COMMISSION REGULATION (EC) No 1830/97
of 23 September 1997
concerning the stopping of fishing for salmon by vessels flying the flag of Sweden

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 2847/93 of 12 October 1993 establishing a control system applicable to the common fisheries policy ⁽¹⁾, as last amended by Regulation (EC) No 686/97 ⁽²⁾, and in particular Article 21 (3) thereof,

Whereas Council Regulation (EC) No 390/97 of 20 December 1996 fixing, for certain fish stocks and groups of fish stocks, the total allowable catches for 1997 and certain conditions under which they may be fished ⁽³⁾, as last amended by Regulation (EC) No 711/97 ⁽⁴⁾, provides for salmon quotas for 1997;

Whereas, in order to ensure compliance with the provisions relating to the quantitative limitations on catches of stocks subject to quotas, it is necessary for the Commission to fix the date by which catches made by vessels flying the flag of a Member State are deemed to have exhausted the quota allocated;

Whereas, according to the information communicated to the Commission, catches of salmon in the waters of ICES division III b, c and d (EC zone) by vessels flying the flag

of Sweden or registered in Sweden have reached the quota allocated for 1997; whereas Sweden has prohibited fishing for this stock as from 1 September 1997; whereas it is therefore necessary to abide by that date,

HAS ADOPTED THIS REGULATION:

Article 1

Catches of salmon in the waters of ICES division III b, c and d (EC zone) by vessels flying the flag of Sweden or registered in Sweden are deemed to have exhausted the quota allocated to Sweden for 1997.

Fishing for salmon in the waters of ICES division III b, c and d (EC zone) by vessels flying the flag of Sweden or registered in Sweden is prohibited, as well as the retention on board, the transhipment and the landing of such stock captured by the abovementioned vessels after the date of application of this Regulation.

Article 2

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 1 September 1997.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 23 September 1997.

COMMISSION REGULATION (EC) No 1831/97
of 23 September 1997
on the issuing of A1 export licences for fruit and vegetables

THE COMMISSION OF THE EUROPEAN COMMUNITIES,
Having regard to the Treaty establishing the European Community,

Having regard to Commission Regulation (EC) No 2190/96 of 14 November 1996 on detailed rules for implementing Council Regulation (EEC) No 1035/72 as regards export refunds on fruit and vegetables⁽¹⁾, as last amended by Regulation (EC) No 610/97⁽²⁾, and in particular Article 2 (3) thereof,

Whereas Commission Regulation (EC) No 1744/97⁽³⁾ sets the quantities for which A1 export licences, other than those requested in the context of food aid, may be issued;

Whereas Article 2 of Regulation (EC) No 2190/96 sets the conditions under which special measures may be taken by the Commission with a view to avoiding an overrun of the quantities for which A1 licences may be issued;

Whereas the Commission has received information which indicates that those quantities, reduced or increased by the quantities referred to in Article 2 (3) of Regulation (EC) No 2190/96, would be exceeded if A1 licences were issued without restriction for shelled hazelnuts in response to applications submitted since 19 September

1997; whereas, therefore, a percentage should be fixed for the issuing of licences for quantities applied for on 19 September 1997 and applications for A1 licences submitted later in that application period should be rejected,

HAS ADOPTED THIS REGULATION:

Article 1

A1 export licences for shelled hazelnuts for which applications were submitted on 19 September 1997 pursuant to Article 1 of Regulation (EC) No 1744/97 shall be issued for 85,8 % of the quantities applied for.

Applications for A1 export licences submitted after 19 September 1997 and before 12 November 1997 for that product shall be rejected.

Article 2

This Regulation shall enter into force on 24 September 1997.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 23 September 1997.

COMMISSION REGULATION (EC) No 1832/97
of 23 September 1997
establishing the standard import values for determining the entry price of
certain fruit and vegetables

THE COMMISSION OF THE EUROPEAN COMMUNITIES,
Having regard to the Treaty establishing the European Community,

Having regard to Commission Regulation (EC) No 3223/94 of 21 December 1994 on detailed rules for the application of the import arrangements for fruit and vegetables ⁽¹⁾, as last amended by Regulation (EC) No 2375/96 ⁽²⁾, and in particular Article 4 (1) thereof,

Having regard to Council Regulation (EEC) No 3813/92 of 28 December 1992 on the unit of account and the conversion rates to be applied for the purposes of the common agricultural policy ⁽³⁾, as last amended by Regulation (EC) No 150/95 ⁽⁴⁾, and in particular Article 3 (3) thereof,

Whereas Regulation (EC) No 3223/94 lays down, pursuant to the outcome of the Uruguay Round multilateral trade negotiations, the criteria whereby the Commission fixes the standard values for imports from third

countries, in respect of the products and periods stipulated in the Annex thereto;

Whereas, in compliance with the above criteria, the standard import values must be fixed at the levels set out in the Annex to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The standard import values referred to in Article 4 of Regulation (EC) No 3223/94 shall be fixed as indicated in the Annex hereto.

Article 2

COMMISSION DECISION**of 12 September 1997****recognizing in principle the completeness of the dossier submitted for detailed examination in view of the possible inclusion of flumioxazine in Annex I to Council Directive 91/414/EEC concerning the placing of plant protection products on the market****(Text with EEA relevance)**

(97/631/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 91/414/EEC of 15 July 1991 concerning the placing of plant protection products on the market⁽¹⁾, as last amended by Commission Directive 96/68/EC⁽²⁾, and in particular Article 6 (3) thereof,

Whereas Council Directive 91/414/EEC has provided for the development of a Community list of active substances authorized for incorporation in plant protection products;

Whereas the applicant has submitted a dossier for the active substance to Member States' authorities in view of obtaining the inclusion of the active substances in Annex I to the Directive;

Whereas a dossier for the active substance flumioxazine was submitted by Cyanamid to the French authorities on 2 May 1994;

Whereas the said authorities indicated to the Commission the results of a first examination of the completeness of the dossier with regard to the data and information requirements provided for in Annex II and, for at least one plant protection product containing the active substance concerned, in Annex III to the Directive; whereas subsequently, in accordance with the provisions of Article 6 (2), the dossier was submitted by the applicant to the Commission and other Member States;

Whereas the dossier for flumioxazine was referred to the Standing Committee on Plant Health on 12 July 1996;

Whereas Article 6 (3) of the Directive requires it being confirmed at the level of the Community that each dossier is to be considered as satisfying in principle the data and information requirements provided for at Annex II and, for at least one plant protection product containing the active substance concerned, at Annex III to the Directive;

Whereas such confirmation is necessary in order to pursue the detailed examination of the dossier as well as in order to open to Member States the possibility of

granting provisional authorization for plant protection products containing this active substance in due respect of the conditions laid down in Article 8 (1) of the Directive, and in particular the condition to make a detailed assessment of the active substances and the plant protection products with regard to the requirements of the Directive;

Whereas such decision does not prejudice that further data or information may be requested from the applicant where it would appear during the detailed examination that such information or data are required for a decision to be taken;

Whereas it is understood between the Member States and the Commission that France will pursue the detailed examination for the dossier for flumioxazine;

Whereas France will report the conclusions of its examination accompanied by any recommendations on the inclusion or non-inclusion and any conditions related thereto to the Commission as soon as possible and at the latest within a period of one year; whereas on receipt of this report the detailed examination will be continued with the expertise from all Member States within the framework of the Standing Committee on Plant Health;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Plant Health,

HAS ADOPTED THIS DECISION:

Article 1

The following dossier is considered as satisfying in principle the data and information requirements provided for at Annex II and, for a plant protection product containing the active substance concerned, at Annex III to the Directive, taking into account the uses proposed.

The dossier submitted by Cyanamid to the Commission and the Member States with a view to the inclusion of flumioxazine as active substance in Annex I to Directive 91/414/EEC and which was referred to the Standing Committee on Plant Health on 12 July 1996.
