REGULATIONS

COMMISSION REGULATION (EU) No 484/2010

of 3 June 2010

amending Regulation (EC) No 826/2008 laying down common rules for the granting of private storage aid for certain agricultural products

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation) ⁽¹⁾, and in particular Article 43(a) and (d), in conjunction with Article 4 thereof,

Whereas:

- (1) Article 28 of Regulation (EC) No 1234/2007 provides for compulsory private storage of butter.
- (2) Article 2 of Commission Regulation (EC) No 826/2008 ⁽²⁾ establishes the requirements to be fulfilled by the products in order to be eligible for a private storage aid. Those requirements are listed in Annex I to that Regulation.
- (3) Point III of Annex I to Regulation (EC) No 826/2008 provides that only butter produced in an undertaking approved in accordance with Article 4(1)(a), (b) and (c) of Commission Regulation (EC) No 105/2008 of 5 February 2008 laying down detailed rules for the application of Council Regulation (EC) No 1255/1999 as regards intervention on the market in butter ⁽³⁾ and which fulfils additional criteria is eligible for private storage aid.

buying-in and selling of agricultural products under public intervention ⁽⁴⁾ repealed Regulation (EC) No 105/2008 with effect from 1 March 2010.

- (5) The criteria for the approval of undertakings for butter eligible for the private storage aid have been taken up in point 1(a), (b) and (c) of Part III of Annex IV to Regulation (EU) No 1272/2009.
- (6) Since the reference to Regulation (EC) No 105/2008 in point III of Annex I to Regulation (EC) No 826/2008 is no longer relevant starting with 1 March 2010, for reasons of clarity it is therefore appropriate to update this reference by making reference to point 1(a), (b) and (c) of Part III of Annex IV to Regulation (EU) No 1272/2009.
- (7) Regulation (EC) No 826/2008 should therefore be amended accordingly.
- (8) The proposed amendment should apply as from the date on which the repeal of Regulation (EC) No 105/2008 has taken effect.
- (9) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for the Common Organisation of Agricultural Markets,

COMMISSION DECISION

of 3 June 2010

amending Decision 2008/721/EC as regards indemnities paid to members of scientific committees and experts in the field of consumer safety, public health and the environment

(2010/309/EU)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Articles 168 and 169 thereof,

Whereas:

- (1) Article 19 of Commission Decision 2008/721/EC of 5 September 2008 setting up an advisory structure of Scientific Committees and experts in the field of consumer safety, public health and the environment and repealing Decision 2004/210/EC ⁽¹⁾ states that members of the Scientific Committees, scientific advisors from the Pool of Scientific Advisors on Risk Assessment (hereinafter the Pool) and external experts are entitled to an indemnity for their participation in the meetings of the committees, thematic workshops, working groups and other meetings and events organised by the Commission, and for serving as Rapporteur on a specific question.
- (2) Annex III to Decision 2008/721/EC, sets down the amounts of indemnities to be paid to the members of the Scientific Committees, scientific advisors of the Pool and external experts.
- (3) Currently the indemnities for participation in meetings can only be paid to experts physically present in those meetings. Modern technologies allow the exchange of expert opinions in virtual meetings using audio or video devices or online applications. The use of these tools would allow wider participation of experts in the activities of the Scientific Committees while minimising the environmental impact and costs and reduce expert time needed for travelling.
- (4) In the case of participation from a distance by electronic means, the amount of the indemnity should be related to the duration of the meeting (short attendance, full day or only morning or afternoon meeting).

- (5) It is therefore necessary to adjust the rules for the payment of participation indemnities to members, advisors and external experts. Article 19 and Annex III to Decision 2008/721/EC should be amended accordingly,

HAS ADOPTED THIS DECISION:

Article 1

2. Annex III is replaced by the text set out in the Annex to this Decision.

Article 2

This Decision shall enter into force on the day following its publication in the *Official Journal of the European Union*.

EUR 770	— Complex issue — Opinion based on significant data and literature search and examination — Stakeholder and/or public consultation with limited feedback examination workload — From five to nine months between the first and the last meeting
