COUNCIL REGULATION (EC) No 467/97

of 3 March 1997

providing for duty-free treatment for specified pharmaceutical active ingredients bearing an 'international non-proprietary name' (INN) from the World Health Organization and specified products used for the manufacture of finished pharmaceuticals and withdrawing duty-free treatment as pharmaceutical products from certain INNs whose predominant use is not pharmaceutical

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas, in the course of the Uruguay Round negotiations the Community and a number of countries discussed duty-free treatment of pharmaceutical products;

Whereas the participants in those discussions concluded that in addition to products falling within the Harmonized System (HS) Chapter 30 and HS headings 2936, 2937, 2939 and 2941, duty-free treatment should be given to designated pharmaceutical active ingredients bearing an 'international non-proprietary name' (INN) from the World Health Organization as well as specified salts, esters and hydrates of such INNs, and also to designated products used for the production and manufacture of finished products;

Whereas the results of the discussions, as set out in the record of discussions, were incorporated into the tariff schedules of the participants annexed to the Marrakesh Protocol to GATT 1994;

Whereas they also concluded that representatives of the WTO members party to the record of discussions would meet under the auspices of the Council for Trade in Goods of the WTO, normally at least once every three years — to review the product coverage with a view to including, by consensus, additional pharmaceutical products for tariff elimination;

Whereas the first such review has taken place with the conclusion that a certain number of additional INNs and products used for production and manufacture of finished pharmaceuticals should be granted duty-free treatment and that the list of specified prefixes and suffixes for salts and esters of INNs should be expanded;

Whereas in the context of the review it was concluded that it was appropriate to rectify the situation with regard to certain INNs whose use was predominantly non-pharmaceutical and which had been inadvertently included among those INNs already receiving duty-free treatment,

HAS ADOPTED THIS REGULATION:

Article 1

From 1 April 1997 the Community shall also accord duty-free treatment for the INNs listed in Annex I as well as the salts, esters and hydrates of such products.

Article 2

From 1 April 1997 the Community shall also grant duty-free treatment for the products used in the production and manufacture of pharmaceutical products listed in Annex II.

Article 3

From 1 April 1997 the specified prefixes and suffixes of INNs eligible for duty-free treatment shall also include those listed in Annex III.

Article 4

From 1 April 1997 the products listed in Annex IV together with the salts, esters and hydrates of such products shall no longer benefit from duty-free treatment.

Article 5

This Regulation shall enter into force on the day following that of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 3 March 1997.

For the Council

The President

M. DE BOER

**COMMISSION REGULATION (EC) No 468/97
of 12 March 1997**

**fixing the representative prices and the additional import duties for molasses in
the sugar sector**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EC) No 1599/96⁽²⁾,

Having regard to Commission Regulation (EC) No 1422/95 of 23 June 1995 laying down detailed rules of application for imports of molasses in the sugar sector and amending Regulation (EEC) No 785/68⁽³⁾, and in particular Articles 1 (2) and 3 (1) thereof,

Whereas Regulation (EC) No 1422/95 stipulates that the cif import price for molasses, hereinafter referred to as the 'representative price', should be set in accordance with Commission Regulation (EEC) No 785/68⁽⁴⁾; whereas that price should be fixed for the standard quality defined in Article 1 of the above Regulation;

Whereas the representative price for molasses is calculated at the frontier crossing point into the Community, in this case Amsterdam; whereas that price must be based on the most favourable purchasing opportunities on the world market established on the basis of the quotations or prices on that market adjusted for any deviations from the standard quality; whereas the standard quality for molasses is defined in Regulation (EEC) No 785/68;

Whereas, when the most favourable purchasing opportunities on the world market are being established, account must be taken of all available information on offers on the world market, on the prices recorded on important third-country markets and on sales concluded in international trade of which the Commission is aware, either directly or through the Member States; whereas, under Article 7 of Regulation (EEC) No 785/68, the Commission may for this purpose take an average of several prices as a basis, provided that this average is representative of actual market trends;

Whereas the information must be disregarded if the goods concerned are not of sound and fair marketable quality or if the price quoted in the offer relates only to a small

quantity that is not representative of the market; whereas offer prices which can be regarded as not representative of actual market trends must also be disregarded;

Whereas, if information on molasses of the standard quality is to be comparable, prices must, depending on the quality of the molasses offered, be increased or reduced in the light of the results achieved by applying Article 6 of Regulation (EEC) No 785/68;

Whereas a representative price may be left unchanged by way of exception for a limited period if the offer price which served as a basis for the previous calculation of the representative price is not available to the Commission and if the offer prices which are available and which appear not to be sufficiently representative of actual market trends would entail sudden and considerable changes in the representative price;

Whereas where there is a difference between the trigger price for the product in question and the representative price, additional import duties should be fixed under the conditions set out in Article 3 of Regulation (EC) No 1422/95; whereas should the import duties be suspended pursuant to Article 5 of Regulation (EC) No 1422/95, specific amounts for these duties should be fixed;

Whereas application of these provisions will have the effect of fixing the representative prices and the additional import duties for the products in question as set out in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The representative prices and the additional duties applying to imports of the products referred to in Article 1 of Regulation (EC) No 1422/95 are fixed in the Annex hereto.

COMMISSION REGULATION (EC) No 473/97

of 12 March 1997

suspending the preferential customs duties and re-establishing the Common Customs Tariff duty on imports of uniflorous (standard) carnations originating in Israel

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 4088/87 of 21 December 1987 fixing conditions for the application of preferential customs duties on imports of certain flowers originating in Cyprus, Israel, Jordan and Morocco⁽¹⁾, as last amended by Regulation (EC) No 539/96⁽²⁾, and in particular Article 5 (2) (b) thereof,

Whereas Regulation (EEC) No 4088/87 lays down the conditions for applying a preferential duty on large-flowered roses, small-flowered roses, uniflorous (bloom) carnations and multiflorous (spray) carnations within the limit of tariff quotas opened annually for imports into the Community of fresh cut flowers;

Whereas Council Regulation (EC) No 1981/94⁽³⁾, as last amended by Regulation (EC) No 2397/96⁽⁴⁾, opened and provides for the administration of Community tariff quotas for cut flowers and flower buds, fresh, originating in Cyprus, Jordan, Morocco and Israel;

Whereas Article 2 of Regulation (EEC) No 4088/87 provides, on the one hand, that for a given product of a given origin, the preferential customs duty is to be applicable only if the price of the imported product is at least equal to 85 % of the Community producer price; whereas, on the other hand, the preferential customs duty is, except in exceptional cases, suspended and the Common Customs Tariff duty introduced for a given product of a given origin:

(a) if, on two successive market days, the prices of the imported product are less than 85 % of the Community producer price in respect of at least 30 % of the quantities for which prices are available on representative import markets;

or

(b) if, over a period of five to seven successive market days, the prices of the imported product are alternatively above and below 85 % of the Community producer price in respect of at least 30 % of the quantities for which prices are available on the representative import markets and if, for three days during that period, the prices of the import product have been below that level;

Whereas Commission Regulation (EC) No 1985/96⁽⁵⁾ fixes the Community producer prices for carnations and roses for the application of the import arrangements;

Whereas Commission Regulation (EEC) No 700/88⁽⁶⁾, as last amended by Regulation (EEC) No 2917/93⁽⁷⁾, lays down the detailed rules for the application of the arrangements;

Whereas the representative market rates defined in Article 1 of Council Regulation (EEC) No 3813/92⁽⁸⁾, as last amended by Regulation (EC) No 150/95⁽⁹⁾, are used to convert amounts expressed in third country currencies and are used as the basis for determining the agricultural conversion rates of the Member States' currencies; whereas detailed rules on the application and determination of these conversions were set by Commission Regulation (EEC) No 1068/93⁽¹⁰⁾, as last amended by Regulation (EC) No 1482/96⁽¹¹⁾;

Whereas, on the basis of prices recorded pursuant to Regulations (EEC) No 4088/87 and (EEC) No 700/88, it must be concluded that the conditions laid down in Article 2 (2) of Regulation (EEC) No 4088/87 for suspension of the preferential customs duty are met for uniflorous (standard) carnations originating in Israel, whereas the Common Customs Tariff duty should be re-established;

Whereas the quota for the products in question covers the period 1 January 1997 to 31 December 1997; whereas, as a result, the suspension of the preferential duty and the reintroduction of the Common Customs Tariff duty apply up to the end of that period at the latest,

HAS ADOPTED THIS REGULATION:
