COUNCIL REGULATION (EU) No 1283/2009

of 22 December 2009

amending Council Regulation (EC) No 329/2007 concerning restrictive measures against the Democratic People's Republic of Korea

THE COUNCIL OF THE EUROPEAN UNION,

regime for the control of exports, transfer, brokering and transit of dual-use items (Recast) ⁽⁴⁾.

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 215 (1) and (2) thereof,

Having regard to Council Common Position 2009/573/CFSP of 27 July 2009 ⁽¹⁾ and Council Decision 2009/1002/CFSP of 22 December 2009 ⁽²⁾ amending Common Position 2006/795/CFSP concerning restrictive measures against the Democratic People's Republic of Korea,

Having regard to the joint proposal from the High Representative of the Union for Foreign Affairs and Security Policy and the Commission,

Whereas:

(1) On 20 November 2006, the Council adopted Common Position 2006/795/CFSP ⁽³⁾ concerning restrictive measures against the Democratic People's Republic of Korea (hereinafter referred to as 'North Korea') and implementing United Nations Security Council Resolution (UNSCR) 1718 (2006).

(2) In accordance with UNSCR 1874 (2009), additional restrictive measures were imposed against North Korea by Common Position 2009/573/CFSP, including notably a prohibition on the supply, sale or transfer of certain items, materials, equipment, goods and technology which could contribute to North Korea's nuclear-related, other weapons of mass destruction-related or ballistic missile-related programmes. Decision 2009/1002/CFSP specifies that this prohibition shall include all dual-use goods and technology listed in Annex I to Council Regulation (EC) No 428/2009 of 5 May 2009 setting up a Community

(3) Common Position 2009/573/CFSP also provides for the inspection of certain cargoes to and from North Korea and, in the case of aircraft and vessels, for the supply of additional pre-arrival or pre-departure information in respect of goods brought into or out of the Union. This information must be provided in accordance with the provisions on entry and exit summary declarations of Council Regulation (EEC) No 2913/92 of 12 October 1992 establishing the Community Customs Code ⁽⁵⁾, and Commission Regulation (EEC) No 2454/93 of 2 July 1993 laying down provisions for the implementation of Council Regulation (EEC) No 2913/92 establishing the Community Customs Code ⁽⁶⁾.

(4) Common Position 2009/573/CFSP also provides for a prohibition on bunkering services or any other services for North Korea's vessels in order to prevent the transport of items whose export is prohibited under Regulation (EC) No 329/2007 ⁽⁷⁾.

(5) Common Position 2009/573/CFSP also extends measures to freeze funds to other categories of persons and introduces financial vigilance measures in respect of the activities of financial institutions which could contribute to North Korea's nuclear-related, other weapons of mass destruction-related or ballistic missile-related programmes.

(6) These measures fall within the scope of the Treaty and, notably with a view to ensuring their uniform application by economic operators in all Member States, Union legislation is therefore necessary in order to implement them as far as the Union is concerned.

COUNCIL REGULATION (EU) No 1286/2009

of 22 December 2009

amending Regulation (EC) No 881/2002 imposing certain specific restrictive measures directed against certain persons and entities associated with Usama bin Laden, the Al-Qaida network and the Taliban

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 215(2) thereof,

Having regard to Council Common Position 2002/402/CFSP of 27 May 2002 concerning restrictive measures against Usama bin Laden, members of the Al-Qaida organisation and the Taliban and other individuals, groups, undertakings and entities associated with them ⁽¹⁾,

Having regard to the joint proposal from the High Representative of the Union for Foreign Affairs and Security Policy and the Commission,

Whereas:

- (1) Common Position 2002/402/CFSP provides, *inter alia*, that the European Community is to take certain restrictive measures, including the freezing of funds and economic resources, in accordance with Resolutions 1267 (1999), 1333 (2000) and 1390 (2002) of the Security Council of the United Nations.
- (2) The freezing of funds and economic resources has been implemented by means of Regulation (EC) No 881/2002 of 27 May 2002 imposing certain specific restrictive measures directed against certain persons and entities associated with Usama bin Laden, the Al-Qaida network and the Taliban ⁽²⁾.
- (3) An article providing for certain exceptions was inserted in that Regulation by means of Council Regulation (EC) No 561/2003 of 27 March 2003 ⁽³⁾. The non-objection period referred to in that Article should be brought in line with UN Security Council Resolution 1735 of 22 December 2006.
- (4) Following the judgment of the Court of Justice of the European Communities of 3 September 2008 in Joined Cases C-402/05 P and C-415/05 P: Judgment of the Court (Grand Chamber) of 3 September 2008 — Yassin Abdullah Kadi, Al Barakaat International Foundation v Council of the European Union, Commission of the European Communities, United Kingdom of Great Britain and Northern Ireland, Regulation (EC) No

881/2002 should be amended to provide for a listing procedure ensuring that the fundamental rights of the defence and in particular the right to be heard are respected.

- (5) The revised procedure should include providing to the listed person, entity, body or group the reasons for listing as transmitted by the UN Al Qaida and Taliban Sanctions Committee, so as to give the listed person, entity, body or group an opportunity to express his, her or its views on those reasons. The purpose of Regulation (EC) No 881/2002 is to freeze the funds and economic resources of persons, entities, bodies and groups included in the Al Qaida and Taliban list drawn up by the UN. As the relevant UN Security Council Resolutions provide that such freezing has to take place 'without delay', such a measure must, by its very nature, take advantage of a surprise effect.

Therefore, the Commission should be able to take a decision before informing the person, entity, body or group concerned of the reasons for listing. The reasons for listing should, however, be notified to that person, entity, body or group without delay, after that decision has been published, to give the person, entity, body or group concerned an opportunity to make effectively his, her or its point of view known.

- (6) While the Commission should endeavour to notify the reasons for listing directly to the person, entity, body or group concerned, such notification may not be possible in some cases due to incomplete contact details or the complete absence thereof. In such cases, a notice should be published in the *Official Journal* to inform those concerned of the applicable procedures.
- (7) Where observations are submitted, the Commission should review its decision in the light of those observations and in accordance with Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission ⁽⁴⁾. The review should be carried out following the regulatory procedure, considering the important political responsibilities involved and the sensitive nature of the international efforts in countering terrorism.
