REGULATIONS

COMMISSION REGULATION (EU) No 80/2010

of 28 January 2010

amending Regulation (EC) No 718/2007 implementing Council Regulation (EC) No 1085/2006 establishing an instrument for pre-accession assistance (IPA)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1085/2006 of 17 July 2006 establishing an Instrument for Pre-Accession Assistance (IPA) ⁽¹⁾ (the IPA Regulation) and in particular Article 3(3) thereof,

Whereas:

- (1) Commission Regulation (EC) No 718/2007 of 12 June 2007 implementing Council Regulation (EC) No 1085/2006 establishing an instrument for pre-accession assistance (IPA) ⁽²⁾ provides detailed rules for the implementation of the IPA Regulation.
- (2) In the light of the experience gained in the first years of implementation of the IPA Regulation, it has appeared necessary to proceed with a limited revision of Regulation (EC) No 718/2007 with a view to removing some inconsistencies and erroneous cross-references, enhancing clarity in the text of some articles and amending some of the specific provisions with a view to enhancing coherence, efficiency and effectiveness in the implementation of the instrument.
- (3) It is necessary to further clarify when common provisions are subject to specific provisions under different IPA components. The provisions concerning the evaluation of assistance should be brought into line with the requirements of Council Regulation (EC, Euratom) No 1605/2002 of 25 June 2002 on the Financial Regulation applicable to the general budget of the European Communities ⁽³⁾ and Commission

Regulation (EC, Euratom) No 2342/2002 of 23 December 2002 laying down detailed rules for the implementation of Council Regulation (EC, Euratom) No 1605/2002 on the Financial Regulation applicable to the general budget of the European Communities ⁽⁴⁾ while ensuring a better consistency between common provisions applicable to all IPA components and specific provisions applicable to each IPA component.

- (4) The specific provisions concerning the Transition assistance and institution building component should better reflect the provisions of the IPA Regulation, namely as regards the areas of assistance to countries listed in Annex I to the IPA Regulation and the possibility to programme assistance through multi-annual as well as annual programmes. Furthermore, in view to ensure a coherent approach among IPA components, the ceiling of the Community contribution in the case of investment operations should be raised to 85 % of the eligible expenditure so as to align with the revised aid intensity for investments applicable under the Regional development component.
- (5) In the specific provisions of the Cross-border cooperation component, namely for cross-border programmes between beneficiary countries and Member States, it appears necessary to substantially increase the pre-financing amount paid to the body designated by the participating countries to receive the payments made by the Commission.
- (6) Some of the specific provisions of the Regional development component, the Human resources development component and the Rural development component need to be further aligned with the rules governing the Structural and Cohesion funds and the Rural development funds in EU Member States, of which they are the precursor.
- (7) The provisions laid down in this Regulation are in accordance with the opinion of the IPA Committee,

COMMISSION REGULATION (EU) No 81/2010**of 28 January 2010****fixing the coefficients applicable to cereals exported in the form of Irish whiskey for the period 2009/10**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of European Union,

Having regard to Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation) ⁽¹⁾,

Having regard to Commission Regulation (EC) No 1670/2006 of 10 November 2006 laying down certain detailed rules for the application of Council Regulation (EC) No 1784/2003 as regards the fixing and granting of adjusted refunds in respect of cereals exported in the form of certain spirit drinks ⁽²⁾, and in particular Article 5 thereof,

Whereas:

- (1) Article 4(1) of Regulation (EC) No 1670/2006 lays down that the quantities of cereals eligible for the refund are to be the quantities placed under control and distilled, weighted by a coefficient to be fixed annually for each Member State concerned. The coefficient is to express the average ratio between the total quantities exported and the total quantities marketed of the spirit drink concerned, on the basis of the trend noted in those quantities during the number of years corresponding to the average ageing period of the spirit drink in question.
- (2) According to the information provided by Ireland in respect of the period 1 January to 31 December 2008, the average ageing period for Irish whiskey in 2008 was 5 years.
- (3) The coefficients for the period 1 October 2009 to 30 September 2010 should therefore be fixed accordingly.

- (4) Article 10 of Protocol 3 to the Agreement on the European Economic Area excludes the grant of refunds in respect of exports to Liechtenstein, Iceland and Norway. Moreover, the Community has concluded agreements abolishing export refunds with certain third countries. Under the terms of Article 7(2) of Regulation (EC) No 1670/2006, that should be taken into account in calculating the coefficients for 2009/10.

- (5) Commission Regulation (EC) No 1214/2008 of 5 December 2008 fixing the coefficients applicable to cereals exported in the form of Irish whiskey for the period 2008/2009 ⁽³⁾ has exhausted its effects, as it concerns the coefficients applicable for the year 2008/2009. For reasons of legal security and clarity, the abovementioned Regulation should be repealed,

HAS ADOPTED THIS REGULATION:

Article 1

For the period 1 October 2009 to 30 September 2010, the coefficients provided for in Article 4 of Regulation (EC) No 1670/2006 applying to cereals used in Ireland for producing Irish whiskey shall be as set out in the Annex to this Regulation.

Article 2

Regulation (EC) No 1214/2008 is hereby repealed.

Article 3

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Union*.

It shall apply from 1 October 2009.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 January 2010.

COMMISSION REGULATION (EU) No 82/2010**of 28 January 2010****amending Regulation (EC) No 748/2009 on the list of aircraft operators which performed an aviation activity listed in Annex I to Directive 2003/87/EC on or after 1 January 2006 specifying the administering Member State for each aircraft operator****(Text with EEA relevance)**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Directive 2003/87/EC of the European Parliament and of the Council of 13 October 2003 establishing a scheme for greenhouse gas emission allowance trading within the Community and amending Council Directive 96/61/EC ⁽¹⁾, and in particular Article 18a(3)(a) thereof,

Whereas:

- (1) Directive 2003/87/EC, as amended by Directive 2008/101/EC ⁽²⁾, includes aviation activities in the scheme for greenhouse gas emission allowance trading within the European Union.
- (2) Commission Regulation (EC) No 748/2009 ⁽³⁾ establishes a list of aircraft operators which had performed an aviation activity within the meaning of Annex I to Directive 2003/87/EC on or after 1 January 2006.
- (3) The list of aircraft operators established by Regulation (EC) No 748/2009 aims to reduce the administrative burden on aircraft operators by providing for a single Member State to be responsible for each aircraft operator, so that each operator knows which Member State it will be regulated by and each Member State is clear on which operators it should regulate.
- (4) The inclusion in the Union's emissions trading scheme, including the obligation to surrender allowances, is dependent upon the performance of an aviation activity in Annex I of Directive 2003/87/EC and is not dependent on the inclusion in the list of aircraft operators established by Regulation (EC) No 748/2009.

- (5) A number of aircraft operators employ management or service companies to file flight plans and pay route charges on their behalf. Consequently the International Civil Aviation Organization (ICAO) designator of the management or service company often appears in the flight plan, notwithstanding that such companies may not be aircraft operators. The best means to identify an aircraft operator or aircraft owner is the presence of the ICAO designator or registration marking in the flight plan, and it is therefore often not possible to identify with certainty the relevant operator unless the operator provides Eurocontrol with a fleet declaration containing data on the aircraft it operates. In establishing the updated list of aircraft operators, the Commission has taken account of the fleet list declarations provided to it by operators and management and service companies. However, a number of management or service companies and aircraft registration markings appear in the updated list due to a lack of information provided.

- (6) Regulation (EC) No 748/2009 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EC) No 748/2009 is replaced by the Annex to this Regulation.

*Article 2*This Regulation shall enter into force on the third day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EU) No 85/2010**of 28 January 2010****on the issue of licences for importing rice under the tariff quotas opened for the January 2010 subperiod by Regulation (EC) No 327/98**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation) ⁽¹⁾,

Having regard to Commission Regulation (EC) No 1301/2006 of 31 August 2006 laying down common rules for the administration of import tariff quotas for agricultural products managed by a system of import licences ⁽²⁾, and in particular Article 7(2) thereof,

Having regard to Commission Regulation (EC) No 327/98 of 10 February 1998 opening and providing for the administration of certain tariff quotas for imports of rice and broken rice ⁽³⁾, and in particular the first paragraph of Article 5 thereof,

Whereas:

- (1) Regulation (EC) No 327/98 opened and provided for the administration of certain import tariff quotas for rice and broken rice, broken down by country of origin and split into several subperiods in accordance with Annex IX to Regulation.
- (2) The January subperiod is the first subperiod for the quotas provided for under Article 1(1)(a), (b), (c) and (d) of Regulation (EC) No 327/98.
- (3) The notification sent in accordance with Article 8(a) of Regulation (EC) No 327/98 shows that, for the quotas with order numbers 09.4153 — 09.4154 — 09.4112 — 09.4116 — 09.4117 — 09.4118 — 09.4119 — 09.4166, the applications lodged in the first 10 working days of January 2010 under Article 4(1) of that Regulation cover a quantity greater than that available. The extent to which import licences may be issued should therefore be determined and the allocation coefficient to be applied to the quantities applied for under the quotas concerned should be laid down.

(4) It is also clear from the notification that, for the quotas with order numbers 09.4127 — 09.4128 — 09.4148 — 09.4149 — 09.4150 — 09.4152, the applications lodged in the first 10 working days of January 2010 under Article 4(1) of the Regulation cover a quantity less than or equal to that available.
