REGULATIONS

COMMISSION IMPLEMENTING REGULATION (EU) 2020/712

of 25 May 2020

amending Annex I to Council Regulation (EEC) No 2658/87 on the tariff and statistical nomenclature and on the Common Customs Tariff

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EEC) No 2658/87 of 23 July 1987 on the tariff and statistical nomenclature and on the Common Customs Tariff ⁽¹⁾, and in particular Article 9(1), point (e), thereof,

Whereas:

- (1) Regulation (EEC) No 2658/87 established a nomenclature of goods (hereinafter referred to as the 'CN'), which is set out in Annex I to that Regulation.
- (2) Subheading 2403 99 10 of the CN covers 'chewing tobacco and snuff', which are smokeless tobacco products.
- (3) Regulation (EEC) No 950/68 of the Council ⁽²⁾, which laid down the Common Customs Tariff, the predecessor of the CN, was adopted in only four languages: German, French, Italian and Dutch. In those language versions, the products now referred to in subheading 2403 99 10 are referred to as 'Kautabak und Schnupftabak' in German, as 'tabac à mâcher et tabac à priser' in French, as 'tabacco da masticare e tabacco da fiuto' in Italian and 'pruimtabak en snuif' in Dutch.
- (4) In the English version of the Common Customs Tariff, which dates from 1973 and thus postdates the German, French, Italian and Dutch language versions, the products now referred to in subheading 2403 99 10 are referred to as 'chewing tobacco and snuff'.
- (5) In English, the word 'snuff', when used about tobacco products, means a preparation of pulverized tobacco to be inhaled through the nostrils, chewed, or placed against the gums. The English language version of the CN and some other language versions have thus led to confusion as to whether the term 'snuff' should be restricted to products that can be inhaled through the nose or also include preparations of pulverized tobacco that can be placed against the gums.
- (6) All different language versions of Union acts are authentic, but later language versions cannot expand or restrict the scope of Union Acts that predate those later language versions.
- (7) It is clear from the German, French, Italian and Dutch language versions that the intention of the legislator was to restrict the products referred to in subheading 2403 99 10 of the CN to chewing tobacco and tobacco products that can be inhaled through the nose. In order to ensure a uniform interpretation of the CN throughout the Union and thus to ensure legal certainty, the wording of subheading 2403 99 10 should therefore be amended to clarify that the meaning of the terms 'snuff' should be restricted to nasal tobacco.

⁽¹⁾ OJ L 256, 7.9.1987, p. 1.⁽²⁾ Regulation (EEC) No 950/68 of the Council of 28 June 1968 on the common customs tariff (OJ L 172, 22.7.1968, p. 1).

- (8) Regulation (EEC) No 2658/87 should therefore be amended accordingly.
- (9) The measures provided for in this Regulation are in accordance with the opinion of the Customs Code Committee,

HAS ADOPTED THIS REGULATION:

Article 1

The row for CN code 2403 99 10 of Chapter 24 of Part Two of the Combined Nomenclature set out in Annex I to Regulation (EEC) No 2658/87 is replaced by the following:

'2403 99 10	— Chewing tobacco and snuff (nasal tobacco)	41,6	—'
-------------	---	------	----

Article 2

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

It shall apply from 1 January 2021.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 25 May 2020.

Philip KERMODE
Acting Director-General
Directorate-General for Taxation and Customs Union*

COMMISSION IMPLEMENTING REGULATION (EU) 2020/713**of 27 May 2020****amending Regulation (EC) No 1484/95 as regards fixing representative prices in the poultrymeat and egg sectors and for egg albumin**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1308/2013 of the European Parliament and of the Council of 17 December 2013 establishing a common organisation of the markets in agricultural products and repealing Council Regulations (EEC) No 922/72, (EEC) No 234/79, (EC) No 1037/2001 and (EC) No 1234/2007 ⁽¹⁾, and in particular Article 183(b) thereof,

Having regard to Regulation (EU) No 510/2014 of the European Parliament and of the Council of 16 April 2014 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products and repealing Council Regulations (EC) No 1216/2009 and (EC) No 614/2009 ⁽²⁾, and in particular Article 5(6)(a) thereof,

Whereas:

- (1) Commission Regulation (EC) No 1484/95 ⁽³⁾ lays down detailed rules for implementing the system of additional import duties and fixes representative prices in the poultrymeat and egg sectors and for egg albumin.
- (2) Regular monitoring of the data used to determine representative prices for poultrymeat and egg products and for egg albumin shows that the representative import prices for certain products should be amended to take account of variations in price according to origin.
- (3) Regulation (EC) No 1484/95 should therefore be amended accordingly.
- (4) Given the need to ensure that this measure applies as soon as possible after the updated data have been made available, this Regulation should enter into force on the day of its publication,

HAS ADOPTED THIS REGULATION:

Article 1

Annex I to Regulation (EC) No 1484/95 is replaced by the text set out in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Union*.

COMMISSION IMPLEMENTING REGULATION (EU) 2020/714**of 28 May 2020****amending Implementing Regulation (EU) 2020/466 as regards the use of electronic documentation for the performance of official controls and other official activities and the period of application of temporary measures****(Text with EEA relevance)**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2017/625 of the European Parliament and of the Council of 15 March 2017 on official controls and other official activities performed to ensure the application of food and feed law, rules on animal health and welfare, plant health and plant protection products, amending Regulations (EC) No 999/2001, (EC) No 396/2005, (EC) No 1069/2009, (EC) No 1107/2009, (EU) No 1151/2012, (EU) No 652/2014, (EU) 2016/429 and (EU) 2016/2031 of the European Parliament and of the Council, Council Regulations (EC) No 1/2005 and (EC) No 1099/2009 and Council Directives 98/58/EC, 1999/74/EC, 2007/43/EC, 2008/119/EC and 2008/120/EC, and repealing Regulations (EC) No 854/2004 and (EC) No 882/2004 of the European Parliament and of the Council, Council Directives 89/608/EEC, 89/662/EEC, 90/425/EEC, 91/496/EEC, 96/23/EC, 96/93/EC and 97/78/EC and Council Decision 92/438/EEC (Official Controls Regulation) ⁽¹⁾, and in particular Article 141(1) thereof,

Whereas:

- (1) Regulation (EU) 2017/625 lays down rules for, inter alia, the performance of official controls and of other official activities by the competent authorities of Member States. It also empowers the Commission to adopt, by means of an implementing act, appropriate temporary measures necessary to contain risks to human, animal and plant health and animal welfare, if it has evidence of a serious disruption in a Member State's control system.
- (2) In order to address the specific circumstances due to the ongoing crisis related to coronavirus disease (COVID-19), Commission Implementing Regulation (EU) 2020/466 ⁽²⁾ allows Member States to apply temporary measures in relation to official controls and other official activities. That Implementing Regulation allows for official controls and other official activities on official certificates and official attestations to be performed on an electronic copy of such certificates or attestations, subject to certain conditions.
- (3) In order to ensure smooth trade, it should be clarified that official controls and other official activities may be performed on a copy of the original certificates or attestations, which has been provided by certain electronic means. In addition, it should be clarified that the obligation to provide the original of those documents as soon as technically feasible does not apply where official controls and other official activities are performed based on electronic data produced and submitted in the Trade Control and Expert System (TRACES).
- (4) Some Member States have informed the Commission and the other Member States that the serious disruptions in the functioning of their control systems in view of the crisis linked to COVID-19 and the difficulties to perform official controls and other official activities will persist beyond 1 June 2020. In order to address these serious disruptions and facilitate the planning and the performance of official controls and other official activities during the crisis linked to COVID-19, the period of application of Implementing Regulation (EU) 2020/466 should be prolonged until 1 August 2020.
- (5) Implementing Regulation (EU) 2020/466 should therefore be amended accordingly.
- (6) The measures provided for in this Regulation are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,

⁽¹⁾ OJ L 95, 7.4.2017, p. 1.

⁽²⁾ Commission Implementing Regulation (EU) 2020/466 of 30 March 2020 on temporary measures to contain risks to human, animal and plant health and animal welfare during certain serious disruptions of Member States' control systems due to coronavirus disease (COVID-19) (OJ L 98, 31.3.2020, p. 30).

HAS ADOPTED THIS REGULATION:

Article 1

Implementing Regulation (EU) 2020/466 is amended as follows:

(1) Article 4 is replaced by the following:

'Article 4

1. Official controls and other official activities on official certificates and official attestations may exceptionally be performed:

- (a) on a copy of the original of such certificates or attestations, that is made available electronically, provided the person responsible for presenting the official certificate or official attestation presents to the competent authority a statement affirming that the original of the official certificate or official attestation will be submitted as soon as technically feasible; or
- (b) on electronic data from such certificates or attestations, where such data has been produced and submitted by the competent authority in TRACES.

2. When performing official controls and other official activities referred to in paragraph 1 of this Article, the competent authority shall take into account the risk of non-compliance of animals and goods concerned and operators' past record as regards the outcome of official controls performed on them and their compliance with the rules referred to in Article 1(2) of Regulation (EU) 2017/625.;

(2) in Article 6, the second paragraph is replaced by the following:

'It shall apply until 1 August 2020'.

Article 2

This Regulation shall enter into force on the third day following that of its publication in the *Official Journal of the European Union*.

It shall apply from 2 June 2020.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 May 2020.

For the Commission

The President

Ursula VON DER LEYEN

DECISIONS

COMMISSION IMPLEMENTING DECISION (EU) 2020/715

of 25 May 2020

on the clearance of the accounts of the paying agencies of Member States concerning expenditure financed by the European Agricultural Guarantee Fund (EAGF) for financial year 2019

(notified under document C(2020) 3260)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1306/2013 of the European Parliament and of the Council of 17 December 2013 on the financing, management and monitoring of the common agricultural policy and repealing Council Regulations (EEC) No 352/78, (EC) No 165/94, (EC) No 2799/98, (EC) No 814/2000, (EC) No 1290/2005 and (EC) No 485/2008 ⁽¹⁾, and in particular Article 51 thereof,

After consulting the Committee on the Agricultural Funds,

Whereas:

- (1) Pursuant to Article 51 of Regulation (EU) No 1306/2013, the Commission, on the basis of the annual accounts submitted by the Member States, accompanied by the information required for the clearance of accounts and an audit opinion regarding the completeness, accuracy and veracity of the accounts and the reports established by the certification bodies, has to clear the accounts of the paying agencies referred to in Article 7 of that Regulation prior to 31 May of the year following the budget year in question.
- (2) In accordance with Article 39 of Regulation (EU) No 1306/2013 the agricultural financial year begins on 16 October of year N-1 and ends on 15 October of year N. When clearing the accounts for financial year 2019, account should be taken of expenditure incurred by the Member States between 16 October 2018 and 15 October 2019, as provided for in Article 11(1) of Commission Implementing Regulation (EU) No 908/2014 ⁽²⁾.
- (3) The first subparagraph of Article 33(2) of Implementing Regulation (EU) No 908/2014 provides that the amounts that are recoverable from, or payable to, each Member State, in accordance with the accounts clearance decision referred to in Article 33(1) of that Regulation, are to be established by deducting the monthly payments for the financial year concerned from expenditure recognised for that year in accordance with Article 33(1). The Commission is to deduct that amount from or add it to the monthly payment relating to the expenditure effected in the second month following the clearance of accounts decision.
- (4) The Commission has checked the information submitted by the Member States and has communicated the results of its checks to the Member States, along with the necessary amendments.
- (5) For all paying agencies concerned, the annual accounts and the accompanying documents permit the Commission to take a decision on the completeness, accuracy and veracity of the annual accounts submitted.
- (6) In accordance with Article 5(5) of Commission Delegated Regulation (EU) No 907/2014 ⁽³⁾, any overrun of deadlines during August, September and October is to be taken into account in the clearance of accounts decision. Some of the expenditure declared by certain Member States during those months in 2019 was effected after the applicable deadlines. This Decision should therefore fix the relevant reductions.

⁽¹⁾ OJ L 347, 20.12.2013, p. 549.

⁽²⁾ Commission Implementing Regulation (EU) No 908/2014 of 6 August 2014 laying down rules for the application of Regulation (EU) No 1306/2013 of the European Parliament and of the Council with regard to paying agencies and other bodies, financial management, clearance of accounts, rules on checks, securities and transparency (OJ L 255, 28.8.2014, p. 59).

⁽³⁾ Commission Delegated Regulation (EU) No 907/2014 of 11 March 2014 supplementing Regulation (EU) No 1306/2013 of the European Parliament and of the Council with regard to paying agencies and other bodies, financial management, clearance of accounts, securities and use of euro (OJ L 255, 28.8.2014, p. 18).

- (7) Pursuant to Article 41 of Regulation (EU) No 1306/2013, the Commission has already reduced or suspended a number of monthly payments for financial year 2019 due to failure to comply with financial ceilings or payment deadlines, or due to control system deficiencies. In this Decision, the Commission should take into account such reduced or suspended amounts in order to avoid making any inappropriate, or untimely, payments or reimbursements which could later be subject to financial correction. The amounts in question may be examined, where appropriate, under conformity clearance proceedings pursuant to Article 52 of Regulation (EU) No 1306/2013.
- (8) Pursuant to Article 54(2) of Regulation (EU) No 1306/2013, 50 % of the financial consequences of non-recovery of irregularities should be borne by the Member State concerned, if recovery has not taken place within four years from the date of the recovery request, or within eight years where the recovery is taken before the national courts. Article 54(4) of Regulation (EU) No 1306/2013 requires Member States to attach to the annual accounts that they have to submit to the Commission pursuant to Article 29 of Implementing Regulation (EU) No 908/2014 a certified table reflecting the amounts to be borne by them under Article 54(2) of Regulation (EU) No 1306/2013. Rules on the application of the Member States' obligation to report the amounts to be recovered are laid down in Implementing Regulation (EU) No 908/2014. Annex II to Implementing Regulation (EU) No 908/2014 sets out the model of the table that Member States have to use to provide information about amounts to be recovered. On the basis of the tables completed by the Member States, the Commission should decide on the financial consequences of non-recovery of irregularities older than four or eight years respectively.
- (9) Pursuant to Article 54(3) of Regulation (EU) No 1306/2013, on duly justified grounds, Member States may decide not to pursue recovery. Such a decision may be taken only if the costs already, and likely to be, incurred total more than the amount to be recovered, or if the recovery proves impossible owing to the insolvency, recorded and recognised under national law, of the debtor or the persons legally responsible for the irregularity. If the decision has been taken within four years from the date of the recovery request or within eight years where the recovery is taken to the national courts, 100 % of the financial consequences of the non-recovery should be borne by the Union budget. The amounts for which the Member State decided not to pursue recovery and the grounds for the decision are shown in the summary report referred to in Article 54(4) of Regulation (EU) No 1306/2013 in conjunction with point (c)(iv) of the first subparagraph of Article 102(1) of that Regulation. Therefore, such amounts should not be charged to the Member States concerned and are consequently borne by the Union budget.
- (10) Reductions according to Article 54(2) of Regulation (EU) No 1306/2013 presented in Annex I (column e) relate to the European Agricultural Guarantee Fund (EAGF). The amounts to be charged to the Member States, as a result of the application of Article 54(2) of Regulation (EU) No 1306/2013 in relation to the Temporary Rural Development Instrument (TRDI) funded by the European Agricultural Guidance and Guarantee Fund (EAGGF) ⁽⁴⁾ are presented in Annex II.
- (11) In accordance with Article 51 of Regulation (EU) No 1306/2013, this Decision should be without prejudice to the decisions the Commission may take subsequently to exclude from Union financing expenditure not effected in accordance with Union rules,

HAS ADOPTED THIS DECISION:

Article 1

The accounts of the Member States' paying agencies are hereby cleared as regards expenditure financed by the European Agricultural Guarantee Fund (EAGF) in respect of financial year 2019.

The amounts recoverable from, or payable to, each Member State pursuant to this Decision, including those resulting from the application of Article 54(2) of Regulation (EU) No 1306/2013, are set out in Annexes I and II to this Decision.

⁽⁴⁾ Commission Regulation (EC) No 27/2004 of 5 January 2004 laying down transitional detailed rules for the application of Council Regulation (EC) No 1257/1999 as regards the financing by the EAGGF Guarantee Section of rural development measures in the Czech Republic, Estonia, Cyprus, Latvia, Lithuania, Hungary, Malta, Poland, Slovenia and Slovakia (OJ L 5, 9.1.2004, p. 36).

Article 2

This Decision is without prejudice to future conformity clearance decisions that the Commission may take pursuant to Article 52 of Regulation (EU) No 1306/2013 to exclude from Union financing expenditure not effected in accordance with Union rules.

Article 3

This Decision is addressed to the Member States.

Done at Brussels, 25 May 2020.

For the Commission
Janusz WOJCIECHOWSKI
Member of the Commission

- (¹) The reductions and suspensions are those taken into account in the payment system, to which are added in particular the corrections for the non respect of payment deadlines established in August, September and October 2019 and other reductions in the context of Article 41 of Regulation (EU) No 1306/2013.
- (²) For the calculation of the amount to be recovered from or paid to the Member State the amount taken into account is, the total of the annual declaration for the expenditure cleared (col.a) or, the total of the monthly declarations for the expenditure disjoined (col.b). Applicable exchange rate: the second sentence of the first subparagraph of Article 11(1) of the Delegated Regulation (EU) No 907/2014.
- (³) BL 05 07 01 06 shall be split between the negative corrections which become assigned revenue in BL 67 01 and the positive ones in favour of MS which shall now be included on the expenditure side 05 07 01 06 as per Article 43 of Regulation (EU) No 1306/2013.

NB: Nomenclature 2020 : 05 07 01 06, 6701, 6702
