ECSC) No 2335/95 ⁽⁹⁾, states that the legal commitments entered into for measures extending over more than one financial year must contain a time limit for implementation which must be specified to the recipient in due form when the aid is granted;

Whereas Article 20 (3) of Regulation (EEC) No 4253/88 provides, subject to available funding, for a single commitment where the Community assistance granted is less than ECU 40 million for the whole programming period;

Whereas all the other conditions laid down for the grant of aid from the ERDF and the ESF have been complied with,

HAS ADOPTED THIS DECISION:

Article 1

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 4253/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards coordination of activities of the different Structural Funds between themselves and with the operations of the European Investment Bank and the other existing financial instruments ⁽¹⁾, as last amended by Regulation (EC) No 3193/94 ⁽²⁾, and in particular Article 10 (1) last subparagraph thereof,

After consultation of the Advisory Committee on the Development and Conversion of Regions and the Committee pursuant to Article 124 of the Treaty,

Whereas the programming procedure for structural assistance under Objective 2 is defined in Article 9 (8) to (10) of Council Regulation (EEC) No 2052/88 of 24 June 1988 on the tasks of the Structural Funds and their effectiveness and on coordination of their activities between themselves and with the operations of the European Investment Bank and the other existing financial instruments ⁽³⁾, as last amended by Regulation (EC) No 3193/94; whereas, however, the last subparagraph of Article 5 (2) of Regulation (EEC) No 4253/88 foresees that in order to simplify and to speed up programming procedures, Member States may submit in a single programming document the information required for the regional and social conversion plan referred to in Article 9 (8) of Regulation (EEC) No 2052/88 and the information required pursuant to Article 14 (2) of Regulation (EEC) No 4253/88; whereas Article 10 (1) last subparagraph of Regulation (EEC) No 4253/88 foresees that in that case the Commission adopts a single decision in a single document covering the points referred to in Article 8 (3) and the assistance from the Funds referred to in the last subparagraph of Article 14 (3);

Whereas Article 9 (6) second subparagraph of Regulation (EEC) No 2052/88 provides that, on an exceptional basis, the Commission can accede to a request from Austria, Finland or Sweden that assistance under Objective 2 be planned and implemented for the whole period from 1995 to 1999; whereas Sweden has requested implementation of this provision and accordingly the assistance under Objective 2 will cover the period 1995 to 1999;

Whereas the EIB has been involved in the drawing up of the single programming document in accordance with the provisions of Article 8 (1) of Regulation (EEC) No 4253/88, applicable by analogy in the establishment of the single programming document; whereas it has declared itself prepared to contribute to the implementation of this document in conformity with its statutory provisions; whereas, however, it has not yet been possible to evaluate precisely the amounts of Community loans corresponding to the financial needs;

Whereas the single programming document has been established in agreement with the Member State concerned through the partnership defined in Article 4 of Regulation (EEC) No 2052/88;

Whereas the single programming document satisfies the conditions and includes the information required by Article 14 of Regulation (EEC) No 4253/88;

Whereas certain measures provided for in the present single programming document involve co-financing with existing aid schemes that were notified to the EFTA Surveillance Authority as existing aid on entry into force of the Agreement on the European Economic Area or have been approved by the EFTA Surveillance Authority or the Commission since 1 January 1994, or with new or altered aid schemes that have not yet been approved by the Commission; whereas the existing aid schemes will, if necessary, be brought into line with Articles 92 and 93 of the Treaty or replaced by other approved aid schemes;

COMMISSION DECISION

of 22 November 1995

on the approval of the single programming document for Community structural assistance in the region of Fyrstad concerned by Objective 2 in Sweden

(Only the Swedish text is authentic)

(96/125/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 4253/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards coordination of activities of the different Structural Funds between themselves and with the operations of the European Investment Bank and the other existing financial instruments ⁽¹⁾, as last amended by Regulation (EC) No 3193/94 ⁽²⁾, and in particular Article 10 (1) last subparagraph thereof,

After consultation of the Advisory Committee on the Development and Conversion of Regions and the Committee pursuant to Article 124 of the Treaty,

Whereas the programming procedure for structural assistance under Objective 2 is defined in Article 9 (8) to (10) of Council Regulation (EEC) No 2052/88 of 24 June 1988 on the tasks of the Structural Funds and their effectiveness and on coordination of their activities between themselves and with the operations of the European Investment Bank and the other existing financial instruments ⁽³⁾, as last amended by Regulation (EC) No 3193/94; whereas, however, the last subparagraph of Article 5 (2) of Regulation (EEC) No 4253/88 foresees that in order to simplify and to speed up programming procedures, Member States may submit in a single programming document the information required for the regional and social conversion plan referred to in Article 9 (8) of Regulation (EEC) No 2052/88 and the information required pursuant to Article 14 (2) of Regulation (EEC) No 4253/88; whereas Article 10 (1) last subparagraph of Regulation (EEC) No 4253/88 foresees that in that case the Commission adopts a single decision in a single document covering the points referred to in Article 8 (3) and the assistance from the Funds referred to in the last subparagraph of Article 14 (3);

Whereas the Commission has established, by Decision 94/169/EC ⁽⁴⁾, an initial list of declining industrial areas concerned by Objective 2 for the period from 1994 to 1996; whereas this list has been enlarged by Decision 95/189/EC ⁽⁵⁾ as regards the zones eligible for Objective 2 in Sweden;

Whereas Article 9 (6) second subparagraph of Regulation (EEC) No 2052/88 provides that, on an exceptional basis, the Commission can accede to a request from Austria, Finland or Sweden that assistance under Objective 2 be planned and implemented for the whole period from 1995 to 1999; whereas Sweden has requested implementation of this provision and accordingly the assistance under Objective 2 will cover the period 1995 to 1999;

Whereas the Swedish Government has submitted to the Commission on 16 June 1995 the single programming document referred to in Article 5 (2) of Regulation (EEC) No 4253/88 for the region of Fyrstad; whereas this document contains the elements referred to in Article 9 (8) of Regulation (EEC) No 2052/88 and in Article 14 (2) of Regulation (EEC) No 4253/88; whereas expenditure under this single programming document is eligible as from that date;

Whereas the single programming document submitted by this Member State includes a description of the conversion priorities selected and the applications for assistance from the European Regional Development Fund (ERDF) and the European Social Fund (ESF);

Whereas, in accordance with Article 3 of Regulation (EEC) No 4253/88, the Commission is charged with ensuring, within the framework of the partnership, coordination and consistency between assistance from the Funds and assistance provided by the European Investment Bank (EIB) and the other financial instruments, including the European Coal and Steel

Community (ECSC) and the other actions for structural purposes;

Whereas the EIB has been involved in the drawing up of the single programming document in accordance with the provisions of Article 8 (1) of Regulation (EEC) No 4253/88, applicable by analogy in the establishment of the single programming document; whereas it has declared itself prepared to contribute to the implementation of this document in conformity with its statutory provisions; whereas, however, it has not yet been possible to evaluate precisely the amounts of Community loans corresponding to the financial needs;

Whereas Article 2 second subparagraph of Commission Regulation (EEC) No 1866/90 of 2 July 1990 on arrangements for using the ecu for the purpose of the budgetary management of the Structural Funds ⁽¹⁾, as last amended by Regulation (EC) No 2745/94 ⁽²⁾, stipulates that in the Commission Decisions approving a single programming document, the Community assistance available for the entire period and the annual breakdown thereof shall be set out in ecus at prices for the year in which each decision is taken and shall be subject to indexation; whereas this annual breakdown must be compatible with the progressive increase in the commitment appropriations shown in Annex III to Regulation (EEC) No 2052/88 as amended by the Act of Accession ⁽³⁾; whereas indexation is based on a single rate per year, corresponding to the rates applied annually to budget appropriations on the basis of the mechanism for the technical adjustment of the financial perspectives;

Whereas Article 1 of Council Regulation (EEC) No 4254/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the European Regional Development Fund ⁽⁴⁾, as amended by Regulation (EEC) No 2083/93 ⁽⁵⁾, defines the measures for which the ERDF may provide financial support;

Whereas Article 1 of Council Regulation (EEC) No 4255/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards the European Social Fund ⁽⁶⁾, as amended by Regulation (EEC) No 2084/93 ⁽⁷⁾, defines the measures for which the ESF may provide financial support;

Whereas the single programming document has been established in agreement with the Member State concerned through the partnership defined in Article 4 of Regulation (EEC) No 2052/88;

Whereas the single programming document satisfies the conditions and includes the information required by Article 14 of Regulation (EEC) No 4253/88;

Whereas certain measures provided for in the present single programming document involve co-financing with existing aid schemes that were notified to the EFTA Surveillance Authority as existing aid on entry into force of the Agreement on the European Economic Area or have been approved by the EFTA Surveillance Authority or the Commission since 1 January 1994, or with new or altered aid schemes that have not yet been approved by the Commission; whereas the existing aid schemes will, if necessary, be brought into line with Articles 92 and 93 of the Treaty or replaced by other approved aid schemes;

Whereas the present assistance satisfies the conditions laid down in Article 13 of Regulation (EEC) No 4253/88, and so should be implemented by means of an integrated approach involving finance from more than one Fund;

Whereas Article 1 of the Financial Regulation of 21 December 1977 applicable to the general budget of the European Communities ⁽⁸⁾, as last amended by Regulation (EC, Euratom, ECSC) No 2335/95 ⁽⁹⁾, states that the legal commitments entered into for measures extending over more than one financial year must contain a time limit for implementation which must be specified to the recipient in due form when the aid is granted;

Whereas Article 20 (3) of Regulation (EEC) No 4253/88 provides, subject to available funding, for a single commitment where the Community assistance granted is less than ECU 40 million for the whole programming period;

Whereas all the other conditions laid down for the grant of aid from the ERDF and the ESF have been complied with,

HAS ADOPTED THIS DECISION:

(96/126/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 4253/88 of 19 December 1988 laying down provisions for implementing Regulation (EEC) No 2052/88 as regards coordination of activities of the different Structural Funds between themselves and with the operations of the European Investment Bank and the other existing financial instruments ⁽¹⁾, as last amended by Regulation (EC) No 3193/94 ⁽²⁾, and in particular Article 10 (1) last subparagraph thereof,

After consultation of the Advisory Committee on the Development and Conversion of Regions and the Committee pursuant to Article 124 of the Treaty,

Whereas the programming procedure for structural assistance under Objective 2 is defined in Article 9 (8) to (10) of Council Regulation (EEC) No 2052/88 of 24 June 1988 on the tasks of the Structural Funds and their effectiveness and on coordination of their activities between themselves and with the operations of the European Investment Bank and the other existing financial instruments ⁽³⁾, as last amended by Regulation (EC) No 3193/94; whereas, however, the last subparagraph of Article 5 (2) of Regulation (EEC) No 4253/88 foresees that in order to simplify and to speed up programming procedures, Member States may submit in a single programming document the information required for the regional and social conversion plan referred to in Article 9 (8) of Regulation (EEC) No 2052/88 and the information required pursuant to Article 14 (2) of Regulation (EEC) No 4253/88; whereas Article 10 (1) last subparagraph of Regulation (EEC) No 4253/88 foresees that in that case the Commission adopts a single decision in a single document covering the points referred to in Article 8 (3) and the assistance from the Funds referred to in the last subparagraph of Article 14 (3);

Whereas Article 9 (6) second subparagraph of Regulation (EEC) No 2052/88 provides that, on an exceptional basis, the Commission can accede to a request from Austria, Finland or Sweden that assistance under Objective 2 be planned and implemented for the whole period from 1995 to 1999; whereas Sweden has requested implementation of this provision and accordingly the assistance under Objective 2 will cover the period 1995 to 1999;

Whereas the Swedish Government has submitted to the Commission on 16 June 1995 the single programming document referred to in Article 5 (2) of Regulation (EEC) No 4253/88 for the region of Blekinge; whereas this document contains the elements referred to in Article 9 (8) of Regulation (EEC) No 2052/88 and in Article 14 (2) of Regulation (EEC) No 4253/88; whereas expenditure under this single programming document is eligible as from that date;

Whereas the EIB has been involved in the drawing up of the single programming document in accordance with the provisions of Article 8 (1) of Regulation (EEC) No 4253/88, applicable by analogy in the establishment of the single programming document; whereas it has declared itself prepared to contribute to the implementation of this document in conformity with its statutory provisions; whereas, however, it has not yet been possible to evaluate precisely the amounts of Community loans corresponding to the financial needs;

Whereas the single programming document has been established in agreement with the Member State concerned through the partnership defined in Article 4 of Regulation (EEC) No 2052/88;

Whereas the single programming document satisfies the conditions and includes the information required by Article 14 of Regulation (EEC) No 4253/88;

Whereas certain measures provided for in the present single programming document involve co-financing with existing aid schemes that were notified to the EFTA Surveillance Authority as existing aid on entry into force of the Agreement on the European Economic Area or have been approved by the EFTA Surveillance Authority or the Commission since 1 January 1994, or with new or altered aid schemes that have not yet been approved by the Commission; whereas the existing aid schemes will, if necessary, be brought into line with Articles 92 and 93 of the Treaty or replaced by other approved aid schemes;

Whereas the present assistance satisfies the conditions laid down in Article 13 of Regulation (EEC) No 4253/88, and so should be implemented by means of an integrated approach involving finance from more than one Fund;

Whereas Article 1 of the Financial Regulation of 21 December 1977 applicable to the general budget of the European Communities ⁽⁸⁾, as last amended by Regulation (EC, Euratom, ECSC) No 2335/95 ⁽⁹⁾, states that the legal commitments entered into for measures extending over more than one financial year must contain a time limit for implementation which must be specified to the recipient in due form when the aid is granted;

Whereas Article 20 (3) of Regulation (EEC) No 4253/88 provides, subject to available funding, for a single commitment where the Community assistance granted is less than ECU 40 million for the whole programming period;

Whereas all the other conditions laid down for the grant of aid from the ERDF and the ESF have been complied with,

HAS ADOPTED THIS DECISION:
