THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EEC) No 2658/87 of 23 July 1987 on the tariff and statistical nomenclature and on the Common Customs Tariff⁽¹⁾, and in particular Article 9(1)(a) thereof,

Whereas:

(1) In order to ensure uniform application of the Combined Nomenclature annexed to Regulation (EEC) No 2658/87, it is necessary to adopt measures concerning the classification of the goods referred to in the Annex to this Regulation.

(2) Regulation (EEC) No 2658/87 has laid down the general rules for the interpretation of the Combined Nomenclature. Those rules apply also to any other nomenclature which is wholly or partly based on it or which adds any additional subdivision to it and which is established by specific provisions of the Union, with a view to the application of tariff and other measures relating to trade in goods.

(3) Pursuant to those general rules, the goods described in column (1) of the table set out in the Annex should be classified under the CN code indicated in column (2), by virtue of the reasons set out in column (3) of that table.

(4) It is appropriate to provide that binding tariff information which has been issued by the customs authorities of Member States in respect of the classification of goods in the Combined Nomenclature but which is not in accordance with this Regulation can, for a period of three months, continue to be invoked by the holder under Article 12(6) of Council Regulation (EEC) No 2913/92 of 12 October 1992 establishing the Community Customs Code⁽²⁾.

ANNEX

Description of the goods	Classification (CN code)	Reasons
(1)	(2)	(3)
A castor consisting of: — a rectangular stainless steel plate with dimensions of approximately 14 × 10 cm with 4 screw holes, — a fork-shaped stainless steel housing with a swivel bearing that rotates through 360°, — a rubber tyre with a diameter of approximately 13 cm and a width of approximately 4 cm, — a plastic rim with a bearing. The castor can be mounted on various articles, such as trolleys, hospital beds and other furniture. (*) see image	7326 90 98	Classification is determined by General Rules 1, 3(b) and 6 for the interpretation of the Combined Nomenclature and by the wording of CN codes 7326, 7326 90 and 7326 90 98. Classification under heading 8302 is excluded as that heading only covers castors with a diameter not exceeding 75 mm or a width not exceeding 30 mm (see Note 2 to Chapter 83). The intended principal use of the castor is not inherent to its objective characteristics, as it is equally suitable for goods of, for example, heading 8716 (trolleys), heading 9402 (hospital beds) or heading 9403 (other furniture). Classification as a part of a specific article is therefore excluded. The castor is composite goods consisting of different materials (stainless steel, rubber and plastic). The component that gives the castor its essential character is the housing of stainless steel, as it is the basis for the structure of the castor. The castor is therefore to be classified under CN code 7326 90 98 as other articles of iron or steel.

ANNEX

Description of the goods	Classification (CN code)	Reasons
(1)	(2)	(3)
Product consisting of green-lipped mussel powder (species <i>Perna canalicula</i>), fit for human consumption. It is presented in bags of 10 kg to 20 kg.	0307 99 80	Classification is determined by General Rules 1 and 6 for the interpretation of the Combined Nomenclature, Note 1 to Chapter 23 and the wording of CN codes 0307, 0307 99 and 0307 99 80. The product is fit for human consumption. Therefore, classification under heading 2301 is excluded (see also the Harmonized System Explanatory Notes to heading 2301, point (1)). The product has retained the essential characteristics of the original material (mussel powder). Classification under heading 2309 as a preparation used in animal feeding is therefore excluded in accordance with Note 1 to Chapter 23. Given the characteristics of the product it is to be classified under heading 0307 as 'other flour or meal of molluscs, fit for human consumption'.

COMMISSION IMPLEMENTING REGULATION (EU) No 730/2013**of 29 July 2013****on certain detailed implementing rules concerning the keeping of accounts for the purpose of determining the incomes of agricultural holdings****(codification)**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1217/2009 of 30 November 2009 setting up a network for the collection of accountancy data on the incomes and business operation of agricultural holdings in the European Community ⁽¹⁾, and in particular Articles 7(2) and 10(2) thereof,

Whereas:

- (1) Commission Regulation (EEC) No 1915/83 of 13 July 1983 on certain detailed implementing rules concerning the keeping of accounts for the purpose of determining the incomes of agricultural holdings ⁽²⁾ has been substantially amended several times ⁽³⁾. In the interests of clarity and rationality the said Regulation should be codified.
- (2) A contract is to be concluded annually between the competent authorities designated by each Member State and accountancy offices which do not belong to an administrative department whereby the accountancy office undertakes to fulfil its obligations in compliance with Union rules. The contract in question should include provisions referring to the Union rules concerned.
- (3) In order to ensure that data network results are presented each year at a time which is not too distant from the date on which the first farm returns are forwarded to the Commission, the period during which the end of the accounting year may fall should be limited.
- (4) For budgetary reasons and to facilitate financial management, the maximum number of farm returns per Member State to be paid should be limited to the number indicated in the Annex to Commission Regulation (EU) No 1291/2009 of 18 December 2009 concerning the selection of returning holdings for the purpose of determining incomes of agricultural holdings ⁽⁴⁾. Some flexibility in the number of farm returns per division eligible for payment should be allowed, within the maximum number of returning holdings per Member State as laid down in that Annex if the Member State concerned has more than one division.
- (5) If the number of duly completed farm returns forwarded within the time limit per division or per Member State is

less than 80 % of the number fixed for the division or the Member State in question, the standard fee for the farm returns from that division or from the Member State concerned should be reduced.

- (6) The time limit for the forwarding of farm returns should be such as to allow the accountancy offices, liaison agencies and the Commission to carry out their tasks.
- (7) The period for the forwarding of returns should be calculated from the end of the accounting year to which they relate.
- (8) In order to be considered duly completed, a farm return must contain data which are factually accurate and recorded and presented in accordance with Commission Regulation (EC) No 868/2008 of 3 September 2008 on the farm return to be used for determining the incomes of agricultural holdings and analysing the business operation of such holdings ⁽⁵⁾.
- (9) The standard fee payable by the Commission should be paid for farm returns duly completed and forwarded within the prescribed period.
- (10) As a result of the general rise in costs and its effects on the cost of completing the farm return, the fee should be revised at regular intervals.
- (11) In order to improve the execution of the financial operations involved in paying the standard fee, provision should be made for a payment on account.
- (12) The measures provided for in this Regulation are in accordance with the opinion of the Community Committee for the Farm Accountancy Data Network,

HAS ADOPTED THIS REGULATION:

Article 1

The contract referred to in Article 10(1) of Regulation (EC) No 1217/2009 shall contain at least the clauses set out in Annex I to this Regulation.

Article 2

The accounting year of 12 consecutive months referred to in point I(a) of Annex II to Regulation (EC) No 868/2008 shall end during the period 31 December to 30 June inclusive.

⁽¹⁾ OJ L 328, 15.12.2009, p. 27.⁽²⁾ OJ L 190, 14.7.1983, p. 25.⁽³⁾ See Annex II.⁽⁴⁾ OJ L 347, 24.12.2009, p. 14.⁽⁵⁾ OJ L 237, 4.9.2008, p. 18.

Article 3

The liaison agency shall forward to the Commission all the farm returns presented in the form laid down in Regulation (EC) No 868/2008.

The farm returns shall be forwarded not later than 12 months after the end of the accounting year in question.

The farm returns shall be regarded as having been forwarded to the Commission when the liaison agency, after the data have been introduced in the Commission's data delivery and control system and after the subsequent computer checks have been executed, confirms the data to be ready to be loaded in the Commission's database.

Article 4

A farm return shall be regarded as having been duly completed where its contents are factually accurate and the accountancy data contained therein have been recorded and are presented in accordance with Regulation (EC) No 868/2008.

Article 5

1. The Commission shall pay a standard fee to the Member States in respect of each duly completed farm return forwarded to it within the period referred to in Article 3.

2. The total number per Member State of duly completed and forwarded farm returns that are eligible for the standard fee shall not be more than the total number of returning holdings laid down for that Member State in the Annex to Regulation (EU) No 1291/2009.

For Member States having more than one division, the number of duly completed and forwarded farm returns per division that are eligible for the standard fee may be up to 20 % higher than the number laid down for the division concerned, provided that the total number of duly completed and forwarded farm returns of the Member State concerned shall not be higher than the total number laid down for that Member State in the Annex to Regulation (EU) No 1291/2009.

If the number of duly completed and forwarded farm returns in respect of a division or a Member State is less than 80 % of the number of returning holdings laid down for that division or for the Member State concerned, the standard fee for the farm returns from that division or from the Member State concerned shall be reduced by 20 %.

If there is a shortfall for both a division and the Member State concerned, the reduction shall be applied only at national level.

3. The standard fee shall be paid in two instalments:

- (a) a payment on account corresponding to 50 % of the fee shall be paid at the beginning of each Member State's accounting year for the number of returning holdings laid down in the Annex to Regulation (EU) No 1291/2009;
- (b) the balance, to be calculated by multiplying the fee by the number of duly completed farm returns forwarded to the Commission and subtracting the payment on account referred to in point (a), shall be paid within six months of receipt of the farm returns by the Commission.

4. The amount of the standard fee shall be fixed in accordance with the procedure referred to in Article 18(2) of Regulation (EC) No 1217/2009.

Article 6

Regulation (EEC) No 1915/83 is repealed.

References to the repealed Regulation shall be construed as references to this Regulation and shall be read in accordance with the correlation table in Annex III.

Article 7

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 29 July 2013.

For the Commission

The President

José Manuel BARROSO
