Description of goods	Classification (CN Code)	Reasons

A product consisting of the following components, packed as a set: — A rectangular cut-out (approx. 14 × 21 cm) made of a plastic film of two layers, printed on the front with black-and-white motifs. The cut-out is fitted with a self-adhesive strip on the back. From this cut-out, six pre-cut, raised stickers (the top plastic film is in relief) can be peeled off. — Three porous-tipped felt pens in different colours. The felt pens are packed together in a small plastic package. The stickers are to be coloured in with the felt pens and then used for decoration purposes. See image (*).	4911 91 00	Classification is determined by general rules 1, 3(b) and 6 for the interpretation of the Combined Nomenclature, Note 2 to Section VII of the Combined Nomenclature and the wording of CN codes 4911 and 4911 91 00. The product is presented as a set for retail sale. Its essential character is given by the stickers. Classification under heading 3919 is excluded as the shape of the pre-cut, raised stickers is not flat. Classification under heading 3926 is excluded as the printing is not merely incidental to the primary use of the goods (see Note 2 to Section VII). Chapter 49 covers, with a few exceptions, all printed matter of which the essential nature and use is determined by the fact of it being printed with motifs, characters or pictorial representations (see also the Harmonized System Explanatory Notes (HSEN) to Chapter 49, General, first paragraph). Self-adhesive printed stickers designed to be used for decoration are covered by heading 4911 (see also the HSEN to heading 4911, point (10)). Therefore, the product is to be classified in CN code 4911 91 00.

ANNEX

Description of goods	Classification (CN Code)	Reasons
(1)	(2)	(3)
A product consisting of a metallised polyethyleneterephthalate ('PET') film used as a raw material source to manufacture an aluminium pigment, having the following characteristics: — at least eight layers of aluminium of a purity of 99,8 % or more, — the optical density of each aluminium layer is not more than 3,0 D, — each aluminium layer is separated by an acrylate polymer layer, — the thickness of each aluminium layer is up to 30 nanometres (0,03 µm), — the aluminium and acrylate polymer layers are on a PET (polyethyleneterephthalate) carrier film having a thickness of 12 µm. The product is presented on rolls of up to 50 000 metres in length.	7616 99 90	Classification is determined by general rules 1, 3(b) and 6 for the interpretation of the Combined Nomenclature and the wording of CN codes 7616, 7616 99 and 7616 99 90. Classification under heading 3212 as a stamping foil is excluded because the product does not consist of a metallic powder agglomerated with a binder, or of a metal or pigment deposited on a supporting sheet, and it is not of a kind used for printing. Consequently, in accordance with Note 6 to Chapter 32 the product is not a stamping foil. As the PET carrier film acts as a structural support layer for the aluminium and acrylate polymer layers put on either side of that PET carrier film, it does not give the product its essential character. The essential character is given by the aluminium. Classification as foils of polyesters or plastics under heading 3920 or 3921 is therefore excluded. In accordance with Note 1(d) to Chapter 76, foils of heading 7607 consist only of a single layer of aluminium which can be backed with, for instance, plastics. The product has a more complex structure as it consists of several aluminium layers separated by acrylate polymer layers, supported by a PET carrier film in the centre of that structure. Consequently, classification under heading 7607 as an aluminium foil, backed with plastics, is also excluded. The product is therefore to be classified in CN code 7616 99 90 as other articles of aluminium.

A product put up for retail sale in gelatine capsules, one capsule consisting of (mg): — simethicone: 257,5 — gelatine, glycerol, dimethicone, titanium dioxide (E 171), potassium sorbate, food colourants E 110 and E 122: approx. 196 The product soothes stomach pain and prevents bloating and flatulence. According to its label, the product is presented for human consumption with a recommended daily dose of one to two capsules after each main meal of the day.	3004 90 00	Classification is determined by the general rules 1 and 6 for the interpretation of the Combined Nomenclature, Note 1(f) to Chapter 21 and the wording of CN codes 3004 and 3004 90 00. The product, due to the presence of simethicone, has therapeutic properties. Its classification under heading 2106 as a food preparation not elsewhere specified or included is therefore excluded (see Note 1(f) to Chapter 21). The product is put up for retail sale in measured doses and exhibits clearly defined prophylactic or therapeutic properties, e.g. against functional dyspepsia. ⁽¹⁾ OJ L 347, 20.12.2013, p. 549.

⁽²⁾ Commission Implementing Regulation (EU) No 908/2014 of 6 August 2014 laying down rules for the application of Regulation (EU) No 1306/2013 of the European Parliament and of the Council with regard to paying agencies and other bodies, financial management, clearance of accounts, rules on checks, securities and transparency (OJ L 255, 28.8.2014, p. 59).

- (7) In accordance with Article 5(5) of Commission Delegated Regulation (EU) No 907/2014 ⁽¹⁾, any overrun of deadlines during August, September and October is to be taken into account in the clearance of accounts decision. Some of the expenditure declared by certain Member States during these months in 2015 was effected after the applicable deadlines. This Decision should therefore fix the relevant reductions.
- (8) Pursuant to Article 41 of Regulation (EU) No 1306/2013, the Commission has already reduced or suspended a number of monthly payments on entry into the accounts of expenditure for the 2015 financial year due to failure to comply with financial ceilings or payment deadlines, or due to control deficiencies. In adopting this Decision, the Commission should take into account the amounts reduced or suspended in order to avoid making all inappropriate, or untimely, payments or reimbursing amounts which could later be subject to financial correction. The amounts in question may be further examined, where appropriate, under conformity clearance proceedings pursuant to Article 52 of Regulation (EU) No 1306/2013.
- (9) Article 54(4) of Regulation (EU) No 1306/2013 requires Member States to attach to the annual accounts that they have to submit to the Commission pursuant to Article 29 of Implementing Regulation (EU) No 908/2014 a certified table reflecting the amounts to be borne by them under Article 54(2) of Regulation (EU) No 1306/2013. Rules on the application of the Member States' obligation to report the amounts to be recovered are laid down in Implementing Regulation (EU) No 908/2014. Annex II to Implementing Regulation (EU) No 908/2014 sets out the model of the table that Member States have to use to provide information about amounts to be recovered in 2016. On the basis of the tables completed by the Member States, the Commission should decide on the financial consequences of non-recovery of irregularities older than four or eight years respectively.
- (10) Pursuant to Article 54(3) of Regulation (EU) No 1306/2013, on duly justified grounds, Member States may decide not to pursue recovery. Such a decision may be taken only if the costs already, and likely to be, incurred total more than the amount to be recovered or if the recovery proves impossible owing to the insolvency, recorded and recognised under national law, of the debtor or the persons legally responsible for the irregularity. If the decision has been taken within four years of the primary administrative or judicial finding or within eight years where the recovery is taken to the national courts, 100 % of the financial consequences of the non-recovery should be borne by the Union budget. The amounts for which the Member State decided not to pursue recovery and the grounds for the decision are shown in the summary report referred to in Article 54(4) in conjunction with point (c)(iv) of Article 102(1) of Regulation (EU) No 1306/2013. Therefore, such amounts should not be charged to the Member States concerned and are consequently borne by the Union budget.
- (11) In accordance with Article 51 of Regulation (EU) No 1306/2013, this Decision is without prejudice to the decisions the Commission may take subsequently to exclude from Union financing expenditure not effected in accordance with European Union rules,

HAS ADOPTED THIS DECISION:

Article 1

With the exception of the paying agencies referred to in Article 2, the accounts of the Member States' paying agencies concerning expenditure financed by the European Agricultural Guarantee Fund (EAGF) in respect of the 2015 financial year, are hereby cleared.

The amounts recoverable from, or payable to, each Member State pursuant to this Decision, including those resulting from the application of Article 54(2) of Regulation (EU) No 1306/2013, are set out in Annex I to this Decision.

Article 2

For the 2015 financial year, the accounts of the Member States' paying agencies in respect of expenditure financed by the EAGF, as set out in Annex II, are not covered by this Decision and shall be the subject of a future clearance of accounts decision.

⁽¹⁾ Commission Delegated Regulation (EU) No 907/2014 of 11 March 2014 supplementing Regulation (EU) No 1306/2013 of the European Parliament and of the Council with regard to paying agencies and other bodies, financial management, clearance of accounts, securities and use of euro (OJ L 255, 28.8.2014, p. 18).

Article 3

This Decision is without prejudice to future conformity clearance decisions that the Commission may take pursuant to Article 52 of Regulation (EU) No 1306/2013 to exclude from Union financing expenditure not effected in accordance with Union rules.

COMMISSION IMPLEMENTING DECISION (EU) 2016/942**of 30 May 2016****on the clearance of the accounts of the paying agencies of Member States concerning expenditure financed by the European Agricultural Fund for Rural Development (EAFRD) for the 2015 financial year***(notified under document C(2016) 3238)*

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1306/2013 of the European Parliament and of the Council of 17 December 2013 on the financing, management and monitoring of the common agricultural policy and repealing Council Regulations (EEC) No 352/78, (EC) No 165/94, (EC) No 2799/98, (EC) No 814/2000, (EC) No 1290/2005 and (EC) No 485/2008 ⁽¹⁾, and in particular Article 51 thereof,

After consulting the Committee on the Agricultural Funds,

Whereas:

- (1) Pursuant to Article 51 of Regulation (EU) No 1306/2013, the Commission, on the basis of the annual accounts submitted by the Member States, accompanied by the information required for the clearance of accounts and an audit opinion regarding the completeness, accuracy and veracity of the accounts and the reports established by the certification bodies, has to clear the accounts of the paying agencies referred to in Article 7 of that Regulation.
- (2) In accordance with Article 39 of Regulation (EU) No 1306/2013 the agricultural financial year begins on 16 October of year N-1 and ends on 15 October of year N. When clearing the accounts for the 2015 financial year, for the purpose of aligning the reference period for European Agricultural Fund for Rural Development (EAFRD) expenditure with that of the European Agricultural Guarantee Fund (EAGF), account should be taken of expenditure incurred by the Member States between 16 October 2014 and 15 October 2015, as provided for in Article 11(1) of Commission Implementing Regulation (EU) No 908/2014 ⁽²⁾.
- (3) This Decision concerns the clearance of accounts of the Rural Development programming period 2014-2020. Expenditure incurred in the period from 16 October 2014 to 31 December 2015 and related to the 2007-2013 programming period, will be subject to a clearance decision after 30 June 2016, as provided for in Article 37 of Regulation (EU) No 1306/2013.
- (4) The second subparagraph of Article 33(2) of Implementing Regulation (EU) No 908/2014 provides that the amounts that are recoverable from, or payable to, each Member State, in accordance with the accounts clearance decision referred to in the first subparagraph of Article 33(1) of that Regulation, are to be established by deducting the intermediate payments for the financial year concerned from the expenditure recognised for that year in accordance with Article 33(1). The Commission is to deduct that amount from or add it to the next intermediate payment.
- (5) The Commission has checked the information submitted by the Member States and has communicated the results of its checks to the Member States before 30 April 2016, along with the necessary amendments.

⁽¹⁾ OJ L 347, 20.12.2013, p. 549.

⁽²⁾ Commission Implementing Regulation (EU) No 908/2014 of 6 August 2014 laying down rules for the application of Regulation (EU) No 1306/2013 of the European Parliament and of the Council with regard to paying agencies and other bodies, financial management, clearance of accounts, rules on checks, securities and transparency (OJ L 255, 28.8.2014, p. 59).

- (6) For certain paying agencies, the annual accounts and the accompanying documents allow the Commission to take a decision on the completeness, accuracy and veracity of the annual accounts submitted.
- (7) The information submitted by certain other paying agencies requires additional inquiries and, therefore, their accounts cannot be cleared in this Decision.
- (8) In accordance with Article 41 of Regulation (EU) No 1306/2013, the Commission may reduce or temporarily suspend interim payments to the Member States. It should inform the Member State(s) concerned accordingly. In adopting this Decision, the Commission should take into account the amounts reduced or suspended in order to avoid making any inappropriate or untimely payments, or reimbursing amounts that could later be subject to financial correction.
- (9) Article 54(4) of Regulation (EU) No 1306/2013 requires Member States to attach to the annual accounts that they have to submit to the Commission pursuant to Article 29 of Implementing Regulation (EU) No 908/2014 a certified table reflecting the amounts to be borne by them under Article 54(2) of Regulation (EU) No 1306/2013. Rules on the application of the Member States' obligation to report the amounts to be recovered are laid down in Implementing Regulation (EU) No 908/2014. Annex II to Implementing Regulation (EU) No 908/2014 sets out the model of the table that Member States have to use to provide information about amounts to be recovered in 2016. On the basis of the tables completed by the Member States, the Commission should decide on the financial consequences of non-recovery of irregularities older than four or eight years respectively.
- (10) Pursuant to Article 54(3) of Regulation (EU) No 1306/2013, on duly justified grounds, Member States may decide not to pursue recovery. Such a decision may be taken only if the costs already, and likely to be, incurred total more than the amount to be recovered, or if the recovery proves impossible owing to the insolvency recorded and recognised under national law, of the debtor or the persons legally responsible for the irregularity. If the decision has been taken within four years from the date of recovery request, or within eight years where the recovery is taken before the national courts, 100 % of the financial consequences of the non-recovery should be borne by the Union budget. The amounts for which a particular Member State decided not to pursue recovery and the grounds for its decision are shown in the summary report referred to in Article 54(4) in conjunction with point (c)(iv) of Article 102(1) of Regulation (EU) No 1306/2013. Therefore, such amounts should not be charged to the Member States concerned and are consequently to be borne by the Union budget.
- (11) In accordance with Article 51 of Regulation (EU) No 1306/2013, this Decision is without prejudice to the decisions the Commission may take subsequently to exclude from Union financing expenditure not effected in accordance with Union rules,

HAS ADOPTED THIS DECISION:
