**COUNCIL REGULATION (EC) No 921/96
of 13 May 1996**

amending Regulation (EC) No 2178/95 opening and providing for the administration of Community tariff quotas and ceilings for certain industrial and fishery products originating in Estonia, Latvia and Lithuania, and establishing the detailed provisions for adapting these quotas and ceilings, and Regulation (EC) No 1798/94 opening and providing for the administration of Community tariff quotas for certain agricultural products originating in Bulgaria, the Czech Republic, Hungary, Poland, Romania and Slovakia, and establishing the detailed provisions for adapting these quotas (1994 to 1997)

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 113 thereof,

Having regard to the Act of Accession of Austria, Finland and Sweden,

Having regard to the proposal from the Commission,

Whereas the existing preferential agreements between the European Community, of the one part, and Poland, Estonia, Latvia and Lithuania, of the other part, (hereinafter referred to as 'third countries') provide that certain goods originating in those countries may, within the limits of tariff quotas or ceilings, attract a reduced or zero rate of duty on import into the Community;

Whereas, following the accession of Austria, Finland and Sweden, these concessions should be adapted in particular to take account of trade in fishery and textile products existing between Austria, Finland and Sweden, of the one part, and Poland, Estonia, Latvia and Lithuania of the other part;

Whereas, to that end, exploratory talks are under way with these third countries with a view to concluding additional protocols to the aforementioned agreements;

Whereas, however, as the deadlines were too short, those additional protocols could not come into effect on 1 January 1995;

Whereas, therefore, and in accordance with Articles 76, 102 and 128 of the 1994 Act of Accession, the Commu-

nity should adopt the necessary measures to remedy this situation; whereas the measures should take the form of autonomous Community tariff quotas and tariff ceilings which include the contractual preferential duty concessions granted by Austria, Finland and Sweden;

Whereas pursuant to Regulation (EC) No 1275/95 ⁽¹⁾, the Council introduced certain procedures for applying the Agreement on free trade and trade-related matters between the European Community, the European Atomic Energy Community and the European Coal and Steel Community, of the one part, and the Republic of Estonia, of the other part; whereas it is necessary, therefore, pursuant to Article 13 (2) and (3) of that Agreement to open Community tariff quotas for certain agricultural products as set out in Annex V;

Whereas pursuant to Regulation (EC) No 2125/95 ⁽²⁾, the Commission opened tariff quotas for preserved mushrooms falling under CN codes 0711 90 40, 2003 10 20 and 2003 10 30 on the adjustments and transitional arrangements in the agricultural sector in order to implement the agreements concluded during the Uruguay Round of multilateral commercial negotiations provided for in Regulation (EC) No 3290/94 ⁽³⁾; whereas, to put this into effect, the tariff quotas with order numbers 09.6115 and

⁽¹⁾ OJ No L 124, 7. 6. 1995, p. 1.

⁽²⁾ OJ No L 212, 7. 9. 1995, p. 16. Regulation as amended by Regulation (EC) No 2723/95 (OJ No L 283, 25. 11. 1995, p. 12).

⁽³⁾ OJ No L 349, 31. 12. 1994, p. 105.

09.6239 (mushrooms of CN codes 0711 90 40, 2003 10 20 and 2003 10 30) opened by Regulation (EC) No 1798/94⁽¹⁾ applying the preferences provided for in the Europe Agreements with Bulgaria and Romania should be eliminated;

Whereas the second additional protocols to the Europe Agreements between the European Community, of the one part, and Bulgaria and Romania, of the other part, provide that the opening of the zero-rate tariff quotas provided for in Annex III to Regulation (EC) No 1798/94 for the period 1 July 1996 to 30 June 1997 is to be brought forward to the period 1 July 1995 to 30 June 1996;

Whereas in Regulation (EC) No 2179/95⁽²⁾, the Council provided for the autonomous and transitional adjustment of certain agricultural concessions laid down by Europe Agreements; whereas these concessions must be capable of extension to the products appearing in Annexes II and III to Regulation (EC) No 1798/94;

Whereas Regulation (EC) No 2178/95⁽³⁾ and (EC) No 1798/94 should therefore be amended with effect from 1 January 1995,

HAS ADOPTED THIS REGULATION:

3. in Annex II, the references to Bulgaria and Romania shall be deleted;

COMMISSION REGULATION (EC) No 922/96

of 23 May 1996

**on the issuing of a standing invitation to tender for the sale of common wheat of
breadmaking quality held by the German intervention agency for the World
Food Programme**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92, of 30 June 1992, on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EC) No 1863/95⁽²⁾, and in particular Article 5 thereof,

Whereas Commission Regulation (EEC) No 2131/93⁽³⁾, as amended by Regulation (EC) No 120/94⁽⁴⁾, lays down the procedure and conditions for the disposal of cereals held by intervention agencies;

Whereas certain quantities of common wheat are needed to implement the food-aid programmes of the World Food Programme; whereas, given the current difficult situation on the world market in common wheat, and to ensure that the World Food Programme has a reliable source of supply for part of its needs, a specific invitation to tender should be opened under conditions appropriate to the competitive situation now existing on the world market;

Whereas the German intervention agency holds stocks of common wheat of breadmaking quality; whereas part of the wheat coming from the intervention stocks held by the aforementioned agency should therefore be resold to the World Food Programme; whereas to meet its quantitative and qualitative needs; the common wheat successfully tendered for must be exported by 31 August 1996 at the latest;

Whereas the specific nature of the operation and the accounting position of the common wheat in question require greater flexibility in the mechanisms and obligations governing the resale of intervention stocks and also require exclusion of any refund, tax or monthly increase; whereas special procedures must be laid down to ensure that the operations and their monitoring are properly effected; whereas to that end provision should be made for a security lodgment scheme which ensures that the aims are met while avoiding excessive costs for the operators; whereas derogations should accordingly be made to certain rules, in particular those laid down in Regulation (EEC) No 2131/93;

Whereas, in addition to the conditions laid down in Article 30 of Commission Regulation (EEC) No

3719/88⁽⁵⁾, as last amended by Regulation (EC) No 2137/95⁽⁶⁾, it should be laid down that the export licence security may only be released when proof has been provided that the common wheat has been taken over by the World Food Programme;

Whereas, where removal of the wheat is delayed by more than five days, or the release of one of the securities required is delayed, for reasons imputable to the intervention agency the Member State concerned will have to pay compensation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

1. A standing invitation to tender is hereby issued for the export of:

— 50 019 tonnes of common wheat of breadmaking quality, held by the German intervention agency.

2. The regions in which the 50 019 tonnes of German common wheat of breadmaking quality are stored are listed in Annex I.

3. The intervention agency concerned shall prepare a notice of invitation to tender indicating for each lot or, where appropriate, each part lot:

— the location,

— and at least the following features:

- specific weight,
- moisture content,
- Hagberg falling number,
- impurity contents and sprouted grains,
- protein content.

4. It shall publish the notice of invitation to tender at least two days before the date set for the first partial invitation to tender.

⁽⁶⁾ OJ No L 214, 8. 9. 1995, p. 21.

Article 2

Subject to the provisions of this Regulation, the sales of common wheat of breadmaking quality referred to in Article 1 shall take place in accordance with the procedure and conditions laid down by Regulation (EEC) No 2131/93.

Article 3

1. The time limit for submitting tenders for the first partial invitations to tender shall be 9 a.m. (Brussels time) on Thursday 30 May 1996.

2. The time limit for submitting tenders for the second partial invitation to tender shall be 9 a.m. (Brussels time) on the following Thursday.

The time limit for the last partial invitation to tender shall be 25 July 1996.

3. Tenders must be submitted to the German intervention agency.

Article 4

1. Tenders shall only be admissible if:

- the tenderer provides written proof from the World Food Programme that he has concluded for the quantity in question a commercial supply contract for common wheat of breadmaking quality to this organization. Such proof shall be lodged with the intervention agency at least two working days before the date of the first invitation to tender,
- they are accompanied by an application for an export licence for the destination in question.

The proof provided for in the first indent shall also indicate the quality provided for in the contract, the time limit for delivery and the price terms.

The Member State shall send the Commission a copy of the said proof forthwith, for information.

2. Tenders may not exceed the quantity laid down in the commercial contract submitted.

When transmitting the tenders submitted, the Member State shall inform the Commission of the above, mentioning the names of the tenderers involved.

Article 5

1. No export refund or export tax or monthly increase shall be applied for exports carried out pursuant to this Regulation.

2. The validity of the export licences issued in accordance with this Regulation shall expire on 31 August 1996.

3. The licence obliges the operator to deliver to the World Food Programme the quantity for which the licence application was submitted.

4. The export licences shall be issued as soon as the successful tenderers have been selected.

5. Article 9 of Regulation (EEC) No 3719/88 notwithstanding, the rights deriving from the licence referred to in this Article shall not be transferable.

Article 6

1. The intervention agency, the storer and the successful tenderer, if he so wishes, shall, by common agreement, either before or at the moment of removal from storage, as the successful tenderer chooses, take reference samples at the rate of at least one sample for every 500 tonnes, and shall analyse the samples. The intervention agency may be represented by a proxy, provided this is not the storer.

The Commission must be informed of the findings of the analyses in the event of a dispute.

Reference samples shall be taken and analysed within seven working days of the date of the successful tenderer's request or within three working days if the samples were taken on removal from storage. If the final result of the sample analyses indicates a quality:

- (a) greater than that specified in the notice of invitation to tender, the successful tenderer must accept the lot as established;
 - (b) greater than the minimum characteristics required for intervention but below the quality described in the notice of invitation to tender, with the difference remaining within a limit of up to:
 - 2 kg/hl for the specific weight, which must not, however, be less than 72 kg/hl,
 - one percentage point for the moisture content,
 - 20 percentage points for the Hagberg falling index,
 - one percentage point for the protein content,
 - half a percentage point for the impurities referred to in B.2 and B.4 of the Annex to Commission Regulation (EEC) No 689/92⁽¹⁾and
 - half a percentage point for the impurities referred to in point B.5 of the Annex to Regulation (EEC) No 689/92, the percentages admissible for noxious grains and ergot, however, remaining unchanged,
- the successful tenderer must accept the lot as established;

⁽¹⁾ OJ No L 74, 20. 3. 1992, p. 18.

(c) greater than the minimum characteristics required for intervention but below the quality described in the notice of invitation to tender with the difference surpassing the limit referred to in point (b), the successful tenderer may:

- either accept the lot as established,
- or refuse to take over the lot in question. The successful tenderer shall be released from all his obligations relating to the lot in question, including the securities, only once he has informed the Commission and the intervention agency forthwith, in accordance with Annex IV; however, if he requests the intervention agency to supply him with another lot of intervention bread-making wheat of the quality laid down, and that without additional charges, the security shall not be released. The lot must be replaced within a maximum of three days from the date of the successful tenderer's request. The successful tenderer shall immediately inform the Commission thereof in accordance with Annex IV;

(d) below the minimum characteristics required for intervention, the successful tenderer may not remove the lot in question. He shall be released from all his obligations relating to the lot in question, including the securities, only once he has informed the Commission and the intervention agency forthwith, in accordance with Annex IV; however, he may request the intervention agency to supply him with another lot of intervention bread-making wheat of the quality laid down, without additional charges. In this case, the security shall not be released. The lot must be replaced within a maximum of three days from the date of the successful tenderer's request. The successful tenderer shall immediately inform the Commission thereof in accordance with Annex IV.

2. However, if the bread-making wheat is removed before the results of the analysis are known, all risks shall be borne by the successful tenderer from the time of removal of the lot, without prejudice to the forms of recourse the successful tenderer may have against the storer.

3. If, after successive replacements, the successful tenderer has not received a replacement lot of the quality laid down within one month of the date of his request for replacement, he shall be released from all his obligations, including the securities once he has informed the Commission and the intervention agency forthwith in accordance with Annex IV.

4. The costs of the taking of samples and the analyses referred to in paragraph 1, except those where the final result of the analyses produces a quality inferior to the minimum characteristics required for intervention, shall be borne by the EAGGF up to a maximum of one

analysis per 500 tonnes with the exception of the trans-silage costs.

The cost of transsilage and of any additional analyses requested by the successful tenderer shall be borne by him.

Article 7

The successful tenderer shall pay for the common wheat before removing it at the price indicated in the tender. The final date for removal is 23 August 1996.

The payment due for each of the lots to be removed shall be indivisible.

Article 8

1. The security lodged pursuant to Article 13 (4) of Regulation (EEC) No 2131/93 must be released once the export licences have been issued to the successful tenderers.

2. The obligation to deliver to the World Food Programme shall be covered by a security amounting to ECU 45 per tonne of which ECU 20 per tonne shall be lodged upon issue of the export licence, with the balance of ECU 25 being lodged before removal of the cereals.

Article 15 (2) of Commission Regulation (EEC) No 3002/92⁽¹⁾ notwithstanding:

— the amount of ECU 45 per tonne must be released within 15 working days of the date on which the successful tenderer supplies proof that the common wheat has been taken over by the World Food Programme. This proof shall be supplied in accordance with Articles 18 and 47 of Commission Regulation (EEC) No 3665/87⁽²⁾.

3. Except in duly substantiated exceptional cases, in particular the opening of an administrative enquiry, any release of the securities provided for in this Article after the limits specified in this same Article shall confer an entitlement to compensation from the Member State amounting to 0,015 ECU/10 tonnes for each day's delay.

This compensation shall not be charged to the EAGGF.

Article 9

Article 12 of Regulation (EEC) No 3002/92 notwithstanding, the documents relating to the sale of common wheat in accordance with this Regulation and in particular the export licence, the removal order referred to in Article 3 (1) (b) of Regulation (EEC) No 3002/92, the export declaration and, where appropriate, the T5 control copy must bear the words:

COMMISSION REGULATION (EC) No 925/96

of 23 May 1996

fixing the rates of the refunds applicable to certain cereal and rice-products
exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EC) No 1863/95⁽²⁾, and in particular Article 13 (3) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as last amended by Regulation (EC) No 3072/95⁽⁴⁾, and in particular Article 14 (3) thereof,

Whereas Article 13 (1) of Regulation (EEC) No 1766/92 and Article 17 (1) of Regulation (EEC) No 1418/76 provide that the difference between quotations of prices on the world market for the products listed in Article 1 of each of those Regulations and the prices within the Community may be covered by an export refund;

Whereas Commission Regulation (EC) No 1222/94 of 30 May 1994 laying down common implementing rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽⁵⁾, as last amended by Regulation (EC) No 229/96⁽⁶⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex B to Regulation (EEC) No 1766/92 or in Annex B to Regulation (EEC) No 1418/76 as appropriate;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EC) No 1222/94, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month;

Whereas, now that a settlement has been reached between the European Community and the United States of America on Community exports of pasta products to the United States and has been approved by Council Decision 87/482/EEC⁽⁷⁾, it is necessary to differentiate the refund on goods falling within CN codes 1902 11 00 and 1902 19 according to their destination;

Whereas Article 4 (5) (b) of Regulation (EC) No 1222/94 provides that, in the absence of the proof referred to in Article 4 (5) (a) of that Regulation, a reduced rate of export refund has to be fixed, taking account of the amount of the production refund applicable, pursuant to Commission Regulation (EEC) No 1722/93⁽⁸⁾, as last amended by Regulation (EC) No 1516/95⁽⁹⁾, for the basic product in question, used during the assumed period of manufacture of the goods;

Whereas Council Regulation (EEC) No 990/93⁽¹⁰⁾, as amended by Regulation (EC) No 1380/95⁽¹¹⁾, prohibits trade between the European Community and the Federal Republic of Yugoslavia (Serbia and Montenegro); whereas this prohibition does not apply in certain situations as comprehensively listed in Articles 2, 4, 5 and 7 thereof and in Council Regulation (EC) No 462/96⁽¹²⁾; whereas account should be taken of this fact when fixing the refunds;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

1. The rates of the refunds applicable to the basic products appearing in Annex A to Regulation (EC) No 1222/94 and listed either in Article 1 of Regulation (EEC) No 1766/92 or in Article 1 (1) of Regulation (EEC) No 1418/76, exported in the form of goods listed in Annex B to Regulation (EEC) No 1766/92 or in Annex B to Regulation (EEC) No 1418/76 respectively, are hereby fixed as shown in the Annex to this Regulation.

2. Refunds on exports to the Federal Republic of Yugoslavia (Serbia and Montenegro) may be granted only where the conditions laid down in amended Regulation (EEC) No 990/93 and Regulation (EC) No 462/96 are observed.

COMMISSION REGULATION (EC) No 926/96
of 23 May 1996
fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EC) No 1863/95⁽²⁾, and in particular Article 13 (4) thereof,

Whereas Article 13 of Regulation (EEC) No 1766/92 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Regulation (EC) No 1517/95 of 29 June 1995 laying down detailed rules for the application of Regulation (EEC) No 1766/92 as regards the arrangements for the export and import of compound feedingstuffs based on cereals and amending Regulation (EC) No 1162/95 laying down special detailed rules for the application of the system of import and export licences for cereals and rice⁽³⁾ in Article 2 lays down general rules for fixing the amount of such refunds;

Whereas that calculation must also take account of the cereal products content; whereas in the interest of simplification, the refund should be paid in respect of two categories of 'cereal products', namely for maize, the most commonly used cereal in exported compound feeds and maize products, and for 'other cereals', these being eligible cereal products excluding maize and maize products; whereas a refund should be granted in respect of the quantity of cereal products present in the compound feedingstuff;

Whereas furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to

avoid disturbances on the Community market and the economic aspect of the export;

Whereas, however, in fixing the rate of refund it would seem advisable to base it at this time on the difference in the cost of raw inputs widely used in compound feedingstuffs as the Community and world markets, allowing more accurate account to be taken of the commercial conditions under which such products are exported;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas Council Regulation (EEC) No 990/93⁽⁴⁾, as amended by Regulation (EC) No 1380/95⁽⁵⁾, prohibits trade between the European Community and the Federal Republic of Yugoslavia (Serbia and Montenegro); whereas this prohibition does not apply in certain situations as comprehensively listed in Articles 2, 4, 5 and 7 thereof and in Council Regulation (EC) No 462/96⁽⁶⁾; whereas account should be taken of this fact when fixing the refunds;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

COMMISSION REGULATION (EC) No 927/96

of 23 May 1996

fixing the export refunds on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EC) No 1863/95⁽²⁾, and in particular Article 13 (3) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as last amended by Regulation (EC) No 3072/95⁽⁴⁾, and in particular Article 14 (3) thereof,

Whereas Article 13 of Regulation (EEC) No 1766/92 and Article 14 of Regulation (EEC) No 1418/76 provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 14 of Regulation (EEC) No 1418/76 provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice, broken rice and cereal products on the world market on the other; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Article 4 of Council Regulation (EC) No 1518/95⁽⁵⁾, as amended by Regulation (EC) No 2993/95⁽⁶⁾, on the import and export system for products processed from cereals and from rice defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content

being a particularly good indicator of the quantity of basic product actually incorporated in the processed product;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas Council Regulation (EEC) No 990/93⁽⁷⁾, as amended by Regulation (EC) No 1380/95⁽⁸⁾, prohibits trade between the European Community and the Federal Republic of Yugoslavia (Serbia and Montenegro); whereas this prohibition does not apply in certain situations as comprehensively listed in Articles 2, 4, 5 and 7 thereof and in Council Regulation (EC) No 462/96⁽⁹⁾; whereas account should be taken of this fact when fixing the refunds;

Whereas certain processed maize products may undergo a heat treatment following which a refund might be granted that does not correspond to the quality of the product; whereas it should therefore be specified that on these products, containing pregelatinized starch, no export refund is to be granted;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (1) (d) of Regulation (EEC) No 1766/92 and in Article 1 (1) (c) of Regulation (EEC) No 1418/76 and subject to Regulation (EC) No 1518/95 are hereby fixed as shown in the Annex to this Regulation.

COMMISSION DECISION

of 23 April 1996

adjusting the weightings applicable from 1 August 1994 to the remuneration of officials of the European Communities serving in third countries

(96/326/Euratom, ECSC, EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing a Single Council and a Single Commission of the European Communities,

Having regard to the Staff Regulations of the Officials of the European Communities and the conditions of employment of other servants of the Communities laid down by Regulation (EEC, Euratom, ECSC) No 259/68 ⁽¹⁾, as last amended by Regulation (EC, Euratom, ECSC) No 2963/95 ⁽²⁾, and in particular the second paragraph of Article 13 of Annex X thereto,

Whereas, pursuant to the first paragraph of Article 13 of Annex X to the Staff Regulations, Council Regulation (Euratom, ECSC, EC) No 577/96 ⁽³⁾ laid down the weightings to be applied from 1 July 1994 to the remuneration of officials serving in third countries, payable in the currency of their country of employment;

Whereas some of these weightings should be adjusted with effect from 1 August 1994 given that the statistics available to the Commission show that in certain third countries the variation in the cost of living measured on the basis of the weighting and the corresponding

exchange rate has exceeded 5 % since weightings were last laid down,

HAS DECIDED AS FOLLOWS:

Sole Article

With effect from 1 August 1994 the weightings applicable to the remuneration of officials serving in third countries payable in the currency of their country of employment are adjusted as shown in the Annex.

The exchange rates for the calculation of such remuneration shall be those used for implementation of the general budget of the European Union for the month preceding the date referred to in the first paragraph.
