COMMISSION REGULATION (EC) No 967/2004**of 13 May 2004****fixing the export refunds on white sugar and raw sugar exported in its unaltered state**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1260/2001 of 19 June 2001 on the common organisation of the markets in the sugar sector⁽¹⁾, and in particular the second subparagraph of Article 27(5) thereof,

Whereas:

- (1) Article 27 of Regulation (EC) No 1260/2001 provides that the difference between quotations or prices on the world market for the products listed in Article 1(1)(a) of that Regulation and prices for those products within the Community may be covered by an export refund.
- (2) Regulation (EC) No 1260/2001 provides that when refunds on white and raw sugar, undenatured and exported in its unaltered state, are being fixed account must be taken of the situation on the Community and world markets in sugar and in particular of the price and cost factors set out in Article 28 of that Regulation. The same Article provides that the economic aspect of the proposed exports should also be taken into account.
- (3) The refund on raw sugar must be fixed in respect of the standard quality. The latter is defined in Annex I, point II, to Regulation (EC) No 1260/2001. Furthermore, this refund should be fixed in accordance with Article 28(4) of that Regulation. Candy sugar is defined in Commission Regulation (EC) No 2135/95 of 7 September 1995 laying down detailed rules of application for the grant of export refunds in the sugar sector⁽²⁾. The refund thus calculated for sugar containing added flavouring or colouring matter must apply to their sucrose content and, accordingly, be fixed per 1 % of the said content.
- (4) In special cases, the amount of the refund may be fixed by other legal instruments.

- (5) The refund must be fixed every two weeks. It may be altered in the intervening period.
- (6) The first subparagraph of Article 27(5) of Regulation (EC) No 1260/2001 provides that refunds on the products referred to in Article 1 of that Regulation may vary according to destination, where the world market situation or the specific requirements of certain markets make this necessary.
- (7) The significant and rapid increase in preferential imports of sugar from the western Balkan countries since the start of 2001 and in exports of sugar to those countries from the Community seems to be highly artificial.
- (8) To prevent any abuse through the re-import into the Community of sugar products in receipt of an export refund, no refund should be set for all the countries of the western Balkans for the products covered by this Regulation.
- (9) In view of the above and of the present situation on the market in sugar, and in particular of the quotations or prices for sugar within the Community and on the world market, refunds should be set at the appropriate amounts.
- (10) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1(1)(a) of Regulation (EC) No 1260/2001, undenatured and exported in the natural state, are hereby fixed to the amounts shown in the Annex hereto.

Article 2

This Regulation shall enter into force on 14 May 2004.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1260/2001 of 19 June 2001 on the common organisation of the markets in the sugar sector ⁽¹⁾ and in particular the second indent of Article 27 (5) thereof,

COMMISSION REGULATION (EC) No 969/2004**of 13 May 2004****fixing the export refunds on rice and broken rice and suspending the issue of export licences**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 3072/95 of 22 December 1995 on the common organisation of the market in rice ⁽¹⁾, and in particular the second subparagraph of Article 13 (3) and (15) thereof,

Whereas:

- (1) Article 13 of Regulation (EC) No 3072/95 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund.
- (2) Article 13(4) of Regulation (EC) No 3072/95, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other. The same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances of the Community market with limits resulting from agreements concluded in accordance with Article 300 of the Treaty.
- (3) Commission Regulation (EEC) No 1361/76 ⁽²⁾ lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum.
- (4) Export possibilities exist for a quantity of 1 800 tonnes of rice to certain destinations. The procedure laid down in Article 8(3) of Commission Regulation (EC) No 1342/2003 ⁽³⁾ should be used. Account should be taken of this when the refunds are fixed.
- (5) Article 13(5) of Regulation (EC) No 3072/95 defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated.
- (6) The world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination.
- (7) A separate refund should be fixed for packaged long grain rice to accommodate current demand for the product on certain markets.
- (8) The refund must be fixed at least once a month; whereas it may be altered in the intervening period.
- (9) It follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market, that the refund should be fixed as set out in the Annex hereto.
- (10) For the purposes of administering the volume restrictions resulting from Community commitments in the context of the WTO, the issue of export licences with advance fixing of the refund should be restricted.
- (11) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 of Regulation (EC) No 3072/95 with the exception of those listed in paragraph 1(c) of that Article, exported in the natural state, shall be as set out in the Annex hereto.

COMMISSION REGULATION (EC) No 973/2004
of 13 May 2004
fixing the export refunds on milk and milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1255/1999 of 17 May 1999 on the common organisation of the market in milk and milk products⁽¹⁾, and in particular Article 31(3) thereof,

Whereas:

(1) Article 31 of Regulation (EC) No 1255/1999 provides that the difference between prices in international trade for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund within the limits resulting from agreements concluded in accordance with Article 300 of the Treaty.

(2) Regulation (EC) No 1255/1999 provides that when the refunds on the products listed in Article 1 of the above-mentioned Regulation, exported in the natural state, are being fixed, account must be taken of:

— the existing situation and the future trend with regard to prices and availabilities of milk and milk products on the Community market and prices for milk and milk products in international trade,

— marketing costs and the most favourable transport charges from Community markets to ports or other points of export in the Community, as well as costs incurred in placing the goods on the market of the country of destination,

— the aims of the common organisation of the market in milk and milk products which are to ensure equilibrium and the natural development of prices and trade on this market,

— the limits resulting from agreements concluded in accordance with Article 300 of the Treaty, and

— the need to avoid disturbances on the Community market, and

— the economic aspect of the proposed exports.

(3) Article 31(5) of Regulation (EC) No 1255/1999 provides that when prices within the Community are being determined account should be taken of the ruling

prices which are most favourable for exportation, and that when prices in international trade are being determined particular account should be taken of:

(a) prices ruling on third-country markets;

(b) the most favourable prices in third countries of destination for third-country imports;

(c) producer prices recorded in exporting third countries, account being taken, where appropriate, of subsidies granted by those countries; and

(d) free-at-Community-frontier offer prices.

(4) Article 31(3) of Regulation (EC) No 1255/1999 provides that the world market situation or the specific requirements of certain markets may make it necessary to vary the refund on the products listed in Article 1 of the abovementioned Regulation according to destination.

(5) Article 31(3) of Regulation (EC) No 1255/1999 provides that the list of products on which export refunds are granted and the amount of such refunds should be fixed at least once every four weeks; the amount of the refund may, however, remain at the same level for more than four weeks.

(6) In accordance with Article 16 of Commission Regulation (EC) No 174/1999 of 26 January 1999 on specific detailed rules for the application of Council Regulation (EC) No 804/68 as regards export licences and export refunds on milk and milk products⁽²⁾, the refund granted for milk products containing added sugar is equal to the sum of the two components; one is intended to take account of the quantity of milk products and is calculated by multiplying the basic amount by the milk products content in the product concerned; the other is intended to take account of the quantity of added sucrose and is calculated by multiplying the sucrose content of the entire product by the basic amount of the refund valid on the day of exportation for the products listed in Article 1(1)(d) of Council Regulation (EC) No 1260/2001 of 19 June 2001 on the common organisation of the markets in the sugar sector⁽³⁾, however, this second component is applied only if the added sucrose has been produced using sugar beet or cane harvested in the Community.

- (7) Commission Regulation (EEC) No 896/84⁽¹⁾ laid down additional provisions concerning the granting of refunds on the change from one milk year to another; those provisions provide for the possibility of varying refunds according to the date of manufacture of the products.
- (8) For the calculation of the refund for processed cheese provision must be made where casein or caseinates are added for that quantity not to be taken into account.
- (9) It follows from applying the rules set out above to the present situation on the market in milk and in particular to quotations or prices for milk products within the Community and on the world market that the refund should be as set out in the Annex to this Regulation.

- (10) The Management Committee for Milk and Milk Products has not delivered an opinion within the time limit set by its chairman,

The export refunds referred to in Article 31 of Regulation (EC) No 1255/1999 on products exported in the natural state shall be as set out in the Annex.
